The tuition and fee schedules above do not include books, assessment and transfer fees(if applicable). Students must purchase books on their own. The school does not supply or sell books. The total

charges for the period of attendance is the summation of all of the charges above. The estimation of total program cost for cosmetology, barbering, skin care, and manicurist, massage therapist and practitioner program is \$6,900, \$6,100, \$3,100, \$1,200, \$4,900, and \$6,600, respectively. The estimated schedule of total charges exceed those of the total cost because students purchase materials/products during practical exercises; some may spend more or less than others depending on their skill levels. The kit that the school provide is the starter kit only.

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

CANCELLATION AND REFUND POLICY

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

You must cancel in writing. You do not have the right to cancel by just telephoning the school or by not coming to class. The student can submit a Notice of Cancellation, which will be provided to you at enrollment, to the school Director at 7717 Garden Grove Boulevard, Garden Grove, CA 92841. King Beauty College has up to 45 days from the date that the student's withdrawal has been determined to credit the refund to the student. King Beauty College will refund 100 percent of the amount paid for instructional charges less a \$100 non-refundable registration fee to all students without penalty or obligation provided that a written notice of cancellation is made prior through attendance at the first class session or the seventh calendar day after enrollment, whichever is later.

Each student will receive a written statement containing King Beauty College's refund policy, together with examples of the application of the policy, before signing the enrollment contract. King Beauty College will make its policy known to currently enrolled students.

King Beauty College will refund the unused portion of tuition fees to the student who withdraws from the course of study prior to completion of the program. The refund policy for students who have completed up to but not more than 60 percent of the course of instruction will be pro-rated.

The methods of calculating refund are listed below:

1. Deduct a non-refundable registration fee of \$100 and costs of kits from the total tuition charge.
2. The balanced from Item (1) will be divided by the number of hours in the program.
3. The quotient is the hourly charge for the program.
4. The amount to be refunded to the student for purposes of calculating a refund is derived by multiplying the total unattended hours by the hourly charge for instruction.

WITHDRAWAL FROM THE COURSE

The student has the right to withdraw from a course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the agreement, which is through attendance at the first class session or the seventh day after enrollment, whichever is later, the school will remit a refund less a registration fee and kit supplies, if applicable, within 45 days following his/her withdrawal. The student is obligated to pay only for educational services rendered and for unreturned equipment. The refund shall be the amount that the student paid for instruction multiplied by a fraction, the numerator of which is the total number of hours of instruction which the student has not received but for which he/she has paid, and the denominator of which is the total number of hours of instruction for the course that he/she paid. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

King Beauty College does not participate in federal and state financial aid programs. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both the following may occur: The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

REFUND EXAMPLE

Let's say a student enrolls in a Cosmetology course that requires 1,600 clock hours to complete. The student pays \$6,000 for tuition, \$100 for registration fee, and \$800 for kits as specified in the enrollment agreement. Shortly after beginning the 1600 clock-hour course, the student withdrew from the course and requested a refund for the balance of the hours not attended or not completed. Below are the calculations for the pro-rata refund. Registration fee is not refundable.

Course	Tuition	Reg. Fee	Kits	TOTAL
Cosmetology	\$6,000	\$100	\$800	\$6,900

As a policy, King Beauty College shall not provide refund to the student for used kits due to sanitary reason.

1. Tuition divides 1,600 clock hours = \$3.75/hr
2. The balance of unused hours multiply by the cost per clock hour
(1,600 - 600) x \$3.75/hr = \$3,750.00

The student is entitled to a refund of \$3,750.00 for the 1,000 unattended hours of classes. King Beauty College shall pay or credit the refund due on a reasonable basis, not to exceed 45 days following the date upon which the student's withdrawal has been determined.

NOTICE OF STUDENT RIGHTS AND GRIEVANCES

The student may cancel his or her contract for school, without any penalty or obligations provided that a written notice of cancellation is made prior to or on the first day of instruction or the seventh day after enrollment, whichever is later. King Beauty College will refund 100 percent of the amount paid for instructional charges less a \$100 non-refundable to all students without penalty or obligations. If the student received kit, the institution will not accept return of kit due to sanitary reason. The student must cancel in writing. The student does not have the right to cancel by just telephoning the school or by not coming to class. The student can submit a Notice of Cancellation, which will be provided to him/her at enrollment, to the school Director at 7717 Garden Grove Boulevard, Garden Grove, CA 92841. King Beauty College has up to 45 days from the date that student's withdrawal has been determined to credit the refund to the student. Read the Notice of Cancellation form for an explanation of the student's cancellation rights and responsibilities. The student may ask for another copy of the Notice of Cancellation form if he/she has lost or misplaced it.

1. After the end of the cancellation period, the student also has the right to stop by the school at any time, and that student has the right to receive a refund for the part of the course not taken. His or her refund rights are described in the contract. If the student loses the contract, he or she may ask for another copy.
2. If the school closes before the students graduate, the students should first request a refund from the school for any unused funds.
3. Students can use an internal process first to file complaints but it is not required that they should do so. The students can contact the Bureau at any time. The student can file complaints to King Beauty College by following the steps below:
 - a. Fill out the complaints form and list all complaints.
 - b. Deliver the complaint form to the school director.
 - c. All complaints regardless of the nature will be submitted to the president for review.
 - d. The office manager will evaluate the nature of the complaint and set an appointment with the one who submitted the complain form within 5 business days from the receipt of the date the complaint form was received.
