## **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

An applicant requesting cancellation of his/her Enrollment Agreement after signing such agreement and making an initial payment, but prior to entering the school, is entitled to a full refund of all monies paid. All monies paid by an applicant must be refunded within thirty (30) calendar days after signing an enrollment agreement and making an initial payment.

A student shall have the right to cancel an agreement for a program of instruction without penalty or obligation (subject to the equipment clause below), through attendance at the first-class session, or midnight of the seventh (7th) calendar day after enrollment, whichever is later.

Cancellation shall occur when the student gives written notice of cancellation to the school at the campus of original enrollment. The written notice of cancellation, if given by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take a particular form and, however expressed, is effective if it indicates the student's desire not to be bound by the agreement.

If the agreement is cancelled, the school shall refund within 45 days any consideration paid by the student, less a registration fee of one hundred eighty five dollars (\$185.00) If the school gave the student any equipment\*, the student shall return the equipment thirty (30) days following the notice of cancellation. If the student fails to return the equipment within thirty (30) day period, in good condition\*\*, the school may retain that portion of the consideration paid by the student equal to the documented cost to the institution of the equipment. The student may retain the equipment without further obligation to pay for it.

\*Equipment includes all instructional materials, supplies, tools, or any other goods related to this Enrollment Agreement for the course of instruction.

\*\*Good condition does not include equipment that has a broken seal, marked or damaged in any way, or cannot be reused because of clearly recognized reasons.

An applicant requesting cancellation of his/her Enrollment Agreement after signing such agreement and making an initial payment, but prior to entering the school, is entitled to a full refund of all monies paid. All monies paid by an applicant must be refunded within thirty (30) calendar days after signing an enrollment agreement and making an initial payment.

A student shall have the right to cancel an agreement for a program of instruction without penalty or obligation (subject to the equipment clause below), through attendance at the first-class session, or midnight of the seventh (7th) calendar day after enrollment, whichever is later.

Cancellation shall occur when the student gives written notice of cancellation to the school at the campus of original enrollment. The written notice of cancellation, if given by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take a particular form and, however expressed, is effective if it indicates the student's desire not to be bound by the agreement.

If the agreement is cancelled, the school shall refund within 45 days any consideration paid by the student, less a registration fee of two hundred fifty dollars (\$185.00). If the school gave the student any equipment\*, the student shall return the equipment thirty (30) days following the notice of cancellation. If the student fails to return the equipment within thirty (30) day period, in good condition\*\*, the school may retain that portion of the consideration paid by the student equal to the documented cost to the institution of the equipment. The student may retain the equipment without further obligation to pay for it.

\*Equipment includes all instructional materials, supplies, tools, or any other goods related to this Enrollment Agreement for the course of instruction.

\*\*Good condition does not include equipment that has a broken seal, marked or damaged in any way, or cannot be reused because of clearly recognized reasons.

## **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
