- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: In accordance with BPPE policy, the student has the right to cancel their enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel, the school requests that the student give written notice to the school via mail, email, or hand delivery.

STUDENT'S RIGHT TO WITHDRAW FROM THIS PROGRAM: As per BPPE policy, a student has the right to withdraw from this program of instruction at any time and receive a refund of tuition if the student has completed 60 percent or less of the period of attendance.

REFUNDS: The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student. The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days remaining in the paid period of attendance after subtracting days the student attended, or was scheduled to attend, prior to withdrawal. (Please note that if a student is present for at least one day of a scheduled week, the remaining days of that scheduled week are also included for calculation purposes.) For instance, the daily charge of the program tuition fee is \$17.85 (\$500 divided by 28 days). If a student has paid \$1500 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1250, which is calculated from \$1500 (the total amount the student has paid) - \$250 (\$17.85 daily charge, multiplied by 14 days).

As per BPPE policy, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

In accordance with ACCET's policies, please note that for refund calculation purposes, the student's Last Date of Attendance (LDA) is the last day the student is physically in class. Also, note that our school will pay refunds within 45 days of a student's cancellation or withdrawal. The precise date on which these 45 days begin (referred to by ACCET as the Date of Determination) is one of the following:

- (a) the date the student gives notice of withdrawal to the institution; if the student gives advance notice, then the date will be the Last Date of Attendance (LDA);
- (b) the date the institution administratively withdraws the student (for example, if the student has been absent without excuse for 30 days);
- (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

Note: For students who cancel or never attend the school ("no-show"), the refund is due a maximum of 45 calendar days from the first scheduled day of class or the date of cancellation, whichever is earlier.

Please note that our school's refund policy combines the requirements of both BPPE and ACCET, always giving precedence to the aspects that are most beneficial to the student.

For instance, the daily charge of the program tuition fee is \$17.85 (\$500 divided by 28 days). If a student has paid \$1500 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1250, which is calculated from \$1500 (the total amount the student has paid) - \$250 (\$17.85 daily charge, multiplied by 14 days).

As per BPPE policy, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

In accordance with ACCET's policies, please note that for refund calculation purposes, the student's Last Date of Attendance (LDA) is the last day the student is physically in class. Also, note that our school will pay refunds within 45 days of a student's cancellation or withdrawal. The precise date on which these 45 days begin (referred to by ACCET as the Date of Determination) is one of the following:

- (a) the date the student gives notice of withdrawal to the institution; if the student gives advance notice, then the date will be the Last Date of Attendance (LDA);
- (b) the date the institution administratively withdraws the student (for example, if the student has been absent without excuse for 30 days);
- (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

Note: For students who cancel or never attend the school ("no-show"), the refund is due a maximum of 45 calendar days from the first scheduled day of class or the date of cancellation, whichever is earlier.

Please note that our school's refund policy combines the requirements of both BPPE and ACCET, always giving precedence to the aspects that are most beneficial to the student.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: In accordance with BPPE policy, the student has the right to cancel their enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel, the school requests that the student give written notice to the school via mail, email, or hand delivery.

STUDENT'S RIGHT TO WITHDRAW FROM THIS PROGRAM: As per BPPE policy, a student has the right to withdraw from this program of instruction at any time and receive a refund of tuition if the student has completed 60 percent or less of the period of attendance.

REFUNDS: The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student. The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days remaining in the paid period of attendance after subtracting days the student attended, or was scheduled to attend, prior to withdrawal. (Please note that if a student is present for at least one day of a scheduled week, the remaining days of that scheduled week are also included for calculation purposes.) For instance, the daily charge of the program tuition fee is \$17.85 (\$500 divided by 28 days). If a student has paid \$1500 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1250, which is calculated from \$1500 (the total amount the student has paid) - \$250 (\$17.85 daily charge, multiplied by 14 days).

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: In accordance with BPPE policy, the student has the right to cancel their enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel, the school requests that the student give written notice to the school via mail, email, or hand delivery.

STUDENT'S RIGHT TO WITHDRAW FROM THIS PROGRAM: As per BPPE policy, a student has the right to withdraw from this program of instruction at any time and receive a refund of tuition if the student has completed 60 percent or less of the period of attendance.

REFUNDS: The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student. The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days remaining in the paid period of attendance after subtracting days the student attended, or was scheduled to attend, prior to withdrawal. (Please note that if a student is present for at least one day of a scheduled week, the remaining days of that scheduled week are also included for calculation purposes.) For instance, the daily charge of the program tuition fee is \$17.85 (\$500 divided by 28 days). If a student has paid \$1500 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1250, which is calculated from \$1500 (the total amount the student has paid) - \$250 (\$17.85 daily charge, multiplied by 14 days).

As per BPPE policy, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

In accordance with ACCET's policies, please note that for refund calculation purposes, the student's Last Date of Attendance (LDA) is the last day the student is physically in class. Also, note that our school will pay refunds within 45 days of a student's cancellation or withdrawal. The precise date on which these 45 days begin (referred to by ACCET as the Date of Determination) is one of the following:

- (a) the date the student gives notice of withdrawal to the institution; if the student gives advance notice, then the date will be the Last Date of Attendance (LDA);
- (b) the date the institution administratively withdraws the student (for example, if the student has been absent without excuse for 30 days);
- (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

Note: For students who cancel or never attend the school ("no-show"), the refund is due a maximum of 45 calendar days from the first scheduled day of class or the date of cancellation, whichever is earlier.

Please note that our school's refund policy combines the requirements of both BPPE and ACCET, always giving precedence to the aspects that are most beneficial to the student.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: In accordance with BPPE policy, the student has the right to cancel their enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel, the school requests that the student give written notice to the school via mail, email, or hand delivery.

STUDENT'S RIGHT TO WITHDRAW FROM THIS PROGRAM: As per BPPE policy, a student has the right to withdraw from this program of instruction at any time and receive a refund of tuition if the student has completed 60 percent or less of the period of attendance.

REFUNDS: The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student. The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days remaining in the paid period of attendance after subtracting days the student attended, or was scheduled to attend, prior to withdrawal. (Please note that if a student is present for at least one day of a scheduled week, the remaining days of that scheduled week are also included for calculation purposes.) For instance, the daily charge of the program tuition fee is \$17.85 (\$500 divided by 28 days). If a student has paid \$1500 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1250, which is calculated from \$1500 (the total amount the student has paid) - \$250 (\$17.85 daily charge, multiplied by 14 days).

As per BPPE policy, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

In accordance with ACCET's policies, please note that for refund calculation purposes, the student's Last Date of Attendance (LDA) is the last day the student is physically in class. Also, note that our school will pay refunds within 45 days of a student's cancellation or withdrawal. The precise date on which these 45 days begin (referred to by ACCET as the Date of Determination) is one of the following:

- (a) the date the student gives notice of withdrawal to the institution; if the student gives advance notice, then the date will be the Last Date of Attendance (LDA);
- (b) the date the institution administratively withdraws the student (for example, if the student has been absent without excuse for 30 days);
- (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

Note: For students who cancel or never attend the school ("no-show"), the refund is due a maximum of 45 calendar days from the first scheduled day of class or the date of cancellation, whichever is earlier.

Please note that our school's refund policy combines the requirements of both BPPE and ACCET, always giving precedence to the aspects that are most beneficial to the student.
