WELCOME MESSAGE FROM ANGELA CLARK, OWNER OF AMERICAN GROOMING ACADEMY

Welcome to American Grooming Academy! Throughout my career in the field of grooming, I have had the opportunity to work with many animals, pet parents, and students. I am honored to now share my passion for animals and work with you as begin your journey to becoming a certified Professional Pet Stylist.

American Grooming Academy will provide you with all of the knowledge, information, and hands-on training you need to be a successful and skilled professional groomer in today's market. You will get the benefit of real-world knowledge and gain the kind of practical insights that can't be learned from a textbook.

With a growing number of over 50 million dogs and cats in the United States, professionals in the Pet Care Industry are in great demand. This is a profession that I have found rewarding on so many levels, and I know you will too!

I would like to welcome you to American Grooming Academy and know that you will find our training program to be the RIGHT choice for you!

Sincerely,

Angela Clark

MISSION STATEMENT, ACADEMY OBJECTIVE, AND PHILOSOPHY

Mission Statement

The primary goal of American Grooming Academy is to develop in our students the highest possible degree of technical and professional competence in the pet grooming industry.

To help accomplish our mission, American Grooming Academy focuses on the following:

- To provide quality instruction and professional preparation of students by a faculty with extensive knowledge, skill, and concern for student achievement and success.
- To provide outstanding material and support to the students.
- To provide hands-on instruction to ensure the applicability of the skills taught to present business needs and requirements.
- To provide outstanding facilities, equipment and surroundings to ensure a high quality learning environment.
- To assist graduates in finding suitable employment.

Our Academy programs provide students with the knowledge, information and hands - on training needed to be skilled and successful in their chosen pet grooming career path.

American Grooming Academy provides students with a learning environment to foster and develop values and commitment to pursue lifelong learning by introducing them to Professional Grooming organizations, Guest Speakers in other pet business, industry trade shows and continual education through seminars and workshops.

Our program teaches and develops critical solving skills that will prepare students to act accordingly during critical events and prepared them to act independently and professionally. This is achieved through classroom lectures, case studies, multimedia self-training, hands –on training, demonstration and mentoring.

Our Academy is dedicated to teaching students to be involved, active learners who work hard, think critically and creatively, and communicate effectively. We emphasize high expectations for all students, and support them to reach their full potential in all aspects of achievement.

At American Grooming Academy, faculty priority is the student's success, nurturing

education, celebrating student achievements and providing personal support for student initiatives. Faculty will develop programs and services that provide positive student and community involvement and a desire for lifelong learning. Open and regularly communication between faculty and student to evaluate and assess the effectiveness of our program, and to ensure that our student needs are met.

American Grooming Academy recognizes the importance to assist students in obtaining employment and is dedicated to supporting our graduates. Graduates are expected to assume responsibility for their own career success by participating in class lectures, workshops and advisory sessions that teach and guide them through the process of securing and maintaining employment in the community.

American Grooming Academy is committed to identifying and eliminating barriers to educational achievement in our program. To this end, we create policies and practices that are fair and just and provide educational opportunities to ensure that every student, regardless of race, color, religion, gender, sexual orientation, marital status, age, or economic status, meets our standards for achievement, participation and growth.

At American Grooming Academy we are passionate about pets, people and education. We are dedicated to servicing our students, building their confidence based on knowledge and hands –on skills that will prepare them for a career in the pet industry and lead to greater success in both their personal and professional lives.

Academy Objective:

Our objective is to train each student in the technical and social skills necessary to be a successful in the pet grooming industry. Upon completion of the program, students will be able to:

Philosophy

To provide a full service professional pet grooming salon and mobile service that is focused on providing quality customer service and animal care in a friendly, fun and safe environment.

To create a grooming school that is focused on developing students with confidence based on knowledge and technical skill to prepare them on their professional path in the pet industry.

American Grooming Academy

FACULTY AND STAFF AT AMERICAN GROOMING ACADEMY

Angela Clark

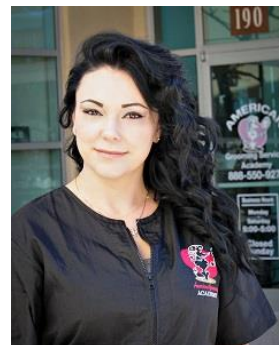

For over thirty years Angela has been successful in the professional pet industry. Angela started her path in the grooming business as a bather brusher. It was through dedication, passion, training, and obtaining a formal education that Angela has been successful as the Owner/Operator of a profitable Grooming Salon and Retail store leading to her 12-year career with one of the leading major pet retail companies.

