# OUR UNIQUE APPROACH TO LEARNING

Understanding how our students learn is key to ensuring language development, which is why our specially designed K+ English language learning system is such an integral part of studying at Kaplan. Our team of experts has taken all the best elements of in-class learning and combined them with online tools and interactive group study. Through our K+ learning materials and the support of our dedicated and passionate teachers, you'll be able to improve your reading, writing, pronunciation, and comprehension skills. By following our plan, you'll be speaking English confidently before you know it!

## YOUR LESSONS

During lessons, you'll engage in highly effective exercises taught from our own exclusive course books, which are designed to keep classes interesting and challenging.

### OUR K +NOTES COURSE BOOKS

Our course books are dynamic, focused on interesting topics, and packed with exercises to help you practice speaking and listening while working on your grammar and vocabulary. And you don't have to follow them from start to finish – jump in at any point and you'll still be working on the same level as your classmates. Enjoy using them in class, then continue working at home with our K +tools online learning program. Each language level is made up of 5 books and students will receive a new course book every 2 weeks, or as they progress to the next level.

### PASSIONATE TEACHERS

Our fully qualified teachers are passionate about helping you reach your language goals. Working with so many students from around the world means that they are not only knowledgeable about how international students learn, but they're also there to make you feel comfortable and encourage you to become part of a global community. They will teach, support, and motivate you along every step of your English journey.

### INTERACTIVE WHITEBOARDS

Our interactive whiteboards are an amazing learning tool, allowing teachers and students to interact with English through technology. Access to videos and online resources bring the K+ learning material to life; you'll also be learning about relevant and popular topics.

## ONLINE LEARNING

All Kaplan students have access to online practice tools to further boost their opportunities for improvement. You can use these tools in the school's study center or on your own tablet, computer, or mobile device. You'll receive your own profile and login, so every time you come back to your online account, you can pick up exactly where you left off.

### K +TOOLS

Complement your in-class lessons with access to level-appropriate online materials with K +tools. These materials are directly linked to your K +notes course books that you'll use in class and will give you additional examples to test yourself and solidify class lessons. You'll get instant feedback on your performance and progress.

### K +EXTRA

Improve even faster with our online K +eXtra self-directed study materials\*. Whereas K +tools builds on the materials you are discussing in class, K +eXtra gives you the opportunity for independent learning with access to entirely new grammar and vocabulary exercises. Make your learning fun with interactive questions, videos, audio examples, and assessment tasks. As you progress through the levels, discover modules dedicated to every language area of our K+ curriculum. Each module is split into Learn, Practice, and Test segments. You can also work at different levels in different skills, depending on your ability.

*\*K +eXtra is not available to students studying Vacation English.*

## BEYOND THE CLASSROOM

While you build important skills in class and through the online study tools, being surrounded by the English language will further help your language abilities and confidence to talk in English.

### K +CLUBS

In addition to your regular classes, there are also teacher-led study sessions that run throughout the week. Examine popular movies, focus on pronunciation, discuss literature, talk about sports, or explore many other fascinating topics while you practice skills learned in the classroom and make new friends. Topics may vary depending on your location.

### CONTINUE LEARNING WITH KAPLAN

Your English language journey doesn't have to end after your time at our school has drawn to a close. Once you've completed your studies, you may purchase continued subscriptions to K +tools and K +eXtra of either 3 or 12 months to continue to build on your English in the future.

The K+ approach is highly effective because it has been developed to optimize the learning of English by applying research-based practices of feedback and group-based learning. The K+ in-class approach maximizes opportunities for students to use their new skills together and get feedback from well-trained teachers. Research also confirms learners need different amounts of practice, in part depending on where they start. K +tools allows students to practice as much as they need on their own, making their in-class and social activities more productive and enjoyable.

# MEET THE SCHOOL TEAM

Take a look at some of the friendly faces you'll encounter in our Kaplan schools; from teachers and principals to all those in between, these are the people responsible for ensuring our accommodation is comfortable, the activities program is exciting, and our students are happy in their day-to-day lives. We believe your transition into life at Kaplan should be a fun and rewarding experience, and our school staff is there to make that belief a reality!

**KATHERINE BRANNON**  
Accommodation Manager, Kaplan LA Westwood

"The most rewarding aspect of my job is helping our international students find their perfect 'home away from home' and sorting out any issues that come up. Our mission at Kaplan is to extend our services beyond just the classroom."

