### Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates

*unavailable for employment.*

- *“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.*
- *“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.*
- *“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.*
- *“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.*
- *“First Available Exam Date” is the date for the first available exam after a student completed a program.*
- *“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.*
- *“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.*
- *“Salary” is as reported by graduate or graduate’s employer.*
- *“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.*

**\*\*Please note in the Spring of 2018, the Art of Acting Studio was changed the name of the Evening Conservatory 2 Years to Professional Conservatory 2 ½ Years. This new program name will be reflected in future SPFS and School Catalogs beginning in 2020)**

**STUDENT’S RIGHT TO CANCEL**

The Student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance on the first day of class, or the seventh (7<sup>th</sup>) day after enrollment, whichever is later. Cancellation occurs when the student gives written notice of cancellation to the Director, at the address of the School, shown on this agreement. The Student can also mail, hand deliver, fax or telegram the cancellation. The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. Cancellation notices are to be addressed to: **Art of Acting Studio, 1017 N. Orange Drive, Los Angeles, CA 90038**

**TO CANCEL THE COURSE:** You have until: \_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_ to cancel this program. The Student has the right to withdraw from School at any time. If the Student cancels the course of instruction after the cancellation period, the School will remit a pro-rata refund for the unused portion of the tuition and other refundable charges if the student has completed up to 60% of training or less of the instruction within 30 days. The amount of the refund is determined by deducting the registration fee from the total tuition charged, then dividing the remainder by the number of hours in the course to calculate the hourly charge. The refund is the amount in excess of what the student owes for total hours of instruction completed, excluding the non-refundable \$250 Registration Fee and STRF fee.

**HYPOTHETICAL REFUND EXAMPLE:** Students have a right to a full refund of all charges, less the \$250 registration fee, if the student cancels the enrollment agreement on the first day of class or on the seventh day after signing this agreement. The amount retained by the school will not exceed the \$250 (two hundred and fifty dollars) registration fee.

If a student withdraws from the program after instruction has begun the student will receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. The date of withdrawal is the date of cancellation and is determined as the date the student notifies the school of the decision to cancel, or the last date of attendance, if the student fails to notify the school. The student will be charged for all hours attended. For example, if the Student completes 50 hours of a 100-hour course, and paid \$2,000 for tuition-in-full, the student would receive a refund of \$1,000.

The School will refund money collected from a third party on the student’s behalf, such as Veteran’s Benefits and/or WIA funds, if the school cancels or discontinues the course in which the student is enrolled, or if the student drops out. If any portion of the tuition was paid from the proceeds of a third party, the refund will be sent to the lender or agency that guaranteed the funds. Any remaining amount will first be used to repay any student financial aid programs from which the student received benefits, in proportion to the benefits received. Any remaining amount of money will be paid to the student. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. **If the student defaults on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance**
