A student should submit to the admissions office, a written request that identifies the record(s) the student wishes to inspect. SATISFACTORY ACADEMIC PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matters prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program. This institution expects all its students to maintain Satisfactory Academic Progress as established by this institution. This policy applies to students enrolled in any course at the institution, regardless of attendance status (part-time or full time). The student must:

1. Maintain a cumulative academic average of "C" (70%) or better as a qualitative factor to determine academic performance using grades, and/or work projects completed, and/or comparable factors measurable against a norm.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract as a quantitative factor. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$).
3. Complete the course within 150% of course length as defined in the enrollment agreement. Students who exceed 150% of course length are considered to NOT be making satisfactory academic progress and will be terminated.
4. Students on an approved Leave of Absence will have their contract period and maximum time frame extended by the same number of days as the leave of absence.
5. Evaluation periods are done at least by midpoint of the academic year or program for all students, whichever comes earlier.
6. Students who meet minimum requirements are considered making satisfactory academic progress until their next scheduled evaluation.
7. Only students who maintain satisfactory academic progress are eligible to receive Title IV assistance. Students will be notified of any evaluation that impacts their financial aid eligibility.
8. A student's successful course completion percentage is based on the number of successfully completed credit hours divided by the cumulative number of credit hours attempted by the student.
9. Students will have access to SAP evaluation results at the time of the evaluation and upon request.

EVALUATION PERIODS

Students enrolled in the Teacher Training, Esthetician, Advanced Manicuring, Manicuring, and Massage Therapy programs are evaluated two (2) times, at the point at which 50% of the program is completed and the point at which 90% of the program is completed.

Example: For the 600 hour Teacher Training course, the student will be evaluated at the point where 300 hours and 540 hours of instruction have been completed.

Students enrolled in the Cosmetology, Barbering, and Holistic Health Practitioner programs are evaluated four (4) times during their course of instruction. These evaluations occur at the points at which 25%, 50%, 75%, and 90% of the program is completed.

Example: For the 1600 clock hour Cosmetology program, a student will be evaluated at the point in which the student reaches 25%, 50%, 75%, and 90% clock hours.

Transfer hours from another institution that are accepted toward the student's education are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted.

Students admitted under the Veterans' Bill will be evaluated once a month.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written and practical grade average of 75% prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100	EXCELLENT
85 - 92	VERY GOOD
75 - 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY.

ACADEMIC PROBATION

Students who are not considered to be meeting minimum standards for Satisfactory Academic Progress will first be put on *warning* status. The student remains eligible to receive aid during the warning period.

The *probation* status will be used if the student's progress is evaluated and the student did not make satisfactory academic progress during the *warning* period, the student prevails upon appeal of a negative progress determination prior to being placed on probation, and the school determines that satisfactory academic progress can be met by the next evaluation period, or if the school develops an academic plan for the student that, if followed, will ensure the student meets SAP by a specific point within the maximum time frame.

The student must provide a written appeal and demonstrate that they will be able to reach Satisfactory Academic Progress by the end of the probationary period. Students remain eligible to receive aid during the probation period but will be considered to be on academic/attendance probation.

Probationary students who fail to meet Satisfactory Academic Progress by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or attendance progress, will lose any remaining eligibility for student financial aid, and may be terminated at the discretion of the institution. Students who lose financial aid must become cash paying.

In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished Satisfactory Academic Progress in accordance with the attendance and grading standards.

In the event a student is terminated due to not making satisfactory academic progress, all policies regarding the institution's refund policy will apply. Warning and probationary students who meet Satisfactory Academic Progress by the conclusion of the warning/probationary period will be removed from academic warning/probation and will retain eligibility for the Title IV aid. Students will be notified of any evaluation that impacts the student's eligibility for financial aid.

APPEAL PROCEDURES

Students who wish to appeal the decision that they are not making satisfactory academic progress must submit a written request to the institution's administrator. The letter should be received within (5) days of the determination and must describe any circumstances related to the student's academic standing which the student believes deserves special consideration, such as a death of a relative or an injury or illness. The letter should also document why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. The administrator shall evaluate the appeal within a reasonable time frame (5-10 days) and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may

appear before a school committee to present his or her case. The committee shall provide a written notice to the student of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. Students that prevail upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory academic progress, and determined as making satisfactory academic progress will be re-entered in the program and financial aid funds will be retroactive for eligible students who have displayed satisfactory academic progress within the evaluation probationary period time frame. All records of the student's appeal will remain documented in the student's file.

