Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	2	0	0	0	0%
2019	5	1	1	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	87.9%	100%	$29,206
2019	11.1%	87.1%	86.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	87.9%	100%	$29,206
2019	11.1%	87.1%	86.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	6	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	1	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	85.7%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	3	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	66.7%	66.7%	$29,206
2019	11.1%	75%	87.5%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	63	19	16	2	12.5%
2019	66	23	21	3	14.3%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	6	2	2	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	1	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	84.6%	100%	$29,206
2019	11.1%	84.6%	76.9%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	48	17	15	1	6.7%
2019	36	11	10	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

University of Phoenix

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	1	0	0	0	0%
2019	8	2	2	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	6	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	2	0	0	0	0%
2019	11	3	3	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Cost of Educational Program

Total charges for the program for students completing on-time in 2020: $62,107
Total charges may be higher for students that don't complete on-time.
Total charges for the program for students completing on-time in 2019: $62,075
Total charges may be higher for students that don't complete on-time.

Student Initials: _____ Date: _____
Initial only after you have had sufficient time to read and understand the information

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	8	4	4	1	25%
2019	12	2	2	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	91.4%	91.5%	$29,206
2019	11.1%	90.9%	93.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	100%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	1	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	100%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	100%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	1	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	100%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	100%	100%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	12	1	1	0	0%
2019	21	6	6	1	16.7%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	13	8	7	2	28.6%
2019	25	9	8	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	10	7	6	0	0%
2019	15	7	7	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	2	1	0	0	0%
2019	11	5	4	1	25%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Cost of Educational Program

Total charges for the program for students completing on-time in 2020: $64,133
Total charges may be higher for students that don't complete on-time.
Total charges for the program for students completing on-time in 2019: $64,100
Total charges may be higher for students that don't complete on-time.

Student Initials: _____ Date: _____
Initial only after you have had sufficient time to read and understand the information

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	12	5	5	1	20%
2019	13	5	5	2	40%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	22	14	10	1	10%
2019	55	34	29	1	3.4%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	5	4	3	0	0%
2019	11	6	5	1	20%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	72.8%	70.2%	$29,206
2019	11.1%	75.4%	76%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	77	18	15	5	33.3%
2019	87	18	15	1	6.7%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	106	32	29	1	3.4%
2019	120	22	21	2	9.5%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	1	1	1	0	0%
2019	4	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	5	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	3	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	3	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	2	1	0	0	0%
2019	14	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	4	2	1	0	0%
2019	4	1	1	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	70.8%	55.6%	$29,206
2019	11.1%	60.5%	60%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	75.5%	72.4%	$29,206
2019	11.1%	71.8%	72.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	89.5%	95.4%	$29,206
2019	11.1%	88.1%	94.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Cost of Educational Program

Total charges for the program for students completing on-time in 2020: $64,673
Total charges may be higher for students that don't complete on-time.
Total charges for the program for students completing on-time in 2019: $64,640
Total charges may be higher for students that don't complete on-time.

Student Initials: _____ Date: _____
Initial only after you have had sufficient time to read and understand the information

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	89.5%	95.4%	$29,206
2019	11.1%	88.1%	94.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	89.5%	95.4%	$29,206
2019	11.1%	88.1%	94.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	89.5%	95.4%	$29,206
2019	11.1%	88.1%	94.8%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	8	0	0	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Cost of Educational Program

Total charges for the program for students completing on-time in 2020: $68,860
Total charges may be higher for students that don't complete on-time.
Total charges for the program for students completing on-time in 2019: $68,825
Total charges may be higher for students that don't complete on-time.

