YOUR KAPLAN JOURNEY STARTS HERE

From the day you arrive to the day you finish your course, we'll be there to help and to make sure you get the very best from the amazing experience of learning English in another country. Here's how:

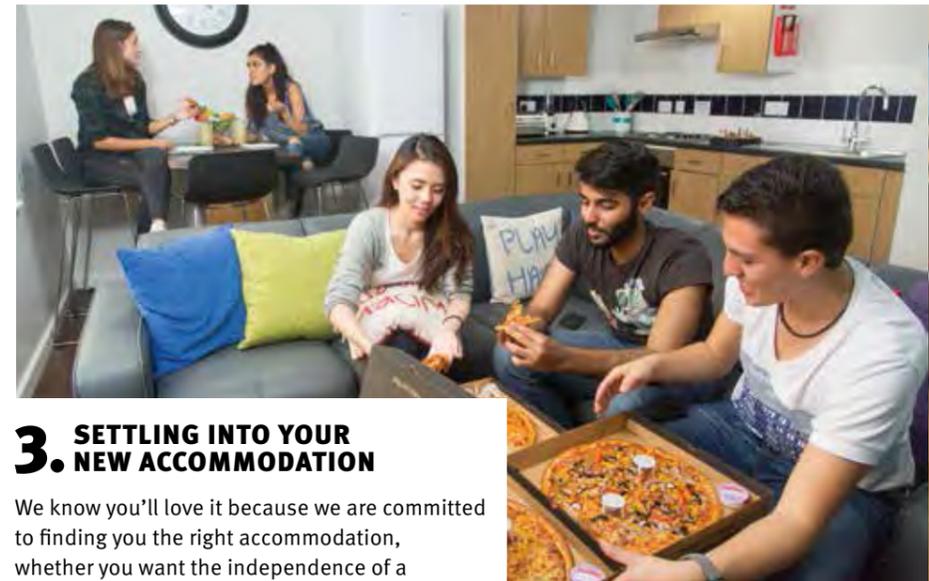

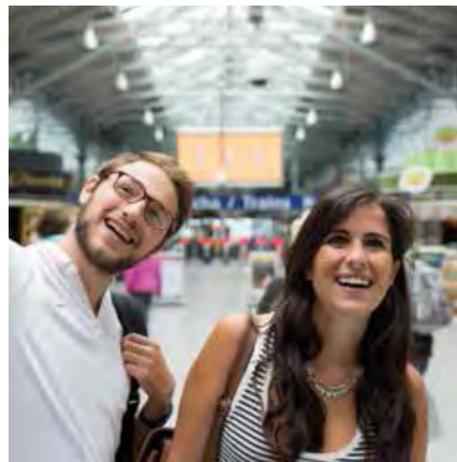

1. SUPPORT FROM STUDENT ADVISORS BEFORE YOU LEAVE

You'll have lots to do before you leave, so our advisors will be there to help you along the way. We'll send you information about your course, living costs, insurance, paperwork you might need for your visa, and even what to pack.

2. PERSONALIZED TRANSFER SERVICES FROM THE AIRPORT

A friendly face in a foreign country is always welcome. So how about a personalized transfer service to meet you at the airport the moment you touch down? If you choose, we can arrange for a trusted driver to pick you up and take you straight to your accommodation.

3. SETTLING INTO YOUR NEW ACCOMMODATION

We know you'll love it because we are committed to finding you the right accommodation, whether you want the independence of a student residence, where you'll live around other students, or the comforts of staying in a homestay with locals, where you'll truly immerse yourself in the culture. We inspect all of our accommodation options regularly and have staff at the school to help you with any questions.

4. A WARM WELCOME ON YOUR FIRST DAY

You'll have time to settle in before lessons start. We'll ensure you are able to meet everyone, from school staff to teachers and fellow students, and show you around your new school surroundings, with time to discover the local area. We'll determine your English level to make sure we put you in the right class, then give you a personal timetable so you are ready for your lessons.

