- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Cancellation disclosure from Enrollment Agreement shall be provided on a separate document in 12 point type and 1.15 spacing.

– Caption shall state “STUDENT’S RIGHT TO CANCEL” in bolded 14 point type

Cancellation and Refund Policy

Registration Fee is non-refundable once submitted. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the 7th day after enrollment, whichever is later. (Meets CEC 94909(a)(8)(B) requirements)

- Non-refundable fees and time spent in the program will not be refunded.
- If you choose to cancel this agreement, AFPD will refund any money that you paid less specified non-refundable fees.
- Cancellation shall occur when you give written notice of cancellation addressed to CE Program Director and send by US certified mail, or hand delivered.
- The written notice of cancellation is effective on the date received by AFPD. The refund will be issued within 45 days of the notice of cancellation.

AFPD follows the refund guidelines set by the California Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdrawal from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AFPD will issue a pro rata refund based on the amount owed for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows: total tuitional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within (45) days of the student’s withdrawal or cancellation. The refund will be prorated if the student withdraws after the first-class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Please refer to additional information on California Laws on Refunds pertaining to fully paid tuition in the event the school permanently ceases to operate.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Cancellation disclosure from Enrollment Agreement shall be provided on a separate document in 12 point type and 1.15 spacing.

– Caption shall state “STUDENT’S RIGHT TO CANCEL” in bolded 14 point type

Cancellation and Refund Policy

Registration Fee is non-refundable once submitted. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the 7th day after enrollment, whichever is later. (Meets CEC 94909(a)(8)(B) requirements)

- Non-refundable fees and time spent in the program will not be refunded.
- If you choose to cancel this agreement, AFPD will refund any money that you paid less specified non-refundable fees.
- Cancellation shall occur when you give written notice of cancellation addressed to CE Program Director and send by US certified mail, or hand delivered.
- The written notice of cancellation is effective on the date received by AFPD. The refund will be issued within 45 days of the notice of cancellation.

AFPD follows the refund guidelines set by the California Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdrawal from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AFPD will issue a pro rata refund based on the amount owed for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows: total tuitional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within (45) days of the student's withdrawal or cancellation. The refund will be prorated if the student withdraws after the first-class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Please refer to additional information on California Laws on Refunds pertaining to fully paid tuition in the event the school permanently ceases to operate.

- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Cancellation and Refund Policy

Registration Fee is non-refundable once submitted. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the 7th day after enrollment, whichever is later. (Meets CEC 94909(a)(8)(B) requirements)

- Non-refundable fees and time spent in the program will not be refunded.
- If you choose to cancel this agreement, AFPD will refund any money that you paid less specified non-refundable fees.
- Cancellation shall occur when you give written notice of cancellation addressed to CE Program Director and send by US certified mail, or hand delivered.
- The written notice of cancellation is effective on the date received by AFPD. The refund will be issued within 45 days of the notice of cancellation.

AFPD follows the refund guidelines set by the California Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdrawal from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AFPD will issue a pro rata refund based on the amount owed for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows: total tuitional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within (45) days of the student's withdrawal or cancellation. The refund will be prorated if the student withdraws after the first-class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Please refer to additional information on California Laws on Refunds pertaining to fully paid tuition in the event the school permanently ceases to operate.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Cancellation and Refund Policy

Registration Fee is non-refundable once submitted. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the 7th day after enrollment, whichever is later. (Meets CEC 94909(a)(8)(B) requirements)

- Non-refundable fees and time spent in the program will not be refunded.
- If you choose to cancel this agreement, AFPD will refund any money that you paid less specified non-refundable fees.
- Cancellation shall occur when you give written notice of cancellation addressed to CE Program Director and send by US certified mail, or hand delivered.
- The written notice of cancellation is effective on the date received by AFPD. The refund will be issued within 45 days of the notice of cancellation.

AFPD follows the refund guidelines set by the California Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdrawal from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AFPD will issue a pro rata refund based on the amount owed for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows: total tuitional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within (45) days of the student's withdrawal or cancellation. The refund will be prorated if the student withdraws after the first-class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.
