PLACEMENT: Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student's name is recorded in student register and the process of follow-up begins. When students take the licensing examination, it is recorded as a pass or fail. Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students may be sent on interviews and assisted with additional salon placement referrals. **Mr. Gary Adams** assists students in placements as often as needed; however, the school does not guarantee placement to any student.

HEALTH AND PHYSICAL CONSIDERATIONS: Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

STUDENT CLOCK HOUR POLICY: The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. This seven-minute period applies to starting of the class day only. If you do not arrive and clock in by 8:38 a.m. you may not clock in for the day without excused permission. Students who are habitually tardy (4) times in one month will be counseled and if tardiness continues may be suspended or be placed on probation until tardiness ceases. A thirty (30) minute lunch break shall be taken when a student attends over (6) hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom. **Instructors may not sign a student in or out. If an error is made on the student time card the instructor must draw a line through the error and make the correction and the student and instructor must initial the change.**

You must clock in and out for the lunch break and you must leave your time card in the appropriate designated area. If you fail to clock in and out for lunch you will be subject to disciplinary action. If you are unable to take your lunch at the designated time (11:30 a.m. –1:30 p.m.) you must report to your immediate Instructor and he/she will resign your lunchtime for that day only. Only your immediate Instructor may reassign your lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom. At the completion of the day, the new time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the next day's time card. The time card must be signed by the student/instructor daily.

Time cards reflect the student's daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the rooster. The time cards are the property of the school and must remain in the school at all times. After clocking in you are required to maintain applied effort, personal grooming and remain in the building; reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your suspension / or termination.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits. Each Theory credit must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portion of the time card concerning operations are to be applied efforts of the student; as they manually perform a practical subject. Some practical operations may take longer to perform according to the student. Note the following time frame the Board gives for each operation: **Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour & Hair cut = 1/2 to 1 hour** Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

CAREER COUNSELING: Students are advised/counseled individually, as often as necessary at least every six weeks to review the student's progress and adjustment. Successful Salon Owners and Stylists are scheduled into the school regularly to give demonstration and discuss career goals, etc. with the students. This activity supplements the daily counseling carried out by the instructors and supervisor. Students may request additional counseling sessions at any time. Students are given personal attention assistance at every stage of training from the first day of enrollment to the day of graduation. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given to preparation for Licensing Examination.

VOTER REGISTRATION: We encourage all students to vote and be registered. For information of how and where to register please contact: www.sos.ca.gov/elections or you can call (800) 345-8683

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP) The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Royale College of Beauty And Barbering. It is printed in our catalog and on our website to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

1. Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.
2. Students that are attending the course programs whom have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed. This standard shall apply to all students except those on a medical approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days will be dismissed and need to contact the FA office. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. **Evaluations** are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog School Rules pages **11-12**.
3. Complete the course within one and one-half (1-1/2) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks. Students that do not complete their course of study within the 150% time frame will be dismissed.
4. Students must meet minimum academic (70%) and attendance (67%) requirements at the end of each payment period of the course to be considered as meeting satisfactory progress until the next evaluation period.
5. All students will be provided a hard copy of their completed SAP evaluation form at the conclusion of their SAP counseling.

EVALUATION PERIODS: Evaluations will be performed for all students based on the US Department of Education Regulations and definition of an Academic Year and will be performed at the end of each payment period. USDOE defines an academic year as being 900 clock hours & 26 calendar weeks, a payment period is defined as 450 clock hours & 13 calendar weeks per period. Based on the above definition the Cosmetology course will contain two (2) 450 clock hours payment periods & 26 weeks = 900 clock hours & 26 weeks and the remaining 700 hours of the course will be prorated and contain (2) 350 hour payment periods = 700 clock hours & 22 calendar weeks. Based on the above definition the Barbering course will contain two (2) 450 clock hours payment periods & 26 weeks = 900 clock hours & 26 weeks and the remaining 600 hours of the course will be prorated and contain (2) 300 hour payment periods = 600 clock hours & 18 calendar weeks. Using the above definition(s) the following schedule will be followed for determining when the student will be evaluated: **The evaluations(s) will be performed based on when the student actually reaches the end of each payment period.** Based on Full-time enrollment status. Part-time enrollment status will be calculated based on the above formula.