5. YOUR CLASSES

The start of a fantastic experience — modern facilities, educational excellence, and friendly staff determined to make you feel at home. We pride ourselves on having passionate teachers who love teaching international students. You will be made to feel comfortable in class, and share your learning experience with students of a similar level of English from all over the world. We'll encourage and help you every step of the way, and, with our K+ learning system, you'll make rapid progress towards your goals.

6. AN EXCITING SOCIAL PROGRAM AFTER CLASS

It's not all study. Every school runs a social program that makes the most of the city and sights around it. Explore a new country, enjoy trips and activities with friends, and practice your English in a relaxed and informal way.

7. YOUR CERTIFICATE

Congratulations, you've achieved something truly worthwhile — a set of English skills that can take you to university, a great job, or around the world. You'll have a Kaplan Certificate to prove it, a network of new friends to celebrate it, and amazing memories that will last forever.

WELL DONE

You've come such a long way. Your new life in English begins now!

The K+ advantage

THE KAPLAN LEARNING METHOD

AN INTEGRATED APPROACH TO LEARNING

K+ is our specially designed English language learning system. Kaplan's team of experts has taken the best elements of face-to-face teaching and combined them with all the advantages of online learning. With our K+ learning materials you'll be given the tools to become a confident English speaker in every aspect of life, and our qualified, dedicated, and experienced teachers will help you all the way.

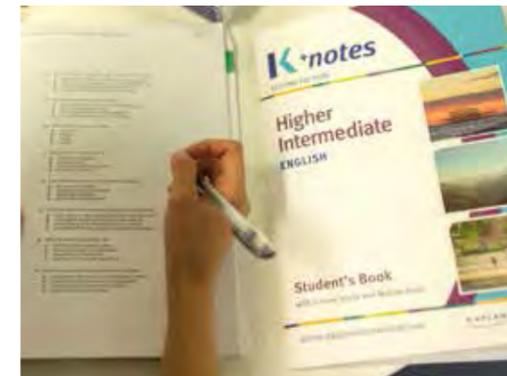

YOUR LESSONS

Kaplan teachers use a range of highly effective exercises to keep classes interesting, engaging, and challenging, allowing you to focus on building skills and confidence while improving your pronunciation, broadening your vocabulary, and mastering grammar. Our K+notes course books and interactive whiteboards will develop your reading and writing skills and encourage you to speak English confidently inside the classroom and beyond.

PASSIONATE TEACHERS

Our fully qualified teachers are passionate about helping you reach your goals. They will teach, support, and motivate you along every step of your English journey.

OUR K+NOTES COURSE BOOKS

Our course books are dynamic, focused on interesting topics, and packed with exercises to help you practice speaking and listening while working on your grammar and vocabulary. Enjoy using them in class, then continue working at home with our K+tools online learning program.

INTERACTIVE WHITEBOARDS

Most of our classrooms have interactive whiteboards. They're a great way to bring the K+ learning materials to life as teachers and students use them to interact and collaborate.

ONLINE LEARNING

All Kaplan students have access to online practice tools to further boost their opportunities for improvement. Students can use these tools in the school multimedia lab or on their own tablets, computers, or mobile devices.

K +TOOLS

Complement your in-class lessons with access to level-appropriate online materials with *K+tools*. These materials are directly linked to your *K+notes* course books in class and will give you additional examples to test yourself and solidify class lessons. You'll get instant feedback on your performance and progress, and you can study whenever and wherever you want.

K +EXTRA

Improve even faster with our online *K+eXtra* self-directed study materials*. Whereas *K+tools* builds off the materials you are discussing in class, *K+eXtra* gives you the opportunity for independent learning with access to entirely new grammar and vocabulary exercises. Make your learning fun with interactive questions, videos, audio examples, and assessment tasks. With modules dedicated to every language area of our *K+* curriculum, you'll have plenty of choices and be able to focus on any specific areas of difficulty. Each module is split into Learn, Practice, and Test segments.

You'll receive your very own profile and login, so every time you come back to your online account, you can pick up exactly where you left off. You can also work at different levels in different skills, depending on your ability. If your grammar is more advanced than your pronunciation, for instance, you might work at Higher Intermediate in one and Lower Intermediate in the other.

