While the university administration has made every effort to ensure that the policies and procedures of this catalog are correct, Brentwood University reserves the right to make changes and issue addendums to the current policy as needed. This catalog will be updated January 1st of every year to ensure that the University's objectives are carried forward. However, other updates may take place during the year. In this case, the university will inform students of changes. The catalog may be found at www.brentwood.university.

STATE APPROVAL AND ACCREDITATION

State Approval

This institution is a private institution approved to operate by the California Bureau for Private Postsecondary Education (BPPE). Approval to operate means the institution is compliant with standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of title 5 of the California code of Regulations.

The Bureau for Private Postsecondary Education

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capital Oaks Dr., #400 Sacramento, CA 95833, P.O. Box 980818, West Sacramento, CA 95798, www.bppe.ca.gov, toll free telephone number (888) 370-7589 Fax (916) 263-1897

A student, or any member of the public, may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll free (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's Internet web site www.bppe.ca.gov.

ACCREDITATION

Brentwood University is accredited by Accreditation Service for International Schools, Colleges and Universities (ASIC). ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider or distance education provider, demonstrate to the international student body that they are a high quality institution.

ASIC is recognised by UKVI in UK, is a member of the CHEA International Quality Group (CIQG) in USA and is listed in their International Directory, is a member of the BQF (British Quality Foundation), are affiliates of ENQA (European Network for Quality Assurance) and are institutional members of EDEN (European Distance and E-Learning Network)."

MISSION, VISION, AND INSTITUTION OBJECTIVES

Mission Statement

Brentwood University endeavors to provide current and effective graduate business education programs to qualified learners. Instruction is delivered via programs that are adaptable to student needs or interests. This institution was founded with the goal of sustaining innovative and flexible, educational challenges and to do so via a student-centered academic environment. The student's mastery of required coursework leads to the award of a degree, and also leads to the enrichment of students who aspire to positions of leadership, entrepreneurship, corporate governance, and service to others. Graduates are empowered to students who want to be entrepreneurs to become expert global leaders committed to the application of sound business practices in corporate governance, entrepreneurship, and service to the community.

Vision

Brentwood University's vision is to develop, monitor, and establish itself as a respected provider of business administration programs and continue to grow and evolve as a leader in the delivery of student centered business training. One of the ways the school will reify this vision will be through the selection and development of well oriented faculty and staff with the necessary skills to support the educational and administrative components which comprise university operations.

"Education is a fundamental human right and essential for the exercise of all other human rights. It promotes individual freedom and empowerment and yields important development benefits.

Normative instruments of the United Nations and UNESCO lay down international legal obligations for the right to education. These instruments promote and develop the right of every person to enjoy access to education of good quality, without discrimination or exclusion. These instruments bear witness to the great importance that Member States and the international community attach to normative action for realizing the right to education. It is for governments to fulfill their obligations both legal and political in regard to providing education for all of good quality and to implement and monitor education strategies." (Adapted from a statement at UNESCO.org)

Institution Objectives

Brentwood University is seeking to achieve the institution's objectives:

- Deliver training that will empower graduates in the management of activities typically present in the management and operation of profit-seeking and not-for-profit organizations
- Analyze and understand business opportunities in light of the many challenges facing these entities
- Prepare graduates with ample communication skills, analytical approaches to problem solving
- Assure that graduates have mastered the skills needed to work with team members
- Provide students with extensive theoretical and practical content so as to develop core competencies in communications, analysis and advanced problem solving.
- Assure that graduates have the capability and motivation to address moral and ethical issues as may arise in business
- Offer a interactive distance education environment, which provides multi-media learning experiences and which provides frequent contact with faculty and student support services
- Engage in a constant process of continuous improvement through course assessment and revision of content, delivery methods, and objectives in the context of compliance with regulatory requirements.

The TOEFL requirement does not apply to students who have received their high school diploma or the equivalent at an academic institution which has provided the instruction in the English language. Similarly, the TOEFL requirement does not apply to students who have completed coursework, in English, at the college level or who have completed the English test at this institution.