Cosmetology: PP (1) 450 hours & 13 calendar weeks, PP (2) 900 hours & 26 calendar weeks, PP (3) 1250 hours & 37 calendar weeks and PP (4) 1600 hours & 48 calendar weeks. Based on Full-time enrollment

Barber: PP (1) 450 hours & 13 calendar weeks & PP (2) 900 hours & 26 calendar weeks, PP (3) 1200 hours & 35 calendar weeks and PP (4) 1500 hours & 44 calendar weeks. Based on Full-time enrollment

Cosmo/Barber Crossover: The first evaluation will be conducted at the midpoint of the course 100 clock hours and the final evaluation will be conducted at 200 hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations.

Esthetician, Instructor Trainee & Manicuring 600 hours: These courses shall be prorated based on the above definition of an Academic year 600 clock hours and 18 weeks . PP (1) 300 hours & 9 calendar weeks & PP (2) 600 hours & 18 calendar weeks. Based on Full-time enrollment.

Manicuring 400 hours: The first evaluation will be conducted at the midpoint of the course 200 clock hours and the final evaluation will be conducted at 400 hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 450 or 300 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

WARNING: Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. At this time the student will be told of the steps to take to initiate an appeal process.

PROBATION: Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

APPEAL PROCEDURES: If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten (10) days of the non-satisfactory progress status to the director of the institution. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

RE – ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS: Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

TRANSFER HOURS: Transfer hours from another institution that are accepted towards your current educational program will not impact your current SAP as they are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours of the institution.

INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS: Course in-completes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NON-CREDIT, REMEDIAL COURSES, REPETITIONS: Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

ATTENDANCE STATUS: Full time: Any student scheduled to attend 24 hours or more per week are considered to be full-time students. Part-time enrollment is defined as at least 16 but less than 24 hours per week. Less than 16 hours per week is less than half time. Half time enrollment requires a minimum of 12 hours per week. **See page (4) for more information.**

MAXIMUM TIME FRAME: The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. The evaluation form reflects the overall Attendance (measured in actual hours & weeks) and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

ACADEMIC GRADING	PRACTICAL POINTS
100% - 90% = A = Excellent	04 POINTS=A
89%- 80% = B =Above Average	03 POINTS=B
79% - 70% = C =Average	02 POINTS=C
69% - 60% = D=Unsatisfactory	01 POINTS=D
59% - 00 %= F=Fail	00 POINTS=F

LEAVE OF ABSENCE: There may be times when a student may experience personal, medical, or other problems which will make it difficult for them to attend classes for a period that extends beyond 14 days. In such case, the school may allow a student to take a LOA (Leave of Absence) from the program. A student requesting a LOA are required to apply in advance in writing, and must include the reason for the request, an include the student's signature. A student is required to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to school, the student would not have been able to request the LOA in advance. Because of the situation, the school may grant a LOA to the student who did not provide the request prior to the LOA due to "unforeseen circumstances", if the school documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend the school because of the accident. The start and end date of LOA must be included in the written request. There must be a reasonable expectation that the student will return from the given LOA. The school's administration will review and determine the requested LOA for approval. A leave of absence may be granted for up to 180 days within a 12 month period. These 12 months initiate from the first day the student goes on the first leave. Students **will not be assessed additional tuition charges while on their leave of absence.** Students returning from an authorized LOA, the student must report to the school administration.

The school must extend the students contract period and maximum timeframe period by the same number of calendar days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. Students who do not return to the school at the expiration of an approved LOA (or a student takes an unapproved LOA) will be considered dismissed from the program as of their last class day of attendance prior to the start of the leave. Withdrawal date for the purpose of calculating a refund is always student's las day of attendance. A refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 45 days. A record in the form of documentation will be maintained in your student file.

For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to start of classes. For those students who are not receiving financial aid, payment schedules (weekly, monthly, and quarterly) are available. Methods of payments accepted by RCBB: Cash, Master Card & Visa only credit cards, Money orders, Personal Checks, Title IV, Loans, etc.

THE COLLEGE RESERVES THE RIGHT TO CHANGE THE TUITION AND FEES AND MAKE SUBJECT CHANGES WITHOUT PRIOR NOTICE WHEN NECESSARY. ANY CHANGE WILL NOT AFFECT ATTENDING STUDENTS.

Sec. 1101 et seq.)

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when enrollment agreement was signed) whichever is later. A Notice of Cancellation form is given to the student up on enrollment. The Notice of Cancellation shall be in writing and submitted directly to the Financial Aid Office, if sent by mail, it is effective when deposited and properly addressed with postage prepaid. A withdrawal may be initiated by the student's written notice or by institution due to the student's academics or conduct, including but not necessarily limited to, a student's lack of attendance. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a refund for part of the course not taken. Your refund rights are described in the Refund Policy and in the enrollment Agreement.