**K+eXtra* is not available to students studying Vacation English.

BEYOND THE CLASSROOM

Your English language journey doesn't have to end after your time at our school has drawn to a close. Once you've completed your studies, you may purchase continued subscriptions to *K+tools* and *K+eXtra* in 3-month blocks to continue to build on your English skills from the comfort of your home country, or from wherever you end up!

K +CLUBS STUDY GROUPS

In addition to your regular classes, there are also teacher-led study sessions that run throughout the week. These study clubs explore a wide variety of topics and are an excellent way to practice skills learned in the classroom and make new friends.

“The *K+* approach is highly effective because it has been developed to optimize the learning of English by applying research-based practices of feedback and group-based learning. The *K+* in-class approach maximizes opportunities for students to use their new skills together and get feedback from well-trained teachers. Research also confirms learners need different amounts of practice, in part depending on where they start. *K+tools* allows students to practice as much as they need on their own, making their in-class and social activities more productive and enjoyable.”

YOUR ROUTE TO RAPID PROGRESS

As a student on any of our English courses, you'll want to progress quickly and know you're doing well. It's important to have a clear view of the path you want to take towards your goals. Our six English levels mean it's easy to find a starting point that matches your abilities and allows you to measure your progress. You may even surprise yourself by how quickly you move up the levels. Beginner courses for students with no English background are available in selected Kaplan destinations.

This chart shows the progress you can make with a Kaplan language course. On arrival at your school, you will be given a placement test to enable our staff to place you in the correct class for your level of language ability. Regular progress tests during the course will then allow your teachers to monitor your level of improvement.

*Please note that 10 weeks per level is just a guide to average progress rates on an Intensive English course. We cannot guarantee an exact period of study over which specific language goals can be attained.

A GREAT PLACE TO STAY

Where you live while you study will make all the difference to the experience you have, the friends you make, and your sense of comfort and security. We know it's an important part of your decision. Kaplan is committed to finding the highest-quality student residences and homestays — those where you'll feel the most at home.

BE INDEPENDENT, MAKE FRIENDS

WHY WOULD I LIKE A STUDENT RESIDENCE?

Living alongside other students is the perfect way to make friends and share ideas and experiences (as well as recipes!) from around the world. Most residences are self-catering, so it will be your choice to cook or eat out at the local restaurants and cafés. You can enjoy your independence as most locations offer options such as residences, apartments, or hostels with a choice of single, twin, or dormitory-style rooms.

FEEL WELCOMED, PRACTICE YOUR ENGLISH

WHY WOULD I LIKE A HOMESTAY?

Living in a homestay gives you the chance to practice your English every day in a relaxed atmosphere and enjoy the warmth and comforts of a real home. You'll have breakfast and dinner with your hosts and fully immerse yourself in a new culture. All of our homestays are regularly inspected to ensure they're comfortable and welcoming, and we choose hosts we know are well-suited to caring for international students.

"The residence was modern, cozy, and full of students. This is a great factor, as it allows all students to get together in the common areas and enhance their language skills while enjoying good company."

Carmela Nargiso, Italy

"I had a host family who treated me like one of their own, which helped me to overcome my homesickness. I was able to improve my knowledge of their culture and ways of life, but of course this meant I had the chance to use my English more effectively, which helped me to develop my language skills in speaking quickly."

Khaled Saad Alharbi, Saudi Arabia

SOAKING UP THE CULTURE

One of the best things about studying in another country is experiencing a brand new culture. You will find new and exciting experiences on your doorstep — landmarks, activities, and amazing places to visit. You'll learn and see so much more than on any vacation. We offer every opportunity to enjoy an exciting social life outside the classroom by organizing activities, events, and weekend trips. Our social program will help you make the most of your stay and allow you to make memories to last a lifetime.

