**2016 and 2017 Calendar Years (Data from Annual Reports)**

The California Private Postsecondary Education Act (CPPEA) of 2009, effective January 1, 2010, requires under Section 94910 of the Act that a school provide information for each program offered in regards to completion rates, placement rates, licensure exam passage rates, and salary/wage information. The following information is data compiled from the period from January 1, 2016 to December 31, 2017.

**ON-TIME COMPLETION RATES**

Calendar Year	Number of Students who Began the Program	Students Available for Graduation	Number of On-time Graduates	On-time Completion Rates
2016	11	8	8	72.7%
2017	18	6	6	33.0%

<sup>1</sup>“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Students available for graduation” is the number of students who began the program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup>“Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>1</sup>“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

<sup>5</sup>“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

<sup>1</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup>“Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

Pursuant to CEC 94910(f)(2), The Colburn School maintains a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. This list of actual employment of our graduates is kept in the Conservatory Office and is available upon request.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

The Colburn Conservatory of Music is accredited by the National Association of Schools of Music (NASM), and observes NASM policy regarding the commitment to enroll as noted in Section D above. The State of California confers additional rights in allowing a student to cancel enrollment in and withdraw from the Colburn Conservatory of Music and obtain a refund of charges as below:

- Withdrawal before the start of the semester or within the first two weeks of classes: complete refund of comprehensive fee and parking amounts paid to date.
- Withdrawal beginning in week three through week eight of classes: prorated refund of comprehensive fee and parking amounts paid to date, calculated on a 15-week semester.
- Withdrawal beginning in week nine of the semester: no refund of comprehensive or parking fees.

If you have received any equipment (including musical instruments), you must return it within 30 days of the date you signed your notice of withdrawal. If you do not return the equipment within this 30-day period, the Colburn Conservatory of Music may charge you an amount that equals the cost of the equipment. The total amount charged for each item of equipment shall not exceed the equipment's fair market value. The Colburn Conservatory of Music shall have the burden of proof to establish the equipment's fair market value.

To cancel your enrollment in the Colburn Conservatory of Music, mail, email, or deliver a signed and dated copy of your written notice to:

**Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**CANCELLATION OF ENROLLMENT & STUDENT’S RIGHT TO CANCEL**

The Colburn Conservatory of Music is accredited by the National Association of Schools of Music (NASM), and observes NASM policy regarding the commitment to enroll as noted in Section D above. The State of California confers additional rights in allowing a student to cancel enrollment in and withdraw from the Colburn Conservatory of Music and obtain a refund of charges as below:

- Withdrawal before the start of the semester or within the first two weeks of classes: complete refund of comprehensive fee and parking amounts paid to date.
- Withdrawal beginning in week three through week eight of classes: prorated refund of comprehensive fee and parking amounts paid to date, calculated on a 15-week semester.
- Withdrawal beginning in week nine of the semester: no refund of comprehensive or parking fees.

If you have received any equipment (including musical instruments), you must return it within 30 days of the date you signed your notice of withdrawal. If you do not return the equipment within this 30-day period, the Colburn Conservatory of Music may charge you an amount that equals the cost of the equipment. The total amount charged for each item of equipment shall not exceed the equipment’s fair market value. The Colburn Conservatory of Music shall have the burden of proof to establish the equipment’s fair market value.

To cancel your enrollment in the Colburn Conservatory of Music, mail, email, or deliver a signed and dated copy of your written notice to:

Colburn Conservatory of Music Office of Admissions  
 200 South Grand Avenue  
 Los Angeles, CA 90012  
[admissions@colburnschool.edu](mailto:admissions@colburnschool.edu)

REMEMBER THAT YOU MUST CANCEL IN WRITING. You do not have the right to cancel simply by telephoning the Conservatory or by not coming to class.

**Complete the following only if you have already enrolled AND ARE NOW CANCELLING YOUR COMMITMENT:**

I <i>[print your full name]</i> , _____ choose to <b>CANCEL enrollment</b> in the Master of Music program, according to the policy stated above.