REFUND POLICY—WITHDRAWAL PRIOR TO COURSE COMPLETION: Once the student has been determined by the institution to have withdrawn from the course of study, refund policy calculations are performed under the two distinctive and different calculations formulas: The Institutional Refund Policy applicable to all regular students, and the Federal Return to Title IV refund calculation that applies to students who received federal aid.

INSTITUTIONAL REFUND POLICY: After the cancellation period, the institution will provide a pro-rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences) there will be no refund to the student. If the student has received federal student aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. A registration fee of \$250.00 is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

DETERMINATION OF WITHDRAWAL FROM SCHOOL: The withdrawal date shall be the last physical date of attendance recorded in the institutional records. Return of Title IV Funds and Institutional Refund Policy will use this date in their calculations as the end date of the payment period or enrollment period. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

ENROLLMENT TIME is defined as the hours of attendance, that portion of the course scheduled to be completed on the student's last day of physical attendance in the school. Any monies due the applicant or student shall be refunded promptly (45 days) after formal cancellation by the student as defined in item B or formal termination by the school, which shall occur no more than 14 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that they will not be returning.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. **Refund Payments:** If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG, 10. SCHOOL CLOSURE OR COURSE CANCELLATION: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, or in the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. The school does not participate in any teach-out plans with other institutions. "The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school. APPLICATION PROCEDURES AND FORMS: Financial aid applications for this institution consist of the following: Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Using FAFSA on the Web provides the student and/or parents the ability to use the IRS retrieval tool to obtain tax information from the IRS on completed taxes. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances. The FAFSA may be filed on paper and delivered to the school or the student and parents may go to FAFSA on the Web.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 15, of the award year from which aid is requested from, or your last day of enrollment in 2018-2019, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected. You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.

Renewal Process: A FPELL Grant award is received for one award year (July 1 to June 30 of the following year), and **is not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the financial aid office for each award year.

Maximum Annual Award: \$6,095.00 for 2018-19, (one academic year in two equal payment periods)

Maximum Lifetime Eligibility Used for Pell 600%- A student's maximum amount of Pell Eligibility is 6 scheduled awards, as measured by the percentage of "Lifetime Eligibility Used"(LEU) field in COD (one scheduled award equals 100% LEU)

Federal William D. Ford Direct Loan Program

Funds received from either of the loan programs are subjected to repayment from the student.

Before a loan document is submitted to the ED, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

Federal Direct Subsidized Loan (Interest Rate on or after July 01, 2018 and Prior to July 01, 2019 5.05%)

Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government pay interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of a variable percentage but not to exceed 3% rebated directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combined amount borrowed does not exceed applicable loan limits and that the student's eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

Maximum Annual Award: First level \$3,500, Second level \$4,500, Third level \$5,500 (Max aggregate \$23,000).

These loans are subject to a maximum eligibility of up to 150% of the length of the program of study. Previous loans obtained could affect the student 150% eligibility.

Federal Direct Stafford Unsubsidized Loan (Interest Rate on or after July 01, 2018 and Prior to July 01, 2019 6.06%)

These loans expand the ability of the U.S. Department of Education to make "Unsubsidized" Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

Unsubsidized loans are not need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

Deadlines:

Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested. The student is responsible in locating his or her own lender that participates in the FFEL Loan Program.

Dependent student **without Parent** loan or **independent** students: first year \$6,000, second year \$6,000, third year and beyond undergraduates \$7,000

Determining Need

RCBB utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution. A SAR will be mail to the student and an ISIR to the institutions listed on the FAFSA. Both forms will provide the Expected Family Contribution (EFC) that will be used against the student Cost of Attendance (COA), the difference between these two is what is called student Need.

DETERMINING NEED The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution.

It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. **For additional information, read the pamphlet "Direct loan Entrance Interview"**

Federal PELL Grant Program Funds received under this program are not subject to repayment from the student.

DEADLINE: FASFA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office before September15 or earlier, of the award year from which aid is requested from, or your last day of enrollment in 2018-2019, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

MEDIAN LOAN DEBT: This preliminary median loan data is pending confirmation from the U.S. Department of Education. It reflects total debt, including costs of living, while the median loan amount prescribed under the Department's gainful employment regulations excludes such costs of living.