LEAVE OF ABSENCE

Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to two (2) ninety day (90) periods, not to exceed 180 days. Each LOA must be a minimum of 14 days.

The LOA must be requested in writing in advance unless unforeseen circumstances prevent the student from doing so. In unforeseen circumstances in which the student is not able to request a LOA prior, the institution will document the reason and collect the LOA request at a later date. The beginning date of the approved LOA would be the first date the student was unable to attend school. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the school official approving the LOA. There must be a reasonable expectation that the student return to school after the LOA.

Do not request a Leave of Absence unless you absolutely need one. Under no circumstances can the school grant more than two (2) LOA within a 12 month period unless approved by the School Manager. Students on LOA's will not be assessed any additional charges of tuition. Students granted a LOA that meet the criteria will not be considered withdrawn or have a refund calculation assessed.

Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the program extended by the same number of days as the leave of absence. The student's contract period will also be extended by the same number of days as the LOA. If a student on an approved leave of absence notifies the school that he or she will not be returning, the date of withdrawal shall be the last day of attendance. All refunds due will be issued to the student or appropriate agencies and paid within 45 days.

PROGRAM INCOMPLETENESS

Program incompleteness, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction. These courses have no effect upon the school's satisfactory academic progress standards.

ATTENDANCE

Students are required to attend school according to their student schedule as indicated by their enrollment agreement. Attendance is verified by clock in time and roll call. A student who is not present at roll call will not receive clock hour credit. Full time enrollment is defined as any student scheduled to attend 24 hours or more per week. Part-time enrollment is defined as 16 or more but less than 24 hours per week. Less than 12 hours per week is considered less than half time enrollment.

TRANSFERS

Transferred hours will count as both attempted and completed hours.

GRADING SYSTEM

Each program consists of both a theoretical and hands on component that covers the applicable skills and competencies in the course. Academic performance is measured by written examinations administered periodically by the instructor. Grading for exams is based on the scale listed below. Practical operations completed by the student are recorded on the back of the student's time card. Practical operations are evaluated periodically for mastery using the practical grading criteria to determine whether the skill is performed with the required degree and accuracy assigning them an absolute grade of "yes" or "no". The total number of "yes" answers is divided by the number of questions on the grading criteria which gives the final grade for the operation evaluated. The cumulative score of both academic exams and practical evaluations make up a student's overall GPA. Students must maintain a "C" (70%) average to maintain satisfactory academic status.

ACADEMIC GRADING

100%-90%	A.....Superior Performance
89%-80%	B.....Above Average
79%-70%	C.....Average
69%-60%	D.....Unsatisfactory
59% -00%	F.....Fail

STUDENT CLOCK HOUR POLICY

The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their day and lunch period. Students will be given up to 9:07 A.M. to clock in and receive credit for the lecture hours. Starting at 9:08A.M., it will count as 10:30 A.M. A thirty (30) minute lunch break shall be taken when a student attends more than 6 hours a day. If you are attending 6 hours or less and desire to take a lunch break (30minutes), then the half hour must be deducted from the daily total. If attending 8 hours or more, 2 (30 minutes) breaks are required. At the completion of the day, the daily hours and operations earned are recorded. Timecards must be signed by the student and the instructor daily.

NOTE: Instructors may not sign a student in or out, unless approved by the Director.

Timecards reflect the students' daily record of hours and operations. It is important that all hours and operations are recorded properly and accurately. The office staff must be able to read timecards so that the hours and operations are transferred correctly. All weekly timecards must be turned into the office at the end of each week in order to receive credit. Timecards must be stored in their entirety for 5 years by the school.

TIME CARD CREDIT

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
 2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
 3. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject.
- Some practical operations may take longer to perform according to the student.

