- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

The School, without penalty or obligation shall refund 100 percent of the amount paid for all school charges, less the amount of \$100 non-refundable registration fee, if a written notice of cancellation is made prior to or on the first day of instruction. Cancellation or any refund request shall be made in writing to: Santiago Rodriguez, Director, America Truck Driving School, Inc. The cancellation letter can be mailed, faxed, or dropped off in person to the main office. The student has a right to a refund of charges less the amount of \$100.00 for the non-refundable registration fee if he/she cancels this agreement prior to or on the first day of instruction or after 7th day after enrollment, whichever is later. In addition, the student may withdraw from a course after instruction has started and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. For example, if the student completes only 30 hours of a 90 hour course and paid \$300.00 tuition, the student would receive refund of \$200.00.

$$\begin{array}{rcl} \$300 \text{ amount paid for instruction} & \times & 60 \text{ clock hours of instruction paid for but not received} \\ & & 90 \text{ clock hours of instruction for which the student has paid} \\ & & =\$200 \text{ refund amount} \end{array}$$

If the School cancels or discontinues a course or educational program, the School will make full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

## STUDENT'S RIGHT TO CANCEL

The School, without penalty or obligation shall refund 100 percent of the amount paid for all school charges, less the amount of \$100 non-refundable registration fee, if a written notice of cancellation is made prior to or on the first day of instruction. Cancellation or any refund request shall be made in writing to: Santiago Rodriguez, Director, America Truck Driving School, Inc. The cancellation letter can be mailed, faxed, or dropped off in person to the main office. The student has a right to a refund of charges less the amount of \$100.00 for the non-refundable registration fee if he/she cancels this agreement prior to or on the first day of instruction or after 7th day after enrollment, whichever is later. In addition, the student may withdraw from a course after instruction has started and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. For example, if the student completes only 30 hours of a 90 hour course and paid \$300.00 tuition, the student would receive refund of \$200.00.

$$\begin{array}{r} \$300 \text{ amount paid for instruction} \times \quad 60 \text{ clock hours of instruction paid for but not received} \quad = \$200 \text{ refund amount} \\ 90 \text{ clock hours of instruction for which the student has paid} \end{array}$$

If the School cancels or discontinues a course or educational program, the School will make full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

The School, without penalty or obligation shall refund 100 percent of the amount paid for all school charges, less the amount of \$100 non-refundable registration fee, if a written notice of cancellation is made prior to or on the first day of instruction. Cancellation or any refund request shall be made in writing to: Santiago Rodriguez, Director, America Truck Driving School, Inc. The cancellation letter can be mailed, faxed, or dropped off in person to the main office. The student has a right to a refund of charges less the amount of \$100.00 for the non-refundable registration fee if he/she cancels this agreement prior to or on the first day of instruction or after 7th day after enrollment, whichever is later. In addition, the student may withdraw from a course after instruction has started and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. For example, if the student completes only 30 hours of a 90 hour course and paid \$300.00 tuition, the student would receive refund of \$200.00.

$$\begin{array}{r} \$300 \text{ amount paid for instruction} \times \quad 60 \text{ clock hours of instruction paid for but not received} \quad = \$200 \text{ refund amount} \\ 90 \text{ clock hours of instruction for which the student has paid} \end{array}$$

If the School cancels or discontinues a course or educational program, the School will make full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

The School, without penalty or obligation shall refund 100 percent of the amount paid for all school charges, less the amount of \$100 non-refundable registration fee, if a written notice of cancellation is made prior to or on the first day of instruction. Cancellation or any refund request shall be made in writing to: Santiago Rodriguez, Director, America Truck Driving School, Inc. The cancellation letter can be mailed, faxed, or dropped off in person to the main office. The student has a right to a refund of charges less the amount of \$100.00 for the non-refundable registration fee if he/she cancels this agreement prior to or on the first day of instruction or after 7th day after enrollment, whichever is later. In addition, the student may withdraw from a course after instruction has started and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. For example, if the student completes only 30 hours of a 90 hour course and paid \$300.00 tuition, the student would receive refund of \$200.00.

\$300 amount paid for instruction x  $\frac{60 \text{ clock hours of instruction paid for but not received}}{90 \text{ clock hours of instruction for which the student has paid}}$  = \$200 refund amount

If the School cancels or discontinues a course or educational program, the School will make full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
