## **STUDENT'S RIGHT TO CANCEL**

### **WITHDRAWAL AND SETTLEMENT POLICY**

#### **Notice of Students Rights and Obligations**

**Student's right to cancel:** An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. The student has three business days from the date the deposit is paid to cancel with a full refund, less the credit check fee. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the registration and credit check fees if the contract is cancelled within this timeframe.

The date by which you must cancel your contract and receive a refund of all monies paid designated for tuition less the registration and credit check fee is referred to as "Cancellation Date" on pg. 1 of your Enrollment Agreement.

**Withdrawal from course:** You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund, less the registration, credit check, insurance, STRF and locker deposit not to exceed \$125.00 if applicable, within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment in accordance with the *Equipment Policy*.

**Settlement Policy:** The refund shall be the total number of possible (scheduled) hours through the student's last date of attendance multiplied by the hourly rate stated on the contract. Any non-refundable fees will be added to that total to determine the tuition owed by the student. The school will then add any outstanding balance charged to the student account. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the *Equipment Policy*, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. The school will then deduct any money paid by the student and any other financial aid or outside funding awarded to the student that is not required to be refunded per the return of title IV policy or specific refund policies for outside funding agencies. If the amount that you have paid is more than the amount that you owe for the time you attended and equipment, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is on the student's notification or school's determination.

**Cancellation Procedure:** Cancellation shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

**Equipment Policy:** If the school has given you any equipment which was stated as returnable when it was

issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for non-refundable fees, tuition and equipment received.

**Refund Policy:** The School has adopted a more lenient refund policy than required by BPPE & NACCAS. After the cancellation period, the institution provides a prorated refund of nonfederal student financial aid program moneys paid for tuition charges. Equipment will be refunded in accordance with the *Equipment Policy*. Once received by the student it will belong to the student and will represent a liability to the student. The Schools *Refund Policy* applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. The School maintains evidence that institutional refunds are issued to the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

**Hypothetical refund example according to The School's 100% pro rata policy:** Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the *Equipment Policy*) the equipment they obtained. The pro rata refund to the student would be \$4,240.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.	Tuition cost	\$6,790.00	Paid for instruction	\$6,790.
Less registration/insurance/STR F fees (not refundable)	\$85.	Hours in the course	1,600	Hours scheduled	600
Less cost of unreturnable equipment	\$525.	Hourly charge	\$4.25	Tuition owed 600 x \$4.25	\$2,550.
Equals amount paid for instruction	\$6,790.			Refund due	\$4,240.

**Determination of withdrawal from school:** The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<b>Termination by Institution (a \$75.00 registration fee will apply):</b>
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing as determined by weekly attendance monitoring.
For CA Schools: If you are absent for three consecutive weeks, not on an approved LOA, you will be deemed a withdrawal, even if that was not the your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

**Collection Policy:** Delinquent accounts may be assigned to a collection agency. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

**Title IV Funds:** (1) federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide; and (2) federal direct loans are available to students regardless of income.

**Repayment:** If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the scheduled workload in any given payment period, a calculation using the

percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the scheduled payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student has received Federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

**Title IV Refunds:** If you have received Federal student financial aid funds, you are entitled to a refund of moneys not paid from Federal student aid program funds. If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

**Course Cancellation:** If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, The School shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood. If a course is canceled after instruction has begun, The School shall at its option: 1. Provide a prorated refund for all students transferring to another school based on the hours accepted by the receiving school; or 2. Provide completion of the course; or 3. Participate in a teach-out agreement; or 4. Provide a full refund of all monies paid.

**School Closure:** If the school closes permanently and ceases to offer instruction after a student's enrollment and the course has begun, the school must make arrangements for students. The School has the option to: 1. Provide a pro-rata refund of tuition; or 2. Participate in a teach out agreement.

## STUDENT'S RIGHT TO CANCEL

### WITHDRAWAL AND SETTLEMENT POLICY

#### Notice of Students Rights and Obligations

**Student's right to cancel:** An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. The student has three business days from the date the deposit is paid to cancel with a full refund, less the credit check fee. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the registration and credit check fees if the contract is cancelled within this timeframe.

The date by which you must cancel your contract and receive a refund of all monies paid designated for tuition less the registration and credit check fee is referred to as "Cancellation Date" on pg. 1 of your Enrollment Agreement.

**Withdrawal from course:** You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund, less the registration, credit check, insurance, STRF and locker deposit not to exceed \$125.00 if applicable, within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment in accordance with the *Equipment Policy*.