TRANSFER OF CREDITS

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTIUTION

The transferability of credits you earn at Advance Beauty College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the credits or certificate you earn in Cosmetology, Barbering, Esthetician, Manicuring, Massage Therapy, or Holistic Health Practitioner is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution

would meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Advance Beauty College to determine if your credits or certificate will transfer.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session (**first day of classes**), or the seventh day after enrollment (**seven days from date when enrollment agreement was signed**), whichever is later. The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance

1. After the end of the cancellation period, you also have the right to stop school at any time, and receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your contract, ask the school for a description of the refund policy.
2. If you have any complaints, questions, or problems which you cannot work out with the school, write or call:

BUREAU FOR PRIVATE POSTSECONDARY EDUCATION:
PO Box 980818 West Sacramento, CA 95798, Phone (916) 574-7720

ADDITIONAL TRANSCRIPTS

Students requesting additional copies of academic transcripts upon graduation will be charged \$25 for each copy. Former students requesting additional copies of academic transcripts will be charged \$100. If records cannot be recovered, there will be a \$25 convenience fee. All students are given one set of all academic transcripts upon graduation. Please secure these records in a safe place for future reference.

COLLECTION OF TUITION

During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room, and board, and traveling expenses. If the student qualifies, we help the individual prepare the appropriate Financial Aid application. For those students who are not receiving financial aid, the admissions representative will develop a personalized payment program for each individual, not to exceed advance payment of one term or four months at a time. We the following methods of payment: cash, check, and money order.

SCHOLARSHIPS

Our College does award scholarships periodically.

THE COLLEGE RESERVES THE RIGHT TO CHANGE THE TUITION AND FEES AND MAKE SUBJECT CHANGES WITHOUT PRIOR NOTICE WHEN NECESSARY. ANY CHANGES WILL NOT AFFECT ATTENDING STUDENTS.

REFUND POLICY

The following refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure.

- A. An applicant not accepted for training by the school shall be entitled to a refund of all moneys paid.
 - B. If a student (or in case of a student under legal age, his parent or guardian) cancels his/her contract and requests his/her money back in writing by producing a signed dated copy of the Cancellation Notice, within seven days (by midnight) of signing the enrollment agreement, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person. This policy applies regardless of whether or not the student has actually started training.
 - C. If the student cancels his/her enrollment after the seventh assessed day after signing the enrollment agreement without the student starting classes, he/she shall be entitled to a refund of all monies paid to the school less a registration fee of \$100.
 - D. Withdrawals of more than seven days after the start of class may be entitled to a partial refund. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken. The amount of that refund shall be "pro-rated" according to the incomplete portion of the course, less the cost of the registration fee of \$100.
 - E. Students who terminate prior to course completion will be charged a \$100 registration fee and refund given based on number of scheduled hours of the course not completed less non-refundable kit and STRF fees. Students who have completed more than 60% of the course hours are not eligible for a refund. If the school is permanently closed and no longer offering instruction after a student has enrolled, the student may:
 1. Transfer credits to another school offering similar courses. Transferrable credits are based solely upon the school's policy and should first be verified with the school. The student will be eligible for a refund based on the school's refund policy **OR**
 2. Teach-out: Students that are within 90 days of completing their course of study may be able to finish their course before the school closes. These students would not be eligible for a refund.
 - F. If a course is cancelled subsequent to enrollment, the school shall at its option:
 1. Provide a full refund of all monies paid; or
 2. Provide completion of the course.
 - G. Monies due to the applicant or student are refunded within **45** days of official cancellation or withdrawal. The amount the school would be allowed to retain would be calculated based on the number of hours the student was scheduled to complete (according to student schedule), in the following manner:
Course Hourly Rate x Number of hours not attended = Total amount of refund
-

The course hourly rate is calculated based on the cost of tuition divided by the number of hours of the course. The number of hours a student was scheduled to complete is subtracted from the total number of course hours. The costs of registration and STRF are non-refundable.