Admission and Academic Policies: Kaplan accepts students at all levels of English language proficiency into courses. For admissions purposes, all students either have a high school diploma or will take our ability-to-benefit exam upon arrival. The Bureau-approved KI Adaptive Assessment is used to determine the appropriate class level in which the student will be placed, their progress through our levels, and level of language proficiency upon completion. Some courses require a minimum level of language proficiency in order to be accepted into the program:

Course	Minimum Level of English Proficiency	Proof Type
Vacation English; General English; Intensive English; Academic Semester; Academic Year	Any	None; ATB test will be taken on-site
English for Business	Intermediate- Advanced	Kaplan Pre-Arrival Test or Proof of language level (e.g. official test score); ATB test will be taken on-site
TOEFL® and Academic English	TOEFL® iBT 55	Kaplan Pre-Arrival Test or Proof of language level (e.g. official test score)
GMAT® and GRE® Exam Preparation	TOEFL® iBT 77	Kaplan Pre-Arrival Test or Proof of language level (e.g. official test score); ATB test will be taken on-site
Cambridge Exam Preparation	Intermediate – Advanced	Kaplan Pre-Arrival Test or Proof of language level (e.g. official test score); ATB test will be taken on-site

If, after the placement test taken on arrival at the school, a student is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the student in an appropriate level class, which may have fewer lessons and a different curriculum. Students who do not have the ability to follow any course on offer may be required to terminate their studies with Kaplan.

Start Dates: Courses start on Monday; when Monday is a holiday, courses start on Tuesday. The curricular week goes from Tuesday- Monday, with new students being placed into classes on Tuesday. When Monday is a holiday, the curricular week finishes on Tuesday and class changes (e.g. level-ups, new students) are made on Wednesday.

English Classes: Our English classes are organized by level of language proficiency (e.g. Intermediate, Advanced), which is determined by a Placement Test upon arrival. Levels include Elementary, Lower Intermediate, Intermediate, Higher Intermediate, Advanced and Proficiency. Each level consists of ten (10) one-week modules** and students enter and leave according to their individual enrollment booking (“rolling enrollment”).

**eighteen (18) one-week modules for Proficiency level*

Specific Skills Classes: Specific Skills classes are included for all students enrolled in an Intensive course (e.g. Intensive English, Intensive academic year, etc.). Class selection changes every 5 weeks and students will be given a choice of classes from which to choose based on their level, availability and interest. Classes

may include such topics as Conversation, Local Culture, Idiomatic English, or Pronunciation. All efforts will be made to give students their first choice but it cannot be guaranteed.

Structured Study/ K+ Sessions: Structured Study/ K+ Sessions are offered to all students enrolled in an Intensive or General English course for up to 5.25 hours per week. (TAE students have 11+ hours of Structured Study per week.) Structured Study/ K+ Sessions include study menus, online and offline language learning exercises, study clubs and teach-backs.

Individual Student Report: The Individual Student Report (ISR) is used to describe whether the student is performing at, above, or below the expectations for the level. The ISR includes information on the student's attendance and progress test scores, as well as grades for their grammar, vocabulary, reading, writing, listening, and speaking fluency, and progress tests, and Instructor comments on students' progress identifying areas of strength and weakness, and recommendations. The ISR is distributed every 5 weeks.

Level Tests: Level Tests are used to determine if the student is ready to progress to the next academic level. The test is based on our Global Performance Outcomes. The test will be administered when a student completes 10 weeks in a level. To progress to the next level, students must achieve a score of 70% on the Level Test and receive a recommendation from their teacher.

English Only: All students must speak English in the school.

Language of Instruction: All courses are taught in English.

Transcripts and Records: ISRs (Individual Student Reports) are available to students, at no charge, at any time. Student records are maintained for a period of 5 (five) years following the program end date. ISRs and Certificates of Attendance are kept permanently.

On Kaplan receiving the completed and signed enrollment form and enrollment fee, if the student's course and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract will be formed between the student and Kaplan, which is dependent on the student meeting all immigration requirements.

5. TRAVEL AND MEDICAL INSURANCE:

Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your course length or course/visa type. Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive. You will not be allowed to commence a course until you have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with GNIB within 30 days of arrival.

