Attendance:

At AIM, we believe in order to reach the full benefit of our programs, students must be actively engaged. Daily attendance is required for all courses. Tardiness is not allowed, it disrupts the instructor and students may miss key information. All students are expected to be in class and ready to participate at the appointed time. AIM does not offer distance education.

Instructors and administrators at Andaman Institute of Massage expect students to attend all classes in the massage program. However, we realize there are extenuating circumstances when a student, due to illness or personal matters, cannot be in class. To ensure students are receiving the course information and supervised instruction necessary to become competent therapist, we have established and require a minimum attendance percentage of 85% in each course.

Students with attendance below 85% will be required to attend make up class prior to the final exam. It is at the discretion of the instructor to allow make-up hours and the student may be required to bring supporting documents to justify the absence from class. Students are advised that excessive absenteeism could result in failing classes not meeting the minimum standards to graduate.

Approved absence may require make up assignment; all missed class hours with the instructor at our facilities. Make up work will be assigned and it is the student’s responsibility to complete the work and submit it for credit. Additional fees may be assessed to the student for make-up hours.

CAMTC requires: Students must have a minimum of 500 hours of education from CAMTC approved schools. Of the 500 hours, a minimum of 100 hours must be in the core subjects of anatomy and physiology, contraindications, health and hygiene, and business and ethics.

Hygiene, Dress Code, and Draping Policy:

Students are expected to maintain a high standard of personal hygiene while attending classes and while studying in the facilities. Students should be freshly showered with finger nails short, clean; hair should be clean and neatly tied up so that it doesn't hang below the shoulders. Please do not wear perfumes or cologne to class. AIM encourages students to wear professional attire that allows for freedom of movement. Additionally, AIM requires students to wear properly fitting clothes, no short cutoffs, holes in clothes, or revealing cleavage. Please refrain from wearing any piercing on your face during internship hours. AIM's establishes a draping policy to protect the client's privacy, provide a protective barrier, and aid in warming the client. The students drape each other and clients with a clean flat sheet over the entire body prior to massage. The student only undrapes the area of the body that they are massaging at that time. Instructors will demonstrate proper draping in the classroom and give corrective feedback as needed.

Students Rights / Grievance Policy:

Here at AIM, we value and respect every student and will work hard to make their learning experience rich and rewarding. We understand that from time to time a student may wish to file a complaint and we have developed a grievance procedure to formally address student' concerns. Any student has the right to file an informal grievance or a formal grievance towards any faculty or instructor.

Informal Grievance Procedure:

- The student initiates the procedure by requesting a discussion either verbally or in writing with an instructor or any member of AIM Staff.
- The staff member will listen to the grievance and attempt to resolve the situation in an agreeable fashion. Goals and a timeline will be clearly discussed and the student will have clear guidance on how the situation will be resolved.
- If the student is not satisfied, he or she may then request a Formal Grievance to be filed.

Formal Grievance Procedure

- All formal grievances will be in writing. The student will prepare a written statement which will explain the situation and the individuals involved. It will include dates and any remedies taken to rectify the situation. This is submitted to the Chief Academic Officer who will be involved with the grievance until it is remedied.
- The Chief Academic Officer will gather any additional information from the instructors and anyone else directly involved. At the Chief Academic Officer's discretion, the student may be called in for an interview.
- After the investigation is complete, the Academic Officer will notify the student in writing regarding the final outcome of the grievance. This decision will be written to the student within 10 days of receiving the formal grievance.
- If the student is still not satisfied, He/she may file a complaint with the Bureau for Private Postsecondary Education whose phone number and web-address is found in the above section titles "Complaints".
- All Grievances are logged and recorded. Any staff recommendations for improvement are communicated in writing to staff and/or administrators.

Leave Of Absence:

Should circumstances be such that a leave of absence is to be requested, a student must submit a request for a leave of absence to the main campus:

Andaman Institute of Massage
3108 San Luis Rey Rd., Oceanside, CA 92058

The written notice must contain a statement of the nature of the request. At the discretion of the Chief Academic Officer, a leave may be granted for a reasonable time, as warranted by the circumstances. If a student repeatedly resorts to the use of a leave of absence, and if such applications show a pattern of delays, or should the issuance of a leave of absence be such that it would significantly interfere with the planned completion of a program of study, the Chief Academic Officer may, in his/her sole discretion, dismiss a student from the program and issue the appropriate refunds as may be required.

Cancellation and Refund Policy:

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student completes and signs AIM's CANCELLATION FORM (CAN-001).
3. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$100.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.
4. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student Withdrawals:

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance. A notice of cancellation for the current term or from the school shall be in writing using the AIM cancellation form (CAN-001) and submitted to the school administrative office, 3108 San Luis Rey Rd. Oceanside, CA 92058. The student may request and receive a copy of this form from the instructor or any school employee. The refund will be less a registration or administration fee not to exceed \$35.00, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for three (3) consecutive weeks.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of hours in the program), multiplied by the number of hours scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three (3) consecutive weeks. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student Probation:

The Chief Academic Officer may place a student on academic probation if the student is not making satisfactory academic progress as per this institution's published policy. The student's grade point

average will be monitored at the end of each enrollment period as the grades are posted. Should the student's GPA fall below that required for graduation, a student may be placed on academic probation. This will result in a formal advisory, which will be sent to the student by mail, explaining the reason for the probation. If the student wishes to appeal the formal advisory, the student is to submit a written request for an administrative academic review to the school main campus:

Andaman Institute of Massage
3108 San Luis Rey Rd., Oceanside, CA 92058

After the completion of the currently enrolled term, the student will have two additional modules of instruction to bring his or her grade point average up to or exceeding the minimum standard of the institution. Thereafter, the student's failure to achieve satisfactory academic progress may result in dismissal from the program. The Chief Academic Officer will offer assistance in locating a suitable tutor, should such service be requested by the student. Any student seeking a tutor is financially responsible for the cost of all such tutoring.

Student Dismissal:

AIM reserves the right to dismiss or terminate a student for cheating or any inappropriate acts. This includes, but is not limited to, falsifying course work, inappropriate acts of a sexual nature, abusive or threatening behavior, and possession or under the influence of a controlled substance. To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number
