STUDENT TUITION RECOVERY FUND STATEMENT

State of California

STUDENT TUITION RECOVERY FUND

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

To qualify for STRF reimbursement you must file a STRF application within one year of receiving notice from the Bureau that the school is closed. If you do not receive a notice from the Bureau, you have four years from the date of closure to file a STRF application. If a judgment is obtained you must file a STRF application within two years of the final judgment.

However, a staff member must be present. Educational records are defined as files, materials, and documents, which contain information directly, related to the students and are securely maintained by the school. School will maintain students’ file for five (5) years from completion or withdrawal on premise in fire proof cabinet, after that time transcripts are scanned and permanently stored digitally on cloud. An Admission Personnel should be contacted if student wish to obtain a copy of transcript. Students are not entitled to inspect the financial records of their parents. Written consent is required before educational records may be disclosed to third parties with the exception of Accrediting Commissions or Governmental Agencies as authorized by law.

HEALTH AND SAFETY AND PHYSICAL CONSIDERATIONS

In Cosmetology and Manicuring fields, students will be in contact with many harsh chemicals, electrical tools, sharp equipments and hot tools. Some chemicals may harm your skin directly or through breathing or may cause allergies. Improper use of tools may cause wrist, hand or shoulder injuries. Beauty field must remain standing for long periods of time, improper shoe support may cause back pain. For more information regarding health and safety in beauty industry please visit www.barbercosmo.ca.gov (Article 12. Health and Safety)

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at **25%, 50%, 75% and 90%** of the program hours completed. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a “**C**” (75%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

100% - 92%	= A = 4.0	Excellent performance
91% - 84%	= B = 3.0	Above average performance
83% - 75%	= C = 2.0	Satisfactory performance
74% - 70%	= D = 1.0	Unsatisfactory
69% or below	= F = 0.0	Fail

PROGRAM INCOMPLETENESS:

Program incompleteness, repetitions and non-credit remedial program are not applicable to this institution's form of instruction.

STARTING CLASS SCHEDULES

CLASSES WILL BE HELD AT 4516 FLORIN RD., SACRAMENTO AS FOLLOWING:
Cosmetology Program monthly.... the first Tuesday. Manicuring Program Weekly....Tuesday.

STUDENT CLOCK HOUR POLICY

The State Board of Cosmetology will only recognize time clocked hours of attendance. As a result of this requirement, this school can only give clocked hour credit to students who record their attendance by using the school electronic time clock to swipe in and out at the start and end of their class day and lunch period.

Once theory classes have been started no one will be allowed to enter the theory classroom.

After clocking in you are required to maintain applied effort and personnel grooming. Leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be asked to stop such activity or to clock out for the remainder of the day. Continued activities of this nature could result in your termination.

One clock hour is equal to 60 minutes of instruction.

TIME SHEET CREDIT

In order to complete the program of study, the student must complete the minimum hours and operations as prescribed by the Board of Barbering and Cosmetology. The student must be aware at all times of hours and operations required for completion. All students will receive "Daily Record" Time-sheet weekly. Credit will only be given by instructors. Credits will need to be earned on a daily basis with instructors initial or credit will not be given. It is student's responsibility to transfer all prior hours and operations to a new "Daily Record" Time-sheet. The previous "Daily Record" Time-sheet must be turned into the admission office by the end of following Saturday or you will lose all credit for that week. It is the student's responsibility to maintain your time. If the time-sheet is lost, the student will lose all credits on that time-sheet

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.

2. The portion of the time-sheet reflecting the Theory hours earned and any class the instructor has demonstrated.
3. The portion of the time-sheet concerning operations is to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame the State Board gives for each operation.

Shampoo/set	=	1 ½ hours
Scalp Treatment	=	½ to 1 hour
Permanent Wave	=	2 to 2 ½ hours
Facial	=	1 ½ to 2 hours
Manicure	=	½ hour
Hair cut	=	½ to 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

Withdrawal from Program

You have the right to withdraw from a program of instruction at any time. If you withdraw from the program of instruction after the period allowed for cancellation of the Enrollment Agreement, which is until midnight of the seventh calendar day. As a precursor to processing your withdrawal, you must meet with a member of My-Le's Beauty College Management Team. Withdrawal shall be deemed to be the last date of recorded attendance. The school will remit a refund less a registration fee not to exceed \$100.00 and all supplies if applicable within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. If student complete 60% or less of the program, the refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid and the denominator of which is the total number of the hours of instruction for which you have paid. For student completed more than 60% of the program, the institution will retain 100% of tuition. To determine the percentage completed, the total number of scheduled hours through the student last date of attendance divided by the total hours in the program. In any event you will never be charged for more than the equipment charges stated in the contract. For a list of these charges, see the first page of enrollment agreement.

IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTEND, THEN A REFUND WILL BE MADE WITHIN 30 DAYS OF INSTITUTION'S DETERMINATION THAT THE STUDENT WITHDREW. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, AND THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Hypothetical Refund Example in accordance to the state prorates policy for student leaves the institution prior to completing 60% of the program.

Assume that a student, upon enrollment in a 1600 hours program, pays \$9,600.00 for tuition, \$100.00 for registration, and \$575.00, documented cost to school, for equipment as specified in the enrollment agreement and withdraws at scheduled to complete 500 hours without returning (due to sanitary reasons) the equipment he/she obtained. The prorated refund to the student would be \$6,600.00 based on the calculation stated below.

Hourly cost of tuition	Hourly of tuition paid	Hours paid for but not received	Calculation of earned tuition	Refund calculation of tuition	Final refund calculation
<u>9,600</u>	<u>9,600</u>	1600	500	1100	Total paid <u>\$10,275</u>
1600	6	(500)	x6	x6	Less:
=	=	=	=	=	Adm. Fee 100.00
\$6	1600	1100	\$3,000	\$6,600	Equipment 575.00
					Tuition <u>3000.00</u>
					Total refund \$6,600.00

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- Date when you notify the school of your intent to withdraw.
- Date when the school terminates your Enrollment Agreement
- Date when you fail to attend classes for a 14 days. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
- Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance.

REFUNDS - TRANSFERS

RETURN OF TITLE IV FUNDS (R2T4) POLICY

When you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. My-Le's Beauty College will calculate the amount of tuition to be returned to the Title IV, HEA Federal fund programs according to the policies listed below.

This policy applies to students' who withdraw official, unofficially, fail to return from a leave of absence or dismissed from enrollment at My-Le's Beauty College. It is separate and distinct from the institutional refund policy.

The calculated amount of the Return of Title IV (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school will notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

Treatment of Title IV Funds if student withdraws from the program of study:

The law specifies how school must determine the amount of Title IV, HEA program assistance that you earn if you withdraw from school. The Title IV, HEA programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Direct Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

Though your aid is posted to your account at the start of each period, you earn the funds as you complete the period. If you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV, HEA program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The Calculation Formula:

Determine the amount of Title IV aid that was disbursed or aid that could have been disbursed.

Calculate the percentage of Title IV aid earned:

- a) Divide the number of clock hours scheduled to be completed in the payment period as of the last date of attendance in the payment period by the total clock hours in the payment period.

$$\frac{\text{HOURS SCHEDULED TO COMPLETE}}{\text{TOTAL HOURS IN PAYMENT PERIOD}} = \% \text{ EARNED}$$

- b) If this percentage is greater than 60%, the student earns 100%.
- c) If this percent is less than or equal to 60%, proceeds with calculation.

Percentage earned from (multiplied by) Total aid disbursed, or could have been disbursed = AMOUNT STUDENT EARNED.

Subtract the Title IV aid earned from the total disbursed = AMOUNT TO BE RETURNED.

100% minus percent earned = UNEARNED PERCENT

Unearned percent (multiplied by) total institutional charges for the period = AMOUNT DUE FROM THE SCHOOL.

If the percent of Title IV aid disbursed is greater than the percent unearned (multiplied by) institutional charges for the period, the amount disbursed will be used in place of the percent unearned.

If the percent unearned (multiplied by) institutional charges for the period are less than the amount due from the school, the student must return or repay one-half of the remaining unearned Federal Pell Grant.

Student is not required to return the overpayment if this amount is equal to or less than 50% of the total grant assistance that was disbursed /or could have been disbursed. The student is also not required to return an overpayment if the amount is \$50 or less.

My-Le's Beauty College will issue a grant overpayment notice to student within 30 days from the date the school's determination that student withdrew, giving student 45 days to either:
Repay the overpayment in full to My-Le's Beauty College or Sign a repayment agreement with the U.S. Department of Education.