During her 12-year career with a major retailer, Angela obtained valuable experience and knowledge in the retail grooming industry wherein she held the following positions: Salon Pet Stylist, Salon Manager, Grooming Training Center Manager, Regional Pet Services Manager and the National Mobile Service Manager. Angela is a certified Master Groomer from the International Professional Groomer Inc. (IPG)

Kabrina Marchant

Kabrina is an instructor at American Grooming Academy and brings over 12 years of firsthand experience in the pet industry. Kabrina has earned two bachelor degrees from California Polytechnic University, and graduated with the distinct honors of “Summa Cum Laude.”

During Kabrina’s pet industry career, she has worked for over seven years for one of the largest corporations in the pet retail and service business. During this time, she held the position of the District Salon Training Manager for five years.

Kabrina currently is working to complete her “Master Groomer Certification” of all breed types with the IPG (International Professional Groomers, Inc.) and her master’s degree of Art History.

Kabrina’s passion is to teach and share her knowledge with others, “It’s what pushes me to keep learning and working hard to acquire knowledge.” One of Kabrina’s favorite sayings is a quote from Abraham Lincoln, “That some achieve great success, is proof to all that others can achieve it as well.”

ATTENDANCE POLICIES

Program Attendance Policy

American Grooming Academy believes in creating an environment to foster self-directed learning. It is expected that all classes are completed in a timely manner and are attended. Therefore, it is the student's responsibility to make every effort to attend all scheduled classes throughout his/her program.

An absence may be excused by calling in the same day prior to the beginning of class. Students are required to make-up the lessons and exams missed, due to absenteeism. Make-up work can be scheduled and is arranged between the student and the instructor.

The American Grooming Academy attendance policy is as follows:

- Any time a student reaches 15% absences during the program, the student must be advised. If a student acquires 15% absences, then counseling is necessary.
- If a student reaches 20% the student may be placed on probation.
- If a student has more than 20% absences by scheduled program completion, the student may be required to make up the missed session in order to graduate.

Academic Calendar

American Grooming Academy observes the following holidays and will be closed on the following days:

- Thanksgiving
- Christmas Day
- Independence Day
- New Year's Day
- Christmas Eve Day
- Labor Day
- Memorial Day

Probation Policy and Re-Establishment of Satisfactory Progress

At the scheduled mid-point of the program, all students are evaluated for satisfactory progress. In order to maintain satisfactory academic progress, a student must:

- Maintain satisfactory attendance (i.e. fewer than 20% absences).
- Maintain consistent entries in the student *Program Training Checklist*.
- Students must achieve a grade of 75% on both written and practical exams throughout coursework.

Failure to meet and maintain satisfactory academic progress will result in probation. The student will be counseled and actions required to attain satisfactory requirements by the next evaluation will be documented. If at the end of the probationary period, the student has still not met both the attendance and academic progress requirements, he/she will be determined not making satisfactory progress.

The frequency of evaluation ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the course. Students may re-establish satisfactory progress by meeting minimum attendance and academic requirements on or before the end of the probationary period. At the end of the probationary period, the student's progress will be re-evaluated. Continued failure to maintain satisfactory academic progress will result in termination from the Academy.

Suspension and Dismissal Policy

A student may be dismissed by the Facility Director prior to completion of the program for the following reasons; but, not limited to only these reasons:

1. Insufficient academic progress as previously stated.
2. Failure to comply with rules outlined in this Catalog covering the Code of Conduct.
3. Nonpayment of the tuition balance before the first day of class.

Leave of Absence Policy

A leave of absence may be granted after the Facility Director reviews the request and determines a justifiable cause. A student may only have one (1) Leave of Absence each twelve-month period (calendar year). The request must be in writing to the Facility Director and the term of leave may not exceed 90 calendar days. A written statement as to why the leave of absence was granted signed by both the student and the Facility Director shall be placed in the student's file.