- Australia:

Australia: The Australian government requires all students on Student Visas to obtain Overseas Student Health Cover (OSHC), a compulsory health insurance plan for overseas students in Australia. This must be obtained before you apply for a Student Visa, and you can either obtain this independently or through Kaplan at a cost of AUD 56/month. OSHC must cover the whole duration of your Student Visa, and must start at least one week before the start date of your course. Additional fees will be charged if you arrive in Australia earlier, in order to cover insurance for the full visa period.

- New Zealand:

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at www.moh.govt.nz. In addition, The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz. Please note that Kaplan's recommended travel and medical insurance must be booked for a minimum of 4 weeks.

6. HEALTH DECLARATION:

Students must report on their enrollment form any mental or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their program, that may impact the health and well-being of any other student, host or staff member, that may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrollment, or that may require special accommodation. Kaplan reserves the right to reject an applicant or terminate a student's enrollment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

- USA:

Some schools located on university campuses require students to provide a Health Declaration and Immunization form in advance of arrival. You will be informed in such cases.

7. TUITION FEES:

Tuition fees include lessons, orientation meeting, use of computer room and internet, placement and progress testing and a Kaplan certificate on completion of the course. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees or any other fees remain outstanding, or other conditions are not met.

8. ADDITIONAL SERVICES:

Any additional services (transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation and enrollment amendments) are not included in any fees unless specifically stated on a valid invoice.

9. TWIN ACCOMMODATION:

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

10. UNDER 18 YEAR OLDS:

Kaplan delivers adult courses (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan-approved accommodation, book Kaplan's airport transfer service (these are compulsory in Australia and New Zealand) and purchase a medical insurance policy. All students under 18 (under 19 for students attending our Vancouver location) must provide a signed Minor Authorisation form prior to arrival, and in Canada, students may need to provide a notarized Custodianship Declaration.

- UK/Ireland:

The British and Irish governments require all students under 18 to submit a Waiver form and an Authorisation of Emergency Medical Treatment form which will be provided at the time of booking.

TERMS & CONDITIONS

1. RULES AND REGULATIONS:

Students' arrangements with Kaplan are governed by the law of the country where the particular school attended is located.

2. ARRIVALS AND DEPARTURES:

All accommodation is booked from the Saturday or Sunday before the course start date until the Saturday morning after the course end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Students arriving between 22:30 - 06:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation.

3. LATE ARRIVALS, VACATIONS AND ABSENCES:

If you begin your enrollment late or are absent during your course, no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the course. Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Breaks taken at other times will be marked as periods of absence. For other courses, granting of any Session Breaks after the course has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence.

4. MEALS AND CLASSES MISSED:

No refunds or substitutions will be made for meals or classes missed due to exams, excursions, internships, first day orientation or other obligations that fall outside the normal schedule.

5. PUBLIC HOLIDAYS:

Classes are normally not held and most school facilities are closed on public holidays. All published course start dates fall on a Monday. If the Monday is a public holiday, the start date will fall on a Tuesday. Compensation will not be made for classes not offered on public holidays.

6. CAMPUS FACILITIES:

Students attending a Kaplan school at a university or college campus location are advised that campus facilities may not be available during campus holidays. Further details are available from the Kaplan booking office.

7. CHANGE FEES:

A minimum of 4 weeks' notice is required for any change. If you request a change of school location, course dates, accommodation or program type after your course has started, you will be charged a change fee of GBP60, EUR85, USD100, CAD100, AUD75, NZD75, which is payable at the time the request is made (excluding termination or cancellation in the USA and Canada which is dealt

with under the applicable part of the relevant Cancellation and Termination clauses below). Kaplan is not obliged to fulfill any change request. Academic Year or Academic Semester students cannot transfer to a different Kaplan school during term time. If changing to a location (or changing program in the USA and Canada) where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Principal / Director. You will not be charged a change fee if you extend your course, but late homestay extensions in Canada may require a re-placement fee of CAD100. It is the responsibility of the student to pay for any course or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking, and will thus be subject to the standard terms & conditions governing terminations (see 'Termination Policy'), except in the USA and Canada.

