## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

## **STUDENT'S RIGHT TO CANCEL**

**You have the right to cancel the Enrollment Agreement you signed for a course of instruction as well as any equipment, such as books, materials, and supplies, or any other goods and services included in the agreement at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of the School shown on the top of the front page of the Enrollment Agreement. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective as of the date of the postmark if properly addressed with postage prepaid. The written notice of cancellation need not take any particular form, and, however expressed, it is effective if it shows that you no longer wish to be bound by your Enrollment Agreement. You will be given a Notice of Cancellation form with this Enrollment Agreement on the first day of class, but if you choose to cancel, you may use any written notice that you wish. If the School has given you any equipment, including books or other materials, you shall return it to the School within 30 business days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 30 day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel the agreement, the School will refund any money that you have paid, less any deduction for equipment not timely returned in good condition, within 45 business days after your notice of cancellation is received.**

## **STUDENT'S RIGHT TO CANCEL**

**You have the right to cancel the Enrollment Agreement you signed for a course of instruction as well as any equipment, such as books, materials, and supplies, or any other goods and services included in the agreement at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of the School shown on the top of the front page of the Enrollment Agreement. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective as of the date of the postmark if properly addressed with postage prepaid. The written notice of cancellation need not take any particular form, and, however expressed, it is effective if it shows that you no longer wish to be bound by your Enrollment Agreement. You will be given a Notice of Cancellation form with this Enrollment Agreement on the first day of class, but if you choose to cancel, you may use any written notice that you wish. If the School has given you any equipment, including books or other materials, you shall return it to the School within 30 business days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 30 day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel the agreement, the School will refund any money that you have paid, less any deduction for equipment not timely returned in good condition, within 45 business days after your notice of cancellation is received.**