DISBURSEMENT: They are made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account. Federal Supplemental Educational Opportunity Grant (FSEOG)

Funds received under this program are not subject to repayment from the student.

DEADLINE: DISBURSEMENT: Made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant and have a zero (0) EFC first. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds still available, a second priority will be given to students having a higher EFC or Non Pell recipient students with the lowest Expected Family contributions enrolled during the last three months. For additional information on Federal Financial Aid programs, request "The Student Guide" published by USDOE.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE COURSE OF STUDY: Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG

grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

VACCINATION POLICY: We do not have a policy but all students must have their required vaccinations up to date and it is the students responsibility to maintain their vaccination schedule.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student financial needs. Therefore, the school emphasizes the **SELF-HELP CONCEPT** of student financial assistance.

The **SELF-HELP CONCEPT** is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. **ALL LOANS MUST BE REPAID.**

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or, PLUS Loans)

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select

FSEOG recipients is as follows: This institution has a continuing enrollment process in which students may start each Tuesday of each week or Wednesday when Tuesday is an observed Holiday. In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year proceeding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 60 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/18 to 6/30/19 period. Therefore, the awards to those students will be up to \$400.00 through the entire period and may be increased up to \$500.00 depending on the availability of funds. As of July 1, 2018 the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for the FPELL Grant Program with the lowest expected family contribution that enrolled during the last quarter of the award year (March to June). Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year. It is our institutional policy to protect our students from incurring unnecessary loan debts, therefore students are carefully interviewed during the enrollment process to secure that the students will utilize any available funds available to them to meet their educational expenses (school charges, transportation, personal or child care) before a need for loans be included in their financial aid package).

CREDIT BALANCE: A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. On a credit hour program, the number of semester/trimester credits is 24 credit hours, in a quarter system it will be 36 quarter credit hours and in both cases the number of instructional weeks would be not less than 30 weeks.

If at the end of a payment period under financial aid warning status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of his/her ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

WITHDRAWALS: Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

RECOVERIES: Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grant programs still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within 45 days from the student's withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by U.S. Department of Education.

REFUNDS: In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date in the following order: FDirect, FPELL FSEOG, other sources and to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

TRANSFER STUDENT: A student, who attended a Post-secondary institution before the enrollment at **RCBB**, is no longer required to obtain a Financial Aid Transcript **from each** of the institutions attended within the last six months before the enrollment at this institution. However all institutions must have a registered password with NSDLS.

Institutional Verification Policy and Procedures

What is verification? The verification process is a process where the institution will require the student/spouse/parent to provide documentation to support the data reported on the FAFSA and printed on the SAR/ISIR. It is anticipated that about 30% of the students will be selected for verification by the United States Department of Education (USDE) via its contractor (CPS) or by the institution's Financial aid Office.

How do I know that my application has been selected

The verification flag will have a value of "Y," and next to the EFC will be an asterisk referring to a comment in the student section of the SAR that tells applicants they will be asked by their school to provide documentation.

For 2018–2019 verification tracking flags will place the student in one of three 1,4 & 5 verification tracking groups, which will be

explained later. The institution must verify any information in which there is a reason to believe it is incorrect on any application. Students with these applications are considered to be selected for verification by your school even though you may not be verifying the same data as for CPS-selected applications.

The institution, at its discretion, may require a student to verify any FAFSA information and to provide any reasonable documentation in accordance with consistently applied school policies. Regardless whether the application was selected by CPS or by the institution, all other verification requirements, such as deadlines and allowable tolerances and interim disbursement rules, apply equally to all students who are being verified.

What Items need to be verified? Once the student is placed in a group, each group contains different items that need to be verified.

Verification tracking groups

Students who are selected for verification will be placed in one of the three following groups, V1,V4,V5. The group determines which FAFSA information must be verified for the student. The data to be verified would correspond to the data reported by the student, the student spouse and, or, if applicable, the parent whose data was also included in the FAFSA.

Verification tracking groups

The data to be reviewed will correspond to the data required in each of the following groups:

V1 **Standard Verification Group.** Tracking flag V1

V4 **Custom Verification Group.** Tracking flag V4.

V5 **Aggregate Verification Group.** Tracking flag V5.

Items to verify per group assigned

Who can be excluded from the verification process? Death of the student. Not an aid recipient.

The applicant is eligible to receive only unsubsidized student financial assistance

Applicant verified by another school. The student provides documentation that he/she completed the verification process for the current award year at another school before transferring.