**GUILIANA SILVEIRA**  
Principal, Auckland

"I welcome all new students at orientation on Mondays and make sure they know who I am, they can come to me if they need anything! The most rewarding part of the job is that you not only see the improvement in their level of English but also in their confidence."

**LUKE WATSON**  
Social Program Manager, Liverpool

"It's my job to ensure all students get the most out of their experience and help them get to know their new home. Whether I'm dressed as cupid on Valentine's Day or flipping pancakes on Pancake Day, I make sure everyone is having a great time at the school."

**DAVID JAY**  
University Placement Service (UPS) Advisor, Boston Harvard Square

"The process of finding a higher education institution in an English-speaking country can be quite daunting. A UPS Advisor becomes a guide – we can answer questions and provide insight, inform the students exactly what they need to do, and help with the application process."

**ZAIDEY FANDEY**  
Social Program Manager, LA Westwood

"I'm in charge of the fun, but I can help with anything students may need; no question is too big or too small. And if I don't know the answer I will help find it. My advice for new students is to have the time of their life and don't be afraid to try new things."

**LAUREN RIVAS**  
Teacher, Miami

"I believe my job is not just to teach students English language competencies, but to also teach them about other cultures, and the world we live in. Students should take in what Kaplan's program has to offer, which is immense language and personal growth."

**WOUTER REDELINGHUY**  
Academic Manager, Seattle

"My job is to make sure that students achieve their academic goals and learn the most they can during their time at Kaplan. But I like to think of my job as someone who makes sure all students arrive and leave Kaplan with a smile."

**MARGARETTA DOMANSKA**  
Teacher, Cambridge

"I love the variety of cultures, beliefs, and learning about students' experiences. It's very interesting to see how people who speak different languages can come together in a classroom and discuss a range of issues in English."

**ADAM CLARK**  
Student Services Manager, Toronto

"I look after and organize all activities and tours. I get to hang out with the students outside of school in a social environment and show them that having an amazing experience and making new friends is a great way to practice and develop their English skills."

**LENA PURTU**  
Accommodation Manager, San Diego

"It's my personal goal to give students the confidence to come to me anytime they need support. The loving, life-long relationships created at Kaplan are priceless – our students leave Kaplan with academic achievement, open eyes, and full hearts."

**TINA BELTSOS**  
Principal, Melbourne

"My job is to ensure the smooth running of the schools for our students. From a student's first day to their last day, any questions relating to academics, accommodation, or personal problems – we are their home away from home."

This chart describes our different English levels so you can see where you might fit, and how you can advance. On arrival at your school, we'll give you a test to confirm your language abilities, and place you in the class that will best suit you. Regular progress tests during the course will then allow you and your teachers to measure your improvements and help you to advance to the next level.

\*Please note that 10 weeks per level is just a guide to average progress rates on an Intensive English course. We cannot guarantee an exact period of study over which specific language goals can be attained.

# STUDENT SUCCESS STORIES

English can open doors to an exciting job, an international career, opportunities for world travel, or further education at an English-speaking university. Here's how past Kaplan students have used their English studies to change their lives and shape their future.

*Brazil*  
**DÉBORA GOMES**

"I decided to learn English because I wanted to have the experience of studying in NYC and it was unforgettable. I'm now living in Connecticut and taking an online Civil Engineering course. I absolutely think English has helped me! I can now understand movies and series without subtitles, make friends easily, and talk about any kind of subject."

*Germany*  
**MARIS OKSCHE**

"After my time at Kaplan I got a new job at an international company and I've been working here for a year. I'm really happy. The English language really opens the door to a global world. I recommend that everyone should learn it."

*Angola*  
**ISAIAS MANDELE**

"I finished my first English course at Kaplan in 2015. Once in my country, I worked for a year, but thanks to the improvement in my English, my country decided to give me a scholarship to get my master's degree in the UK. In January 2017, I returned to Kaplan to take an IELTS preparation course before I applied to university later in the year. I would say that English has opened many doors to my future career. Even though I already had some qualifications, it was not the same without English. It's made it possible for me to become an ambassador for my country."

*South Korea*  
**MINGI KIM**

"I started studying English when I was serving in the military in South Korea. Actually, the reason I started studying was to get a job in Korea because companies normally require an English test score. As time went by, I found studying English interesting, and decided to learn in an English-speaking country."

