

Welcome to our The Accounting Academy Job Training Program catalog!

Like many people, you're probably wondering...

- ▶ Why learn accounting, administrative assistant, tax preparation job skills?
- ▶ Don't I need a college degree to do this type of work?
- ▶ Are these careers I would like and be good at?

Why learn accounting, admin assistant, tax preparation job skills?

Accounting, clerical, and tax skills are the language of business, and no matter what your occupation, it is important to understand the fundamentals of finance and office work. However, the best reason to develop these skills is to make it your life's work. A career in these fields offer a strong potential for advancement, interesting work, job security and mobility, choice of industries and businesses, good working conditions, and...excellent monetary rewards over the long-term.

Don't I need a college degree to get hired in these jobs?

No, definitely not. There are numerous entry-level, accounting, admin assistant and tax jobs that don't require a college degree: accounting technician; accounts receivable/billing clerk; accounts payable clerk; payroll clerk; bookkeeper; accounting clerk; and auditing clerk. Or, you could start your own consulting service. In fact, a college curriculum is not really designed to teach students hands-on, real-world, practical vocational job skills.

Are these careers I would like and be good at?

Accounting, admin assistant, and tax preparation is not for everyone. It demands high standards and above-average abilities. You must be reasonably intelligent and be willing to think and use reason and rationality, and to act independently with integrity and honesty. In addition, the nature of the work requires strict attention to detail, an affinity for numbers, a high level of productivity, an ability to maintain confidentiality, and good technical and communication skills. You'll also need to know or be able to develop basic typing and computer skills in the areas of data entry, word processing and spreadsheet preparation.

Visit the U.S. Department of Labor and the California Employment Development Department websites for additional comprehensive information about accounting, administrative assistant, and tax preparer jobs and their future occupational outlook.

Job Training Programs - Overview and General Information

COURSE CODE AA01 - ACCOUNTING AND BOOKKEEPING JOB TRAINING PROGRAM

This job-training program specializes in preparing adult students for entry and mid-level positions in bookkeeping and accounting as accounting clerks and bookkeepers trained for staff-level jobs in the areas of general accounting, bookkeeping, billing and collection, accounts payable, and payroll.

Students work hands-on with real-world accounting practice sets consisting of realistic-looking and colorful source documents: sales invoices, vendor bills, checks, receipts, employee time sheets, bank statements, etc. Over the course of the program, they complete five manual sets of books; a dozen QuickBooks practice sets, and ten Sage 50 (previously Peachtree) sets of books. In addition, they are taught no-look ten-key at a high level of proficiency.

Class Hours	Class Times	Class Days	Total Hours	Program Length	Cost
4.5 Hours Per Session	Morn: 8:30am-1pm Mid-Day: 1pm-5:30pm Evenings: 5pm-9:30pm	Mon-Thurs	450	6 Mos/25 Weeks	\$8,500

COURSE CODE AA02 - ADMINISTRATIVE ASSISTANT JOB TRAINING PROGRAM

This program offers job training in basic and technical office skills, as well as a variety of general and specialized clerical duties required by every business. This includes, but not limited to typing, ten-key, computer hardware and software concepts, Microsoft Office suite, and good written, oral, telephone, and email communication skills. In addition, the program will teach students how to create and maintain organized files and records, learn good telephone habits, develop strong proofreading and editing skills for grammar and spelling, become competent in the use of basic business math, and acquire a basic knowledge of bookkeeping.

The Accounting Academy

What's the difference between our accounting job training program compared to College and University Courses?

Accounting Academy Program

College/University Curriculum

Mission

Train students for entry and staff level jobs in the accounting and bookkeeping field or to start their own bookkeeping business.

Provide a general education and advanced information related to a specific field of study for upper management positions.

Time • Class Size • Personalized Instruction • Cost

Twenty-five week, 450 hour program of hands-on, real-world, repetitive training with strong instructor support. Small classes and cost of only \$8,500.

A commitment of four to five years. Large class sizes of up to 50 or more. Professors have very limited time to spend with students. Cost: \$50k-\$100k

Curriculum

Proprietary training program developed by a CPA with years of significant real-world experience combined with valuable third-party training resources,

Concentrates on complex, advanced theories and esoteric transactions related primarily to very large multi-national corporations.

Emphasis

Small and medium-sized sole proprietors since 89% of all U.S. businesses have fewer than twenty employees.

Big, public corporations. These firms account for only two percent of all businesses in the United States.

Methodology

Practical, real-world training utilizing true-to-life business documents, 10-key, and multiple manual, QuickBooks, and Peachtree accounting practice sets.

Finance concepts and theory related to advanced corporate debt and equity transactions applicable to large, publicly-traded corporations.

Instructors

Trainers are seasoned professionals and entrepreneurs with years of broad-based and real-world accounting and bookkeeping experience.

Professors are academically oriented with limited real-world, practical accounting and bookkeeping experience in the profession.

Materials

Real-world training materials: realistic source documents for both manual and computerized accounting practice sets. Heavy concentration on AR, AP, payroll, account reconciliation, journal entries, and financial statement preparation/analysis.

Expensive textbooks and related materials focused primarily on big business. Virtually no hands-on, real-world training on the day-to-day tasks and work in demand at the entry or staff level of accounting.

Results

You receive real-world training and practical skills to qualify for entry-level accounting jobs...and you will be qualified to start your own bookkeeping business.

You receive a degree in your field of study and have no valuable, specific, real-world skills to offer a prospective employer.

Job Outlook

About this se

Employment of bookkeeping, accounting, and auditing clerks is projected to decline 8 percent from 2014 to 2024.

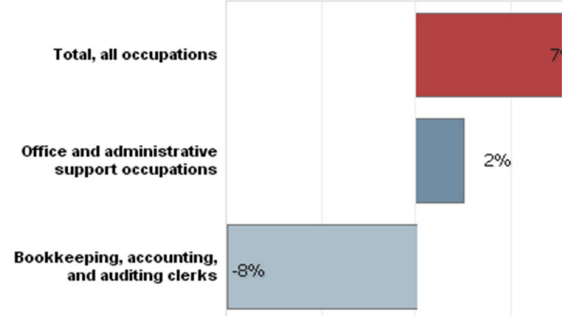

Technological change is expected to reduce demand for these workers. Software improvements, such as cloud computing, have automated many of the tasks performed by bookkeepers. As a result, bookkeepers will increasingly be hired on a contract basis through third party bookkeeping firms, rather than being held on staff.

