Procedure for Enrollment

An applicant makes an appointment for an interview with the admissions representative. Upon arrival at the school, the applicant will complete an application covering his/her personal and educational goals. The applicant is then taken on a tour of the facilities. This tour includes an explanation of classroom instruction and activities. A financial interview is then completed with the Business Office. The school retains the right to accept or reject an applicant based on the applicant's character references, scholastic status, and/or financial status. Presuming all requirements and standards of admissions are met, and the applicant is motivated and prepared to make the financial and personal commitment toward his/her chosen training program, an enrollment agreement between the school and the applicant is then signed, the registration fee of \$150.00 is paid, and a start date is set. The student is required to pay the registration fee along with the full tuition or the first installment of tuition on or prior to the seventh consecutive day of class unless other arrangements are made.

The procedure for orientation will be to review and explain academic and attendance policies, tardiness, early departure, academic progress reports, the student's responsibilities, and the need for regular study to be prepared for the daily lecture. Also covered in orientation are the services provided by the school and the conduct expected of a California Language School student. All enrollment and financial documentation is due from the student on orientation day and any questions will be addressed.

Reinstatement

A former student requesting to be reinstated as an active student, based on whatever reasons or circumstances, should do so in writing. Supporting documentation and/or information concerning any mitigating circumstances should be included in the request. A reinstatement committee shall notify the former student of the reinstatement review decision within 30 days following the final decision.

Disclosure and Retention of Education Records

Students have the right to inspect, review, and challenge information contained in their education records. Education records are defined as files, materials, and documentation maintained by the institution. Written consent is required before education records may be disclosed to third parties with the exception of regulatory education agencies. Students wishing to review their file must make an appointment with the appropriate department. All appointments must be made during regular business hours. At no time may the student and/or parents remove, destroy or damage any documents or contents in the file.

Student Records

The Family Educational Rights and Privacy Act of 1974 prohibits an institution from releasing the school records or any other information about a student to any third party without the written consent of the student. CLS protects the privacy and confidentiality of all student records. Students are guaranteed the right to access their own files. Student records will be maintained electronically for five years from the last date of attendance. Transcripts are maintained permanently.

Library (Resource Center)

A reference library is located adjacent to classrooms and is available to all students to provide English language resources that may aid them in their program of study. Students may use the reference books while visiting the library, but are asked not to remove materials which may be needed by other students. Students that need articles or information photocopied are asked to contact Student Services, who will be happy to accommodate them.

Student Lounge

The student lounge, located by the elevator, is available for the convenience of all students. Students are asked to dispose of all eating and drinking containers in the appropriate refuse container located in the student lounge.

Housing

California Language School does not assume responsibility for student housing, does not have dormitory facilities under its control, nor offers student housing assistance.

However, California Language School provides the following guidance on the website:

There are a number of privately owned apartments within walking distance of the CLS. If you stay a short time, or you need somewhere to stay while you can make a decision for housing, you can stay in a hotel. We recommend the following hotels:

Howard Johnson

Tel. 213 385 4444

This hotel is located next to the California Language School, so you can easily walk to and from school each day. The price is about \$75 ~\$100 a night (plus tax) for a room with two double beds. Up to four people can stay in the room.

New Seoul Hotel

2666 W. Olympic Blvd, Los Angeles, CA 90006

This hotel is a luxury hotel for \$119~\$300 a night (plus tax), less than 1 km from CLS.

There are many apartments available for rent in Koreatown. For a studio apartment, monthly rentals begin at \$750. For a one-bedroom apartment, rents start at \$1,000. You can check Craigslist for a list of available apartments before you arrive. Enter '90005' in the 'Search For' line, and you will see all the places near the school.

If you plan to rent or lease an apartment, let us know and we can send you a document that will help you with the process.

Homestay

One of the best ways to improve your English is by living with an American family. This is called homestay. If you would like to stay with an American family instead of living by yourself, we recommend that you contact HomeStay in LA. They are a separate organization from us, so you should apply directly to them with your housing request.

Job Placement

California Language School does not provide job placement assistance.

