STUDENT'S RIGHT TO CANCEL

eLearning Courses

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the course from the beginning at current tuition and fees.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

Refund Policy

GIA's eLearning Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If

they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

Refunds for eLearning courses are based on a pro-rata percentage of the number of assignments submitted for grading prior to the End Date of the course.

If my enrollment is canceled:

- Within seven days after accepting this enrollment agreement OR before submitting my first course assignment, whichever is later - GIA does not retain any tuition.
- After submitting my first course assignment and before submitting more than 60% of the required course assignments - GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments OR after exceeding the course completion time limit - GIA retains 100% of the tuition.

All charges associated with the purchase of optional books and materials are nonrefundable.

Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition. Please visit store.gia.edu for additional information.

Sample eLearning Refund Calculation

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500

Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4);

Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

STUDENT'S RIGHT TO CANCEL

eLearning Courses

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the course from the beginning at current tuition and fees.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

Refund Policy

GIA's eLearning Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If

they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

Refunds for eLearning courses are based on a pro-rata percentage of the number of assignments submitted for grading prior to the End Date of the course.

If my enrollment is canceled:

- Within seven days after accepting this enrollment agreement OR before submitting my first course assignment, whichever is later - GIA does not retain any tuition.
- After submitting my first course assignment and before submitting more than 60% of the required course assignments - GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments OR after exceeding the course completion time limit - GIA retains 100% of the tuition.

All charges associated with the purchase of optional books and materials are nonrefundable.

Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition. Please visit store.gia.edu for additional information.

Sample eLearning Refund Calculation

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500

Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4);

Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

STUDENT'S RIGHT TO CANCEL

eLearning Courses

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the course from the beginning at current tuition and fees.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

Refund Policy

GIA's eLearning Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If

they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

Refunds for eLearning courses are based on a pro-rata percentage of the number of assignments submitted for grading prior to the End Date of the course.

If my enrollment is canceled:

- Within seven days after accepting this enrollment agreement OR before submitting my first course assignment, whichever is later - GIA does not retain any tuition.
- After submitting my first course assignment and before submitting more than 60% of the required course assignments - GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments OR after exceeding the course completion time limit - GIA retains 100% of the tuition.

All charges associated with the purchase of optional books and materials are nonrefundable.

Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition. Please visit store.gia.edu for additional information.

Sample eLearning Refund Calculation

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500

Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4);

Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

STUDENT'S RIGHT TO CANCEL

On Campus

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

STUDENT'S RIGHT TO CANCEL

On Campus

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

STUDENT'S RIGHT TO CANCEL

On Campus

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

STUDENT'S RIGHT TO CANCEL

On Campus

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

STUDENT'S RIGHT TO CANCEL

On Campus

Cancellation

I understand that I have the right to cancel my enrollment at any time before the end date specified on page 1 of the enrollment agreement, by notifying the manager of admissions in writing by mail or in person at The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008, by email at admissions@gia.edu, or by fax at 760 603 4003. I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

If I wish to withdraw from an On Campus program after the class has started, I should notify the office of the dean of students in writing by email at deanstudents@gia.edu.

I will be withdrawn from class if I fail to return from a leave of absence, do not maintain satisfactory academic progress, or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where my enrollment is terminated (cancellation or withdrawal), refunds will be calculated based on the Refund Policy below.

If I withdraw and wish to continue my studies at a later date, I will be required to re-enroll into the program, course, or class from the beginning at current tuition and fees.

Refund Policy

GIA's On Campus Refund Policy complies with California Education Code §94919, which specifies that Institutions shall provide a pro-rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 47 of the Education Catalog. Students who obtain a loan to pay for an educational program have the responsibility to repay the full amount of the loan, plus interest, less the amount of any

refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

Students who have obtained a loan to pay for an educational program, will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed back to the original remitter in the same manner payment was received. Cash payments will be refunded by check. Refunds are processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

If the enrollment is cancelled:

- Within 7 seven days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.