MEET PAST KAPLAN STUDENTS AND FIND OUT HOW ENGLISH HAS CHANGED THEIR LIVES AND SHAPED THEIR FUTURES.

*Colombia*

*Italy*

**CAMILLA BORRINI**

"My English course at Kaplan really changed my life. One year later, I'm living in Zurich, working for an American company – one of the biggest in the world in its field! Thanks to my improved English, I've had the opportunity to move abroad, advance my career and, most importantly, meet a lot of people from different countries and cultures – that's the most amazing part of speaking the 'language of the world'."

*Venezuela*

**LAURA BOLIVAR**

"I decided to learn English because I wanted to improve my career as an actress and do stand-up comedy in the United States. I'm still living in New York and I'm starting to build my career. “

Kaplan recommended I use the University Placement Service. They helped me apply for Douglas college in Vancouver where I am studying Hospitality Management. As it is related to my education in Korea. As I am allowed to work off-campus, I have been working in the local hospitality industry in different positions. I could work at many different hotels such as the Fairmont, Marriott, Vancouver Club, Delta, and so on. Looking back at how far I've come – from an English beginner to where I am now – it makes me smile.

”

Trisha Ko, South Korea

## ACCOMMODATION AND SOCIAL PROGRAM

We work hard to find the perfect living environment and social activities to enhance your language development, ensuring a totally immersive English experience. Whether you'd like to live with fellow students in one of our modern residences or discover more about the local culture by living with a host family, you'll have endless opportunities to show off your new skills.

With a fun mix of exciting excursions, cultural activities, course-specific field trips, and plenty of free time in your new living environment, you'll be speaking English like a native before you know it!

# A GREAT PLACE TO STAY

Where you live while you study will make all the difference to the experience you have, the friends you make, and your sense of comfort and security. We know it's an important part of your decision. Kaplan is committed to finding the highest-quality student residences and homestays — those where you'll feel the most at home.

## WHY WOULD I LIKE A STUDENT RESIDENCE?

Living alongside other students is the perfect way to make friends and share ideas and experiences (as well as recipes!) from around the world. Most residences are self-catering, so it will be your choice to cook or eat out at the local restaurants and cafés. You can enjoy your independence as most locations offer options such as residences, apartments, or hostels with a choice of single, twin, or dormitory-style rooms.

## BE INDEPENDENT, MAKE FRIENDS

“ I LIVED WITH MY CLASSMATES IN A TOP CLASS RESIDENCE – YOU ALWAYS HAVE COMPANY AND YOU ALWAYS HAVE SOMETHING TO DO. AT THE RESIDENCE YOU CAN MAKE FRIENDS FROM ALL OVER THE WORLD, MANY WHO I'M SURE I'LL SEE AGAIN IN THE FUTURE. ”

Juan Jose, Mexico

## WHY WOULD I LIKE A HOMESTAY?

Living in a homestay gives you the chance to practice your English every day in a relaxed atmosphere and enjoy the warmth and comforts of a real home. You'll have breakfast and dinner with your hosts and fully immerse yourself in a new culture. All of our homestays are inspected to ensure they're comfortable and welcoming, and we choose hosts who are well-suited to caring for international students.

## FEEL WELCOMED, PRACTICE YOUR ENGLISH

“ MY HOST FAMILY WAS INCREDIBLE. THEY WERE INTERESTED IN US, ASKED QUESTIONS, WE WERE ABLE TO EAT WITH THEM, AND THEY PICKED US UP AFTER THE DIFFERENT OUTINGS. THEY REALLY TOOK CARE OF US AND MADE SURE THAT WE FELT COMFORTABLE. THIS ALLOWED US TO PRACTICE OUR ENGLISH EVEN MORE AND TO IMPROVE EVEN QUICKER. IN MY OPINION, LIVING WITH A FAMILY ONLY HAS ITS BENEFITS. ”

Chloé Truelle, France

This is your chance to learn about the subjects that really interest you. Kaplan's Specific Skills classes cover a range of topics such as current affairs, literature, film, and many more.

2.15-3.45PM

3.45-6.00PM

### SOCIALIZE AND EXPLORE

No matter where you study you will always have time to enjoy the city you are in, explore the local surroundings, visit interesting sights nearby, or just go shopping. Take an afternoon trip with your classmates and try out the English you've learned in class.

6.00-7.00PM

### DINNER

Back at your homestay you can share a home-cooked meal with your host family and tell them all about your day – in English! At your residence you can try your hand at cooking, swap recipes with your roommates, or head to one of the many restaurants on your doorstep.