ATTENDANCE AND ACADEMIC POLICIES

ATTENDANCE POLICY

It is important that the school have a record of attendance for each student. It is the student's responsibility to scan in and scan out using his/her ID card to ensure an accurate record of attendance. Failure to do so can cause the international student to be out of status on the transfer release form. Hours of attendance are part of the educational requirement and must be recorded. Students must maintain 80% cumulative attendance in order to be considered maintaining "Satisfactory Attendance Progress" to prevent their training from being interrupted. Excessive absences may result in probation or termination.

Tardiness

California Language School expects students to be on time for each class session. A student is considered tardy for class if he/she arrives within 10 minutes after the scheduled start of class. Any combination of three (3) documented tardies will be considered as one (1) absence. If a student misses more than 10 minutes he/she will be marked absent for an hour or for the time absent rounded to the next 10 minute increment if over an hour.

Leaving Early

California Language School expects students to remain in class for the entire session. A student is considered leaving early from class if he/she leaves earlier than 10 minutes prior to the close of class. A student should tell the Instructor prior to leaving early from class. A student leaving early from class will be marked daily as leaving early. Any combination of three (3) documented early departures will be considered as one (1) absence. If a student misses more than 10 minutes he/she will be marked absent for an hour or for the time absent rounded to the next 10 minute increment if over an hour.

Absences

A student absent for 10 consecutive class days without an approved leave of absence will be terminated as of the last day of attendance. If the student is in immigration status, SEVIS will be notified within 10 days of unapproved student absences.

Attendance Probation Policy

Any student failing to maintain 80% of the program hours shall be placed on two-week attendance probation. The student will be allowed to make up hours and/or exams outside of the students scheduled class time by arranging to do so with school management or instructor with activities approved on a learning plan. A student may make up no more than 10% of a term's hours.

Leave of Absence Policy

If a Leave of Absence is required, a student must submit in writing to the Student Services Department the basis of the request, expected return date, and the initial date of request with the student's signature. This request does not automatically reflect the approval. A Leave of Absence may be limited to a specified amount of days (*no longer than one-half the published program length*). Only one Leave of Absence will be granted for a student during any 12-month enrollment period. No leave of absence is permitted for the four-week program.

If the leave of absence is NOT approved, or the student does not return from an approved leave of absence, the student will be considered to have withdrawn from the school if not in attendance. Students with an F-1 visa will have the withdrawal entered into their SEVIS record reporting the withdrawal to the Student Exchange Visitor's Program (SEVP).

If the Leave of Absence is approved, the student may return prior to or at the end of the Leave of Absence and resume training without paying additional tuition. Students requesting Leave of Absences must understand that upon return, a revised course completion date will be established, which will delay their graduation date. Remember, a *Leave of Absence delays your graduation*.

At no time can the school back date a leave of absence. Therefore, it is important that the leave of absence is approved prior to any absent days. Time taken on a leave of absence does not count in the satisfactory academic and attendance formula.

No additional charges are assessed for applying or taking a leave of absence.

Academic Progress

Satisfactory Progress is defined as each student maintaining a cumulative grade point average of 70% = C or better. For determining satisfactory progress and facilitating discussion of the student's training progress, a progress report is administered to the student monthly, for all programs.

Grading Format

A = Excellent.....90% - 100%

B = Good.....80% - 89%

C = Satisfactory.....70% - 79%

D = Poor.....60% - 69%

F = Failing..... Below 60%

I = Incomplete

P/F = Pass/Fail.....Credit/No Credit Assigned

Each student is expected to maintain attendance and progress that allows completion of the program within 12 weeks/240 hours for ESL programs, 12 weeks/240 hours for TOEFL programs and 4 weeks/80 hours for the 4-Week Intensive course, at a cumulative minimum attendance of 80%.

Graduation Requirement

Students must have a cumulative grade point average of 70% or "C" grade and 80% cumulative attendance in order to be considered for completion.

Upon successfully completing the program, meeting all completion requirements, students will receive a Certificate.

The Certificate will be available to graduates no later than 30 days from last day of attendance unless Student Services receives a written request to provide it earlier.

