TFB 1248 TFF 1395

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above completion rates.

License Examination Passage Rates (Includes data for the two calendar years prior to reporting)

Advanced Security Officer - 80 Hours

Calendar Year	Number of Graduates in Calendar Year ¹	Number of Graduates Taking Exam ²	Number who passed First Available Exam	Number who Failed First Available Exam	Passage Rate ³
2016	35	35	35	0	100%
2017	64	64	64	0	100%

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 64 graduates.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Salary and Wage Information (Includes data for the two calendar years prior to reporting)

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

License Examination Passage Rates (Includes data for the two calendar years prior to reporting)

Security Officer Firearm Permit – 16 Hours

Calendar Year	Number of Graduates in Calendar Year ¹	Number of Graduates Taking Exam ²	Number who passed First Available Exam	Number who Failed First Available Exam	Passage Rate ³
2016	161	161	161	0	100%
2017	135	135	135	0	100%

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 64 graduates.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Salary and Wage Information (Includes data for the two calendar years prior to reporting)

Security Officer Firearm Permit – 16 Hours

Calendar Year	Grads Avail for Employment ¹	Grads Employed in Field ²	Annual Salary and Wages Reported Graduates Employed in the Field ³				
			\$15,000 to \$25,000	\$25,001 to \$35,000	\$35,001 to \$45,000	\$45,000 and up	Not Reporting Salary
2016	161	145	0	135	10	0	16
2017	135	No Data	0	0	0	0	0

A list of sources used to substantiate salary disclosures is available from the school. Contact our employment specialist for further information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2017: \$180. Additional charges may be incurred if the program is not completed on-time.