Withdrawal Before 60%

If the student withdraws at or less than the sixty percent (60%) of the payment period in program, the students would have earned the same percentage of aid received. The amount of assistance that you have earned is determined on a pro rata basis. For example, if the student withdraws at fifty percent (50%) of the payment period, the student would have earned only 50% of the aid received or eligible to receive. Unearned aid will be returned to the programs in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid.

Withdrawal After 60%

If student completed more than 60% of a payment period, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

My-Le's Beauty College measures academic progress in Clock Hours, and performs its Return calculation on a payment period for the period.

Post-Withdrawal Disbursement

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school).

The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

Recoveries

Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If fund from the grants programs still due from the student, those funds are payable at the rate of 50%. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

Refunds

In any case where a refund is due from institution to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date in the following order: FPELL, FSEOG, other sources and to the student. This order will be applied providing the received funds from that program and in amounts not to exceed the amounts originally paid from each program.

Withdrawal Date

Students are officially withdrawn when any of following occur:

- a) Date when you notify the school of your intent to withdraw.
- b) Date when the school terminates your Enrollment Agreement.
- c) Date when you fail to attend classes for a two-week consecutive weeks. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
- d) Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance.

Title IV Credit Balance Policy

A Title IV credit balance occurs when the total amount of Title IV funding applied to a student's account exceeds the tuition and fees in a given payment period. Federal regulations require all Title IV credit balances to be resolved within 14 calendar days of the date the credit is created. My-Le's Beauty College reconciles all credit balances on an account within 14 calendar days of creation of the credit by holding the excess of funds until the end of the payment period if an authorization has been received or payment by check to student. My-Le's Beauty College requires student to sign a written authorization and consent form called the "Student Credit Balance Statement" before retaining Title IV funding on the student's account for future charges.

Treatment of Title IV credit balances when a student withdraws. This treatment applies only to the handling of Title IV credit balances when a student withdraws. When a student withdraws, a school is required to perform an R2T4 calculation to determine, among other things, whether adjustments to the credit balance will occur. For this reason, the existing 14-day payment requirement is placed on hold to determine the final amount of any Title IV credit balance. The new 14-day deadline begins on the date the school performs the return calculation, not the date the school performs any calculations required by its institutional refund policy. School then take into account both the results of the R2T4 calculation and any applicable refund policy in order to determine the correct Title IV credit balance. Any Title IV credit balance must be allocated first to repay any grant overpayment owed by the student as a result of the

current withdrawal. The institution must return such funds to the Title IV grant account within 14 days of the date that the institution performs the R2T4 calculation.

Refund vs. Return to Title IV, HEA Funds

The requirements for the Title IV program funds when you withdraw are separate from any refund policy that My-Le's has. Therefore, you may still owe funds to the school to cover unpaid institutional charges. My-Le's Beauty may also charge you for any Title IV, program funds that they were required to return on your behalf. STUDENT SERVICES POLICY AND PROCEDURE

The system of delivering student services at My-Le's Beauty College supports and enhances the school's training programs by encouraging student's attendance and promoting student's success. The method we employ of requiring all staff members to be part of the student services delivery system. The purpose of our student services is to assist students in maintaining satisfactory progress and in making informed decisions concerning training and employment. We are also providing advises and assistance to students' needs outside the classroom.

ADVISING

Because students are taught by the same instructor throughout their program, most student services are delivered by that instructor. Instructors are responsible for monitoring student's attendance as well as student satisfactory progress. Consequently, when student advising is required, it is the instructor who ascertains the need for such advising and renders it to the students. Students advising are documented by the instructor at the time it is conducted and placed in the student's academic file. Students who are having academic problems will be assisted by the instructors through extra tutoring or additional time spent with the instructor to go over any work missed.

ATTENDANCE AND SCHEDULE STATUS

Full time students are required to be enrolled to attend a minimum of 25 hours per week. Half time enrollment requires a minimum of 20 hours per week. Part-time enrollment is defined as more than 20 but less than 25 hours per week.

ATTENDANCE POLICY

Student's attendance is documented through the use of a time clock system. Students are required to swipe in and out of school in order to document their presence in school.

Admission personnel will monitor the student's hours on a weekly basic from the time clock and from instructor's attendance record which are maintained in the school office.

Student must maintain a cumulative average attendance level of at least 75% of the scheduled hours indicated on their enrollment contract. Regardless of the average level of attendance, students who have more than two consecutive weeks of absences (14 days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy).

It is mandatory that student contact the admission office for circumstance cause student to be absent. The following will automatically be deemed as excused: Doctor appointment, Court appearance, and any other professional appointment. You must submit written verification for each excused absent.