APPLICATION STEPS

Step 1: Apply

The application process is simplified to reduce processing time. Prospective Brentwood University students must complete an application form Applicants indicate in the application the program for which they wish to be considered.

Step 2: Enrollment Process

Soon after receiving the application, the Brentwood University Admissions Department will contact the student to assist throughout the enrollment process. Essential documents, including transcripts, enrollment agreement, personal statement, resume, and payment method, are collected by e-mail, fax, and mail.

International Students

Students who are not citizens or permanent residents of the United States are welcome to apply for admission to Brentwood University and must follow the above 2 steps to admission.

International applicants whose native language is not English, except those who have completed their undergraduate or post graduate degrees at a nationally or regionally accredited U.S. college or university, must submit evidence of English proficiency. (See English Proficiency)

Non-Degree Seeking Students

Non-degree seeking students are individuals who may be taking coursework for personal development or job enrichment and may enroll in individual courses of their choosing. Non-degree seeking students must formally apply and are subject to all policies and procedures that apply to degree seeking students, as outlined in this catalog. Transcripts (prior college experience) are not required to enroll as a non-degree seeking student. Brentwood University encourages non-degree seeking students to apply their earned credit toward a degree. A non-degree seeking student who later decides to pursue a degree plan will be required to supply all evidence to prove eligibility for the respective program of choice.

ACADEMIC INFORMATION

Instructional Model

Brentwood University's goal is to provide a high-quality educational experience to students and faculty using innovative techniques. The instructional model is as follows:

- Students' progress through the program within cohorts consisting of one or more students.
- Students are required to participate in discussion boards, submit assignments, and take exams in an asynchronous manner.
- The final course grade is submitted within seven (7) calendar days of the scheduled end date of each course.

Course Load

Students are permitted to enroll in up to six semester credits at a time. Students are expected to spend a total of 240 hours of instruction and outside preparation per 6-credit course, in accordance with the widely accepted Carnegie model of instruction. In rare cases, a student may be allowed to take more than one course at a time with the approval of the Chief Academic Officer.

Course Format and Access

Brentwood University's students access their courses through a Learning Management System (LMS). The platform has a user-friendly interface – the students' online classroom, and is used by students and faculty members for all course work, attendance, and grading. Before starting course work in one of the graduate programs, students are provided with Orientation Materials, which introduce them to the learning platform, student resources, and the process for successfully completing online courses.

Faculty and Instruction

Courses are facilitated by faculty with advanced degrees and practical experience in the fields of instruction. Students receive personalized attention, and work closely with faculty towards successfully progressing through the courses in the program. Students are monitored and graded on participation, weekly assignments, and exams. Individual communication takes place through the online messaging system. Continuous improvement and institutional effectiveness are achieved through course and faculty evaluations conducted with students after the end of each course.

Participation

Instruction takes place online in an asynchronous manner – this means students are not required to be logged into the system at any particular time of the day or week. Rather, students have the freedom to select the most convenient days and times to participate.

SCHEDULE OF UNIVERSITY HOLIDAYS

University Holidays

Students have access to their online courses seven days a week including holidays. University administration will not work on the following holidays.

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Admissions & Student Services Director

The office of the Admissions & Student Services Director supports faculty, staff, and students with services related to academic information and records. Some of the services provided include:

- Management of student academic records
- Verification of application materials
- Course registration and enrollment
- Issuing academic transcripts and conferral of degrees
- Consulting on academic policies and procedures, and on students, faculty and staff rights and responsibilities.

Student Services

The online nature of the university is not conducive to the administration of location-specific student services. Any student services that the institution undertakes in the future will be officially announced and included in the catalog.

LIBRARY SERVICES

The university offers LIRN, the Library and Information Resources Network, hosted on-line services featuring academic search capabilities. The LIRN® collection provides students with millions of peer-reviewed and full-text journal, magazine, and newspaper articles, e-books, podcasts, audio, and video to support their academic studies. Students will also have a choice to find the material from variety of libraries.

To access this library, students will be emailed a login and password for the library after they have been successfully enrolled in a program of study.

