ABOUT COLUMBIA WEST COLLEGE

WELCOME MESSAGE FROM THE PRESIDENT

Dear Friend,

Hello and welcome to Columbia West College! Right now, we know you have a lot of questions about choosing the right language school – and rightfully so. You obviously want a school that combines quality programs and instruction, helpful student services and expert faculty with a warm and engaging environment. But most importantly, you want a school that takes the time to understand you and will help you to master the English language so that you can achieve your goals. Other language schools may make similar promises. So what sets Columbia West College apart from all the rest?

First and foremost, I understand the hardships that you're facing as an English language student, because I went through them myself when I came to the United States as an international student. I'm very familiar with the panicky feeling in your chest when an American says something to you in English that you don't understand. I know exactly how frustrating it can be when you can't express yourself clearly in English. And I understand your fear of speaking English freely because you might say something wrong and embarrass yourself.

So, I started this school specifically to help students just like you. And because I've overcome these obstacles and helped so many students to do the same, we at Columbia West College understand the challenges you're facing and know that you can achieve success.

Not only that, we realize you have very personal and unique reasons for wanting to learn English. Your needs, goals and desires are different from everyone else's, and we want to put you on an educational path that fits what you want to accomplish. Columbia West College is here to help you reach your goals by providing you with a rigorous curriculum, experienced teachers and a "students come first" environment to support you on your journey.

So whatever your goals – to further your education, to advance in your career or simply to feel comfortable and confident speaking to an American, an education at Columbia West College can serve as the key to unlocking your dreams.

Most importantly, we're excited to get to know you. So go ahead and dream big. Let us help you make your dreams a reality. We can't wait to help you write your success story.

Warmest regards,

Dr. Samuel N. Lee

The school's roughly 7,400 square feet are divided among 9 classrooms (with one classroom serving the dual purpose of classroom and Computer Lab), 3 administrative offices, the faculty resource/conference room, the marketing/sales office, the student common area, the employee break room, the records room and the reception area. Nearly all classrooms boast views of the Los Angeles skyline and are equipped with a whiteboard, a CD player, a laptop computer, an LED projector and speakers for classroom use.

Students are always welcome during school hours to borrow materials from CWC's collection of instructional and recreational books, games, CDs and DVDs to supplement their classroom instruction. There is a sign-in/ sign-out system for borrowing resources from CWC's collection. Students are also always welcome to use the Computer Lab during school hours to complete homework assignments and take English proficiency practice examinations, such as the TOEFL.

PROGRAMS

INSTRUCTIONAL MODE

All programs are delivered in English by direct classroom instruction. Textbooks and student-focused/instructor-facilitated lessons and discussions form the educational core of each program, though each program may be supplemented with video content, group and pair activities, student presentations, computer lab work and educationally relevant extracurricular activities. CWC does not offer any distance education programs.

No minimum level of English proficiency is required for CWC's programs, unless otherwise indicated, since CWC's programs all focus on providing English language instruction. English proficiency is assessed by means of placement exam administered prior to the start of the student's program.

All programs require that students take a placement and exit exam, as well as satisfy the specific requirements described in the syllabus for each course in their program. No internships are required to complete any of CWC's programs. None of the educational programs offered lead to positions in a profession, occupation, trade or career field that require licensure.

Students are exposed to diverse materials and media across time periods, such as classic American literature and modern American music, which will facilitate meaningful and relevant cultural discussion with Americans and non-Americans alike. The teacher-facilitated, self-guided learning style makes students integral participants in their own learning and the learning of their peers.

LEVEL DESCRIPTIONS

Our Essential English and Essential English Plus English as a Second Language (ESL) Programs consist of six levels of instruction, ranging from beginning to advanced; our American Communication program consists of three levels of instruction (beginning, intermediate and advanced) and our remaining programs offer varying levels of instruction, depending upon the program. Our instructional approach is designed to help students acquire proficiency across levels and to progress from the pre-production stage to advanced fluency. Our experienced faculty and staff help to create a low-stress, engaging environment that optimizes the learning experience. Students are placed in the appropriate level of English based primarily on the test scores achieved on the English Placement Test they take when they first arrive at CWC.

