School Performance Fact Sheet (2016 - 2017)

Full-Time Software Engineering Program (525 Hours)

Pursuant to California Education Code section 94934, the BPPE has directed App Academy to omit our graduates from 2013, 2014, 2015, and 2016 from this document. (This is because App Academy was not approved by the BPPE until 2017.) Those guidelines also direct App Academy to inform you of the following:

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. We expect to have data for 2 full calendar years in December 2019 since the program began on October 11, 2017.