Demand for bookkeeping is tied particularly to the growth of small businesses, which tend to hire bookkeepers rather than accountants due to their relatively lower cost. Therefore, economic growth should create some openings for bookkeepers to keep these organizations' financial records.

Job Prospects

Because bookkeeping, accounting, and auditing clerks make up a large occupation, there will be a large number of job openings from workers leaving the occupation. Thus, opportunities to enter the occupation should be plentiful.

What Secretaries and Administrative Assistants Do

Secretaries and administrative assistants perform clerical and administrative duties. They organize files, prepare documents, schedule appointments, and support other staff.

Work Environment

Although secretaries and administrative assistants work in nearly every industry, many are employed in schools, hospitals, governments, and legal and medical offices. Most work full time.

How to Become a Secretary or Administrative Assistant

High school graduates who have experience using computer software applications usually qualify for entry-level positions. Although most secretaries learn their job in several weeks, many legal and medical secretaries require additional training to learn industry-specific terminology. Executive secretaries usually need

The Accounting Academy

School Mission

Mission Statement:

The Accounting Academy's mission is to prepare students for entry-level employment full-time, part-time, temporary agency placement, self-employment, and/or to enhance current job skills in accounting and bookkeeping and related fields by providing a hands-on, real-world and practical education and training program in a positive, professional and supportive environment.

Goals and Objectives:

To provide a program of study and training that is educationally sound, current, high quality and real-world effective.

To maintain a clear and consistent admissions process that accurately represents the program and the institution while producing sufficient enrollments to sustain and maintain the program.

To provide effective student services that recognize individual differences and to ensure successful student retention, graduation, and employability where applicable.

To establish and maintain employer relationships to ensure industry contacts necessary for student success.

To demonstrate the effectiveness of private educational training, thereby providing essential skills to support a productive workforce.

To ensure proper and ethical administration of all financial aspects of the institution.

Planning and Management:

The institution has sound, written, one-year and multi-year plans that encompass both its educational and business objectives.

The plans support the mission, facilitate the accomplishment of the institutional goals, and are updated at least annually.

The plans include clearly defined specific objectives and operational strategies with time frames, resources, and measurable results identified for subsequent evaluation.

The Accounting Academy

School History

The development of the school curriculum and related educational and training materials began in 2000 and the initial application for licensure was submitted to the California Department of Consumer Affairs Bureau for Private and Post-Secondary Vocational Education in 2004. The Bureau awarded the school a temporary license to operate in August 2005 and a permanent license in 2006.

Background

The school's proprietary accounting and bookkeeping curriculum was developed, designed and constructed by a seasoned California Certified Public Accountant (retired) with fifty years of 'real-world' continuous experience with companies of all sizes and at all levels of responsibility. His background included work at both private and public corporations, and large and small CPA firms. He also owned and operated a public accounting/consulting firm for a dozen years.

He decided to open a career/vocational school that specialized in basic accounting and bookkeeping job skills when he continuously encountered extreme difficulty in recruiting qualified people who were well-trained in all the key areas of basic accounting and bookkeeping: accounts receivable and payables; inventory; payroll; journal entries; bank reconciliations; month-end closing; and preparation of financial statements.

Even college and university graduates with accounting degrees required significant hands-on job training: they had never seen a real set of books and had no idea how to record and post disbursements, deposits and invoices, prepare adjustments, financial statements, etc. Their college curriculum was entirely oriented toward large, multi-national corporations with a heavy emphasis on financial theory. The real-life, day-to-day accounting and bookkeeping job skills required by small and medium-sized businesses were simply not included in their education programs.

Major Milestones

- 2004 - Obtained business license to operate as The Accounting Academy.
- 2004 - Submitted application for approval to operate to the BPPVE.
- 2005 - Opened San Marcos location in San Diego County.
- 2005 - Received temporary approval from BPPVE to operate.
- 2006 - Received permanent approval from BPPVE to operate.
- 2006 - Incorporated in California as American Business College, Inc.
- 2007 - Approved as a training provider by California Workers Compensation.
- 2007 - Approved as a training provider by San Diego Workforce Partnership.
- 2008 - Approved as a training provider by VA GI Bill & Defense Dept. MyCAA.
- 2009 - Branch location established in city of San Diego.
- 2010 - San Diego branch location approved by BPPE.
- 2011 - San Marcos campus temporarily closed pending new larger site.
- 2013 - New Carlsbad campus opened six miles from old San Marcos campus.
- 2014 - San Diego school relocated to a larger facility in same business park.
- 2016 - Carlsbad campus closed.
- 2016 - Filed application to SEVIS to train international students.

The school maintains a limited library of books, periodicals, videos, and other training materials. Students may check out any of the learning resources for a maximum of one week after signing out for the materials with the instructor.

The Accounting Academy

Admission Requirements

Overview

The school accepts only those applicants who are capable of successfully completing the training program offered. Eligible students are those who have a high school diploma or General Education Diploma (GED) Certificate.

The State of California Department of Consumer Affairs, Bureau for Private Postsecondary Education, pursuant to the California Education Code requires each student admitted to an undergraduate degree program, or a diploma program, to possess a high school diploma or its equivalent, or otherwise successfully take and pass the relevant examination.

Ability-to-Benefit Students

The school does not offer specialized testing of prospective students who have not earned a high school diploma or GED. These prospective 'ability-to-benefit' students are therefore not qualified for admission to the training program.

Age

The minimum age for admission to the training program is 17 years old. A prospective student may be admitted prior to attaining 17 years of age if the student will reach the minimum age within the first half of the program. There is no maximum age limit for admission to the program.

Testing

A prospective student must complete and pass an entrance examination. The exam is a basic intelligence test which assesses basic clerical skills in the areas of math, grammar and spelling, and general cognitive abilities. If a student fails the test, he or she may request a re-test within two weeks after the failed test. A second failure will preclude admission to the program.

Pre-Enrollment Assessment Interview

A prospective student is required to meet with the School Director prior to enrollment for a pre-enrollment interview. The Director will assess the student's relative degree of individual integrity and character, evaluate the student's potential for gaining true benefit from the program, and make a determination with respect to the student's chances of success in the accounting profession.

The Accounting Academy

Admission Policies for Veterans and Students with Special Needs

Veterans

The school is an approved training provider of the United States Veterans Administration's Educational Benefit Program. The school welcomes veterans from all branches of the military. It is committed to assisting veterans in the admission process, including an evaluation of all of his or her previous education and training. Based on this evaluation, the school will determine the applicable veteran's earned credit in accordance with the school's Transfer of Credit policy.