CWC uses the Common European Framework of Reference (CEF or CEFR) to help define the attainment of educational objectives of its students. CEF is a standard developed by the Council of Europe to establish international standards for language-learning, teaching, and assessment. The CEF Global Scale's six language ability levels (A1 – C2) help inform curriculum writers, and are becoming progressively more accepted throughout the ESL world. The CEF Global Scale is also recognized by the most well-known ESL publishers, such as Pearson-Longman, Oxford University Press, Cambridge University Press and Heinle Cengage, whose texts are used extensively at CWC.

PAYMENT POLICIES

All charges are due in full on the first day of instruction, unless payment arrangements to the contrary have been made in advance with the administration. All students are required to sign an enrollment agreement upon enrollment, which will detail the tuition and all other charges owed for the program and the payment terms.

Grades, transcripts and other documents will not be released to any student with an outstanding account balance, unless arrangements to the contrary have been made in advance with the administration. CWC may refuse to provide certain student services to students who have an outstanding balance. CWC may also refuse re-admission to any student who has left the institution without paying all outstanding balances.

STUDENT TUITION RECOVERY FUND DISCLOSURE

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

GRADES AND STANDARDS FOR STUDENT ACHIEVEMENT

GRADING SYSTEM

Student performance at CWC is evaluated using some combination of the following factors: attendance, classroom participation, homework and quizzes/presentations. The weight assigned to each component will be specified in the syllabus for each class. Student grades and Grade Point Averages (GPAs) will be calculated as follows:

	Explanation	Percentage	Grade Point
A	Excellent	90-100%	4
B	Good	80-89%	3
C	Satisfactory	70-79%	2
D	Poor	60-69%	1
F	Failing	0-59%	0

TRANSCRIPTS

CWC students are informed of their academic progress every four weeks (at the end of each 4-week module) in the form of an Unofficial Transcript, which contains their grades, cumulative attendance and other relevant in-formation. Official Transcripts are available from the Registrar for a fee. Please note that if there is an account balance or other penalties on record against a student, requests for transcripts will not be honored unless arrangements to the contrary have been made in advance with the administration.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

General

As a CWC student, you must meet our academic progress and attendance requirements to maintain Satisfactory Academic Progress (SAP). SAP means that you have:

- a) A minimum overall GPA of 2.0 or C and
- b) A minimum of 80% overall attendance.

Failure To Meet SAP:

All CWC programs are built around four-week modules, but each program may have a different number of levels and a different number of modules per level, depending upon the program. See the program chart above for more information.

The grades you earn in each module will be based on how successfully you complete your homework, quizzes, presentations or other class requirements. Please see your class syllabi for more details. If you do not meet SAP requirements, the following will happen:

- i) Attendance issues will be handled using the procedure described in the Attendance Policy below.
- ii) If your overall GPA falls below the minimum 2.0 (or C):
 - a) You will be placed on Academic Probation.
 - b) You will need to speak with the CAO and sign your 1st Academic Probation Warning Letter. This letter says that you agree to earn a minimum 2.0 module GPA for each following module until your overall GPA reaches the minimum 2.0, at which point you will be taken off Academic Probation.
 - c) Your F-1 student status remains active while on Academic Probation.
- iii) If you are on Academic Probation and have already signed a 1st Academic Probation Warning Letter, and you do not earn a minimum 2.0 module GPA for each following module:
 - a) You will need to speak with the CAO again and sign a 2nd Academic Probation Warning Letter. This letter says that you agree to earn a minimum 2.0 module GPA for each following module until your overall GPA reaches the minimum 2.0, at which point you will be taken off Academic Probation.

During this conversation, you will be reminded that you are in danger of being asked to leave Columbia West College and/or having your F-1 student status terminated if you don't earn a minimum 2.0 module GPA for each following module.

