The following are the definitions for the Performance Fact Sheet:

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888)370-7589 or by fax (916)263-1897.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888)370-7589 or by fax (916)263-1897.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

CANCELLATION DISCLOSURE

REJECTION OF APPLICANT:

If an applicant is rejected for enrollment by Summit College, or if a prospective international student has his/her visa application rejected, a full refund of all tuition monies paid will be made to the applicant.

PROGRAM CANCELLATION:

If Summit College cancels a program subsequent to a student’s enrollment, Summit College will refund all monies paid by the student.

CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

If an applicant accepted by Summit College cancels prior to the start of scheduled classes or never attends class (no-show), Summit College will refund all monies paid, less the non-refundable registration fee for the program.

CANCELLATION AFTER THE START OF CLASS:

If Summit College has provided any equipment, including books or other materials, it must be returned to the College within 7 calendar days following the date of notice of cancellation. If equipment is not returned, including books or other materials, in new condition within the 7-day period, the College may deduct its documented cost for the equipment from any refund that may be due. Upon cancellation of the Enrollment Agreement, the College will refund any money paid, less the non-refundable registration fee, and any deduction for equipment not returned in a timely manner and in new condition, within 30 calendar days after notice of cancellation is received.

All program costs including tuition, fees, and any other costs are published in the back of the student catalog. Any non-refundable fees and charges are clearly labeled as such.

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888)370-7589 or by fax (916)263-1897.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

CANCELLATION DISCLOSURE

REJECTION OF APPLICANT:

If an applicant is rejected for enrollment by Summit College, or if a prospective international student has his/her visa application rejected, a full refund of all tuition monies paid will be made to the applicant.

PROGRAM CANCELLATION:

If Summit College cancels a program subsequent to a student's enrollment, Summit College will refund all monies paid by the student.

CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

If an applicant accepted by Summit College cancels prior to the start of scheduled classes or never attends class (no-show), Summit College will refund all monies paid, less the non-refundable registration fee for the program.

CANCELLATION AFTER THE START OF CLASS:

If Summit College has provided any equipment, including books or other materials, it must be returned to the College within 7 calendar days following the date of notice of cancellation. If equipment is not returned, including books or other materials, in new condition within the 7-day period, the College may deduct its documented cost for the equipment from any refund that may be due. Upon cancellation of the Enrollment Agreement, the College will refund any money paid, less the non-refundable registration fee, and any deduction for equipment not returned in a timely manner and in new condition, within 30 calendar days after notice of cancellation is received.

All program costs including tuition, fees, and any other costs are published in the back of the student catalog. Any non-refundable fees and charges are clearly labeled as such.

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of

the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

CANCELLATION DISCLOSURE

REJECTION OF APPLICANT:

If an applicant is rejected for enrollment by Summit College, or if a prospective international student has his/her visa application rejected, a full refund of all tuition monies paid will be made to the applicant.

PROGRAM CANCELLATION:

If Summit College cancels a program subsequent to a student's enrollment, Summit College will refund all monies paid by the student.

CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

If an applicant accepted by Summit College cancels prior to the start of scheduled classes or never attends class (no-show), Summit College will refund all monies paid, less the non-refundable registration fee for the program.

CANCELLATION AFTER THE START OF CLASS:

If Summit College has provided any equipment, including books or other materials, it must be returned to the College within 7 calendar days following the date of notice of cancellation. If equipment is not returned, including books or other materials, in new condition within the 7-day period, the College may deduct its documented cost for the equipment from any refund that may be due. Upon cancellation of the Enrollment Agreement, the College will refund any money paid, less the non-refundable registration fee, and any deduction for equipment not returned in a timely manner and in new condition, within 30 calendar days after notice of cancellation is received.

All program costs including tuition, fees, and any other costs are published in the back of the student catalog. Any non-refundable fees and charges are clearly labeled as such.

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888)370-7589 or by fax (916)263-1897.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 10-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 10-day period and in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

CANCELLATION DISCLOSURE

REJECTION OF APPLICANT:

If an applicant is rejected for enrollment by Summit College, or if a prospective international student has his/her visa application rejected, a full refund of all tuition monies paid will be made to the applicant.

PROGRAM CANCELLATION:

If Summit College cancels a program subsequent to a student's enrollment, Summit College will refund all monies paid by the student.

CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

If an applicant accepted by Summit College cancels prior to the start of scheduled classes or never attends class (no-show), Summit College will refund all monies paid, less the non-refundable registration fee for the program.

CANCELLATION AFTER THE START OF CLASS:

If Summit College has provided any equipment, including books or other materials, it must be returned to the College within 7 calendar days following the date of notice of cancellation. If equipment is not returned, including books or other materials, in new condition within the 7-day period, the College may deduct its documented cost for the equipment from any refund that may be due. Upon cancellation of the Enrollment Agreement, the College will refund any money paid, less the non-refundable registration fee, and any deduction for equipment not returned in a timely manner and in new condition, within 30 calendar days after notice of cancellation is received.

All program costs including tuition, fees, and any other costs are published in the back of the student catalog. Any non-refundable fees and charges are clearly labeled as such.

I have read and understand the information presented above.