Students with Special Needs

Students with special needs who meet the entrance criteria are encouraged to consider our training program. By working to create an accessible learning environment, the President/Director and faculty of the school endeavor to provide a program that will enable students with special needs to approach their training more effectively and to enhance understanding of student special needs within the school.

Special Needs Policy

The school strives to provide a fair and supportive learning environment for academically qualified students with special needs. To this end, the school seeks ways to develop and provide services which support the endeavors of students with special needs.

Special Needs Procedures

While students and faculty are expected to follow the procedures listed below, it is understood that allowances will be made for extenuating circumstances. In situations where there are no extenuating circumstances and the student has not followed these procedures, the policy will not apply.

- **Students**

Prior to submitting an application, prospective students with special needs should meet with the School Director to discuss whether or not desired assistance is available and whether adaptations to teaching or evaluation procedures are needed and can be accommodated. There may be requests that the school is unable to meet.

- **Faculty**

Instructors are expected to ask students with special needs to present themselves to discuss requested adaptations to teaching or evaluation procedures, and if appropriate, develop a process for implementing the accommodations.

The Accounting Academy

Statement of Non-Discrimination

General Policy

The school does not discriminate on the basis of race, sex, age, religion, national or ethnic origin, sexual orientation, disability, marital status, employment status, or prior military service in connection with admission to the facility, or in the administration of the school, or in its education and student services.

The school does not discriminate on the basis of handicaps that would not preclude employment or enrollment in the school. No qualified individual with a disability shall be denied access to and/or participation in services, programs and activities of the school.

Nondiscrimination has been the policy of the school since its founding.

Specific Policy

The school is committed to providing equal educational opportunities for qualified candidates with disabilities in accordance with state and federal laws and regulations, including the American Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

To provide equality of access for students with disabilities, the school will provide accommodations to the extent necessary to comply with state and federal laws.

For each student these accommodations will specifically address the functional limitations of the disability that adversely affect equal opportunity.

Student applicants who would like to request disability accommodations must make a request to the School Director.

General Transfer of Credit Policy - Page 1 of 2

Overview

It is the policy of the school to ensure fair and equitable treatment of students relative to transfer of credit. The criteria used by the school to evaluate transfer of credits are the quality of the credits earned relative to comparability and applicability to the school's training curriculum.

Generally, the school will only accept credits earned from an accredited institution, or if not accredited, an institution whose program is specifically aligned and consistent with established, recognized industry training standards.

The school maintains a written record of the previous education and training of eligible persons, veterans and others, and with the record clearly indicating that credit was or was not granted, with appropriate notification given to each person, veteran and others.

Requirements for Transfer of Credits

1. The credits must be a component of a college or university curriculum related to core courses in accounting that formed the basis for earning a four-year bachelor degree in Business Administration.
2. Earning credit through examination is applicable only to students who have successfully passed the national Certified Public Accountant (CPA) exam.
3. The minimum acceptable grade and/or grade point average is 80% or better; equivalent to a 'B' average.
4. Students must be able support grade point averages, degrees and other credit-related items by submitting the appropriate official documentation.

Procedures for Requesting Transfer of Credit

Students requesting acceptance of transfer of credits must submit a written request along with supporting documentation 30 days prior to the beginning of the first training session. The school will make a determination of the acceptability of credits and inform the student prior to the first session.

Procedures for Appealing Transfer of Credit Decision

Students have a right to appeal transfer of credit decisions by submitting a written response within three business days to the School Director outlining in detail the reasons for objecting to the decision. The response should include appropriate documentation in support of the objection.

The School Director shall have three business days to review the appeal and submit to the student a written final determination.

The Accounting Academy

Transfer of Credit Policy - Page 2 of 2

And Veteran Confirmation Receipt of School Catalog
and other Documents Containing VA Policies

How Transfer of Credits Adjust Total Program Charges

To the extent a student is granted transfer credit based on the above policies, procedures and requirements, total program charges will be adjusted as follows:

- **College or University Core Accounting Courses**
Students who have completed a full-semester college or university core accounting course will be credited a one credit adjustment for each completed course; such total credit adjustments to be applied against total charges.
- **Successfully Passing the National CPA Exam**
In addition to transfer credits applicable to college/university core accounting courses, students who have successfully passed the national CPA examination will be credited with additional five percent (5%) credit adjustment to be applied against total program charges.

How Transfer of Credit Adjusts Financial Aid

To the extent a student is granted transfer credit as described above and had qualified for local, state or federal financial aid, the same credit adjustments applicable to non-financial aid students apply to financial aid students.

Transfer of Credit to other Institutions

The school will assist students when requesting transfer to other institutions, including providing guidance, counseling, official transcripts, and syllabi.

Articulation/Transfer Agreements with other Institutions

The school has not entered into any articulation and/or transfer agreements with other institutions, colleges, or universities.

Fees Assessed for Evaluating and Granting Transfer of Credit

The school does not charge students for testing, evaluating, or granting transfer of credit.

Educational Objectives of the Training Programs

COURSE CODE AA01 - ACCOUNTING AND BOOKKEEPING JOB TRAINING PROGRAM

This job-training program specializes in preparing adult students for entry and mid-level positions in bookkeeping and accounting as accounting clerks and bookkeepers trained for staff-level jobs in the areas of general accounting, bookkeeping, billing and collection, accounts payable, and payroll.

Students work hands-on with real-world accounting practice sets consisting of realistic-looking and colorful source documents: sales invoices, vendor bills, checks, receipts, employee time sheets, bank statements, etc. Over the course of the program, they complete five manual sets of books; a dozen QuickBooks practice sets, and ten Sage 50 (previously Peachtree) sets of books. In addition, they are taught no-look ten-key at a high level of proficiency.

COURSE CODE AA02 - ADMINISTRATIVE ASSISTANT JOB TRAINING PROGRAM

This program offers job training in basic and technical office skills, as well as a variety of general and specialized clerical duties required by every business. This includes, but not limited to typing, ten-key, computer hardware and software concepts, Microsoft Office suite, and good written, oral, telephone, and email communication skills. In addition, the program will teach students how to create and maintain organized files and records, learn good telephone habits, develop strong proofreading and editing skills for grammar and spelling, become competent in the use of basic business math, and acquire a basic knowledge of bookkeeping.

COURSE CODE AA03 - TAX PREPARER JOB TRAINING PROGRAM

Job training includes, but not limited to, interviewing clients, prepare or assist in preparing simple to intermediate income tax returns for individuals and/or small businesses, compute taxes owed or overpaid, using adding machines, computers, and software, follow tax form instructions and tax tables. Technology skills include, but not limited to, basic computerized tax preparer software, electronic mail software, database software, electronic mail software, and keyboarding and ten-key proficiency.