Academic Honesty

Brentwood University takes academic honesty very seriously. Students are expected to always submit original work, and outside sources should be appropriately credited whenever used. Works that require citation include, but are not limited to, hard copy or electronic publications (copyrighted or not), communication (verbal or otherwise) originating from identifiable sources. Academic dishonesty occurs when: students use words or ideas that are not their original work in assignments, citations are not included for all used outside sources, work is recycled from another course taken by the same student (unless agreed with the instructor in advance), documents, such as transcripts or diplomas are forged, etc.

Preventing Plagiarism

Faculty members are trained and encouraged to try and prevent plagiarism in their classes. Some steps in that direction are for a faculty member to make it very clear, through announcements or assignment instructions, what constitutes plagiarism (as well as the potential consequences), and how assignments and citations should be formatted. Both students and faculty members are encouraged to check assignments through the use of plagiarism checker software. Instances of plagiarism are addressed immediately.

Academic Honesty Procedure

When a faculty member determines that academic dishonesty in an assignment has occurred, the faculty member can address the issue directly with the student by considering one of the following options: educating the student on plagiarism (whenever it is unintentional or due to deficiency in understanding of what plagiarism is), allowing a student to resubmit the assignment, or taking steps to report the offence using the procedure outlined below along with a disciplinary action such as issuing a Failing grade on the assignment, reducing the final grade, or issuing a Failing grade for the course.

1. If the instructor and student cannot resolve the plagiarism issue, the instructor should submit an academic dishonesty complaint form to the Chief Academic Officer, with copy sent to the student. The student will have an opportunity to respond to the allegation.
2. The Chief Academic Officer will assign an Academic Honesty Committee, which would review the forms and communications and will determine an appropriate action to address the issue. Some of the possible outcomes include: student removal from class, loss of semester credit, documented counseling, or in extreme cases, expulsion from the university. The University President is informed of all reported instances and the actions taken to address them.

Academic Freedom Policy

Brentwood University is committed to assuring full academic freedom to faculty members. Confident in the qualifications and expertise of its faculty members, the college encourages its faculty members to exercise their individual judgments regarding the content of the assigned courses, organization of topics and instructional methods, providing only that these judgments are made within the context of the course descriptions as currently published, and providing that the instructional methods are those official sanctioned by the institution, methods for which the institution has received oversight approval. Brentwood University encourages instructors and students to engage in discussion and dialog. Students and faculty members alike are encouraged to freely express views, however controversial, as long as they believe it would advance understanding in their specialized discipline or sub-disciplines.

Add/Drop Policy

A student may drop a course and add another course during the first week of class through the use of an Add/Drop form. Requests are to be sent to the attention of the Chief Academic Officer. Each request will be reviewed by the Chief Academic Officer on an individual basis and a final decision is made based on the student's academic record. Courses dropped through this process will not have a record in the student's academic transcript. Students who wish to drop a course without adding a new course to their program, should consider the Withdrawal procedures.

Administrative Withdrawal

A student withdrawal initiated by Brentwood University is called Administrative Withdrawal. The institution may initiate Administrative Withdrawal at its discretion in cases when a student fails to complete the registration process or fails to attend or participate in class, or in cases of academic dishonesty. Whenever Administrative Withdrawal is initiated by Brentwood University, a notification is sent to the student, who will then have the option to dispute this action by sending a written response to the Chief Academic Officer who makes a final determination.

Attendance Policy

Students are expected to participate and actively contribute to class assignments (including discussions), demonstrating knowledge of the concepts and theories studied, and the ability to apply that knowledge when analyzing current events, assigned case studies, or real business questions from their own organizations and communities.

This institution's policy on attendance is based on the premise that regular communication between the teacher and the student and, also, among students themselves, has significant value in the learning process. To assure this timely communication, your instructor will respond to each of your assignment submissions or exam submissions within 7 days. To further assure this timely communication, students must respond to each of your instructor's inquiries

within 7 days as well.