LEAVE OF ABSENCE POLICY

My-Le's may grant more than one approved Leave of Absence with *acceptable* reasons or medical reasons of student's immediate family, which make it difficult to attend class. The school allows a student to a Leave Of Absence (LOA), together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period and that each leave of absence is properly requested in accordance with school's LOA procedures as stated below.

LOA PROCEDURES

Students must follow the institution's Leave of Absence procedures:

- A LOA request form must be filled out with the date of leave and return must be stated on the form prior to the director approving the LOA. LOA request can be in writing, by phone or email and must be submitted prior to LOA unless there are unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to school, the student would not have been able to request the LOA in advance. In this case, the documentation should be provided at the earliest available. The beginning date of the approved LOA would be determined by the school to be the date the student was unable to attend school because of the accident.
- To grant a Leave of Absence, there must be a reasonable expectation that the student will return from the Leave of Absence.
- Students on LOA will not assess any additional charges of tuition.
- The school will extend the student's contract period base on the amount of time student taken in the LOA
- Students return from an authorized LOA will retain all credits for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the Leave Of Absence.
- Students who fail return from a LOA will be considered dismissed as of the last class day of attendance prior to the start of the Leave Of Absence and the refund calculation will be performed. All refunds due will be issued to the student or appropriate agencies and paid within 30 days of the date dismissed.

CAREER ADVISING AND PERSONAL ATTENTION

Students are advised individually, as often as necessary to review the student's satisfactory progress. Successful salon owners and stylists are scheduled into the school regularly to give demonstration and discuss career goals, etc. with the students. This activity supplements the daily advising carried out by the instructors and supervisor. Students may request additional advising sessions at any time.

Financial aid is awarded to students who have “need”. PROFESSIONAL JUDGMENT

Professional judgment may be used for certain exceptions base on extenuating circumstances with appropriate documentation. Such as income, dependency status. Reason for the adjustment must be documented by a third party. Documentation must be provided to the financial aid officer within 30 days from the day of enrollment.

DEPENDENCY OVERRIDES: Dependency overrides on a case-by-case basis for students with unusual circumstances. However, none of the conditions listed below, singly or in combination, qualify as unusual circumstances meriting a dependency override:

- Parents refuse to contribute to the student's education.
- Parents are unwilling to provide information on the FAFSA or for verification.
- Parents do not claim the student as a dependent for income tax purposes.

- Student demonstrates total self-sufficiency

Unusual circumstances do include (and may cause and of the above conditions) abandonment by parents, an abusive family environment that threatens the student's health or safety, or the student being unable to locate his parents. In such cases a dependency override might be warranted.

Documents required - The documentation must support, and include the reason for, the decision should be from third party with knowledge of the unusual circumstances of the student. A third party that knows the student's situation - such as a teacher, counselor, medical authority, member of the clergy, prison administrator or government agency

Deadline: Applicants must provide the financial aid officer the required documentation within 30 days from the day of enrollment.

PARENT(S): For the purposes of the financial aid programs, "a parent" is the mother and/or father or adoptive parents, stepparent or legal guardian - not foster parents.

PAYMENT PERIOD: 450 hours and 15 weeks for programs of 900 hours or more. It is the mid-point of the program for programs of less than 900 hours and 30 weeks.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

WITHDRAWALS: Students are officially withdrawn when any of following occur: a) Date when you notify the school of your intent to withdrawal. b) Date when the school terminates your Enrollment Agreement. c) Date when you fail to attend classes for a three-week period. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance. d) Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance.

RECOVERIES

Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grants programs still due from the student, those funds are payable at the rate of 50%. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within the 45 days and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

REFUNDS

In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official determine withdrawal date in the following order: FPELL, FSEOG, other sources. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

TRANSFER STUDENT

A student, who attended a Post-secondary institution before the enrollment at this school, is required to inform the financial aid office of the schools attended and the periods of attendance. If financial aid was paid advanced from the prior institution, the aid available at this institution will be adjusted.

VERIFICATION PROCESS

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986 executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of verification process.

WHO MUST BE VERIFIED

The policy of this school shall be to verify those students selected by the need analysis (SAR or ISIR) system for verification.