Refund Example: Assume that a student, upon enrollment in a 1600 hour course, pays \$6,000 for tuition, \$100 for registration (non-refundable), STRF fee, and \$300 for equipment (non-refundable), as specified in the enrollment agreement. The student withdraws after completing 550 hours, but was scheduled to have complete 600 hours; the pro-rata refund to the student would be based on the calculation stated below:

Course Hourly Rate	Tuition Paid on Hours Received "Earned Tuition"	Hours Paid for but not received	Refund calculation of tuition	Summary of Refund Calculation
Tuition / Course Hours	# Course Hours Scheduled x Hourly Cost of Tuition	# Total Course Hours - # Course Hours Scheduled to Attend	# Hours Paid for but not received x Course Hourly Rate	Total Tuition Paid – Earned Tuition, Kit, Registration Fee
\$6000 / 1600	600 x \$3.75	1600 - 600	1000 x \$3.75	\$6400 - \$2250 - \$300 - \$100
\$3.75 per hour	\$2250	1000 Hours	\$3750	\$3750

“Enrollment time” is defined as the hours of attendance, the portion of the course completed on the student’s last day of physical attendance in the school. Any money due the applicant or student shall be refunded promptly (45 days) after formal cancellation by the student as defined in item B or formal termination by the school, which shall occur no more than 14 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that they will not be returning.

WITHDRAWAL POLICY

Regardless of the average level of attendance, students who have more than two consecutive weeks of absences, (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days up to 90 days are encouraged to request a Leave-of-Absence.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance.

The student would be determined to have withdrawn from school on the earliest of:

1. The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
2. The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
3. The date you fail to attend classes for a 14-day period and fail to inform the school that you are not withdrawing.
4. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of determination of withdrawal will be the scheduled date of return from LOA or date the student notifies the institution that s/he will not be returning.

Withdrawals of more than seven business days after the start of class may be entitled to a partial refund based on institutional refund policy. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken.

RETURN OF TITLE IV

Special note to students receiving Pell grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the term or enrollment

period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. Refunds are to be made no later than 45 days from the date of determination of withdrawal.

STUDENT TUITION RECOVERY FUND STATEMENT

A qualifying institution shall include the following statement on both its enrollment agreement and school catalog:

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
 2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
 3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
 4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
 5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
 6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
-

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

RIGHT TO WITHHOLD TRANSCRIPTS AND GRADES FOR NON PAYMENT OF TUITION

CONSTITUTION DAY AND CITIZENSHIP DAY

Advance Beauty College conducts a class for the students on Constitution Day and Citizenship Day. This is a combined event observed on September 17. This event commemorates the formation and signing of the Constitution of the United States on September 17, 1787.

FINANCIAL AID-CONSUMER INFORMATION

Based on a combination of approvals, authorization, and accreditation, our students are eligible to apply for and receive tuition aid and financial assistance while attending the college. This includes Federal PELL Grant [Does not require repayment (FPELL)]

GENERAL FINANCIAL AID INFORMATION

If you wish to apply for financial aid or you have questions, or you need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs available at Advance Beauty College may be found in “The Student Guide” and the “Free Application for Federal Student Aid” published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00 a.m. and 5:00 p.m. (EST) Monday through Friday at 1 (800) 433-3243. Internet access is also available at <http://www.fafsa.ed.gov>.

COMPLIANCE STATEMENT

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

STUDENT FINANCIAL AID ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- Be admitted as a regular student
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis;
- Be a citizen or an eligible non-citizen;
- Not owe a refund on a FPELL Grant or FSEOG at any school;
- Not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school;
- Have financial need;
- Be making satisfactory progress (as defined by the school's policy) in the course of study;
- Be registered for selective service (if a male born on or after January 1, 1960);
- Have signed a statement of educational purpose;
- Have signed a statement of updated information;
- Have a High school diploma, (or its equivalent) a GED, or have demonstrated the ability-to-benefit;
- Agree to use any federal student aid received solely for educational purposes.

APPLICATION PROCEDURES AND FORMS

Financial aid applications for this institution consist of the Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on the form.

Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE PROGRAM OF STUDY:

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, student would have earned only 50% of the aid received or eligible to have received. To determine the percentage complete, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

FINANCIAL AID DEFINITIONS

(The following definitions correspond to some common terms used within the financial aid terminology):

ACADEMIC YEAR: A period of not less than 30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: 50 to 60 minutes of supervised instruction during a 60 minutes period.

CREDIT BALANCE: A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

DEPENDENT STUDENT: He/She is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents' income and assets data.

DEPENDENT: He/She is an individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) NOT a dependent of the student.