 - b) Your F-1 student status remains active while on Academic Probation.
- iv) If you are on Academic Probation and have already signed a 2nd Academic Probation Warning Letter, and you do not earn a minimum 2.0 module GPA for each following module:
 - a) You will be called in for a final conference with the CAO, and you will be asked to sign a 3rd and final Academic Probation Warning Letter. This letter emphasizes the seriousness of the situation, and that unless you earn the minimum 2.0 module GPA for each following module, you will be asked to leave CWC and/or your F-1 student status may be terminated.
 - b) Your F-1 student status remains active while on Academic Probation.
- v) If you are on Academic Probation and have already signed a 3rd Academic Probation Warning Letter, and you do not earn a minimum 2.0 module GPA for each following module:
 - a) Your enrollment at CWC will be terminated.
 - b) If you have an F-1 Student Visa and your enrollment at CWC is terminated, this change of status will be entered into your SEVIS record. This information is available to Immigration and Customs Enforcement (ICE) and other Department of Homeland Security (DHS) agencies.

If you are not meeting SAP, the CAO will also recommend that you use CWC's free tutoring services or help arrange for paid private tutoring at the current hourly rate, if requested.

Getting Out Of Academic Probation

If you achieve the minimum overall GPA of 2.0, you will be taken off Academic Probation. However, if your overall GPA falls below the minimum 2.0 (or C) again in the future, you will be placed on Academic Probation again, following the policy described above, starting with receiving your first Academic Probation Warning Letter.

Exceptions To Failure To Meet SAP

Exceptions to the SAP policy with respect to Academic Probation matters may be made by the CAO, in his/her sole discretion, if:

1. A serious life event happens (e.g., death in the family or serious illness) OR
2. You are returning from a leave of absence longer than a week.

If the CAO allows the exception, the decision will be documented and kept as part of your record.

Staying in Your Current Program Level Beyond Normal Program Level Length

You may make a request to the CAO to stay in your current program level for one or more modules longer than is normal (as shown in the above chart) if one of the following situations applies to you:

1. You take a leave of absence of one module or longer.
2. CWC changes the textbooks or makes a significant change to the curriculum for your level while you are enrolled in the program.
3. You test into a level that is not offered at the time you start your program, and you're placed in a higher level.
4. You have a special need or circumstance that requires accommodation (e.g., documented learning disability, older student who is not progressing as expected).

You may make this request even if you are maintaining SAP in your program. There is no guarantee that your request will be approved. The CAO will review your request to see if your request is academically sound. The CAO may meet with your teachers, ask you to re-take the assessment test and/or meet with you to discuss the request. If the CAO approves your request, the decision will be documented, including specifying the number of modules approved, and kept as part of your record.

However, you may not request to stay in your current level for longer than twice the normal level length (e.g., maximum of 6 modules in a level in Essential English, maximum of 12 modules in a level in American Communication).

Test Preparation Program Students and Maximum Program Length

Students may only repeat a test preparation program if they are maintaining SAP at the time of program re-enrollment and with the CAO's permission.

A student's maximum cumulative total length of language training cannot exceed thirty-six (36) months.

Appeals

A student may submit a written appeal of a determination that he or she is not meeting SAP to the CAO within five (5) business days of his/her meeting with the CAO relating to the student's failure to maintain SAP. The appeal must be accompanied by documentation of the following, as applicable:

- Errors made in the determination that the student is not maintaining SAP (if any)
- Mitigating circumstances that have prevented the student from attaining SAP previously and
- Evidence and/or an explanation of the changes that have occurred that will allow the student to meet SAP going forward.

The Chief Academic Officer will assess all appeals to determine their validity. If the student's enrollment has been terminated for failure to maintain SAP, the CAO will also determine whether the student may be permitted to continue in school on a Secondary Probationary Status, despite not having previously met SAP requirements. The student will be sent the written decision within ten (10) business days of Columbia West College's receipt of the appeal. The decision by the CAO is final.

Students reinstated upon appeal are in Secondary Academic Probation for the following module, during which time they must meet the terms and conditions set out in Columbia West College's written decision to reinstate the student, including the steps required to complete the program successfully as laid out in the Individualized Learning Plan described the decision. If applicable, a student's F-1 Student Visa remains active while on Secondary Academic Probation. At the end of the module, and at the end of every module thereafter, the student's SAP will be reviewed. If the terms of the Individualized Learning Plan are not met, the student will be administratively terminated. For students holding F-1 Student Visas, the change of status will be entered into the student's SEVIS record, and the information made available to Immigration and Customs Enforcement and other Department of Homeland Security agencies.

