STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if he/she cancels this agreement by submitting a *Columbia College Add/Drop/Withdrawal Form* or through CougarTrack prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Columbia College Add/Drop/Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
2. The student may not be eligible for any other federal student financial aid at another institution or other governmental financial assistance until the loan is repaid.

Columbia College advises students to take advantage of the financial aid counseling available on the college website before accepting any student loans.