A student is enrolled in a course, must demonstrate regular and substantive interaction with the instructor. Regular and substantive interaction is defined as completing one of the following academically related activities once a week in order to be marked as having attended and actively participating:

- Post to the course discussion board substantive comments relevant to the subject
- Substantive exchanges with the instructor about course content, concepts, and assignments
- Submit a graded unit assignment or exercise
- Attempt a pre-final exam or final exam
- Submit a final project

Assignments should be completed timely and within the posted deadlines. Limited extensions of time may only be granted for unexpected business, health, or personal emergencies, whenever those are communicated in advance of missing a due date. Emergencies require a written proof. In the rare occurrence of a technical issue preventing students from submitting assignments on time, the late penalty will not be applied, provided the technical issue is university-wide and outside of the control of individual students.

Cancellation, Withdrawal and Refund Policy

The student shall have the right to cancel the agreement and receive a full refund before the first lesson and materials are received or the seventh day after enrollment, whichever is later. Cancellation is effective on the date written notice of cancellation is sent/received to the school administrative office at the address appeared on the cover page of this catalog or by email to contact@brentwood.university. The institution shall make the refund pursuant to section 71750 of the Regulations. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

Notice Regarding the Transmission of Distance Educational Materials

The school will transmit your first lesson and other materials to you within seven days after your admission. This institution will transmit all of the lessons and other materials to you if (A) you have fully paid for the educational program; and (B) if after having received the first lesson and initial materials, you request in writing that all of the materials be sent. If this institution transmits the balance of the materials per your request, this institution shall remain obligated to provide other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by you. This institution shall not be obligated to pay any refund after all of the lessons and materials have been transmitted.

A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice to the school administrative office, at the address appeared on the cover page of this catalog or email to contact@brentwood.university or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The institution shall issue a refund for unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students

who have completed 60 percent or less of the period of attendance shall be a pro rata refund. The institution shall pay refunds within 45 days of a student's cancellation or withdrawal.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Refund Policy

A pro rata refund pursuant to section 94910(c) or 94920(d) or 94927 of the code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows:

The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

No refunds are due once the student has received 60% of the clock hours of instruction in any given period of attendance. For purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in this institution's catalog.

If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

This institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capital Oaks Dr., #400 Sacramento, CA 95833, P.O. Box 980818, West Sacramento, CA 95798, www.bppe.ca.gov, toll free telephone number (888) 370-7589 or by fax (916) 263-1897

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll free telephone number (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's Internet Web site www.bppe.ca.gov.

Course Repeat Policy

Students may repeat a course no more than three times. The cost of repeating a course equals the respective tuition rate for the course. When a student repeats a course, the lower grade will be replaced with the higher grade in the academic records, but with a notation that the course has been

repeated. Only the higher grade and semester credit will be used in calculating the cumulative GPA. Semester credit is only given once for a course, except in cases where indicated in the course description.

Credit Transfer Policy

Students may transfer up to 6 credits from comparable coursework completed at an accredited institution. Requests for credit transfer are evaluated based on their individual merit by the Chief Academic Officer. Coursework must have been completed with a minimum GPA of 3.0 (“B”) to be considered for transfer. Students are responsible for providing all information necessary for the validation of the credit claimed. For example, students will be required to furnish the academic catalog and/or the course outline from the institution awarding the credit. Brentwood University does not offer experiential credit.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at Brentwood University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Brentwood University to determine if your credits or degree will transfer.”

Incomplete Policy

A student may request an Incomplete (grade of I) status by submitting an incomplete form, signed and agreed to between the student and the course instructor. Approval of Incomplete status is at the discretion of the instructor. Students have 4 weeks to complete all course work after being assigned a grade of I. Failure to complete all course work will result in the student earning the grade based on the coursework actually completed.

Academic Status

A student in the MBA program of Brentwood University has to maintain a minimum cumulative GPA of 2.0 in order to remain in good academic standing. A student failing to maintain such GPA is subject to being placed on Academic Probation or Dismissal as defined below.

A student in the Doctor of Business Administration program of Brentwood University has to maintain a minimum cumulative GPA of 2.0 in order to remain in good academic standing. A student failing to maintain such GPA is subject to being placed on Academic Probation or Dismissal as defined below.

Academic Probation: A student whose GPA falls below 2.0 will be placed on Academic probation, subject to approval from the Chief Academic Officer. Students placed on academic probation will be informed of it in writing. A student who shows satisfactory improvement will be allowed to remain on academic probation until the minimum cumulative GPA of 2.0 is achieved.

