Definitions

"Number of Students Who Began Program" means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

"Students available for graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates available for employment" means the number of graduates minus the number of graduates available for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates employed in the field" means graduates who beginning within 6 months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the 6 months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 04/06/2018. As of 04/06/2020, two full years of data for this program will be available.

Definitions

"Number of Students Who Began Program" means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

"Students available for graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates available for employment" means the number of graduates minus the number of graduates available for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates employed in the field" means graduates who beginning within 6 months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the 6 months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 09/21/2017. As of 09/21/2019, two full years of data for this program will be available.

Definitions

"Number of Students Who Began Program" means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

"Students available for graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates available for employment" means the number of graduates minus the number of graduates available for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates employed in the field" means graduates who beginning within 6 months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the 6 months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Definitions

"Number of Students Who Began Program" means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

"Students available for graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates available for employment" means the number of graduates minus the number of graduates available for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates employed in the field" means graduates who beginning within 6 months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the 6 months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who took and passed the first available licensing exam after completing the program.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by the graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel this agreement, including any equipment or other goods and services included in the agreement, and receive a full refund (less a depositor application fee not to exceed \$200) through attendance of the first class session, or the seventh day after enrollment, whichever is later.
2. Cancellations due to rejection of application, program cancellation, no show/non starts, cancellation by student during the cancellation period, will receive a full refund (less a deposit or application fee not to exceed \$200) within 30 days of cancellation date.
3. Your cancellation takes effect when you give written Notice of Cancellation to this school at the address above. Any written expression that you wish not to be bound by this agreement will serve as a Notice of Cancellation of this agreement. Read the Notice of Cancellation form provided to you for an explanation of your cancellation rights and responsibilities. If you have lost your Notice of Cancellation form, ask the school for a sample copy.
4. You are due a complete refund within 30 days after the school receives a valid Notice of Cancellation.
5. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a refund for the part of the course not taken.
6. Cancellation shall occur when the student provides a written notice of cancellation to the address of Contra Costa Medical Career College: 4041 Lone Tree Way, Suite 101, Antioch, CA 94531, Attn: Campus Director. This can be done by mail, hand delivery, e-mail ccmcc@ccmcc.edu or fax (925) 757-5873.
7. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