7.00-8.00PM

### EVENING ACTIVITIES

There might be a social event organized by the school, or you could just be ready to take it easy and catch up with family and friends back home. At your homestay you can relax and enjoy all the benefits of a comfortable family home for the evening. # TERMS & CONDITIONS

VALID 1ST JANUARY - 31ST DECEMBER 2018

## APPLICATION PROCESS

### 1. APPLICATION:

Please send the signed enrollment form to your Kaplan representative with the enrollment fee and, if applicable, the courier fee. Students 18 and over (19 and over for students attending our Vancouver location) must sign the enrollment form to say that they have read and agree with these terms and conditions. The parents or legal guardian of students under 18 (under 19 for students attending our Vancouver location) must read and also sign the enrollment form on their behalf.

#### Contract Formation:

By signing the enrollment agreement and returning the enrollment form the student is agreeing to enter into a binding contract with Kaplan. On Kaplan receiving the completed and signed enrollment form and enrollment fee, if the student's course and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract based on these terms and conditions will be formed between the student and Kaplan subject to the student meeting all immigration requirements.

Your privacy is important to us. Please note that upon entering into a contract with us, you are accepting the terms described in our privacy policy, which can be found at: [www.kaplaninternational.com/privacy](http://www.kaplaninternational.com/privacy).

#### • USA:

Students enrolling in a California location: As a prospective student, you are encouraged to review our catalogue prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. A link to these documents may be found at: [www.kaplaninternational.com/privacy#toc-california-state-disclosures38](http://www.kaplaninternational.com/privacy#toc-california-state-disclosures38)

### 2. PAYMENT DEADLINE:

All course fees must be paid in full (unless otherwise notified) no later than 30 days before the course starts. If a booking is made less than 30 days before the course starts, the fees are immediately payable. If payment in full has not been received, you will not be allowed to start your course.

#### • USA:

In the USA, a period of enrollment may not exceed 52 weeks at any one time and the maximum length of enrollment may not exceed 36 months.

#### • Canada:

In Vancouver, if your enrollment duration is more than 26 weeks (6 months), 50% of tuition fees must be paid no later than 30 days before the program starts and the remaining balance must be paid no later than once 50% of the program has been completed. Contact your Kaplan representative for more information. If the balance is not paid by the deadline, the student's course shall be terminated immediately.

#### • Australia:

For courses longer than 25 weeks, you will be invoiced for the full fees, but you have the option of paying all of your tuition fees upfront or through a payment plan whereby 50% of tuition fees and 100% of all other fees must be paid in full no later than 30 days before the course starts, with the remainder of the tuition fees required two weeks before the start of the second study period of any individual course. This payment plan is not available for courses of less than 25 weeks, in which case you will be required to pay the full tuition fees no later than 30 days before the course starts.

### 3. VISA INFORMATION:

Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below:

#### • UK:

If your application is successful, we will provide either an offer letter for a Short-term study Visa (6 or 11 months) or Short-term study visa (child 6 months) or a Confirmation of Acceptance of Studies (Tier 4 GSV applicants only). Tier 4 applicants must take a Secure English Language Test (SELT) to establish their level of English before they apply for their visa. Students whose level of English is lower than intermediate (CEFR B1) must apply for the Short-term study route. See the following website for further details: [www.gov.uk/government/organisations/uk-visas-and-immigration](http://www.gov.uk/government/organisations/uk-visas-and-immigration).

• Ireland: We will provide you with an invitation letter to assist you with your visa application.

#### • USA:

Our schools are authorized under Federal law to enrol non-immigrant students. After your application is received, Kaplan will request proof of funds verifying ability to pay for the entire enrollment in the US, which is required for Form I-20 Certificate of Eligibility issuance.

#### • Canada:

Our schools have Designated Learning Institution (DLI) status with Citizenship and Immigration Canada (CIC). We will provide you with an invitation letter to assist you with your visa application, if applicable.

#### • Australia:

Visa application form (Confirmation of Enrollment) may not be issued by the school until full payment has been received and the enrollment agreement has been signed and returned. The enrollment agreement includes reference to the pre-departure and grievance procedures information and can be found on our website: [www.kaplaninternational.com](http://www.kaplaninternational.com)

#### • New Zealand:

In accordance with government regulations, visa support (Fees Receipt) is only issued by Kaplan when full payment has been received. ### 4. COURIER FEES:

If you enrol on a course in the USA less than 30 days before the course start date, a courier fee of USD75 will be charged to cover the expedition of visa documentation. In all other countries, a courier service is available on request at GBP35, EUR55, CAD80, AUD75, NZD85.