The Accounting Academy

Maximum Number of Students - Student/Instructor Ratio

Overview

The accounting and bookkeeping field is new to most students and it requires learning new concepts and principles, as well as the ability to grasp many new specific tasks and procedures.

By its very nature, the accounting and bookkeeping field requires a good work ethic, average intelligence, attention to detail and an ability to accomplish the required tasks efficiently and accurately.

As a result, the program includes a significant number of hours of hands-on, real-world, practical applications requiring the instructor to be constantly available for one-on-one assistance as the students complete their work.

It is for these reasons that the school strives to maintain relatively small classrooms and low student-to-instructor ratios.

Maximum Number of Students

The maximum number of students per classroom is twelve (12). However, most classes average between five and seven students.

Student-to-Instructor Ratio

The maximum student-to-instructor ratio is twelve (12) students to one (1) instructor, however this ratio varies depending on the size of the each class.

The Accounting Academy

Minimum Requirements for Graduation

Overview

This training program teaches students real-world, hands-on, practical skills that can be used productively on the job. Therefore, a major portion of the course consists of mastering specific small, medium and large projects and practice sets. Students are therefore expected to not only complete all of the assigned projects and practice sets on a timely basis, the projects and practice sets must be in 100% agreement with the solutions.

Projects and Practice Sets

All required projects must be completed to school standards including all manual and all computerized accounting and bookkeeping practice sets. Students can also volunteer for extra credit by completing additional practice sets that are available.

Tests and Grading Scale

The training program also consists of many tests, quizzes, and exercises. Students must maintain an average cumulative grade of 75% or better to graduate from the program. The grading scale is as follows:

Grade	Performance	Grade	Value
A	Excellent	4.0	90-100%
B	Good	3.0	80-89%
C	Average	2.0	75-79%
F	Failure	Fail	0-74%

Ten-Key Proficiency

Accountants and bookkeepers must be proficient and productive using the ten-key calculator and computer using all their fingers while still looking at the data and detail from which they are entering figures. A student must attain and maintain an average of 150 keystrokes per minute and at least 99% accuracy using the school's ten-key software testing program in order to be awarded a certificate of completion.

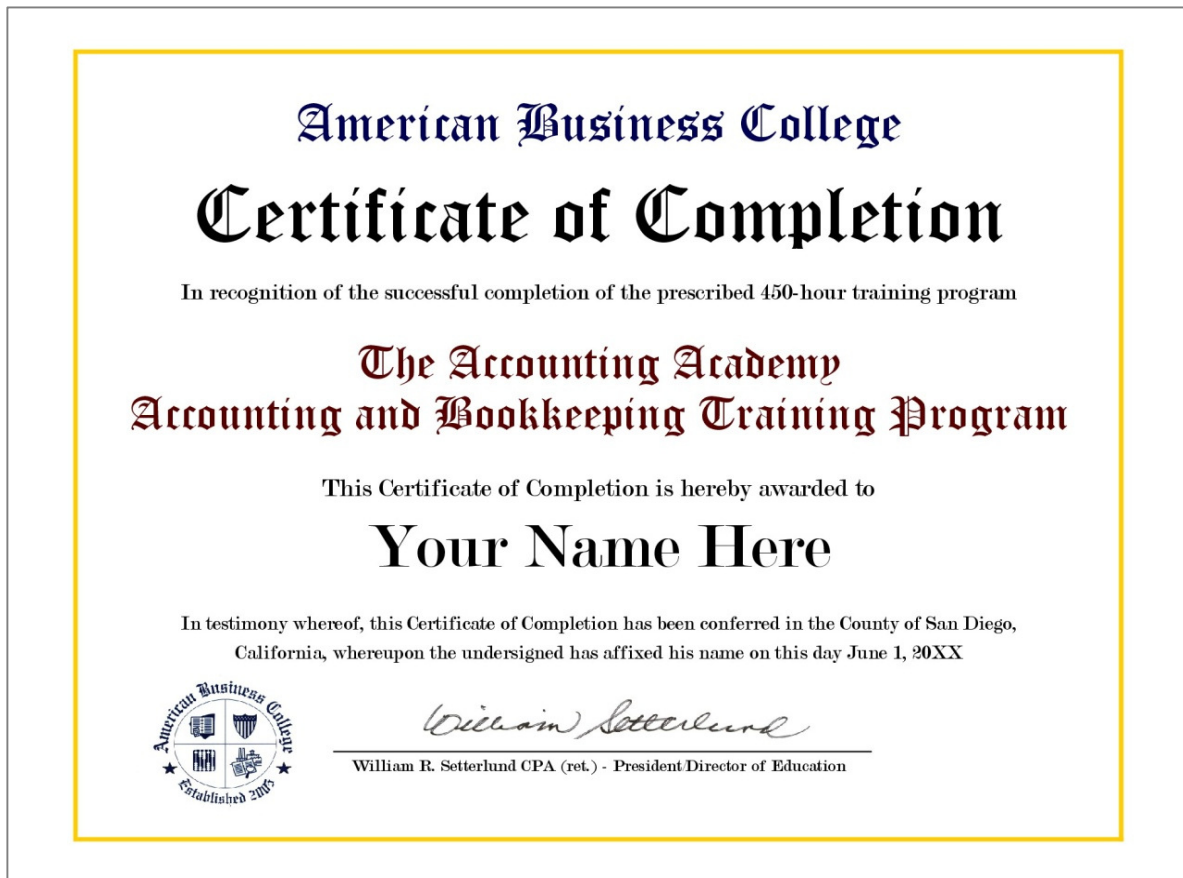

Final Exams

Students are required to take two final exams: The Accountant and Bookkeeper Hiring Exam, and the Journal Entry Exam. A student must score at least 75% on each exam in order to graduate from the program. If a student fails a final exam, he or she will be able to re-take the exam within one week of failing. A second exam failure will preclude a student from receiving a certificate of completion.

The Accounting Academy

Type of Credential Earned

Students who meet all the training program academic quantitative, qualitative and proficiency standards as outlined in the school's minimum requirements for graduation will be awarded a Certificate of Completion as shown below:

Important note: The Accounting Academy Certificate of Completion is not a degree and/or license of any kind. The only license available in the accounting profession is the Certified Public Accountant (CPA) license issued by the State of California's State Board of Accountancy. For more information contact the state board website at: www.dca.ca.gov

Student Placement Assistance Services

Overview

The mission of the school is to prepare students for entry-level employment full-time, part-time, temporary agency placement, self-employment and/or to enhance current job skills in accounting and bookkeeping and related fields.

