As with regular time, students may clock in and receive hours up to fifteen minutes before the scheduled shift.
- The first time that a student fails to be present for a regularly scheduled day or day of scheduled make up hours, all future make up days will be cancelled. The student will then need to wait a period of two calendar weeks before being able to request to schedule make up days again, assuming they meet the above listed attendance requirement.
- Missed hours regarding Academy closures due to weather, a student's LOA, or other unforeseen events are not considered hours for make up as outlined in this section. Instead, the Enrollment Agreement contract end date will be amended with an addendum to the contract extending the contract date for the scheduled hours missed, which does not allow for make up hours or over contract fees.
- Make up time and assignments must be scheduled by the Student Advisor.
- If you are behind hours, or have scheduled time off, you may come in during your unscheduled time to

make up hours, when availability exists, following approval from your Student Advisor.

- While in foundations, make up hours are limited or not available based on the educator's availability to supervise.
- You can make up time in the student salon training area only if a station is available.
- The following constitutes a station; styling station, facial treatment table, front desk, dispensary or laundry.
- You can make up time missed in a class if it does not interfere with your current class or student salon training area schedule.
- Make up time must be approved by the Student Advisor and the Educator who is facilitating the class.
- If you do not follow through with your make up hour's commitment, you can be denied future make up hour's request.

APPEAL PROCESS

- If a student exceeds the maximum number of designated absences for their program, the student dismisses himself or herself from The Academy, or will be terminated / expelled from The Academy. A student may submit a written appeal to the Academy Director or Owner in person.
- Documentation to substantiate the appeal must accompany the written appeal.
 - Documentation should include what changes the student will make in order to comply with the Attendance Policy.
- A student must submit the appeal within 5 business days of being notified of exceeding their absences.
- If the student chooses to appeal, the student must continue attending classes until the appeal determination has been made.
- If the appeal should be denied, attendance during the appeal timelines will affect the Refund Policy calculation(s).
- The Academy Owner / Director will then have 5 business days to review the appeal and make a decision.
- All appeal decisions are final.
- All appeal related documents will be placed in the student's file.
- Students who have reached maximum time frame according the Satisfactory Academic Progress policy will not be accepted back to complete their program even if an appeal was requested.
- If a student's appeal is approved, they will be permitted to continue their education but will not be given any further absence days and cannot miss another day throughout the rest of their training, unless it is a documented mitigating circumstance as outlined in this policy.
- Should the student miss a day, or receive four or more occurrences in each quarter after exhausting absence days allowed within this policy for other than the documented mitigating circumstances, the student dismisses himself or herself from The Academy, or will be terminated / expelled from The Academy.
- Upon dismissal a refund calculation(s) will be performed according to the Withdrawal Policy. A student may only appeal one time during their program.

STUDENT TUITION RECOVERY FUND

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all of part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party."

5 CCR §76215(b) In addition to the statement described under subdivision (a) of this section, a qualifying institution shall include the following statement on its current schedule of student charges:

"The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

OVER CONTRACT CHARGES

If the student does not complete training by the contractual graduation date (completion date), an additional fee per clock hour will be charged until the required clock hours are completed. Per hour over contract charges per each program are as follows:

Cosmetology	\$12.50
Esthetics	\$18.33

Taking days off can result in over contract fees. Days absent may not exceed the maximum time frame allowed to complete the program in accordance to the Student Satisfactory Academic Progress (SAP) Policy. If the student exceeds the maximum completion time frames permitted, the student will not be allowed to graduate from the program. Over contract fees are calculated the day after the student's contract graduation date (completion date) expires. Payment arrangements must be agreed upon by The Academy and the student at that time. All over contract fees must be paid in full prior to completion of hours. Over contract fees do not negate any current payment plans for tuition. Over contract fees may not be paid with Title IV funds or credit balances.

Over contract hours must be completed by the maximum time frame to complete the program as listed in the Satisfactory Academic Progress Policy. If these over contract hours are not completed with an 85% grades and attendance within the maximum time frame, the student will not be eligible for graduation. Student hours are posted weekly.

All monies received for over contract fees PRIOR to completion of the student's contract end date (completion date) are refunded if the student terminates prior to the student's contract end date (completion date).