8. DURATION OF LESSONS:

All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Kaplan cannot guarantee a specific timetable.

9. SUBSTITUTION POLICY:

If, after the placement test taken on arrival at the school, a student is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the student in an appropriate level class, which may have fewer lessons and a different curriculum. Students who do not have the ability to follow any course on offer may be required to terminate their studies with Kaplan. We also reserve the right to cancel courses at short notice due to insufficient demand.

10. PROGRAM CHANGES:

Kaplan has the right to change course dates, course curricula, tutors, locations and programs at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the student, all fees will be refunded.

11. PRICES:

Kaplan has the right to change prices due to tax increases, governmental actions or other events beyond Kaplan's control. Prices are valid for courses starting in 2017.

12. BOOKS AND LEARNING MATERIALS:

All books and learning materials will be made available to students during their course. Some specialized courses may require the purchase of books. In Canada, New Zealand and Australia a materials fee is charged to students to cover the cost of such items. In Vancouver, other avenues to access required materials may be available such as purchasing from an alternative source (if possible). Students will need to show proof they have procured the materials in these cases in order for the materials fee to be waived.

13. RESIDENTIAL HOUSING DEPOSIT:

A refundable housing deposit of approximately GBP250, EUR350, USD500, CAD600, NZD250-500 or AUD250-500 may be charged on arrival to students taking residential accommodation in the UK, Ireland, USA, Canada, New Zealand and Australia. Please note, deposit fees vary by school location; students will be informed at the time of booking should additional fees apply. The deposit is returned unless there is damage, loss or extra cleaning to be paid for on the student's departure. In some cases the deposit may be non-refundable if the booking is cancelled. Additional fees may also apply in some locations (e.g. utilities, cleaning, and linen).

14. EXPULSION/SUSPENSION:

Any student who commits a criminal offence, violates the student conduct code or school policy, has, in Kaplan's opinion, a poor attendance record (e.g. less than 80%, whether or not such attendance is in breach of any visa attendance requirements), is absent for 14 consecutive days without notification (USA and Canada), or fails to pay an amount he or she is directly or indirectly liable to pay Kaplan in order to undertake the course, may be expelled or suspended. No refund will be given (except for students attending our USA and Canada locations, see below) and the immigration authorities will be informed. In the USA and Canada, the student will be provided with written notice of expulsion, with a maximum of 7 calendar days to provide documentation to support reversal of the decision, if appropriate. Any refund, if applicable, will be based on the last date of attendance and will be calculated according to our termination refund policies below.

- **Vancouver only:** If a student is expelled before 10% of the instructional hours have been provided, 70% of the remaining tuition will be refunded. If a student is expelled after 10% but before 30% of the instructional hours have been provided, 50% of the remaining tuition will be refunded. If a student is expelled after 30% of the instructional hours have been provided, there will be no refund.

- Student Code of Conduct:

You agree to abide by the student conduct rules and other policies while attending Kaplan. As part of Kaplan's commitment

to our students' success, we seek to provide an optimal learning environment and expect students to conduct themselves in a manner that is considerate of those around them. Inappropriate conduct includes but is not limited to: (1) disruptions to the learning environment (i.e. use of profanity, harassment, mobile phone use in classrooms, etc.); (2) deliberate destruction, misuse, or theft of Kaplan property or the property of fellow classmates; (3) violence or threats of violence towards persons or property of students or Kaplan staff; (4) improper use of email or Internet access; and (5) failure to comply with local copyright or criminal laws forbidding the misappropriation, copying or alteration of copyright-protected materials.

15. LIABILITY:

The liability of Kaplan, its group companies, their directors, officers, employees, affiliates, agents and partners with respect to losses arising from negligence (except where such liability cannot be excluded as a matter of law), breach of contract or otherwise will be limited in all circumstances to the full amount paid to Kaplan or the relevant Kaplan group company by the relevant student for the particular program.