VERIFICATION EXCLUSIONS

Applicants excluded from verification include:

- ***Incarceration.*** If the applicant is in jail or prison at the time of verification.
- ***Recent Immigrant.*** Immigrant who arrived in the United States during calendar year or Award Year
- ***Spouse/parent unavailable:*** - Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or cannot be located because the address is unknown and cannot be obtained by the applicant.
- ***Death of Applicant.*** dies during the award year or before the deadline for completing the verification.
- ***Applicant Verified by another school*** - If the student completed the verification at another institution prior to transferring to this school if all the following documents are provided from that school:
 - Letter stating that the verification process was completed
 - Copy of the application data that was verified
 - The transaction number of the verified application.
- ***Not an aid recipient:*** Applicant is ineligible for aid and those who withdraw without receiving aid
- ***Pacific Island Resident.*** Legal resident of Guam, American Samoa, or the Commonwealth of the Northern Mariana Island or Citizen of Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic or Palau.
To qualify for this exclusion, a dependent student's parents must also be citizens of one of these former territories. As documentation, you should note the permanent mailing address in the student's file.

REQUIRED VERIFICATION ITEMS

Examine the data items listed in 34 C.F.R. 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- Total number of persons in the household.
- The number of members of household enrolled at least half-time students in postsecondary educational institutions.
- Adjusted gross income (AGI) or adjusted gross family income (AGFI) for the base year.
- U.S. income tax paid for the base year.
- Untaxed income and benefits for the base year if certain conditions would apply include:
 - Social Security benefits – SNAP benefits (food stamps)
 - Child support.
 - Untaxed pensions - IRA deductions – Tax exempt interest
 - Foreign income exclusion
 - Interest on tax free bonds

The school shall resolve inconsistent application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

DOCUMENTATION REQUIRED

The documentation student will need for verification varies according to the Verification Items depending upon student status. The Department of Education encourages student and parent to use the IRS Data Retrieval Tool (DRT) to import data from their tax return.

If students cannot or will not use IRS DRT, they must document AGI; taxes paid and untaxed income by providing an IRS tax return transcript for the student and spouse or parents, as applicable.

Applicants shall complete the appropriate sections of the Verification Worksheet. There are two different worksheets: One for dependent students and one for independent students. Use the worksheets to update and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school's financial aid officer may require/provide other appropriate forms.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the financial aid officer the required documentation within 30 days from the day of enrollment. If the students make correction to the Pell SAR, they must complete and process them within two weeks from the enrollment date, or the date the school received the ISIR, whichever comes first. If the tax return transcripts need to be requested from IRS, the school allow no more than 60 days for its receipt.

APPLICANT RESPONSIBILITIES:

To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

- Number of family members in the household
- Number of family members in the household now enrolled as at least half-time student on postsecondary institutions.
- Change in dependency status. Federal PELL Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. Campus-based applicants whose dependency status changes during the Award Year must have their FC re-calculated. This process does not apply if the change occurs due to marriage.

The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):

If the student cannot provide all required documentation, the school cannot complete the verification process within 60 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw, and re-enroll at no additional charge. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
- The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification

INTERIM DISBURSEMENTS:

The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES:

The student must make correction on the SAR if there is any change in dollar errors. The new EFC is computed when required as a result of comments on the SAR, and or as a result of data item changes. This occurs regardless of the absolute error amount.

NOTIFICATION OF RESULTS OF VERIFICATION:

The school shall notify the applicant of additional information or documentation needed for Verification and any change in the EFC. The school shall notify the applicant when they complete verification by:

- Obtaining the student's signature and date on the Financial Aid Acceptance.
- Obtaining the student's initial on the Financial Award Notice.

REFERRAL PROCEDURE:

A school must refer to the department's Office of Inspector General (OIG) any credible information indicating that an applicant for Federal Students Aid may have engaged in fraud or other criminal misconduct in connection with his or her application.

Common misconduct includes false claims of independent student status, false claims of citizenship, use of false identities, forgery of signatures of certifications, and false statements of income. If school suspect such intent of the student, should report it to the Office of Inspector General, U.S Department of Education 400 Maryland Avenue, SW, Washington, DC 20202-1500 or by phoning 1-800-mis-used. School must also refer to the OIG any third- party servicer who may have engaged in fraud, breach of fiduciary responsibility, or other illegal conduct involving the FSA Programs.

CONSTITUTION DAY

The Consolidated Appropriations Act, 2005, (Pub. L. 108-447) requires educational institutions that receive Federal funds to hold an educational program on the United States Constitution on September 17 of each year. This provision applies to *all* educational institutions receiving funds from any Federal agency.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;

- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