DISMISSAL AND THE APPEAL PROCESS

A student, who was dismissed due to unsatisfactory progress, may appeal the dismissal to an owner in writing. The owner will make a determination. If the appeal is approved, the student will be re-admitted to The Salon Professional Academy, however; the student will still be on probation (if applicable) upon re-entry. The student must achieve SAP by the next checkpoint in order to remain enrolled at The Salon Professional Academy.

LEAVE OF ABSENCE

- An authorized Leave of Absence (LOA) is a temporary interruption in the student's program of study.
- The LOA refers to a specific period of time in which a student is not in attendance. The minimum length of time for an LoA is 14 consecutive calendar days.
- An LOA is not required during an institutional break, however; a scheduled break may occur during an LOA.
- An LOA must meet certain conditions to be counted as a temporary interruption (LOA) instead of being counted as a withdrawal, which would then require The Academy to perform a withdrawal calculation.
- The Academy will not assess the student any additional charges as a result of the LOA.
- A student who must take an approved Leave of Absence (LOA) or must withdraw from training for nonacademic reasons may return to The Salon Professional Academy with no loss of SAP if the student was making SAP when the student left.
- To qualify for an authorized LOA:
 - The student must follow The Academy's Leave of Absence Policy when requesting an LOA.
 - There must be reasonable expectations that the student will return from the LOA.
 - The LOA must be requested and approved in writing according to The Academy's LOA Policy and prior to LOA occurring unless there is an unforeseen circumstance that would prevent the student from requesting in advance.
 - The LOA must be dated and signed by the student.

- The student must provide documentation to substantiate the LOA.
- The student is required to list the reason for the LOA.
- Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to The Salon Professional Academy via mail or in person within a reasonable resolution of the emergency.
 - The first date of the LOA is typically the day after the last date physical attendance prior to when, due to an emergency situation, the Student was unable to attend The Academy.
- A student granted an LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- A student may be granted a LOA for any of the following reasons:
 - 1) Medical Issues
 - 2) Military Requirements
 - 3) Jury Duty
 - 4) Mitigating Circumstances beyond the Student's Control
 - 5) Academy Staff recommendation
- The day the student returns from a LOA the student is required to inform staff in the financial aid office / admissions office and education office of their return.
- A leave of absence extends the students contract period and maximum time frame by the same number of days taken in the leave of absence without penalty to the student.
 - All parties must initial changes to the contract period on the enrollment agreement or an addendum must be signed and dated by all parties to reflect the new contract end date.
- If the student takes an unapproved LOA or does not return from an approved LOA, at the expiration of the LOA:
 - The Academy is required to take attendance, therefore; the withdrawal date for the purpose of calculating a refund is always the last date of attendance as listed in the student's attendance records.
- The Salon Professional Academy permits more than one LOA provided the total number of days of all LOA's does not exceed 180-calendar days in any 12-month period.
- If a student needs an extension to their LOA, pending all 180-calendar days have not been used in prior LOA(s) in the applicable 12-month period, the student must complete a new LOA request form, prior to concluding the current LOA, outlining the details for the requested extension.
- If the student is receiving consumer loans and/or federal funding, no loan aid (consumer or federal aid funding) will be disbursed during the LOA.
- If the student does not return from the LOA, the student will be dropped from The Salon Professional Academy.
 - The student's loans (if applicable) will enter into repayment per the terms of the loan.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

- The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. I 1232g; 34 CFR Part 99) of 1974 is a Federal law that protects the privacy of student education records and the student's personally identifiable information (**PII**).
- All students attending The Academy have the right to review their education records and request a change to their records, seek to amend inaccurate information in their records and to provide consent for the disclosure of their records.
- A student should submit a written request to inspect their file to the admissions office. A separate request must be submitted each time the student requests information from their file.
 - The Admissions Director will make arrangements for access and notify the student of the time and place where their records may be inspected.
 - These rules apply to all education records The Academy keeps, including admissions records, academic records as well as any financial aid records pertaining to the student.
- FERPA gives parents of dependent students under IRS rules, certain rights with respect to their children's education records.
 - *IRS Dependent definition: a student is considered dependent if they are listed as dependent on their parent's income tax returns. If the student is dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.*
 - *A parent is person that the state affirms as a parent(s), such as on the child's birth certificate.*
 - These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.
 - Students to whom the rights have transferred are "eligible students."