CERTIFICATE OF COMPLETION

Upon the successful completion of a given ESL level or Program and the fulfillment of all school policies, including all academic, attendance, financial and student conduct policies, the student will be given a certificate displaying the dates of attendance and the highest ESL level or Program completed.

STUDENT SERVICES

ACCOMMODATIONS

CWC offers a Housing Program for interested students, consisting of Homestay and Room Rental Program components. Students have the flexibility to select the accommodations that best suit their needs from among options that are safe, within close proximity to the school and available in a variety of price ranges. Students can expect to pay an average of \$800 and up per month for housing arrangements made with CWC's housing partners.

The Homestay Program offers students the opportunity to become more fully immersed in American culture by staying with an American family during their study abroad experience. Students and their host families are matched on the basis of several factors, including the location of the host family's residence, the living arrangements offered by the Homestay family and the student's choice of meal plan.

The Room Rental Program is designed for more independent students who are not interested in living with an American family, but would like CWC's assistance in finding housing. Students participating in this program may tailor their living arrangements to suit their needs, include options for roommates, kitchen privileges and type of room (e.g., in a home, apartment or guesthouse). CWC does not have dormitory facilities under its control.

CWC POLICIES and DISCLOSURES

FINANCIAL AID AND LOAN REPAYMENT POLICIES AND PROCEDURES

CWC does not provide or offer any form of private, institutional, State or Federal financial aid and does not participate in any State or Federal financial aid programs.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, in accordance with the terms and conditions of the loan agreement, which may include but not be limited to, the repayment of the loan in the case of a student's cancellation or withdrawal from his/her program of study. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

TITLE IV PARTICIPATION

CWC does not participate in Title IV funding.

CANCELLATION, WITHDRAWAL AND REFUND POLICY

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligation, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. As described in greater detail below, after the end of the cancellation period, you also have the right to withdraw from school at any time and receive a pro rata refund if you have completed 60 percent or less, up to and including your last date of recorded attendance, of the scheduled days in the current payment period of your program.
2. Cancellation is effectuated when you provide a written notice of cancellation by mail or hand delivery to the following address: Attn: Registrar, Columbia West College, 3435 Wilshire Blvd., Suite 1700, Los Angeles, CA 90010.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with sufficient postage.
4. The written cancellation notice need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled, CWC will refund you any money you have paid within 45 days after the notice of cancellation is received or the first scheduled day of class, whichever is earlier, less an application fee of \$150.00, any non-refundable charges listed in the Enrollment Agreement and any deduction for equipment not returned in good condition.
6. CWC may retain any actual housing costs incurred by CWC and a maximum total of \$500 for any non-refundable charges clearly identified in the Enrollment Agreement, including any application fee, courier fees and travel cancellation insurance, when a student is recruited from outside the United States or its territories and possesses an F-1 Student Visa to enter the country for study.
7. All monies will be refunded if the school does not accept the applicant or cancels a program of study.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (as described above) and receive a pro rata refund if you have completed 60 percent or less, up to and including your last date of recorded attendance, of the scheduled days in the current payment period of your program. The refund will be less an application fee of \$150.00, any non-refundable charges listed in the Enrollment Agreement and any deduction for equipment not returned in good condition. If you have completed more than 60% of the period of attendance for which you were charged, the tuition is considered earned and you will not receive any refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

1. The student provides CWC with a written notice of withdrawal (**not required to process or receive refund**);
2. The student does not provide CWC with notice of withdrawal (written or verbal) and is absent for a maximum of 30 consecutive calendar days (excluding any scheduled breaks). In such a case, CWC will administratively withdraw the student automatically after the 30 consecutive calendar days have passed;
3. CWC is provided a transfer form from another institution;
4. The school terminates the student's enrollment for failure to maintain satisfactory academic progress, comply with the attendance policy, abide by the rules and regulations of the institution and/or meet financial obligations to the institution (including the requirement to pay all tuition and all other charges owed for the program of study within thirty (30) days of the due date) or
5. The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. A pro rata refund will be the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days the student was scheduled to attend, prior to withdrawal. For programs beyond the current "payment period," if the student withdraws prior to the next payment period, all charges collected for the next period will be refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefit in proportion to the amount of the benefit received, and any remaining amount shall be paid to the student.