Therefore, to ensure the value and effectiveness of the program and to validate the quality of the training services, the school is committed to providing placement assistance services necessary for student success. To achieve this goal, the school provides these services both before and after graduation as described below.

Interviewing Skills and Techniques

The school devotes an entire session to teaching and instructing students on how to develop strong and effective interviewing skills and techniques.

Cover Letter and Resume Building

School staff assist and instruct students on how to prepare a professional and customized cover letter and resume which effectively highlights the specific accounting and bookkeeping job skills acquired during the program.

Employment and Occupational Information

Students will have access to current employment and occupational-related area job information from local newspapers, periodicals, and websites.

Internet Strategies

Students will learn how to post their cover letter and resume online and learn how to locate and evaluate job openings on the major career websites.

Employer Relationships and Referrals

The school continues to develop business relationships with potential employers, and job referrals are communicated to the students and alumni.

Temp Agencies and Recruiters

The school maintains relationships with temporary placement agencies and with recruiters who specialize in the accounting and bookkeeping field.

Individual Job Counseling and Assessment

The school also offers individual job counseling and assessment for those students who request it. Career and job placement advice is personalized to each student in order to develop a rational and effective plan for achieving his or her current and long-term career objectives.

The Accounting Academy

Other Student Services

Advising

Student advising is part of the teaching process and the delivery of supportive services provided to students. The School Director and the instructors are available to advise students and, if possible, assist them to overcome any difficulties they may encounter in the school. Students are encouraged to take advantage of this service whenever difficulties arise and when available.

Career Services

While the school provides assistance with job placement, no guarantee for employment or income level is made. Agencies and companies contact the school for likely candidates for employment. The School Director provides graduates with job leads and may arrange for an interview with prospective employers.

Housing

The school does not maintain housing for students, nor does it make specific recommendations regarding housing. However, there are a variety of accommodations available throughout the community.

Transportation

Public transportation is available with stops located close to the school. It may also be possible for students to arrange for transportation by another student if schedules are compatible.

Reference Materials

The school maintains a number of reference materials, including books, trade publications, magazines and other pertinent and related audio and visual instructional aides. Reference materials are kept for use at the school and/or arrangements can be made with the School Director for home use.

Financial Aid

The school is currently not an institution recognized by the United States Department of Education and/or approved to offer financial aid in connection with Title IV programs.

Financing

The school offers internal financing based on a student's reasonable assurance that he or she has the means and resources to repay any charges financed by the school.

The Accounting Academy

Faculty and Administrative Staff

William Setterlund - School Director/Registrar/Instructor

Mr. Setterlund is owner and founder of the school. He is a California Certified Public Accountant (inactive/retired). He holds a Bachelor of Science Degree in Accounting from California State University at Long Beach. He has fifty years of continuous accounting and bookkeeping experience with companies of all sizes and at all levels of responsibility. His background includes work at both for-profit and non-profit organizations, private and public corporations, and large and small CPA firms. Mr. Setterlund also owned and operated his own CPA accounting and consulting firm for twelve years.

Instructor Qualifications

Instructors possess a combination of education and experience consisting of a minimum of five years of direct, hands-on experience working in the the accounting and bookkeeping field as a full-charge bookkeeper and/or staff accountant.

They also have a thorough knowledge of accounting concepts and principles and are intermediate users of computers, Microsoft Office, and QuickBooks Pro accounting software.

Administrative Staff

The school utilizes student graduates as either paid or non-paid admin staff on a short-term, internship basis. The student grads gain office experience, as well as periodically assist the instructors.

The Accounting Academy

Student Debt Collection Policy

Purpose

The school adopts as its collection goal the full collection of all outstanding student loans according to industry performance and professional standards. The purpose of this policy is to ensure that there is a consistent understanding of the process regarding the payment of student charges and how the school will deal with non-payment. Default rates will be maintained that are equal to or better than industry standards.

Policy

The school offers internal financing based on a student's reasonable assurance that he or she has the means and resources to repay any charges financed by the school.

Students who request tuition financing must complete a student loan and credit application prior to enrollment. The responsibility for ensuring payment of all financed charges remains the responsibility of the student.

Students who qualify for a monthly installment loan are required to enter into a Retail Installment Contract which obligates the student in accordance with the terms and conditions contained in the contract and with all federal and state 'truth-in-lending' regulations.

Students are required to adhere to the terms and conditions of the Retail Installment Contract, including timely payment of monthly installments. A monthly installment payment coupon book will be provided to students for their convenience. The school will mail statements each month showing the status of the account.

If any required monthly installment payment is more than ten (10) business days past due, the loan may be declared in default by the school.

The following action may be taken against a student with past-due debt:

- A \$10 late fee will be assessed for each late monthly payment.
- The entire outstanding loan balance may become due and payable.
- Academic progress reports may be withheld.
- Attendance reports may be withheld.
- Student transcripts may be withheld.
- Students may be unable to graduate and receive a certificate.

Student installment loans more than ninety (90) days past due may be placed with either a collection agency or an attorney at the discretion of the school and a \$1,500 fee added to the outstanding balance to reimburse the school for collection related expenditures.

The Accounting Academy

Student Rights to Access to Records and Privacy Policy

The Accounting Academy adheres to a policy of compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA). Educational records as defined by FERPA include all records that schools or education agencies maintain concerning their students. FERPA affords students certain rights with respect to their education records.

Summary of Rights

The right to inspect and review their records. Students should contact the Director's Office to determine the location of appropriate records and the procedure for reviewing such records.

The right to request that any records believed to be inaccurate or misleading be amended. The request should be submitted in writing to the Director's Office. If the request for change is denied, the student has a right to a hearing on the issue.

The right to consent to disclosures of personally identifiable information contained in the student's education records. The school must have written permission from the student before releasing any information from the student's record.

The right to file a complaint with the U.S. Department of Education and/or California's Bureau for Private Postsecondary Education if they feel their rights are being violated. Complaints should be in writing and sent to:

**United States
Department of Education**
400 Maryland Avenue SW
Washington, D.C. 20202-4605

**California Bureau for Private
Postsecondary Education**
2535 Capitol Oaks Drive Suite 400
Sacramento, CA 95833

Upon request, the school will disclose education records without consent to officials of another school in which the student seeks or intends to enroll. The school may also disclose general 'directory' information without the student's prior consent. Directory information consists of:

Student Name	Dates of Attendance	Date Certificate Awarded
Student Address	Certificate Awarded	Enrollment Status
Telephone/Email	Primary Field of Study	Previous Education

Students have the right to prevent directory information from being released. In order to maintain directory information as confidential, a student must submit a written request prior to the end of his or her program training.