Academic Dismissal: Students who fail to show improvement will be subject to Academic Dismissal from the university. The Chief Academic Officer will make the decision on placing students on Academic Dismissal and will notify the affected students and the registrar's office in writing. A student who is placed on Academic Dismissal will have a permanent record of the dismissal in the transcripts.

A student who is academically dismissed is not allowed to continue enrollment. Such a student can be readmitted to the program. When readmitted after a dismissal, a student is required to be on academic probation while repeating courses to raise their academic standing.

Students who have been placed on Academic Dismissal can appeal the decision based on mitigating personal circumstances. The appeal has to be submitted in writing to the Chief Academic Officer, who will make the final determination. If the appeal is approved, the student will be permitted to continue coursework at Brentwood University under academic probation status.

Non Academic Disciplinary Action

Violations of the Harassment or Discrimination Policy of this institution will become part of the student's record. Depending on the severity and/or frequency of the violation(s), the Faculty may take disciplinary action, including administrative withdrawal from the University. A student who has become subject to disciplinary action may submit an appeal to the Chief Academic Officer per the University's Grievances policy.

Grading Policy

Questions posted in the course classroom and sent via the course messaging system or email will be answered within 48 hours. Personal information and questions related to grading must be handled via private communications in order to protect students' privacy rights. Discussion board grades and Individual and Written Assignment grades will be posted within 5 calendar days after the end of each week, i.e. by end of day on Friday after the week they are due.

Student Assessment

Students have a number of opportunities to demonstrate learning through the measures of evaluation provided below. Please, use the table below to identify the days of the week as referenced in this section. Please, note that each week starts with Monday and ends with Sunday.

- Day 1 Monday
- Day 2 Tuesday
- Day 3 Wednesday
- Day 4 Thursday
- Day 5 Friday
- Day 6 Saturday'
- Day 7 Sunday

Discussion Forums

After each lesson, there may be discussion activities, which require critical thinking and responses that are based in theory, readings, current events, and personal experiences. All discussions pertaining to the topics of a particular week must take place within that week. Students should plan to begin participating in discussions early in the week, so as to allow a substantive discussion and exchange of ideas to take place within the week.

Periodic Quizzes

Quizzes will be scheduled for some courses based on the schedule provided to student at the first session of the course. Quizzes will consist of multiple-choice problems. Quizzes are meant for practicing of the concepts and theories studied in class. Quizzes can be taken multiple times and are scored automatically.

Individual Assignment

Students are required to complete one written individual assignment as it is identified in class schedule.

Final Exam

Final exams administered in the virtual classroom and are open for students for identified time period. The final exam may include a variety of question types, including definitions, calculation problems, or analysis from all topics covered throughout the term.

Program Grading Philosophy

Our university is very focused on ensuring that classes are not grade inflated and as such, grades of "A" are only provided for those assignments and activities for which a student goes beyond expectations. Please, note that per university policy, grades less than B are not meeting standards of graduate school competency and students whose cumulative GPA falls below B are subject to being placed on Academic Probation or Dismissal, as detailed in the University Catalog .

Graduation Policy – MBA Program

To receive a Master of Business Administration degree, a student must satisfy requirements related to semester credits, grade point average, program of study, and courses. Academic progress advisors (PA) are available to assist students with and to guide them through the process.

To obtain the Masters of Business Administration degree, a student must complete the following:

- Earn a minimum of 36 semester credits of MBA courses.
- Earn a minimum course grade of 2.0 (on a 4.0 system) for each course in the program.

Brentwood University can confer degrees at the end of each 8-week course term (6 times each year). The conferral date is the date on which the student's degree is officially conferred. Upon completion of all required courses, submission of the graduation application, and resolving of any outstanding financial obligations, students who have met all academic and administrative requirements, will receive two official transcripts and their diploma.

Graduation Policy – Doctor of Business Administration Program

To receive a Doctor of Business Administration degree, a student must satisfy requirements related to semester credits, grade point average, program of study, and courses. To obtain the Doctor of Business Administration degree, a student must complete the following:

- Earn a minimum of 60 semester credits by taking the core DBA courses and complete the required dissertation.
- Earn a minimum course grade of 2.0 (on a 4.0 system) for each course in the program.