Student Initials: _____ Date: _____
Initial only after you have had sufficient time to read and understand the information

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	87.4%	90.4%	$29,206
2019	11.1%	86.2%	91.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	3	0	0	0	0%
2019	1	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	87.4%	90.4%	$29,206
2019	11.1%	86.2%	91.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

University of Phoenix
3095 N. Imperial Ave, Ste 101
El Centro, CA 92243

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	75%	83.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	75%	83.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	1	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	75%	83.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	75%	83.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	100%	100%	$29,206
2019	11.1%	75%	83.3%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Visalia

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	15	5	5	1	20%
2019	6	3	2	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	87.4%	90.4%	$29,206
2019	11.1%	86.2%	91.1%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	78.4%	82.4%	$29,206
2019	11.1%	87.7%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	78.4%	82.4%	$29,206
2019	11.1%	87.7%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	1	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	78.4%	82.4%	$29,206
2019	11.1%	87.7%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	78.4%	82.4%	$29,206
2019	11.1%	87.7%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	1	1	1	0	0%
2019	2	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting

Part Time vs. Full Time Employment

Calendar Year	Graduates Employed in the Field 20 to 29 Hours Per Week	Graduates Employed in the Field at Least 30 Hours Per Week	Total Graduates Employed in the Field
2020	0	0	0
2019	0	0	0

Single Position vs. Concurrent Aggregated Positions

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the Field
2020	0	0	0
2019	0	0	0

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	78.4%	82.4%	$29,206
2019	11.1%	87.7%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	94.2%	93.7%	$29,206
2019	11.1%	92.8%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	3	2	2	0	0%
2019	9	2	2	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	94.2%	93.7%	$29,206
2019	11.1%	92.8%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	5	2	2	0	0%
2019	24	7	5	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0%
2019	0	0	0	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	94.2%	93.7%	$29,206
2019	11.1%	92.8%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	5	3	3	0	0%
2019	16	7	6	1	16.7%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	94.2%	93.7%	$29,206
2019	11.1%	92.8%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Federal Student Loan Debt at University of Phoenix

Calendar Year	- Most recent three year cohort default rate, as reported by the United States Department of Education[1]	The percentage of students enrolled in 2019/20 – receiving federal student loans to pay for this program	The percentage of graduates in 2019/20 -who took out federal student loans to pay for this program	-The average amount of federal student loan debt of 2019/20 graduates who took out federal student loans- at this institution
2020	8.7%	94.2%	93.7%	$29,206
2019	11.1%	92.8%	93%	$30,447

[1]The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

The following are the definitions for the Performance Fact Sheet:

"**Number of Students Who Began Program**" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"**Students Available for Graduation**" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"**Number of On-time Graduates**" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"**On-time Completion Rate**" is the number of on-time graduates divided by the number of students available for graduation.

"**150% Graduates**" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"**150% Completion Rate**" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"**Graduates Available for Employment**" means the number of graduates minus the number of graduates unavailable for employment.

"**Graduates Unavailable for Employment**" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"**Graduates Employed in the Field**" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"**Placement Rate Employed in the Field**" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Definitions (continued)

"**Number of Graduates Taking Exam**" is the number of graduates who took the first available exam in the reported calendar year.

"**First Available Exam Date**" is the date for the first available exam after a student completed a program.

"**Passage Rate**" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"**Number Who Passed First Available Exam**" is the number of graduates who took and passed the first available licensing exam after completing the program.

"**Salary**" is as reported by graduate or graduate's employer.

"**No Salary Information Reported**" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

Job Placement Rates[1]

Includes data for the two calendar years prior to reporting

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	3	0	0	0	0%
2019	26	11	10	0	0%

[1] Job placement information is obtained from graduate surveys, and despite reasonable efforts taken to gather employment data for graduates, many graduates do not respond to the survey. Therefore, the published job placement rate may not be representative of actual performance of University graduates of this program. The overall survey response rate of CA graduates across all University of Phoenix programs in 2019 was 31% and was 30% in 2020.

To obtain a list of employment positions determined to be within the field of this program, please visit https://www.phoenix.edu/career-services/explorer.html#4 or speak to your advisor.

Gainfully Employed Categories

Includes data for the two calendar years prior to reporting