Student Copyright Infringement Policy

Overview

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). As a general matter, copyright infringement occurs when a copyrighted work is reproduced, distributed, performed, publicly displayed, or made into a derivative work without the permission of the copyright owner.

The purpose of copyright law is to promote creativity, innovation and the spread of knowledge. The law does this by balancing the right of both copyright holders and users of copyright materials.

Copyrighted School Educational Materials

The Accounting Academy training program is a privately-owned institution. It is the original creator and author of all the educational and training materials utilized in the program and it is the sole copyright owner. Identifiers with respect to copyrights have been affixed to the training materials. The school has not assigned any portion of its copyright to another person or persons.

Penalties

Penalties for copyright infringement include civil and criminal penalties.

Anyone found liable for civil copyright infringement may be ordered to pay either actual damages or 'statutory' damages at not less than \$750 and not more than \$30,000 per work infringed. For 'willful' infringement, a court may award up to \$150,000 per work infringed. In addition, courts, at their own discretion, may assess costs and attorney's fees.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more detailed information, see the U.S. Copyright Office website at: www.copyright.gov

Assessment, Tracking and Grading System of Academic Progress

Part 1 of 2

The school monitors the academic progress of each student to evaluate and determine that he or she is making satisfactory academic progress toward understanding the training materials, is grasping and effectively using newly obtained skills, and is meeting the minimum achievement standards of the program.

The school monitors student satisfactory academic progress, including attendance, on a cumulative weekly basis applied consistently to all students attending the training program. The evaluation is based both quantitative (grade-point average) and also on qualitative (attendance/completed work projects). Students who withdraw from the program will receive a grade of 0% and all sessions must be repeated upon readmission.

Quantitative Progress Toward Program Completion

Students are required to make quantitative progress toward program completion. To be making satisfactory academic progress, a student must attend at least 90% of the scheduled class hours on a cumulative basis during each monthly evaluation period.

Qualitative Progress Toward Program Completion

Students are required to make qualitative progress toward program completion. To be making satisfactory academic progress, a student must maintain at least a minimum grade point average of 75% at the conclusion of each evaluation period.

Evaluation Process

Satisfactory student academic progress is monitored on a cumulative basis at the end of each month. Progress reports are prepared and maintained in each student's file and copies are distributed to each student for their records.

Maximum Time Frame for Completing the Program

The maximum time frame for completing for Course Code AA01 is six months. The maximum time frame for completing for Course Code AA02 is two months. If a student cannot complete a program within this time frame due to circumstances beyond the student's control, they must meet with the school director to discuss possible options.

Veterans Conditions for Interruption of Unsatisfactory Progress

The above qualitative, quantitative and satisfactory academic progress standards also apply to veteran and other affected students. Their educational benefits will discontinue whenever the veteran or eligible persons ceases at the point in time the student fails to maintain these minimum standards.

Veterans Probation Policy

Veterans and other eligible and affected students using VA educational benefits are permitted no more than two terms of probation during the training program.

The Accounting Academy
Assessment, Tracking and Grading System of Academic Progress
Part 2 of 2

Consequences of Failure to Meet Satisfactory Academic Progress Standards

If a student fails to meet the cumulative 90% attendance or 75% grade average for any evaluation period, or both, he or she will be placed on warning for the next evaluation period. Failure to achieve either of these two standards at the end of the warning period will result in the administrative withdrawal of the student.

Students will be notified in writing when they are placed on warning and of the steps necessary to be removed from warning status. Students will also receive attendance or academic counseling from the School Director, as appropriate, when they are placed on warning. The school will notify a student by certified mail if he or she is being administratively withdrawn for unsatisfactory academic progress.

Appeal Process

The student may submit a written appeal of his or her dismissal within five calendar days of their receipt of the dismissal notice. The appeal must be accompanied by documentation of the mitigating circumstances that have prevented the student from attaining satisfactory academic progress and evidence that changes have occurred to allow the student to now meet standards of satisfactory academic progress. Only extraordinary circumstances will be considered, such as death or severe illness in the immediate family. Before an appeal may be granted, a written academic plan must be provided to the student which clearly identifies a viable plan for the student to successfully complete the program within the maximum time frame allowed. The School Director will assess all appeals and determine whether the student may be permitted to continue in school on a warning status, despite not meeting the satisfactory progress requirements. The student will be sent the written decision within ten days of the school's receipt of the appeal. The decision of the School Director is final.

Students reinstated upon appeal are on a probationary status for the next evaluation period, during which time they must meet the terms and conditions set out in the School Director's letter granting the appeal. At the end of the evaluation period, and at the end of every evaluation period thereafter, the student's academic status will be reviewed.

The student may continue on probation as long as he or she meets the terms of the academic plan approved at the time the student's appeal was granted, and/or until such time as satisfactory academic progress status is regained. The student reinstated after dismissal and appeal is not eligible for financial aid until he or she regains satisfactory progress status by meeting the minimum satisfactory academic progress standards.

The Accounting Academy

Attendance and Makeup Policy

Part 1 of 2

Minimum Attendance Standard

The school expects students to attend every training session every scheduled day. When you miss a class, you not only fall behind on new material, you miss the hands-on repetition that is so important in learning and developing your new skills. Employers are looking for graduates with perfect or near-perfect attendance.

The school's minimum attendance standard for graduation is ninety percent (90%) cumulative attendance in the classroom. Students are expected to call the school when they will not be in attendance so that the instructor can be advised.

Attendance Tracking

Attendance is tracked in every class period by the instructor to the nearest half hour. If you miss more than thirty (30) minutes of any class period, you will be marked absent for the whole hour.

Each day the instructor records the student's class hour data in the student's electronic records. The cumulative attendance information is summarized on a progress report given to all students each month.

If a student does not agree with any of the attendance data, he or she must submit a written appeal to the School Director within one week of the progress report distribution. At the end of the month after progress end date, the attendance data becomes permanent and can no longer be challenged.

Tardiness and Early Departures

The school's attendance policy expects students to be in class on time for every scheduled session. Late arrivals not only miss the material that has been presented, but it is disruptive both to the instructor and to fellow students.

If you consistently arrive late and/or depart early, the instructor will record a tardy and/or early departure. If a student is tardy and/or departs more than five times in a month, he or she will be placed on probation for the remainder of the session and will be required to meet with the School Director for counseling.