The FAFSA data must be the same as it was at the previous school, and you must get a letter from that school stating that it verified the application and has provided the transaction number of the pertinent valid ISIR.

Post enrollment. The student was selected for verification after ceasing to be enrolled at your school and all (including late) disbursements were made. Unless the FAO has a reason to believe it is inaccurate, you don't have to document the reported FAFSA information of the parents of a dependent student if any of the following apply: Both of the parents are mentally incapacitated.

They are residing in a country other than the United States and can't be contacted by normal means.

They can't be located because the student does not have and cannot get their contact information.

Unless the FAO has a reason to believe it is inaccurate, you don't have to document the reported FAFSA information of the spouse of an independent student if any of the following apply:

The spouse has died.

He/she is mentally incapacitated.

He/she is residing in a country other than the United States and can't be contacted by normal means.

The spouse can't be located because the student does not have and cannot get the spouses' contact information.

What documentation is needed? Documenting Family income and tax paid: As a result of the recent suspension of the IRS Data

Retrieval Tool. The Department of Education is providing flexibilities for institutions, that they may choose to use as part of their verification procedures. Those flexibilities include, IRS Tax Return Filers--In lieu of using the IRS DRT, or obtaining an IRS transcript, institutions may consider a signed paper copy of the 2016 IRS tax return that was used by the tax filer for submission to the IRS as acceptable documentation to verify FAFSA/ISIR tax return information. Verification of Non-filing: Institutions are no longer required to collect documentation obtained from the IRS or other tax authorities verifying that the applicant, the applicant's spouse or the applicant's parents did not file a 2016 tax return (often referred to as Verification of Non-filing). Those changes begin immediately and apply to 2018-2019.

Under the following conditions the IRS Data Retrieval is **not** available in FOTW (all apply to both students and parents unless otherwise noted):

The person did not indicate on the FAFSA that the tax return has been completed.

The marriage date is January 2017 or later.

The first three digits of the SSN are 666.

The tax return was amended.

The person filed a Puerto Rican or foreign tax return.

The person is married and filed the tax return either as head of household or married but filing a separate return.

Neither married parent entered a valid SSN.

A non-married parent or both married parents entered all zeroes for the SSN.

Tax filing extension: For students and parents who have been granted a tax filing extension, need to present a copy of IRS Form 4868, Application for Automatic Extension of Time to File U.S. Individual Income Tax Return. Must also provide a copy of all their W-2 forms or, if they are self-employed, a signed statement with the amount of their AGI and their U.S. income taxes paid. You may be requested to use the DRT or submit to your school a tax transcript after the return has been filed. If you do that, you must re-verify the income information.

Non-Tax filers: For non-tax filers you must receive a W-2 form for each source of employment income. You must also get a signed statement providing the sources and amounts of the person's income earned from work not on W-2s and certifying that the person has not filed and is not required to file a tax return.

Residents of Pacific Islands: For residents of the Freely Associated States (the Republic of the Marshall Islands, the Republic of Palau, or the Federated States of Micronesia), a copy of the wage and tax statement from each employer and a signed statement identifying all of the person's income and taxes for the year is acceptable.

Persons from a foreign country not required to file a tax form: Persons from a foreign country who are not required to file a tax return can provide the signed statement certifying their income and taxes paid.

Missing W-2 forms: If a person who is required to provide a W-2 form can't do it timely, you may be permitted to submit a signed statement with the amount of the income earned from work, the source of that income, and the reason the W-2 form is not available in time.

Persons filling foreign taxes: When a person filed a non-U.S. tax return, obtaining an IRS tax return transcript is not possible. In those cases you may accept instead of the transcript a copy of the tax return, which must be signed by the filer or one of the filers of a joint return, and you must document the circumstances.

Use the income and tax information that most closely corresponds to the information on the IRS tax return, and convert monetary amounts into U.S. dollars as appropriate.

Electronic signatures: On the few occasions that a tax return was used to complete verification, your school can accept an electronic copy of the return that has been electronically signed provided your school's process for accepting such signatures complies with the Electronic Signatures in Global and National Commerce (ESIGN) Act. **But a signature on Form 8879, the IRS e-file Signature Authorization, is not an acceptable substitute for a signature on the tax return.**

Tax Preparers: For persons who have a tax professional prepare their return, instead of a copy of the return with the filer's signature, your FAO may accept one that has the name and Preparer Tax Identification Number (PTIN) of the preparer or has his SSN or EIN and has been signed, stamped, typed, or printed with his name and address. Note that the IRS requires paid preparers to have a PTIN.