CWC is committed to providing equal opportunities to all students admitted to its programs. Therefore, no discrimination on the basis of race, color, gender, religion, marital status, national origin or ancestry, physical or mental disability, medical condition, sexual orientation or any other consideration made unlawful by federal, state or local laws shall occur in any program or activity of this institution. Please direct any inquiries regarding this policy, if any, to the Chief Operating Officer, who is responsible for ensuring that this policy is followed.

STUDENT RIGHTS AND CONDUCT

Students have the right to:

- Receive high quality instruction in a positive learning environment
- Be treated courteously, fairly, consistently and with respect by fellow students, faculty and staff
- Be safe from actions and behaviors that are detrimental to a positive learning environment

In addition, students are expected to conduct themselves in a responsible manner that is courteous and respectful of the rights, well-being and property of all members of the CWC community and supports the CWC's Mission and Core Values. At the discretion of the school administration, a student may be placed on disciplinary probation, suspended or dismissed from CWC for failing to abide by the rules, regulations and policies set forth in this Catalog and the Student Handbook. In the event that a student is placed on disciplinary probation, suspended or dismissed from CWC for disciplinary reasons, the CEO/President or Chief Operating Officer of CWC will determine the appropriate disciplinary action, with such determination to be made within ten (10) business days of meeting with both the student's instructor and the student in question.

Students may appeal a disciplinary probation, suspension or dismissal decision for disciplinary reasons by submitting a written appeal, along with any supporting documentation, to the Chief Operating Officer within ten (10) business days of the administrative decision. The student may also request an in-person meeting with the COO. The COO will review all the submitted documentation and meet with the student in person, as appropriate, and render a decision within ten (10) business days of receiving the appeal or the meeting with the student, whichever is later. The COO's decision is final.

Additionally, depending upon the severity of the violation, a student in breach of CWC's rules, regulations and policies may be suspended and asked to leave the school premises immediately. The CEO/President or COO may impose an immediate interim suspension when there is reasonable cause to believe that such an immediate suspension is required in order to protect lives or property and to ensure the maintenance of order. A student placed on interim suspension will be given prompt notice of the charges and the opportunity for a hearing within ten (10) calendar days of the interim suspension being imposed. During the period of interim suspension, the student may not, without prior written permission of the CEO/President or the COO, enter the campus, other than to attend the hearing. Violation of any condition of the interim suspension will be grounds for immediate dismissal.

Any adjustment of fees or tuition shall be in accordance with CWC's refund policy.

Topic: **CONFIDENTIALITY AND ACCESS POLICY**

CWC's policy is to maintain the confidentiality of student records. All information involving student records will be protected under the Federal Right to Privacy Act (FRPA) and the Family Education Rights and Privacy Act (FERPA). No one outside of the institution will have access to, nor will CWC disclose, any information from a student's records without the written consent of the student indicating which records and to whom the information is to be disclosed for each instance the request is made.

Access to student records may only be provided without student consent to CWC personnel, state and federal agencies that provide CWC approvals to operate under the agency guidelines and accrediting agencies, except in compliance with a judicial order or in an emergency, to protect the health or safety of a student or other persons.

Students and alumni have a right to request access to review their educational records. A written request for review must be provided to the Chief Academic Officer, Lead Instructor or Registrar, who will set an appointment with the student to review his/her records. A student who disputes information in his/ her records may outline the dispute in writing with supporting material, if available, to the Chief Academic Officer or Lead Instructor. Specifically, any dispute relating to the assessment tools and other components that are used to calculate a student's final grade must be submitted within three (3) months of the issuance of the final grade. If an administrative error was made by CWC, the Chief Academic Officer will make adjustments to the student's record, as appropriate. Otherwise, the Chief Academic Officer will provide a written response to the dispute within ten (10) business days.

If the student is not satisfied with the Chief Academic Officer's decision, the student may follow the grievance procedures outlined in the section entitled "Grievance Procedures-- Other Matters."

