Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement for a program including any equipment such as books, materials and supplies or any other goods related to the instruction offered in their enrollment agreement, on the first day of attending class or until midnight on the seventh calendar day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of Technical College shown on the top of the front page of this enrollment agreement. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation not need to take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the enrollment agreement.

If you have received any equipment, including books or other materials, you must return it to the Institute within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in reusable undamaged condition within the 30-day period, the institute may deduct its documented cost for the equipment from any refund that may be due to you. Upon paying for the equipment it is yours to keep, without further obligation. If you cancel your enrollment agreement on the first day of attending class or by midnight on the seventh calendar day after enrollment, whichever is later, Technical College will refund any money that you have paid, less any non-refundable fees, if applicable, not to exceed \$250.00 within 45 days of your notice of cancellation being received. The date by which you must exercise your right to cancel this agreement is:
