## Definitions

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active  
Bellus Academy – Poway

military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.

**Definitions**

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.

**Definitions**

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.

**SCHOOL PERFORMANCE FACT SHEET  
CALENDAR YEARS 2016 – 2017  
Esthetics 104 – 900 Hours**

The California Private Postsecondary Education Act (CPPEA) of 2009 requires, under section 94910 of CPPEA that a school provide information for each program offered regarding completion rates, placement rates, licensure exam passage rates, and salary/wage information for the previous two calendar years. This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was first offered on May 10, 2016. The full two years of data for this program will be available for the 2018 Annual Report to be filed December 1, 2019.

**Cost of Educational Program:**

Total Charges for the program for students completing on-time in 2017: \$15,170

Total Charges may be higher for students that do not complete on-time.

Percentage of graduates in 2017 who took out federal student loans to pay for this program:	69.2%
Average federal student loan debt of 2017 graduates who took out federal student loans at this institution:	\$4,761

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

**Definitions**

The following are the definitions for the Performance Fact Sheet:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: P.O. Box 980818, Sacramento, CA 95798-0818, [www.bppe.ca.gov](http://www.bppe.ca.gov), P: 888.370.7589.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

## **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Rd., Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid less any deduction for equipment that the student has received and signed for.
