### **STUDENT'S RIGHT TO CANCEL**

The Student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance on the first day of class, or the seventh (7th) day after enrollment, whichever is later. Cancellation occurs when the student gives written notice of cancellation to the Director, at the address of the School, shown on this agreement. The Student can also mail, hand deliver, fax or telegram the cancellation. The written notice of cancellation is effective when deposited in the mail, addressed to *A F International, P.O. If a student withdraws from the course of instruction after the period allowed for cancellation and prior to having completed 60% of his/her program, the College will remit a refund, if applicable, less the registration fee not to exceed \$200, within thirty (30) days following the withdrawal. Students are obligated to pay only for educational services rendered (including fees associated with those services), and for unreturned books, materials or equipment. Students will be charged tuition based on the number of session clock hours he/she attended, multiplied by the hourly tuition rate as shown on the student's enrollment agreement. The amount the student has paid for tuition will be subtracted from the amount of tuition the student owes. Charges for unreturned books, materials, and equipment will be deducted from the amount of the refund. If the amount that the student has paid is more than the amount that the student owes for the time he/she attended, then a refund will be made within thirty days (30) of the withdrawal. If the amount that the student owes is more than the amount that the student has already paid, then the student will have to make arrangements with the college to pay it.

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). This is the most recent CDR reported by the U.S. Department of Education.

Students at AFI are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

### **STUDENT'S RIGHT TO CANCEL**

The Student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance on the first day of class, or the seventh (7th) day after enrollment, whichever is later. If a student withdraws from the course of instruction after the period allowed for cancellation and prior to having completed 60% of his/her program, the College will remit a refund, if applicable, less the registration fee not to exceed \$200, within thirty (30) days following the withdrawal. Students are obligated to pay only for educational services rendered (including fees associated with those services), and for unreturned books, materials or equipment. Students will be charged tuition based on the number of session clock hours he/she attended, multiplied by the hourly tuition rate as shown on the student's enrollment agreement. Charges for unreturned books, materials, and equipment will be deducted from the amount of the refund. If the amount that the student has paid is more than the amount that the student owes for the time he/she attended, then a refund will be made within thirty days (30) of the withdrawal. If the amount that the student owes is more than the amount that the student has already paid, then the student will have to make arrangements with the college to pay it.