- If a parent or eligible student so request, The Academy will provide her / him with a copy of the records disclosed, and if the parent of a student who is not an eligible student so request, The Academy will provide the student with a copy of the records disclosed.
- Parents / guardians of a dependent minor or eligible student have the right to inspect and review the student's education records maintained by the school and will be provided within 45 days following the receipt of request. A separate written request must be submitted by the parent/guardian each time records are requested for the dependent student file. Copies of records will be provided upon confirmation of reasons such as where great distance makes it is impossible for parents or eligible students to review the records.
- The Academy may charge a nominal fee for copies.
- Parents or eligible students have the right to request that The Academy amend the records which they believe to be inaccurate, misleading or in violation of the student's privacy under FERPA.
 - The request must be in writing and must clearly identify what they want changed or amended and give specifics as to why they feel it is inaccurate, misleading or in violation of FERPA privacy rights.
 - The right to request an amendment is not provided to question fundamental judgments that are correctly recorded.
 - If The Academy decides not to amend the record, the parent or eligible student will be informed and advise the student to their right to a formal hearing.
 - Additional information regarding the hearing will be given to the student once the request for a formal hearing has been requested in writing.
 - After the hearing, if The Academy still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- FERPA is intended to require only that schools conform to fair recordkeeping practices and not to override the accepted standards and procedures for making academic assessments, disciplinary rulings, or placement determinations.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record, including PII information.
- The written consent must state the purpose of the disclosure, specify the records that may be disclosed, identify the party or class of parties to whom the disclosure may be made, and be signed and dated.
- However, The Academy may disclose student records, without consent, to the following parties or under the following conditions (34 CFR I 99.31):
 - School officials with legitimate educational interest;
 - A school official is defined as one who generally has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
 - Examples would be parties such as but may not be limited to: educators, administrators, attorneys, and counselors, members of committees or disciplinary boards.
 - A legitimate educational interest is defined as a genuine desire to aid the student in a successful scholastic outcome.
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties with a connection to the financial aid of a student and related to conditions to receive the aid and to enforce the terms and conditions of the aid;

- Appropriate officials in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law.
- If Department of Education officials request student records as a part of the program review, The Academy must document in each student's file that their records were disclosed to representatives of the Department utilizing the following statement:
 - "These financial aid records were disclosed to representatives of the U.S. Department of Education, School Participation Team, Region 9, on (Month/Day/Year) to determine compliance with financial aid requirements, under 34 CFR Part 99.31(a)(4)."
- The HEA prohibits nongovernmental researchers or policy analysts from accessing PII from NSLDS and prohibits the use of NSLDS data for marketing purposes. It is important to note that these prohibitions are applicable to all NSLDS data, including NSLDS data received by institutions via the ISIR.
- The Academy will maintain a record in the student's file listing to whom personally identifiable information was disclosed and the legitimate reason the parties had in obtaining the information.
 - The "Authorization to Release Information" form will be filled out, signed and dated by the student and placed in the student's file to fulfill this requirement.
 - This above statement does not apply to "school officials with a legitimate educational interest or to directory information".
 - The Authorization to Release Information can be provided by written electronic consent, if the student is not able to sign this form in person.
 - The Academy will identify and authenticate a particular person as the source of the electronic consent to indicate such person's approval of the information contained in the electronic consent is accurate.
- The Academy may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards and dates of attendance.
 - However, The Academy will notify parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them.
 - The Academy notifies eligible parents and students annually of their rights under FERPA.
 - The actual means of notification will be provided through the Annual Notice.
- In many situations, complaints relative to FERPA can be resolved within The Academy.
 - If a situation is not resolved within The Academy, to file a FERPA complaint with the U.S. Department of Education, contact: Family Policy Compliance Office, U.S. Department of Education 400 Maryland Avenue, SW Washington, DC, 20202

REFUND POLICY

RETURN TO TITLE IV POLICY (R2T4)