**Settlement Policy:** The refund shall be the total number of possible (scheduled) hours through the student's last date of attendance multiplied by the hourly rate stated on the contract. Any non-refundable fees will be added to that total to determine the tuition owed by the student. The school will then add any outstanding balance charged to the student account. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the *Equipment Policy*, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. The school will then deduct any money paid by the student and any other financial aid or outside funding awarded to the student that is not required to be refunded per the return of title IV policy or specific refund policies for outside funding agencies. If the amount that you have paid is more than the amount that you owe for the time you attended and equipment, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is on the student's notification or school's determination.

**Cancellation Procedure:** Cancellation shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written

notice that you may wish. You do not cancel the contract by just not attending classes.

**Equipment Policy:** If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for non-refundable fees, tuition and equipment received.

**Refund Policy:** The School has adopted a more lenient refund policy than required by BPPE & NACCAS. After the cancellation period, the institution provides a prorated refund of nonfederal student financial aid program moneys paid for tuition charges. Equipment will be refunded in accordance with the *Equipment Policy*. Once received by the student it will belong to the student and will represent a liability to the student. The Schools *Refund Policy* applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. The School maintains evidence that institutional refunds are issued to the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

**Hypothetical refund example according to The School's 100% pro rata policy:** Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the *Equipment Policy*) the equipment they obtained. The pro rata refund to the student would be \$4,240.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less registration/insurance/STR F fees (not refundable)	\$85.
Less cost of unreturnable equipment	\$525.
Equals amount paid for instruction	\$6,790.

Tuition cost	\$6,790.00
Hours in the course	1,600
Hourly charge	\$4.25

Paid for instruction	\$6,790.
Hours scheduled	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,240.

**Determination of withdrawal from school:** The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<b>Termination by Institution (a \$75.00 registration fee will apply):</b>
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing as determined by weekly attendance monitoring.
For CA Schools: If you are absent for three consecutive weeks, not on an approved LOA, you will be deemed a withdrawal, even if that was not the your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

**Collection Policy:** Delinquent accounts may be assigned to a collection agency. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

**Title IV Funds:** (1) federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide; and (2) federal direct loans are available to students regardless of income.

**Repayment:** If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the scheduled workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the scheduled payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student has received Federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

**Title IV Refunds:** If you have received Federal student financial aid funds, you are entitled to a refund of monies not paid from Federal student aid program funds. If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

**Course Cancellation:** If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, The School shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood. If a course is canceled after instruction has begun, The School shall at its option: 1. Provide a prorated refund for all students transferring to another school based on the hours accepted by the receiving school; or 2. Provide completion of the course; or 3. Participate in a teach-out agreement; or 4. Provide a full refund of all monies paid.

**School Closure:** If the school closes permanently and ceases to offer instruction after a student's enrollment and the course has begun, the school must make arrangements for students. The School has the option to: 1. Provide a pro-rata refund of tuition; or 2. Participate in a teach out agreement.

Equipment will be refunded in accordance with the *Equipment Policy*. Once received by the student it will belong to the student and will represent a liability to the student. The Schools *Refund Policy* applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. The School maintains evidence that institutional refunds are issued to the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

**Hypothetical refund example according to The School's 100% pro rata policy:** Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the *Equipment Policy*) the equipment they obtained. The pro rata refund to the student would be \$4,240.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.	Tuition cost	\$6,790.00	Paid for instruction	\$6,790.
Less registration/insurance/STR F fees (not refundable)	\$85.	Hours in the course	1,600	Hours scheduled	600
Less cost of unreturnable equipment	\$525.	Hourly charge	\$4.25	Tuition owed 600 x \$4.25	\$2,550.
Equals amount paid for instruction	\$6,790.			Refund due	\$4,240.

**Determination of withdrawal from school:** The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<b>Termination by Institution (a \$75.00 registration fee will apply):</b>
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing as determined by weekly attendance monitoring.
For CA Schools: If you are absent for three consecutive weeks, not on an approved LOA, you will be deemed a withdrawal, even if that was not the your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

**Collection Policy:** Delinquent accounts may be assigned to a collection agency. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

**Title IV Funds:** (1) federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide; and (2) federal direct loans are available to students regardless of income.

**Repayment:** If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the scheduled workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the scheduled payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student has received Federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

**Title IV Refunds:** If you have received Federal student financial aid funds, you are entitled to a refund of monies not paid from Federal student aid program funds. If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

**Course Cancellation:** If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, The School shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood. If a course is canceled after instruction has begun, The School shall at its option: 1. Provide a prorated refund for all students transferring to another school based on the hours accepted by the receiving school; or 2. Provide completion of the course; or 3. Participate in a teach-out agreement; or 4. Provide a full refund of all monies paid.

**School Closure:** If the school closes permanently and ceases to offer instruction after a student's enrollment and the course has begun, the school must make arrangements for students. The School has the option to: 1. Provide a pro-rata refund of tuition; or 2. Participate in a teach out agreement.
