## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	50%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	20%
<b>2019</b>	7.1%	6%	\$26,684.67	50%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	50%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	20%
<b>2019</b>	7.1%	6%	\$26,684.67	50%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	42%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	36%
<b>2019</b>	7.1%	26%	\$26,684.67	18%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	42%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	36%
<b>2019</b>	7.1%	26%	\$26,684.67	18%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	<i>0%</i>	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	<i>0%</i>
<b>2019</b>	7.1%	0%	\$26,684.67	0%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	<i>0%</i>	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	<i>0%</i>
<b>2019</b>	7.1%	0%	\$26,684.67	0%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	<i>0%</i>	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	<i>0%</i>
<b>2019</b>	7.1%	0%	\$26,684.67	0%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	46%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	100%
<b>2019</b>	7.1%	20%	\$26,684.67	22%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	44%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	52%
<b>2019</b>	7.1%	20%	\$26,684.67	22%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.

## Federal Student Loan Debt

Calendar Years	The most recent three-year cohort default rate, as reported by the United States Department of Education. <sup>1</sup>	The percentage of enrolled students in 2019 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2019 graduates who took out federal student loans at this institution.	The percentage of graduates in 2019 who took out federal student loans to pay for this program.
<b>2018</b>	<i>CIU first became a Title IV approved school in June of 2015, therefore the first default rate will be available in the 2019-2020 award year.</i>	44%	<i>CIU first became a Title IV approved school in June of 2015, therefore in 2018 there were no students graduating with loan debt.</i>	52%
<b>2019</b>	7.1%	20%	\$26,684.67	22%

<sup>1</sup> The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

Students have the right to cancel the Enrollment Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance of the first 7 days of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when the student notifies the University administration. Students can notify by mail, e-mail, FAX, or in any other reasonable manner or conduct, including nonattendance. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state that the student wishes to cancel the Enrollment Agreement. If a student cancels this Enrollment Agreement, the University will refund any money paid, less an application/registration fee not to exceed \$200, within 30 days after the notice is received. If the student is rejected for any reason or if a course is canceled, the student will receive a refund of all monies paid minus the non-refundable fees.