For students using Title IV funds, the refund policies listed below (Section 5) will apply AFTER the Return to Title IV funds (R2T4) calculation has been made in accordance with this paragraph. The R2T4 calculation must be performed prior to completing The Academy Withdrawal and Settlement Refund policy. The R2T4 is calculated by payment period for any student who was awarded Title IV aid and withdrew from the program. Any monies due the Student, who officially, unofficially withdraws or is terminated/expelled by The Academy, shall be refunded as soon as possible (but no later than 45 calendar days) following the date of official cancellation, termination or withdrawal. A student is considered to be "Officially" withdrawn on the date the student notifies (date of determination) an Academy administrator or Academy Operations Director, in writing, of their intent to withdraw. The date of determination of withdrawal (or termination / expelled) for refund purposes will be the earliest of the following for official withdrawal: date student was terminated or expelled from the Academy, date the student provided official notification of intent to withdraw, in writing or orally to an administrator of The Academy or Academy Operations Director in person, or by means of a mailed letter, or date of fax or email correspondence. The student is allowed to rescind her/his notification to withdraw in writing and continue the program upon written approval by the Academy Operations Director. (The Academy Attendance Policy allowable absences must be applied as applicable.) If the student subsequently withdraws, the date of determination is the original date of notification of intent to withdraw. The student's last date of attendance is the date utilized on the R2T4 Worksheet to determine the outcome of disbursed or could have been disbursed Title IV aid for the student. A student is considered to be an unofficial withdrawal (for date of determination purposes) when the student does not provide official notification of his or her intent to withdraw and is absent for more than 14 consecutive calendar days.

The R2T4 is calculated based on aid that was disbursed or could have been disbursed within the payment period timelines of the student's scheduled attendance at the time of withdrawal. Payment period are dependent on the length of the program. The R2T4 calculation is mandated by federal law for students who have received financial assistance under the Federal Higher Education Act (Federal Pell Grants or Stafford Direct Loan Program Subsidized and Unsubsidized Loans or the Stafford Direct Plus Loan Program) and who fail to complete the portion of their instructional program for which the funds were awarded and disbursed. If the enrollment is terminated at or before 60% of the scheduled hours of any payment period have elapsed, the R2T4 calculation may require the Student to return to the federal government a portion of the disbursed funds. If over 60% of the

scheduled payment period has elapsed, no return of Title IV funds is due to the federal government. In addition, if the student has received Title IV funds from a credit balance, she/ he may be required to return a portion of the funds to the applicable program as a result of the R2T4 calculation.

ACADEMY WITHDRAWAL AND SETTLEMENT (REFUND) POLICY

The Academy Withdrawal and Settlement (Refund) Policy is intended to be written in clear language so it is easily understood. This refund policy applies to all withdrawals by either party for any reason, including student decision, course or program cancellation, or Academy closure. The Academy Withdrawal and Settlement (Refund) Policy can also be found in The Academy's Enrollment Agreement.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

For students using Title IV funds, the refund policies listed below will apply AFTER the Return to Title IV funds (R2T4) calculation has been made in accordance with this paragraph. The R2T4 is calculated by payment period for any student who was awarded Title IV aid and withdrew from the program. The R2T4 is calculated based on aid that was disbursed or could have been disbursed within the payment period timelines of the student's scheduled attendance at the time of withdrawal. Payment period timelines are dependent on the length of the program. The R2T4 calculation is mandated by federal law for students who have received financial assistance under the Federal Higher Education Act (Federal Pell Grants or Stafford Direct Loan Program Subsidized and Unsubsidized Loans or the Stafford Direct Plus Loan Program) and who fail to complete the portion of their instructional program for which the funds were awarded and disbursed. If the enrollment is terminated at or before 60% of the scheduled hours of any payment period have elapsed, the R2T4 calculation may require the Student to return to the federal government a portion of the disbursed funds. If over 60% of the scheduled payment period has elapsed, no return of Title IV funds is due to the federal government. In addition, if the student has received Title IV funds from a credit balance, she/ he may be required to return a portion of the funds to the applicable program as a result of the R2T4 calculation.

The Academy Withdrawal and Settlement (Refund) Policy complies with any mandated state or federal policies for each student. If the Student (or the Student's parent or legal guardian if the Student is a dependent minor) cancels the enrollment in person or in writing within three business days of the execution of the Enrollment Agreement, all monies paid, pursuant to this Agreement, including the registration fee, shall be refunded by The Academy to the Student. This policy applies regardless of whether or not the student has actually started training. An applicant not accepted by The Academy shall receive a refund of all monies paid including tuition and registration fee. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The registration fee for each course / and or program of study at The Academy is \$75.00. Refund calculations are performed for each course individually.