Student records are the sole property of CWC. CWC will not release copies of documents from other institutions attended. All release of student record information will be in accordance with FERPA. Student records will be maintained onsite for five (5) years from the last date of attendance. Transcripts are maintained permanently.

Students and alumni may contact the Registrar to obtain a copy of their student records or transcripts. Please see the Tuition and Fees section for any fees relating to the records request.

ATTENDANCE POLICY (ALL PROGRAMS)

REGULAR ATTENDANCE

Columbia West College considers regular attendance an essential component of a student's educational program. Students enrolled at Columbia West College make a commitment to participate fully in their education by attending classes and accounting for any absences.

Students are expected to maintain at least 80% cumulative attendance in all their classes from the first day they begin classes at CWC until they complete their program. Instructors take attendance at the beginning of every class and will inform the CAO and/or the Registrar of any students who are not attending class.

In addition, CWC is authorized under Federal Law to enroll nonimmigrant students. As most of the students at CWC are nonimmigrant foreign nationals studying under an F-1 Student Visa, the attendance requirement also has serious legal impacts. Consequently, it is important for students to be familiar with and understand CWC's Attendance Policy.

NONCOMPLIANCE WITH ATTENDANCE POLICY

Students must maintain 80% cumulative attendance. Please note that in accordance with ACCET policy, CWC does not permit excused absences for any reason, unless the student has an emergency or a serious medical issue, such as a car accident, surgery, hospitalization or life-threatening illness. If the student is dealing with any of these situations, he/she may ask for an emergency or medical leave of absence. Please see the next section on Leaves of Absence for more information.

Instructors record student attendance into the CWC database on a daily basis for each class period. The administrative staff and the Chief Academic Officer (CAO) oversee the information in the database continuously, and the CAO meets with students who have fallen below the required minimum of 80% on a regular basis to discuss ways to improve their attendance and the possible negative consequences of failing to improve their attendance, as well as to sign Attendance Warning Letters.

A student whose cumulative attendance falls below 80% for the first time will meet with the CAO to discuss any issues that may have caused the drop in attendance and to review the policy that states that all CWC students must maintain a minimum of 80% cumulative attendance at all times. The student then signs the First Attendance Warning Letter, demonstrating that he/she understands CWC's attendance requirements and agrees to attend 80% of all classes at all times. This signed letter is kept in the student's file.

A student who does not achieve 80% attendance in any subsequent academic module after having signed the First Warning Letter will meet with the CAO a second time to revisit CWC's attendance policy and discuss more seriously the consequences of non-compliance. If applicable, the student's attention is drawn to the fact that all students with F-1 Student Visas are required to attend class regularly, and that it is CWC's policy to expect a minimum of 80% cumulative attendance from all its students – irrespective of student visa status. The student is reminded that he/she must attend 80% of all classes at all times. The student is also cautioned that disregarding this policy will result in termination of his/her F-1 student status and dismissal from Columbia West College. The student then signs a Second Attendance Warning Letter, demonstrating that he/she understands CWC's attendance requirements and agrees to attend 80% of all classes at all times. This signed letter is kept in the student's file.

If, in spite of two official attendance warnings, a student does not achieve 80% attendance in any subsequent academic module, then he/she will meet with the CAO for the third time, and the seriousness of his/her situation is emphasized even further. The student is advised that this is his/her last chance to improve his/her attendance; otherwise, termination of his/her F-1 student status and expulsion from CWC will take place. The student then signs a third – and final – Attendance Warning Letter demonstrating that he/she understands CWC's attendance requirements and agrees to attend 80% of all classes at all times. This signed letter is kept in the student's file.

It is the student's responsibility to be in class on time and ready for instruction at the start of class and after scheduled breaks. Students who arrive to class within fifteen (15) minutes after the beginning of the class will be marked as Tardy. A student who is more than fifteen (15) minutes late to any given class period will be marked Absent for that class period. In addition, students who leave class more than fifteen (15) minutes early will be marked Absent for that class period and those who leave class less than fifteen (15) minutes early will be marked Early Departure for that class period. Three (3) Tardies or Early Departures are equivalent to being Absent for one (1) class.

