STUDENT'S RIGHT TO CANCEL

A student has a right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session or seventh day after enrollment whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

CANCELLATION REFUND POLICY

An applicant who provides written notice of cancellation within seven (7) days of executing the enrollment agreement is entitled to a refund of all monies paid, excluding the non-refundable registration fee.

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid. *Other Cancellations:* An applicant requesting cancellation more than seven (7) days after executing the enrollment agreement and making an initial payment, but prior to the first day of class is entitled to a refund of all monies paid, less the \$250 non-refundable registration fee.

Withdrawal Procedure:

1. A student choosing to withdraw from the school after the commencement of classes is to
 - 1) provide a written notice to the Chief Academic Officer. The notice must include the expected last date of attendance and be signed and dated by the student.
 - a. If special circumstances arise, a student may request, in writing, a leave of absence, which should include the date the student anticipates the leave beginning and ending. The withdrawal date will be the date the student is scheduled to return to from the leave of absence but fails to do so.
 - b. A student will be determined to be withdrawn from the institution if the student misses three instructional days and all the days are unexcused.
 - c. All refunds must be submitted in writing within 45 days of the determination of the withdrawal date.

Definitions

- 1) “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- 2) “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- 3) “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- 4) “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- 5) “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 6) “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- 7) “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- 8) “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- 9) “Graduates employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- 10) “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- 11) “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- 12) “First Available Exam Date” is the date for the first available exam after a student completed a program.
- 13) “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- 14) “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- 15) “Salary” is as reported by graduate or graduate’s employer.
- 16) “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student has a right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session or seventh day after enrollment whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

CANCELLATION REFUND POLICY

An applicant who provides written notice of cancellation within seven (7) days of executing the enrollment agreement is entitled to a refund of all monies paid, excluding the non-refundable registration fee.

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

Other Cancellations: An applicant requesting cancellation more than seven (7) days after executing the enrollment agreement and making an initial payment, but prior to the first day of class is entitled to a refund of all monies paid, less the \$250 non-refundable registration fee.

Withdrawal Procedure:

5. A student choosing to withdraw from the school after the commencement of classes is to provide a written notice to the Chief Academic Officer. The notice must include the expected last date of attendance and be signed and dated by the student.
6. If special circumstances arise, a student may request, in writing, a leave of absence, which should include the date the student anticipates the leave beginning and ending. The withdrawal date will be the date the student is scheduled to return to from the leave of absence but fails to do so.
7. A student will be determined to be withdrawn from the institution if the student misses three instructional days and all the days are unexcused.
8. All refunds must be submitted in writing within 45 days of the determination of the withdrawal date.

Definitions

- 33) “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- 34) “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- 35) “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- 36) “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- 37) “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- 38) “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- 39) “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- 40) “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- 41) “Graduates employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- 42) “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- 43) “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- 44) “First Available Exam Date” is the date for the first available exam after a student completed a program.
- 45) “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- 46) “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- 47) “Salary” is as reported by graduate or graduate’s employer.
- 48) “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