The date of the official cancellation, termination or withdrawal of the Student will be determined by the postmark on the written notification by means of mailed letter, or date of fax or email correspondence, or the date said information is delivered to an administrator of the Academy or Academy Operations Director in person. Any monies due the Student, who officially withdraws or is terminated by The Academy, shall be refunded as soon as possible (but no later than 45 calendar days) following the date of official cancellation, termination or withdrawal.

The Academy monitors student attendance on a daily basis. Except in unusual circumstances, the date of The Academy's determination that the student unofficially withdrew will be no later than 14 calendar days from the Student's last date of attendance. Any monies due the Student who unofficially withdraws shall be refunded as soon as possible (but no later than 45 calendar days) after such date of determination or, in the case of a leave of absence, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the Student notifies The Academy that the Student will not be returning.

In the event the Student begins but does not complete the course and/or program, the Student is charged pursuant to the California Private Postsecondary Education Act of 2009, section 94919(c) or section 94927 of the Code, and the Student is assessed a \$150 administrative fee. Scheduled hours up to the last date of attendance equals completed hours for refund purposes. Books and Kit items are non-refundable.

Minimum Tuition Adjustment Schedule followed by the Academy

The Academy maintains evidence that refund calculations have been performed, when applicable, and Academy refunds are received by the recipient in a timely manner, such as, but not limited to, a cancelled check, bank reconciliation, signed receipt of delivery, or documentation that funds were disbursed in accordance with applicable federal or state regulations. For students who enroll in and begin classes, the following schedule of tuition adjustment will be considered to meet minimum standards for refunds:

A pro rata refund pursuant to the California Private Postsecondary Education Act of 2009, section 94919(c) or section 94927 of the Code, and shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

The amount owed equals the hourly charge for the program (total institutional charge, divided by the number of hours in the program), multiplied by the number of hours student was scheduled to attend, prior to withdrawal. All amounts paid by the student in excess of what is owed as calculated shall be refunded. The refund does not include the non-refundable items that are not included in the tuition price: a registration fee of \$75.00, Student Tuition Recovery Fund (\$0.00 per \$1,000.00 of institutional charges), and books and kit costs received.

The refund policy allows for pro rata up to 60% of the program (period of attendance) and once the student completes over 60% of attendance, the student owes full tuition. Payment schedules for tuition debt may be arranged between the Student and The Academy. If the Student terminates prior to course completion, the Student is assessed a \$150 termination/withdrawal fee.

For students who enroll in and begin classes, the following schedule of tuition adjustment will be considered to meet minimum standards for refunds:

Percentage of Length Completed to Total Length of Course and/or Program	Amount of Total Tuition Owed to The Academy
0.01% to 60%	Prorated based on % of scheduled attendance as of last date of physical attendance
60.01% to 100%	100%

If the Student has completed more than 60% of the course / program of study hours, the Student must pay any remaining contracted tuition and fees due to The Academy. Payment schedules for tuition debt may be arranged between the Student and The Academy. When situations of mitigating circumstances exist, as determined by

the Owner/Director of The Academy, The Academy may, at its discretion, refund the Student a tuition percentage greater than the percentage set forth in the Minimum Tuition Adjustment Schedule.

If a course and /or program is canceled subsequent to a Student's enrollment and before instruction in the course and/or program has begun, The Academy shall at its option: (a) Provide a full refund of all monies paid; or (b) Provide completion of the course and/or program.

If The Academy cancels a course and/or program and ceases to offer instruction after students have enrolled and instruction has begun, The Academy shall, at the determination of the Bureau for Private Postsecondary Education, provide: (a) Provide completion of the course and/or program; or (b) Participate in a Teach-Out Agreement; or (c) Provide a full refund of all monies paid.

If The Academy is permanently closed and ceases to offer instruction after students have enrolled and instruction has begun, The Academy must make arrangements for students.

The Academy will per the direction of the Bureau of Private Postsecondary Education provide: (a) A full refund of all money paid; or (b) Participate in a Teach-Out Agreement and (c) Provide a pro rata refund of tuition.

The student will be given a copy of the results of the refund calculation, including the R2T4, if applicable, in writing, including any applicable debts owed to The Academy or refund The Academy owes to the student.

If promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of The Academy.

Any collection procedures reflect good taste and sound, ethical business practices. Collection correspondence regarding cancellation and settlement from The Academy itself, banks, collection agencies, lawyers, or any other third parties representing The Academy clearly will acknowledge the existence of The Academy Withdrawal and Settlement Policy.