When a tax return transcript is unavailable: When the tax filer requests an IRS tax return transcript and is unsuccessful, she can use a signed copy of the **2016 tax return** (Form 1040, 1040A, or 1040EZ) for verification. She must also provide your school with one of the following:

- if she tried to get the transcript using the paper Form 4506-T or 4506T-EZ, a copy of the response (which she must sign) mailed to her informing her that the IRS could not provide the transcript; or
- if she tried to get the transcript using the Internet, a signed copy of a screen print from the official IRS webpage showing a message that the transcript request was unsuccessful. Because the IRS does not send written confirmation of the failure of a transcript request using the telephone, there is no documentation alternative for that method. Affected tax filers **must** request a tax return transcript using either the online or paper method and, if unsuccessful, provide your school with the above noted documentation. In addition to the documentation already specified, the tax filer must also provide your school with a completed and signed IRS Form 4506-T or 4506T-EZ that includes on line 5 the name, address, and telephone number of your school as the third party to whom the IRS is to mail the tax return transcript. If the school has no reasonable doubt about the accuracy of the information on the copy of the tax return, your school should proceed with verification and simply place the 4506 form in the student's file rather than sending it to the IRS. However, if the school has a reason to believe that the information on the tax return may not be accurate, **your school must**, before verification can be completed, send the Form 4506-T or 4506T-EZ to the IRS and wait for the return of the transcript

or confirmation from the IRS that a transcript is not available for that tax filer. See the 11/2/12 electronic announcement for more information

A 2016 IRS Tax Return Transcript may be obtained through:

Get Transcript by MAIL- Go to www.irs.gov, under the Tools heading, click "Get a Tax Transcript." Click "Get Transcript by MAIL." Make sure to request the "IRS Tax Return Transcript" and NOT the "IRS Tax Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.

Get Transcript ONLINE - Go to www.irs.gov, under the Tools heading, click "Get a Tax Transcript." Click "Get Transcript ONLINE." Make sure to request the "IRS Tax Return Transcript." and NOT the "IRS Tax Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication. **Automated Telephone Request – 1-800-908-9946.** Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.

Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form

Filing an amended return: Students or parents who file an amended return cannot use the IRS DRT, and if they amend the return after using the DRT to fill out the FAFSA, the FAO cannot rely on that data. Instead, you will need to use information from these documents to complete verification:

1. a signed copy of the IRS Form 1040X that was filed **and**
2. a signed copy of the original tax return that was filed, a tax return transcript (which does not have to be signed), or any IRS transcript (such as a return transcript for taxpayer or RTFTP) that includes all the income and tax information required to be verified: AGI, income tax paid, education credits, etc.

Household size: To document the household size, the student needs to provide a signed statement and, if dependent, at least one parent that gives the name, age, and relationship to the student of each person in the household. You don't have to verify household size in the following situations:

- For a dependent student, the household size reported is **three** for married parents or **two** for a single, divorced, separated, or widowed parent.
- For an independent student, the household size reported is two if he is married or one if he is single, divorced, separated, or widowed.

Number in college: You can document this item with a statement signed by the student (and, if e is dependent, at least one parent) that gives the name and age of each person in the household who is enrolled at least half time in an eligible college (excluding, of course, the parents of dependent students). The statement must also give the name of each college, and it can be written to document household size as well. Completion of the Department's verification suggested text can satisfy both items.

If your school has a reason to doubt the enrollment information reported, your school must obtain from each school a statement that the named person will attend there on at least a half-time basis. Your school would not have to get such a statement if the person has not yet registered, is attending less than half time, or will be attending your school.

If your school has a reason to doubt whether a reported school is Title IV-eligible, your school must insure it is, such as by checking to see if it has a federal school code.

High school completion

Students must provide one of the following documents that indicate their high school completion status at the beginning of the 2018–2019 year:

- A copy of a high school diploma.
- A copy of a final, official high school transcript that shows the date when the diploma was awarded.
- A copy of a General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable **for full credit toward a bachelor's degree.**
- A copy of a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent) if state law requires homeschooled students to obtain that credential.
- A transcript or the equivalent, signed by the parent or guardian of a homeschooled student that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

Students who are unable to get one of the documents listed above must contact the financial aid office.

