CITATION

A Citation is hereby issued to Pilot Trucking School, Owner of Pilot Trucking School (Institution) located at 10375 Beech Avenue, Suite B, Fontana, CA, 92337, pursuant to Business and Professions Code section 125.9; California Education Code (CEC) sections 94936 and 94932; and Title 5 of the California Code of Regulations (5, CCR) section 75020 for the violations described below.

BACKGROUND

On July 25, 2019, Bureau staff conducted an unannounced Compliance inspection at the Institution. As a result, material violations related to the current, graduate, and dropped/withdrawn student files were detected.

VIOLATION(S)

1.	<p>Violation: 5, CCR Section 71770 (a)(1) – Admissions Standards and Transferred Credits Policy <i>(a) The institution shall establish specific written standards for student admissions for each educational program. These standards shall be related to the particular educational program. An institution shall not admit any student who is obviously unqualified or who does not appear to have a reasonable prospect of completing the program. In addition to any specific standards for an educational program, the admissions standards must specify as applicable that:</i></p>

(1) Each student admitted to an undergraduate degree program, or a diploma program, shall possess a high school diploma or its equivalent, or otherwise successfully take and pass the relevant examination as required by section 94904 of the Code.

5, CCR Section 71920 (a)(b)(1)(A) – Student Records

(a) The institution shall maintain a file for each student who enrolls in the institution whether or not the student completes the educational service.

(b) In addition to the requirements of section 94900, the file shall contain all of the following pertinent student records:

(1) Written records and transcripts of any formal education or training, testing, or experience that are relevant to the student's qualifications for admission to the institution or the institution's award of credit or acceptance of transfer credits including the following:

(A) Verification of high school completion or equivalency or other documentation establishing the student's ability to do college level work, such as successful completion of an ability-to-benefit test;

All student files reviewed by Bureau staff failed to include a high school diploma, or equivalent. The Institution failed to verify that each student admitted to an undergraduate degree program, or a diploma program, possessed a high school diploma or its equivalent, or otherwise successfully took and passed the relevant examination required. The Director of the Institution stated that the process of retrieving a High School Diploma takes a very long time. The Director also stated that the school was in the process of getting approved to offer the Wonderlic ATB test.

Order of Abatement:

The Bureau orders the Institution to submit an established policy and procedure of how the Institution will stay in compliance with 5, CCR sections 71770 (a)(1) and 71920 (b)(1)(A)

Assessment of Fine:

The fine for this violation is \$1,501.00

2. **Violation:**

CEC Section 94902 (a)(b)(1)(3) – General Enrollment Requirements

(a) A student shall enroll solely by means of executing an enrollment agreement. The enrollment agreement shall be signed by the student and by an authorized employee of the institution.

(b) An enrollment agreement is not enforceable unless all of the following requirements are met:

(1) The student has received the institution's catalog and School Performance Fact Sheet prior to signing the enrollment agreement.

(3) Prior to the execution of the enrollment agreement, the student and the institution have signed and dated the information required to be disclosed in the Student Performance Fact Sheet pursuant to subdivisions (a) to (d), inclusive, of Section 94910. Each of these items in the Student Performance Fact Sheet shall include a line for the student to initial and shall be initialed and dated by the student.

The Institution did not ensure that prior to the execution of the enrollment agreement, the student and the Institution signed and dated the information required to be disclosed in the Student Performance Fact Sheet (SPFS).

During the inspection, the Director of the Institution stated that the Institution was not aware of the fact that each student was to be provided with the SPFS and a copy should be placed in the student file. The Director stated that the SPFS was posted on the Institution's website for students.

The Director stated that the Institution would immediately implement the requirements of CEC section 94902 (a)(b)(1)(3).