If a student fails to attend class for five (5) consecutive days without providing notice to CWC, a warning notice will be e-mailed to the student and a phone call will be made to the student. If the student fails to respond within five (5) days of the notice being sent or the phone call being placed, CWC will terminate the student's enrollment. For students holding F-1 visas, the change of status will be entered into the student's SEVIS record, and the information made available to Immigration and Customs Enforcement and other Department of Homeland Security agencies.

Students are notified of their session and cumulative attendance percentages via email at the conclusion of each academic module.

STUDENT LEAVE OF ABSENCE (LOA) POLICY

There are two types of Leave of Absence (LOA) at Columbia West College:

Vacation Leave of Absence

In order to be granted a Vacation Leave of Absence, a student must satisfy the following requirements:

- Have at least 80% cumulative attendance and a minimum "C" grade in all classes (GPA: 2.0).
- Submit a "Leave of Absence Request Form" to the Registrar at the Front Desk at least two (2) weeks prior to the intended start date of the Vacation Leave of Absence.
- Have studied at CWC for at least six (6) months before the vacation start date.
- Take a Vacation Leave of Absence that is a maximum of one (1) month long.

Medical Leave of Absence

A Medical Leave of Absence is defined as a medical situation, such as a serious illness suffered by the student, that requires the student's absence from school. In order to be granted a Medical Leave of Absence, a student must satisfy the following requirements:

- Submit a "Leave of Absence Request Form" to the Registrar at the Front Desk at least one (1) week prior to the intended start date of the Medical Leave of Absence – if possible.
- Provide documentation from a licensed physician explaining the reasons for the Medical LOA.
- Take a Medical Leave of Absence that is a maximum of three (3) academic modules long, if the student chooses to remain in the U.S.
- If a student is granted a medical LOA, such a student may leave and return to the U.S. with his/her original immigration documents. However, if a medical LOA exceeds five (5) months in duration, the student must obtain a new Form I-20 or new visa/Form I-20.

Students returning from an extended LOA (more than four (4) weeks) may be required to retake the English Placement Test upon reentry into their program.

If the student does not complete a Leave of Absence Request Form prior to beginning the LOA and subsequently fails to attend class for five (5) consecutive days, the student's enrollment may be terminated.

CWC will approve or deny the LOA request within seven (7) days of the date of submission. CWC reserves the right to deny a student's LOA request for any reason. If a student fails to return after an LOA, a warning notice will be e-mailed and a phone call will be made to the student. If the student fails to respond within 72 hours of the notice being e-mailed or the phone call being placed, CWC may terminate the student's enrollment. For students holding F-1 Student Visas, the change of status will be entered into the student's SEVIS record, and the information provided to Immigration and Customs Enforcement and other Department of Homeland Security agencies.

Transferring to Another School

Students who wish to transfer to another school must notify CWC of their intention to transfer out 2 weeks prior to the effective date of transfer.

1. Students who wish to transfer out to another school must obtain and complete the other school's transfer form and submit it to CWC.
2. Once CWC receives the completed form and acceptance letter from the other school, CWC will complete the transfer form for the student's verification of enrollment status and release the student's SEVIS record to the other school.

STUDENT GRIEVANCE POLICY AND PROCEDURES

Grades

Grades submitted by instructors after the completion of a course are considered final. If a student disagrees with a grade received in a course, the student must first address any such grade dispute with his/her instructor verbally at the school during regular school hours or in writing. If the student is dissatisfied with the instructor's resolution of the issue, the student may next submit a written complaint concerning the issue to the Chief Academic Officer. The Chief Academic Officer will then render a decision regarding the grade dispute within ten (10) business days.

Satisfactory Academic Progress (SAP)

Students who have been administratively determined not to meet SAP requirements or whose enrollment has been terminated for failure to maintain SAP may appeal the decision by observing the procedure found in the section entitled Satisfactory Academic Progress (SAP) policy above.

Other Matters

For claims involving sexual harassment by a fellow student, instructor or staff member, the student may report his/her complaint verbally at the school during regular school hours or in writing to the Chief Operating Officer (COO), who will investigate and render a decision within ten (10) calendar days.