Identity and statement of educational purpose

Students should appear in person at the school and present a valid, government-issued photo identification (ID) such as a passport or a driver's license or other state-issued ID.

Your school must maintain an annotated copy of that ID that includes the date it was received and the name of the person your school authorized to receive it. Students must also sign a statement of educational purpose that certifies who they are and that the federal student aid they may receive will only be used for educational purposes and for the cost of attending the school for the 2018–2019 year. A student who is unable to appear at the school must sign and submit the statement of educational purpose, and he must submit a copy of his ID with the statement signed by a notary public confirming that the student appeared before her and presented the ID confirming his identity

Updating Information: Generally, a student cannot update information that was correct as of the date the application was signed. After the FAFSA is signed, only certain items can be updated under the conditions given below.

1. All applicants whose dependency status changes must update that status and the associated FAFSA information throughout the award year except when the update is caused by a change in the student's marital status.

2. All applicants selected by the Department or a school for verification of household size or number in college must update those numbers to be correct as of the date of verification unless the update is due to a change in the student's marital status. At your schools' discretion your school may update under either 1 or 2 even when the update is due to a change in the student's marital status if you deem it necessary to address an inequity or to reflect more accurately the applicant's ability to pay.

Verification forms, documentation: Be sure that the institutional verification document is signed, that all required sections are completed, and that the relevant tax or alternative documents are attached. Timing of signatures: Any required signatures, such as signatures on worksheets or on copies of tax returns, must be collected at the time of verification—they can't be collected after the verification deadline for that award year.

NSLDS Disclosure

Please note that any loan borrowed by the student or parent will be submitted to the National Student Loan Database System (NSLDS), and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system.

Entrance/Exit Counseling:

You are required to complete entrance counseling if you are a first time borrower and prior to receiving your first disbursement.

To complete your Direct Loan Entrance Counseling, go to www.studentloans.gov, and sign in using your FSA ID.

Select "Complete Entrance Counseling." Note that you can add an email address to which correspondence about your loans can be sent.

For additional information, read "Direct Loan Entrance Interview" pamphlet and/or go to <https://studentloans.gov>.

If a student withdraws or terminates and the institution is unable to have the student complete exit counseling prior to the student's departure, the institution will send a letter to the student, requesting exit counseling to be completed at www.studentloans.gov

Interim Disbursements: If the student is selected for verification on the original ISIR, Interim disbursements ARE NOT allowed prior to the completion of the verification process. If selected on subsequent ISIR, the student will not be eligible for additional aid until the verification process is completed. NOTE: In the 16-17 Handbook, the Department allows disbursements prior to verification, however, many times a verification stays incomplete, therefore the funds disbursed would become a liability to the institution. NO DISBURSEMENTS BE MADE PRIOR TO VERIFICATION.

How to submit corrections and updates: Corrections and updates can be submitted by the student on the SAR or the Web or by the school using FAA Access to CPS Online or the Electronic Data Exchange (EDE).

Using FAFSA on the Web (FOTW). Any student who has a PIN—regardless of how he originally applied— may correct any of his own data by using FAFSA on the Web at www.fafsa.gov.

If dependent students need to change parental data, a parent must either sign electronically with her own PIN or print out and sign a signature page.

Deadlines and failure to submit documentation: Students selected for verification—whether by your school or by the Department—need to submit the documentation by the 60th day after student's last day of recorded attendance or by the Department's deadline which is expected to be September 30, 2018 whichever is earlier.

EFC changes and changes on Title IV awards: Students making changes to their data as a result of the verification process that resulted in a change to the EFC or a change to the Title IV awards would be notified by the school via a revised award letter. The method used by the institution to deliver the first award letter will be used for subsequent notifications.

Failure to submit documentation: From the time the student is selected for verification By the Department or by the school, the student that fails to complete the verification process will lose his/her eligibility for Title IV funds. If the student received aid prior to being selected, that aid remains as an eligible disbursement. Once selected on a subsequent ISIR, all future disbursements will depend in the completion of the verification process. Referring students to the Office of Inspector General (OIG). The institution has an obligation to refer certain cases where the institution believed that intentional fraud seems to have taken place to the Office of the Inspector General (OIG). Those cases would be followed up by OIG as appropriate.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the required documentation within 120 days from the last day of attendance or September 30, 2017, whichever is earlier.

APPLICANT RESPONSIBILITIES: To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

* Number of family members in the household

* Number of family members in the household now enrolled as at least half-time students on postsecondary institutions.