The Accounting Academy

Attendance and Makeup Policy

Part 2 of 2

Attendance Probation

If a student does not maintain a cumulative attendance of at least ninety (90%) throughout the program, he or she will be placed on Attendance Probation. The student must meet with the School Director and abide by the terms outlined in the Attendance Probation notice.

At the end of the attendance probation period, a student must be making progress toward meeting the ninety (90%) cumulative attendance requirement and must have met all of the terms of the Attendance Probation. Failure to do so may result in termination from the school.

Makeup Class Work

All makeup class work must be prearranged with the instructor and must be completed outside normally scheduled class hours. Only time spent on instructor approved activities will count as makeup hours. Such activities may include completing class exercises, quizzes, viewing class lectures, videos, or other program-related assignments.

Students will have a ten-calendar-day period in which to make up class work. If the class work is not made up within the ten-day period, the applicable class work will be dropped five percent (5%) for each day not made up.

Consecutive Absences

A student who is absent for eight consecutive class days or fourteen consecutive calendar days without an approved leave of absence will be terminated.

Dismissal/Reinstatement

Any student dismissed for attendance related reasons such as consecutive absences, failure to maintain the ninety (90%) cumulative attendance, excessive tardiness or early departures, failure to meet the terms of attendance probation, or failure to return from a leave of absence, may be reinstated back into the program with the School Director's written authorization accompanied by the student's documentation of the make up of all missed class work.

The Accounting Academy

Leave of Absence Policies

GENERAL POLICIES

Definition of Leave of Absence

A leave of absence is a temporary break in a student's attendance during which he or she is considered to be continuously enrolled.

Leave of Absence Policy

A student must request the leave of absence in writing in advance of the beginning date of the leave of absence, unless unforeseen circumstances prevent the student from doing so. If a student does not request a leave of absence within the time frame described below, he or she must be withdrawn from the program.

A leave of absence is limited to 14 calendar days within the six-month scheduled period of the student's training program. Multiple leaves of absence may be permitted provided the total of the leaves does not exceed fourteen (14) class days.

The student must sign and date the leave of absence request and specify a reason for the leave. The reason must be specified in order for the school to have a reasonable expectation of the student's return within the time frame of the leave of absence as requested.

The student must attest to understanding the procedures and implications for returning or failing to return to the training program. The school is required to document its approval of the leave of absence request in accordance with the above policies. The school will not assess the student any additional charges as a result of a leave of absence.

An approved leave of absence may be extended for an additional period of time provided that the extension request meets all of the above requirements, and the total length of the leave of absence does not exceed the specified limit as noted above.

VETERANS LEAVE OF ABSENCE POLICY

The school will provide a leave of absence to students who are affected individuals for any portion of a period of instruction such student was unable to complete, or for which such individual did not receive academic credit because he or she was called up for active duty or active service; and, if affected individuals temporarily withdraw from our course of study as a result of such active duty or service, the school will make every effort to minimize deferral of enrollment or reapplication requirements and will provide great flexibility with respect to administrative deadlines related to those reapplications.

The Accounting Academy

Student Conduct and Termination Policy

Purpose

To establish guidelines and ethical standards for how students should conduct themselves while attending the training program.

Student Conduct

Students shall be responsible for their personal conduct while attending classes. School rules must be followed at all times. School administration maintains the right to dismiss students for violation of school rules or for conduct which reflects unfavorably on the reputation or operation of the school.

Rules of Conduct

- Students are required to maintain a clean and neat working area and and maintain good personal grooming and attire.
- All educational materials must be returned to the designated, proper places at the end of each class session.
- Creating distractions during class sessions which impairs the reasonable freedom of other persons to pursue their studies is not acceptable.
- Leaving the classroom during class hours without authorization from the instructor and/or School Director is not allowed.
- Damaging or wrongfully dealing with any school property, including intellectual property, is grounds for dismissal.
- Cheating during examinations and/or plagiarism of work product is subject to counseling, disciplinary action.
- Students attending class under the influence of alcohol or prohibited drugs will not be allowed in class and will be subject to automatic dismissal.

Termination

If a student is terminated for any reason, subsequent readmittance will be determined on an individual basis at the sole discretion and assessment by the School Director.

The Accounting Academy

Student Complaint Policy

The Accounting Academy designates the School Director to receive and resolve student complaints. This person is regularly accessible for reasonable periods of time before and after class sessions and during the range of time students are scheduled to attend.

Specific information with respect to the student complaint designee's name, title, address, and other contact information, is contained on a document entitled **Student Complaint Designee and Record of Student Complaint**. A copy of the signed and dated form is included in this catalog and it is distributed to each student on the first day of class.

The School Director has the authority and duty to: investigate complaints thoroughly; reject complaints if, after investigation, they are determined to be unfounded; record a summary of the complaint and its disposition; notify appropriate agencies if the complaint is valid and involves a violation of law; determine effect on other students if complaint is valid; implement policies and procedures to avoid similar complaints in the future; and communicate directly with any person in control regarding complaints.

A student may lodge a complaint by communicating orally or in writing to any staff member of the Academy who is then obligated to transmit it as soon as possible to the designated complaint officer. Oral complaints must be resolved within a reasonable time or before a second complaint is lodged. The Academy may require the complaint be submitted in writing, in which case the Academy will provide the student with a written response, including a summary of its investigation and disposition, within ten (10) days of receiving the complaint.

A student complaint more than ninety (90) days after the event(s) and/or incident(s) will be considered invalid and will not be accepted for resolution by the School Director.

A student's participation in the complaint procedure and the disposition of a student's complaint will not limit or waive any of the student's rights or remedies. Any document signed by a student that purports to limit or waive his or her rights and remedies is void. If a student's attempt to resolve his or her grievance with the school fails, they may contact:

Bureau for Private Postsecondary Education
2535 Capitol Oaks Drive Suite 400

Cancellation Policy

It is the policy of the school to comply with and conform to applicable government laws and regulations, to clearly state this policy to prospective enrollees before enrollment, and to consistently apply these policies.

Rejection of Student Applicant

If a student application is rejected for enrollment by the school, a full refund of tuition monies paid will be made to the applicant.

School Program Cancellation

If the school cancels a program subsequent to a student's enrollment, the school will refund all monies paid by the student.

Student Cancellation Prior to the Start of Class or No Show

If an applicant accepted by the school cancels prior to the start of scheduled classes or never attends class (no-show), the school will refund all monies paid, less the non-refundable \$125 registration fee (10.00 for veterans) as described within this catalog and in the school's enrollment agreement.