Re-Entry Policy

The Facility Director, on a case-by-case situation will consider the re-admission of each student. If the Facility Director determines that the cause for the training interruption has been resolved, then the Facility Director will counsel the student appropriately and will reinstate the student at what ever level is deemed fit. All counseling will be documented and placed in the student's file.

ACADEMIC POLICIES

Instructional Approach

American Grooming Academy learning materials are designed to be self-directed by the student with continual guidance provided by the instructor. The programs offered are on a schedule to meet the students' individual needs. Schedules will be made weekly with the instructor.

Library and Learning Resources

American Grooming Academy provides students with an area to support their learning experience. The library includes computers with internet access to reference materials and subject matter, current industry related magazines, DVD videos to view, and reference books. Request permission from the Facility Director to access the library and related materials,

Standards for Student Achievement

Students are assigned theory, review questions, written tests, and technical evaluations to complete throughout each course. Students must receive at least 75% or higher to pass these final program exams. Students advance through each subject stage one at a time to maintain focus on the subjects being studied. Ongoing feedback and encouragement is provided to students throughout their course of study. At the end of the program each student will receive a certificate of completion.

Students will be graded on the following scale:

A	90 – 100
B	80 – 89
C	70 – 79
D	60 – 69
F	Below 60

Students must maintain a grade of “C” (70) or better at all times. The Program Training Checklist must be completed on a daily basis and kept current throughout the program. Quizzes will be administered periodically throughout each course. All quizzes and tests will be graded and returned to the student within a reasonable amount of time.

At the scheduled mid-point of the program, all students are evaluated for satisfactory progress. At this time, students have the opportunity to meet with their instructor to discuss their grade and their progression throughout the course. Students will be placed on probation if their grade falls below a “C” (70) average.

Student Records Retention Policy

1. American Grooming Academy shall maintain records of the name, address, email address and telephone number of students enrolled whether or not the student completes the educational services.

Professional Pet Stylist Course

Course Description:

This *Professional Pet Stylist* course is designed to build confidence through knowledge and technical skills to launch students into the Pet Industry as a Professional Pet Stylist upon graduation. Students will be taught everything offered in the Professional Dog Bather course, and learn the proper use of grooming tools to perform skilled techniques in clipping, thinning shear use, scissoring, and de-shedding. Students will learn the AKC Breed Groups and Body Patterns, as well as how to groom mixed breeds while applying creativity, balance, symmetry, and proper expression to all.

Course Objectives:

1. Understand the basic use and care of grooming equipment; including sanitization and sterilization.
2. Understand the benefits and recommend usage for products.
3. Understand basic industry terminology.
4. Understand canine anatomy and behavior theory.
5. Understand basic skin structure and conditions.
6. Demonstrate salon safety and pet safety handling techniques and skills.
7. Prepare pets for grooming and demonstrate proper bathing, brushing, and drying and de-shedding methods and techniques.
8. Perform basic techniques in clipping, thinning shear use, scissoring, and de-shedding.
9. Demonstrate correct knowledge and technical skills when applying styles and patterns to AKC breed groups, drop coats, double coats, and mixed breeds.
10. Perform basic time management skills and proper customer service and animal care.
11. Basic understanding of the salon environment and Mobile Grooming.
12. Understand potential career paths in the grooming field.

Format:

This course consists of a comprehensive study guide, workbook, and instructional DVD videos. American Grooming Academy is devoted to hands-on training and provides students with many opportunities to practice what they are learning throughout the program. Salon equipment and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career oriented activities.

The *Professional Pet Stylist* course is presented through well-developed lesson plans, which reflect current educational methods. Students are presented by means of lecture, demonstration, and student participation. Students will demonstrate their knowledge of

grooming theory and application ability through their completion of required practical and hands-on activities. Information is tracked daily with the use of a comprehensive Program Training Checklist.

References:

Under the guidance of qualified instructors, students read and complete *Melissa Verplank's and The Paragon School of Pet Grooming Paragon Bather/Brusher Program*. Students also read selected chapters from *Notes from the Grooming Table: An All-Breed Guide for the Professional Pet Stylist* by Melissa Verplank and also read *Cesar's Way*, by Cesar Millan.