* Change in dependency status. Federal aid applicants of any Federal Student Aid program, whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. However, if the institutional FAO determines that, an update due to marriage is required to better represent the students ability to pay for college, the data must be updated changing all applicable elements on the FAFSA.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD(S): If the student cannot provide all required documentation within 120 days from the ISIR processed date or by September 15, 2019, whichever is the earlier, the school cannot complete the verification process. The school would advise the applicants via regular mail or by email, that the student is no longer eligible for the preliminary financial aid awards offered to the student. The school then gives the applicants the following options: The student may continue training on a cash payment basis. The student may withdraw, or The student may make other financial arrangements to cover the school cost.

INTERIM DISBURSEMENTS: The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES: Any discrepancy greater than \$25.00 MUST be resolved.

NOTIFICATION OF RESULTS OF VERIFICATION: The school shall notify the applicant of the results of the verification process within 30 days of the student's submission. The notification will take place using a new, if changed, award letter stating the awards by aid program amounts and expected disbursement dates. On this document the student and the parent has an opportunity to cancel all or part of the award from any loan program.

REFERRAL PROCEDURE: The school shall forward to the Secretary of Education, a referral of discovered fraud cases.

The student has the right to ask the school:

- The name of its accrediting and licensing organizations.
- About its programs; laboratory, and other physical facilities; and its faculty.
- What the cost of attending is and the policy on refunds to students who drop out.
- What financial assistance is available: including information on all federal, state, local, private and institutional financial aid program. What the procedures and deadlines are for submitting application for each available financial aid program.
- How it selects financial aid recipients.
- How it determines financial need.
- How much of your financial need, as determined by the school, has been met.
- To explain each type and amount of assistance in your financial aid package.
- What the interest rate is on any student loan you have, the total amount you must repay, when you must start repaying, and what cancellation or deferment (postponement) provisions apply.
- To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed.
- How the school determines whether you are making satisfactory progress and what happens if you are not.
- What special facilities and services are available to the handicapped?

It is the student's responsibility to:

- Review and consider all the information about the school program before enrolling.
- Pay special attention to the application for student financial aid, complete it accurately, and submit it on time to the right place. Errors can delay or prevent your receiving aid.
- Know and comply with all deadlines for applying and reapplying for aid.
- Provide all documentation, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application.
- Notify the school of any information that has changed since you applied.
- Read, understand, and keep copies of all forms you are asked to sign.
- Repay any student loan. When you sign a promissory note, you are agreeing to repay your loan. Request an exit interview at the time you are leaving the school to determine the net balance of your account with the school as well as the net balance of any student loan.
- Notify the school of a change in your name, address, phone number, or attendance status (full/part-time student). If you have student loans, you must notify your lender of these changes.
- Understand your school's refund policy.
- Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.
- Understand that it is your responsibility and your liability when errors are made and funds for which you are not eligible or are advanced to you or credited to your school account.

Family Educational Rights and Privacy Act (FERPA)

All information in the student files would be available to any governing state agency, accrediting agency and federal agency during the process of reviewing the school's normal approvals, accreditations, eligibilities, and other matters conducted by those agencies without the specific consent of the student and/or parents.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

¥ Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

¥ Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

¥ Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest; Other schools to which a student is Transferring; Specified officials for audit or evaluation purposes; Appropriate parties in connection with financial aid to a student; Organizations conducting certain studies for or on behalf of the school; Accrediting organizations; To comply with a judicial order or lawfully issued subpoena; Appropriate officials in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law. Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. For additional information, you may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may call 1-800- 437-0833. Copyright Infringement: Is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code) These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

Peer to Peer file sharing: Students authorized to utilize the institutional electronic equipment for purposes of conducting research, practical work, writing essays, doing homework assignments or in any general use of the equipment for course related work, are strictly unauthorized to copy or distribute any copyrighted material and any violations will subject the individual violator (staff member, non-staff member or student) to civil and criminal liabilities. The first violation will be punished by removing any authorized privileged use of any institutional equipment, if the violation includes the use of individually owned equipment, the individual will not be allowed to bring in his/her personal equipment into the school premises. Second violation the staff member may be terminated or the student may be expelled from school. This decision will be taken by the school administration. The institution conducts annual evaluations of the procedures in place to prevent any violations of copyrighted materials observing the need of the students to have access to the institutional network. The institution will keep a log summarizing violations reported and disciplinary actions taken.