### 5. TRAVEL AND MEDICAL INSURANCE:

Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your course length or course/visa type. Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive. You will not be allowed to commence a course until you have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with GNIB within 30 days of arrival.

- **Australia:**  
The Australian government requires all students on Student Visas to obtain Overseas Student Health Cover (OSHC), a compulsory health insurance plan for overseas students in Australia. This must be obtained before you apply for a Student Visa, and you can either obtain this independently or through Kaplan at a cost of AUD58/month. OSHC must cover the whole duration of your Student Visa, and must start at least one week before the start date of your course. Additional fees will be charged if you arrive in Australia earlier, in order to cover insurance for the full visa period.
- **New Zealand:**  
Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at [www.moh.govt.nz](http://www.moh.govt.nz). In addition, The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz). Please note that Kaplan's recommended travel and medical insurance must be booked for a minimum of 4 weeks.

## 6. HEALTH DECLARATION:

Students must report on their enrollment form any mental or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their program, that may impact the health and well-being of any other student, host or staff member, that may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrollment, or that may require special accommodation. Kaplan reserves the right to reject an applicant or terminate a student's enrollment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

- **USA:**  
Some schools require students to provide a Health Declaration and Immunization form in advance of arrival due to campus or state requirements. You will be informed in such cases.

## 7. TUITION FEES:

Any additional services (transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation and enrollment amendments) are not included in any fees unless specifically stated on a valid invoice.

## 9. TWIN ACCOMMODATION:

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

## 10. UNDER 18 YEAR OLDS:

Kaplan delivers adult courses (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan- approved accommodation, book Kaplan's airport transfer service both ways (these are compulsory in Australia and New Zealand), and purchase a medical insurance policy. Please note that under 18 year olds cannot study General or Vacation English in Australia and New Zealand. All students under 18 (under 19 for students attending our Vancouver location) must provide a signed Minor Authorisation form prior to arrival, and in Canada, students may need to provide a notarized Custodianship Declaration.

- **UK/Ireland:**  
The British and Irish governments require all students under 18 to submit a Waiver form and an Authorisation of Emergency Medical Treatment form which will be provided at the time of booking. All students under 18 must have travel and medical insurance in place for the duration of their course.

Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Unapproved breaks taken at other times will be marked as periods of absence. For other courses, granting of any Session Breaks after the course has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence depending on location. In the UK, Students are entitled to 1 week's holiday for every 10 weeks that they study. For approved absences in the USA or Canada (e.g. Leave of Absence or Session Break) after you have started your course, the unused tuition weeks will be added to the end of the course.

## 4. MEALS AND CLASSES MISSED:

No refunds or substitutions will be made for meals or classes missed due to exams, excursions, internships, first day orientation or other obligations that fall outside the normal schedule.

## 5. PUBLIC HOLIDAYS:

If the Monday is a public holiday, the start date will fall on a Tuesday. Compensation will not be made for classes not offered on public holidays. A minimum of 4 weeks' notice is required for any change except in Australia and New Zealand. Australia and New Zealand require a minimum of 2 weeks' notice. If you request a change of school location, course dates, accommodation or program type after your course has started, you will be charged a change fee of GBP65, EUR90, USD100, CAD100, AUD75, NZD75, which is payable at the time the request is made (excluding termination or cancellation in the USA and Canada which is dealt with under the applicable part of the relevant Cancellation and Termination clauses below). In the USA and Canada, change fees only apply to accommodation changes. Kaplan is not obliged to fulfill any change request. Academic Year or Academic Semester students cannot transfer to a different Kaplan school during term time. If changing to a location (or changing program) where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Principal / Director. You will not be charged a change fee if you extend your course, but late homestay extensions may require a re-placement fee. It is the responsibility of the student to pay for any course or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking, and will thus be subject to the standard terms & conditions governing terminations (see 'Termination Policy'), except in the USA and Canada.

**8. DURATION OF LESSONS:**

All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Students must give 4 weeks' notice (2 weeks' notice in Australia and New Zealand), (or 8 weeks' notice for discounted accommodation packages) in writing to the School Principal/Director.
