STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when enrollment agreement was signed), whichever is later.

Your cancellation date would be by 5pm on_____.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund (based on scheduled hours) of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred **(including absences)**, there will be no refund to the student.

The enrollment fee of **\$125.00 is a non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for enrollment fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it.