A comprehensive library of references, periodicals, books, texts, standard dictionary, canine anatomy charts, breed charts, computers with internet access, and audio/video tapes are available to support the course of study and supplement the student's training. Students should take advantage of the opportunity to use these extensive materials.

Grading Procedures:

Students advance through each subject stage one at a time to maintain focus on the subjects being studied. Ongoing feedback and encouragement is provided to students throughout their course of study.

Students are assigned theory, review questions, written tests, and practical evaluations to complete throughout the program. Students must receive at least 75% or higher to pass these final program exams. At the end of the program each student will receive a certificate of completion.

Students must complete the following technical examinations to complete and graduate the *Professional Pet Stylist Course* program:

- Technical Evaluation (75% or greater)
- Bath and Dry--Flat or Smooth Coat
- Bath and Dry--Combination Coat or Heavy Coat

FUNDING YOUR EDUCATION

Education is the most important investment you will ever make. Education is an investment in you. American Grooming Academy has several options.

Federal and State Financial Aid Programs

American Grooming Academy does not receive state or federal funding for financial aid programs.

Student Loans

American Grooming Academy does offers student loans, to those students that have met the qualification and been approved. American Grooming Academy student's loans are managed through TFC Tuition Financing Services.

TFC Tuition Financing Services

Professional management of student accounts receivable means treating every student with respect while doing every possible to insure their payments are being made on time. It also means handling the daily clerical chores of collecting and processing payments, following up on delinquent accounts, and handling all student inquiries. Professional management calls for working directly with your school staff to ensure that anything involving student payments is quickly and satisfactorily handled. We consider the following services as being necessary to manage a student account and we do not charge any additional fees for doing them. We charge only one fee per student for all services.

For Students

TFC Tuition Financing has been providing tuition financing for students since 1970. Our mission is to provide financing for those students who are serious about their careers and serious about their personal success.

Our affiliation with the major national, regional and state associations have given us a special understanding of the unique financing requirements of students and helped us to structure student tuition payments that are realistic. If the school that you are considering attending does not currently offer financing through TFC Tuition Financing, please have them call us at (800) 832-5626.

TFC Tuition Financing makes it easy for you to manage your account by using our TFC Student Information website. Here you can:

- Make payments by credit card, electronic check, Western Union or Money Gram
- View your account status and payment history
- View your payoff amount
- Auto debit payment options through credit card or ACH
- Update contact information

Services for Students

- Notification of tax deduction for interest paid
- Confirmation Letters: "Paid in Full Loan"; report of payments received; respond to credit checks; etc.

Collection Service

Our telephone collections team contacts any students who are past due. This team is staffed with individuals who are well trained to work with past due students in getting their payments flowing again. They accomplish this without being rude or offensive but by relying on persistence and "let's work this out together" attitude.

Legal

- All contact with students is performed as required by the Fair Debt Collection Practices Act
- Provide 1099 interest paid forms to specific students as required by IRS and to any other students requesting them
- Send each 1099 form to the IRS via the new *required* IRS electronic software program
- Send summaries and analysis of forms to the IRS
- Respond to Bankruptcy claims and send proof of claim to court and a copy to the school
- You continue to own your own student loan accounts and they are your financial assets. They are not sold or assigned to TFC.

Student Tuition Recovery Fund (STRF)

(a) A qualifying institution shall include the following statement on both its enrollment agreement and school catalog:

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have

filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

American Grooming Academy takes no responsibility to find or assist a student in finding housing.

REFUND POLICY

Students that have received *federal student financial aid funds*, the student is entitled to a refund of moneys not paid from the federal student financial aid program fund.

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

The date of cancellation will be determined by the earlier of; the postmark on written notification, the date said notification is delivered to the school in person, the last date of attendance, if a student is terminated by the school.

Any monies due the applicant or student shall be refunded within 45 days of cancellation date as defined above.

Student who withdraw or terminate prior to course completion will be issued a pro-rated refund for the total amount owed by the student for the portion of the educational program provided, subtracted from the total amount paid by the student. Students that have completed more than 60% of the period of attendance will not be eligible for a

refund. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal.

To cancel the student agreement with the American Grooming Academy, student must mail or deliver a signed and dated copy of their cancellation notice. This notice must be in writing. Cancellation notice must be mailed or delivered to the address listed below.
