On November 7, 2018, the Bureau mailed an official notice via certified and regular mail to the Owner of the Institution stating the verification of exempt status for the Institution was cancelled effective November 7, 2018, and the Institution must have an approval to operate issued by the Bureau. The Institution’s verification of exemption under CEC Section 94874(h) was cancelled for the following reasons:

- Evidence obtained by the Bureau identifies that the Institution is not organized specifically to provide workforce development or rehabilitation services;
- Evidence obtained by the Bureau identifies that the Institution is not accredited by an accrediting organization for workforce development or rehabilitation services recognized by the Department of Rehabilitation; and
- Evidence obtained by the Bureau identifies that the Institution advertises to the public acceptance of California Veterans funding.

On November 26, 2018, the Owner emailed the Bureau confirming receipt of the notice mailed to the Institution on November 7, 2018, regarding the cancellation of the Institution’s verification of exemption status.

On November 28, 2018, the Owner emailed the San Bernardino County Workforce and Career Development Division and mentioned that the classes were conducted in November 2018. This email also stated that the course completion would be December 11, 2018.

As of February 21, 2019, the Bureau determined the Owner is acting as the Chief Operating Officer and Chief Instructor for the Institution and is operating outside the scope of the exemption as verified by the Bureau on January 12, 2012.

Order of Abatement:

The Bureau orders the Institution cease to operate as a private postsecondary educational Institution, unless the Institution qualifies for an exemption under CEC section 94874. The Institution must discontinue recruiting or enrolling students and cease all instructional services and advertising in any form or type of media, including www.svc.edu.org and any other websites not identified here that are associated with the Institution, until such time as an approval to operate is obtained from the Bureau. The Institution must disconnect all telephone service numbers including but not limited to (909) 972-4957 that are associated with the Institution until such time as an approval to operate is obtained from the Bureau. To comply with the Order of Abatement the Institution must submit a school closure plan to the Bureau pursuant to California Education Code section 94926. The Institution must provide a roster of each student currently enrolled at the Institution. The roster must include the names of the students, their contact information (including phone number, email address, and physical address), the programs in which they are enrolled, the amount paid for the programs.
