- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel an enrollment agreement and receive a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Students who have completed 60% or less of the ten (10) week quarter will receive refunds on a pro rata basis.

The refund will be the amount of tuition paid multiplied by a fraction, with the numerator as the number of class hours the student has not attended but paid for, and the denominator as the total number of class hours (credit units x 10) for which the student has paid.

The student will not receive a tuition refund after more than 60% of the instruction of a course has been conducted. Except for tuition, all other charges and fees paid at the time of enrollment are non-refundable. Books, textbooks, and other materials purchased by the student at the University's bookstore are the property of that student. The University will neither accept return of purchased materials, nor make refunds for services. To receive a tuition refund, a student must submit in writing a dated and signed request for withdrawal. The refund formula above shall be based on the day the University's office receives the withdrawal notice from the student. Verbal, e-mail, or telephone withdrawal notices will not be accepted.

Students must submit their request to cancel the enrollment agreement to the Registrar. No refund will be issued unless the student's account has credit balance. Refunds will be processed within ten (10) working days from receipt of the student's request to the Registrar. No refunds may be disbursed to a student until the Financial Aid Program has been repaid.

The University is obligated to repay the following funds: Title IV Sources: Unsubsidized Federal Direct Stafford Loans, Subsidized Federal Direct Stafford Loans, and Scholarships. Refunds will be determined by the percentage of tuition contributed by that source.

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel an enrollment agreement and receive a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Students who have completed 60% or less of the ten (10) week quarter will receive refunds on a pro rata basis.

The refund will be the amount of tuition paid multiplied by a fraction, with the numerator as the number of class hours the student has not attended but paid for, and the denominator as the total number of class hours (credit units x 10) for which the student has paid.

The student will not receive a tuition refund after more than 60% of the instruction of a course has been conducted. Except for tuition, all other charges and fees paid at the time of enrollment are non-refundable. Books, textbooks, and other materials purchased by the student at the University's bookstore are the property of that student. The University will neither accept return of purchased materials, nor make refunds for services. To receive a tuition refund, a student must submit in writing a dated and signed request for withdrawal. The refund formula above shall be based on the day the University's office receives the withdrawal notice from the student. Verbal, e-mail, or telephone withdrawal notices will not be accepted.

Students must submit their request to cancel the enrollment agreement to the Registrar. No refund will be issued unless the student's account has credit balance. Refunds will be processed within ten (10) working days from receipt of the student's request to the Registrar. No refunds may be disbursed to a student until the Financial Aid Program has been repaid.

The University is obligated to repay the following funds: Title IV Sources: Unsubsidized Federal Direct Stafford Loans, Subsidized Federal Direct Stafford Loans, and Scholarships. Refunds will be determined by the percentage of tuition contributed by that source
