The Center shall issue a refund for unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. The institution shall pay or credit refunds within 45 days of a student's written notification of cancellation or withdrawal.

The student shall have the right to cancel the agreement and receive a full refund of student paid fees before the first lesson and materials are received and/or outside licensing or testing fees are paid on the student's behalf. Cancellation is effective on the date written notice of cancellation is delivered or received. The Center will make the refund as per the calculation consistent with the California Code of Regulations. If the institution delivered the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.