Student Cancellation from First Session through the 7th Business Day

Students may cancel their Enrollment Agreement for school, without any penalty or obligation, within the seventh business day from the first day of the initial class session as described in the Notice of Cancellation form included in this catalog and also distributed at the first class session.

Student Cancellation Prior to the Start of Class or No Show

If an applicant accepted by the school cancels prior to the start of scheduled classes or never attends class (no-show), the school will refund all monies paid, less the non-refundable \$125 registration fee (\$10.00 for veterans) as described within this catalog and in the school's enrollment agreement.

Student Cancellation from First Session through the 7th Business Day

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy, including any alternative method of calculation if approved by the Bureau pursuant to section 94921 of the Code is seven business days from the first session day.

Students have a right to stop school at any time, and have a right to receive a refund for part of the course not taken. These refund rights are described in this catalog and in the school's enrollment agreement.

If the school closes before a student graduates, a student may be entitled to a refund. Contact the Bureau for Private Postsecondary and Education Education at 2535 Capitol Oaks Dr. Suite 400 Sacramento, CA 95833.

Student Tuition Recovery Fund

The Student Tuition Recovery Fund (STRF) was established by the Legislature to protect any California resident who attends a private postsecondary institution from losing money if you prepaid tuition and suffered a financial loss as result of the school closing, if the institution failed to live up to its enrollment agreement, or if the institution refused to pay a court judgment.

You are not eligible for protection from the STRF if either of the following applies: (1) You are *not* a California resident, and (2) your total charges are paid by a third-party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The state of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by California residents who were students attending schools approved by, or registered to offer Short-term Career Training with, the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident, prepaid tuition, the STRF fee has been paid, and you have suffered an economic loss as a result of any of the following:

- (1) The school closed before the course of instruction was completed.
- (2) The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or material for which a charge was collected within 180 days before the closure of the school.
- (3) The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
- (4) The school's breach or anticipatory breach of the agreement or the course of instruction.
- (5) There was a decline in the quality of the course of instruction within 30 days before the school closed, or if the decline began earlier than 30 days prior to closure, the period of decline will be determined by the Bureau.
- (6) The school committed fraud during the recruitment or enrollment or program participation of the student. You may also be eligible for STRF if you were a student who was unable to collect a court judgment rendered against the school for violation of the Private Postsecondary Education Reform Act of 2010.

Tips For Students to Consider Before Enrolling at a Private Postsecondary School

To get the most out of your educational experience, do your homework and make an informed decision before making a commitment. The following list of "enrollment tips" is provided to assist students in determining what steps they may want to take when considering enrollment at a private postsecondary educational institution, or postsecondary "school."

1. INVESTIGATE THE SCHOOL YOURSELF BEFORE ENROLLING.

Prior to enrolling, interview students in the program, or take a tour of the school. Ask if the school will let you sit in or observe the class or course that you are interested in before enrolling.

2. CHECK OUR WEB SITE TO SEE IF THE SCHOOL HAS SIGNED A VOLUNTARY AGREEMENT.

If a school has entered into a voluntary agreement with the Department of Consumer Affairs they should comply with the student bill of rights.

3. GET A COPY OF THE STUDENT CATALOG.

A school's catalog contains important information that you will need to review prior to making a decision to enroll. Pay special attention to school policies, such as attendance, leave-of-absence, cancellation and refund.

4. GET A COPY OF AN ENROLLMENT AGREEMENT TO REVIEW ALL BINDING TERMS, CONDITIONS, COSTS AND STUDENT DISCLOSURES.

An enrollment agreement should reflect information about the school's total costs for the contracted-for course of instruction, a list of the charges that are non-refundable, the name and description of the program of instruction, the total amount of classes or hours needed to complete the program, payment schedules, cancellation and refund policies, and other mandatory disclosures regarding your rights and responsibilities as a student at the institution. (Education Code section 94810.)

5. CONTACT THE ACCREDITING AGENCY THAT THE SCHOOL CLAIMS TO HAVE ACCREDITATION FROM AND VERIFY THE SCHOOL'S CLAIMS.

To qualify for some state licensing examinations or for your degree to be recognized by certain employers, some educational programs and training must be obtained from a school that maintains "accreditation" from a U.S. Department of Education recognized accrediting agency. Be sure to check with the licensing agency or employer where you wish your educational experience to be recognized and verify accreditation status with the accrediting agency before enrolling. For more information about accreditation and to obtain a list of Regional and National Accrediting Agencies, visit the U.S. Department of Education Web site at: <http://www2.ed.gov/admins/landing.html>.

6. REVIEW ALL ADVERTISING CAREFULLY AND COMPARE WHAT IS BEING ADVERTISED WITH WHAT IS DISCLOSED IN THE SCHOOL'S CATALOG AND COURSE SYLLABUS.

Make sure that the school is being truthful in what has been advertised. Watch out for hidden costs and promises that seem too good to be true.

7. REQUEST TO SEE THE SCHOOL'S STUDENT COMPLETION AND JOB PLACEMENT RATES.

A "student performance fact sheet" enables you to check to see whether students are staying in the class and finishing the course, and whether the school is assisting students in finding jobs after they have completed the course.

8. FIND OUT WHAT THE SCHOOL NEEDS FROM YOU.

If you are transferring from another school or enrolling for the first time at a post-secondary school, make sure you inquire as to what documents you will need to submit when you enroll.

9. MAKE SURE YOU KNOW THE AMOUNT AND TYPES OF FINANCIAL AID YOU WILL NEED BEFORE YOU ENROLL.

There are several options in obtaining financial aid to attend a school. Make sure you know whether you are going to receive or need Federal student loans, Pell grants, private loans or a combination of grants and loans, and understand what the advantages and disadvantages are of obtaining each type of loan or grant. Make sure you know the total amount of loans you are to receive. Match the amount of the loans against the total cost of tuition. For more information on financial aid, contact EDFund at <http://www.edfund.org/>, or the California Student Aid Commission at <http://www.csac.ca.gov>.

10. GET EVERYTHING IN WRITING.

Never accept a promise to deliver a service verbally. Make sure all contracted-for services are in writing and signed by a school official before you sign the enrollment agreement.

11. KEEP A COPY OF YOUR DOCUMENTS!

If you decide to enroll in a private postsecondary school, be sure to keep a copy of all contracts, policies, catalogs, disciplinary actions, attendance records, letters you've written to the school, etc. In the future, you may need to verify your payment obligations, any refunds owed to you by the school, or the educational services that you contracted to receive from the school.

12. LASTLY – ENJOY YOUR EDUCATIONAL EXPERIENCE!