ESL Level Advancement

To accommodate the varying levels of ability, age and linguistic background of its students, California Language School offers a unique course schedule which can be adjusted to the different rates of language acquisition among international students studying English. Students coming from Europe or South America typically acquire English at a quicker pace than students from China, Korea and Japan. That is, students whose mother tongue is from the Indo-European language family such as Spanish, French or Persian, comprehend English vocabulary and grammatical structures more quickly than students whose mother tongue is from the Ur-Altai or Mongolian language family.

For this reason students can pace themselves accordingly. One student can advance from one level to another after three months (such as from ESL Beginning Ia to ESL Beginning Ib); another student can advance in six months (such as from ESL Beginning Ia to ESL Beginning Ib, and then to ESL Intermediate Ia, and so). In this way students who excel in their English language acquisition can complete their program in 9 months; students who need more time can complete it in 9-36 months. No student will be allowed to receive instruction past the third year.

Academic Probation

A student achieving a grade point average below 70% or a “C” at the time of evaluation will be advised of his/her unsatisfactory academic progress and placed on academic probation with a documented learning plan for 6 weeks in the ESL programs and 6 weeks in the TOEFL programs until such time as his/her grade point average reaches a minimum of 70% or “C”. A student’s visa remains active while on probation. If the student fails to achieve a “C” average within three months, he/she will be withdrawn and the student’s withdrawal will be reported to the SEVIS. A student who does not pass the 4-Week Intensive course may request to be re-enrolled and will be placed on probation for the 4-Week Intensive course; the 4-Week Intensive course can only be repeated once while on probation.

Any student failing to maintain 80% of the program hours shall be placed on a two-week attendance probation. The student will be allowed to make up hours and/or exams, and be removed from probation, as documented on the learning plan.

Proficiency Levels

If a student does not achieve a 70% or a “C” at the end of a program he/she may repeat the current program level with a documented learning plan.

Language Training Length

A student may obtain training from California Language School for a maximum of 36 months.

Appeal

If a student does not agree with a progress report or probation status he/she may appeal the statements/decision. He/she must submit a written appeal to the School Director within one week of the progress report meeting with documentation to support the appeal, where appropriate. The Director will make a decision within seven days and notify the student of her decision in writing.

Student Behavior/Conduct

Students are expected to conduct themselves in a professional manner at all times. Students who are dressed inappropriately may be subject to disciplinary action. The effectiveness of any training program is dependent upon the full cooperation of students and school personnel. Consequently, all students will be expected to extend their best efforts to work harmoniously and conscientiously with instructors and administrators to further their training program. Students must adhere to high standards of academics, attendance, and conduct.

Learning how to communicate and deal with a variety of people, coping with frustration, solving problems, disciplining oneself, and dressing professionally are just a few of the ingredients that go into the makeup of a professional.

Those whose conduct discredits themselves or the school may be subject to dismissal. Administration reserves the right, in the exercise of their judgment, to dismiss a student for a variety of reasons, including, but not limited to:

Grounds for Disciplinary Action or Termination

1. Unsatisfactory academic performance.
2. Unsatisfactory attendance.
3. Unprofessional conduct that reflects unfavorably upon the school and/or its students.
4. Gambling, profanity or the use of drugs, narcotics, alcohol (or under the influence).
5. Failure to meet financial requirements.
6. Inappropriate clothing worn in class.
7. Failure to abide by the rules and regulations of the school.
8. Failure to pay tuition (or any other charges) when due.
9. Breach of school enrollment agreement.
10. Cheating.
11. Falsifying school records.
12. Carrying a potentially dangerous weapon.
13. Disorderly conduct that interferes with the learning process of any other student or instructor, or the general progress of the class.
14. Instigation and/or participation in rebellious activities against the school and/or its student(s).
15. Solicitation, which reflects unfavorably upon the school and/or its students.
16. Vandalism of school property.
17. Any form of gang-related activity including, but not limited to flashing of gang signs, wearing of gang colors/attire, etc.
18. Fighting (physical or verbal).
19. Verbal confrontation with any employee and/or student.

Disciplinary action may include, but is not limited to, a verbal or written warning, probation, suspension, or dismissal.

Dismissal

California Language School reserves the right to dismiss any student whose attendance, conduct, or academic performance does not meet the minimum standards and/or who fails to abide by the rules and regulations. Any student who has been dismissed may appeal the action by following the student appeal procedures outlined in this catalog.

Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the

institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