FAMILY CONTRIBUTION (EFC): The calculated amount that a family contributes to offset the student cost of attendance.

COURSE OUTLINE

GENERAL COURSE INFORMATION (COSMETOLOGY/BARBERING/MANICURING/ESTHETICIAN/TEACHER TRAINING)

GRADING SYSTEM

Each program consists of both a theoretical and hands on component that covers the applicable skills and competencies in the course. Academic performance is measured by written examinations administered periodically by the instructor. Grading for exams is based on the scale listed below. Practical operations are evaluated periodically for mastery using the practical grading criteria to determine whether the skill is performed with the required degree and accuracy assigning them an absolute grade of “yes” or “no”. The total number of “yes” answers is divided by the number of questions on the grading criteria, which gives the final grade for the operation evaluated. The cumulative score of both academic exams and practical evaluations make up a student’s overall GPA. Students must maintain a “C” (70%) average to maintain satisfactory academic status.

ACADEMIC GRADING

100%-90%	A.....Superior Performance
89%-80%	B.....Above Average
79%-70%	C.....Average
69%-60%	D.....Unsatisfactory

CLINIC FLOOR GRADING

Practical operations completed by the student are recorded on the back of the student’s time card for each operation. Practical operations are evaluated periodically for mastery using the practical grading criteria to determine whether the skill is performed with the required degree and accuracy assigning them an absolute grade of “yes” or “no”. Please review the Grading System.

Student Bill of Rights and Considerations Prior to Enrollment

This document must be given to enrolling veterans and eligible persons when using GI Bill education benefits at a private postsecondary institution approved for the training of veterans by the California State Approving Agency. This is provided for informational purposes only and is intended to give you guidance in order to optimize the use of your VA education benefits:

- You have the right to investigate training alternatives. Be aware that tuition charged by institutions offering similar training programs can vary greatly. You may also seek payment of GI Bill benefits for other types of training or career objectives, including Apprenticeship/OJT and Entrepreneurships.
- You have the right to fully explore a program prior to enrolling. You may check out the school's facilities and equipment, inquire about instructors' qualifications and class sizes, observe a class, and talk to current students. You may also ask to contact recent graduates to learn about their experiences with the school.
- You have the right to check with the Better Business Bureau, or other consumer protection agency, to find out if complaints have been filed against the school. You also have the right to verify the school's standing with any accrediting association and/or licensing agency.
- You have the right to clear information about the value of the training. Are the credits transferable to other institutions you may attend in the future? Will the training satisfy requirements for employment, or is it necessary for position you are seeking?
- You are entitled to clear data about the program's success rate. The institution will provide you with the completion and placement rates for the most recent years for which data is available. You will be given the definition of a "placement," including the length of time in the position. You will also be provided with the average starting salary.
- You are entitled to a clear statement of the total cost for completion of the program, including tuition, equipment and fees.
- You are entitled to a clear explanation, without coercion, of all financial aid options, before you sign up for any student loans.
- You are responsible for paying off a loan whether or not you complete the program. Failure to pay off a loan can lead to financial problems, including inability to get a future loan or grant for another training program, inability to get credit to buy a car or home, or garnishment of wages through the employer. You must begin repayment of the loan in accordance with the terms detailed within the financial aid documents.
- You have the right to read and understand the contract, and all other materials, before signing up.
- You are entitled to a clear explanation of the school's cancellation/withdrawal policy and procedures, to understand how to withdraw or cancel, and be informed of any financial obligations you will incur.
- You are entitled to a clear explanation of the school's refund policy, which can vary greatly. If you withdraw from a course after the first day of class, an overpayment of VA benefits can result. It is not uncommon for schools to charge the entire tuition cost at the point when you have completed 60 percent of the program. If an overpayment is assessed, the VA will send you a debt letter for the cost of the training you did not receive. For example, you may drop at the 60 percent point, and be asked by the VA to repay 40 percent of the cost of the tuition. A debt related to payment of the housing allowance may also be assessed. Ensure that you review the school's refund policy to understand the consequences of withdrawing before the end of the term.
- You have the right to contact the California State Approving Agency at www.csaave.ca.gov or the state consumer protection agency if you are unable to resolve a complaint with the school.