The conferral date is the date on which the student's degree is officially conferred. Upon completion of all required courses, submission of the graduation application, and resolving of any outstanding financial obligations, students who have met all academic and administrative requirements, will receive two official transcripts and their diploma.

Grievance Policy

Brentwood University is responsible to uphold its students' rights and ensure that the university's non-discrimination policy is applied for students who choose to file a grievance against the institution for reasons involving discrimination, harassment, violation of a university policy, or other.

Students must use the following procedure to file a grievance: contact@brentwood.university

1. Students should first attempt to address the issue with the responsible party in writing. A copy of the communication shall be preserved in the course messaging system.
2. If a satisfactory solution cannot be found, the student may submit a grievance form to the Chief Academic Officer within 21 calendar days of the alleged incident. The grievance form is available upon request from the Chief Academic Officer.
3. The Chief Academic Officer shall issue a decision within 2 weeks of the grievance submission.
4. The student may appeal the decision to the Brentwood University Chief Executive Officer within 2 weeks of receiving the committee's decision, and a final decision will be made by the CEO within 2 weeks of the student appeal.

NOTE: If the complaint cannot be resolved after exhausting the institution's grievance procedure, the student may file a complaint in English with the California Bureau for Private Postsecondary Education. www.bppe.ca.gov

Harassment or Discrimination Policy

Brentwood University takes allegations of harassment on the basis of sex, race, color, religion, national origin, age, disability or sexual orientation very seriously. EAS strives to be free of all improper or unlawful harassment.

Conduct on the part of faculty, staff or students, which violates this policy includes but is not limited to:

- Unwelcome or unwanted sexual advances or requests for sexual favors, or insinuations that a grade or other academic achievement is dependent upon the granting of sexual favors.
- Unwelcome physical contact, including patting, pinching, hugging, kissing, fondling, etc.
- Offensive conduct, verbal or written, including sexually explicit jokes, comments, innuendo or other tasteless actions that would offend a reasonably sensitive person
- The display of sexually offensive pictures, posters, illustrations or objects
- Slurs, jokes, or ridicule based on race, ethnic or national origin, religion, gender or disability.

Individuals who have questions or who experience harassment should immediately report the offense to the University Chief Academic Officer.

Conduct Policy

Brentwood University will communicate directly with students whose conduct was deemed to warrant disciplinary action. Students may respond to the allegations by following the procedures listed under the Grievance Policy.

Leave of Absence Policy

A student may request a Leave of Absence (LOA), whenever it is necessary to take an academic leave due to individual circumstances. A student seeking a LOA shall submit a request to the Chief Academic Officer (please, email your request to contact@brentwood.university). The LOA allows a student to skip one course at a time, depending on the program. Students may take up to 2 LOA per year.

A student may not begin a Leave of Absence while an active course is in progress -a withdrawal procedure must be initiated by the student, instead. A LOA can begin upon the completion of the active course term.

Maintenance and Confidentiality of Student Records

Student records for all students are kept for five years. Transcripts and diplomas are kept permanently. Examples of education records include, but are not limited to: Transcripts, Degree Audit Reports, Schedules of Classes, Class Rolls, Academic History Reports, Grade Rolls, etc. The following items are NOT education records, as defined by FERPA: sole possession records

(records kept in the sole possession of the maker, used as a personal memory aid and not revealed to others), law enforcement records, employment records, medical records, post-attendance records, psychological or mental health records. Students may inspect and review their educational records. To do so, a student should submit a written request identifying the specific information to be reviewed. Should a student find, upon review, that records that are inaccurate or misleading, the student may request that errors be corrected. In the event that a difference of opinion exists regarding the existence of errors, a student may ask that a meeting be held to resolve the matter. Each student's file will contain student's records, including a transcript of grades earned. The first copy of the official transcript is provided at no charge. Subsequent copies are available upon advance payment of the transcript fee of \$25.00 for two copies. Transcripts will only be released to the student upon receipt of a written request bearing the student's live signature. No transcript will be issued until all tuition and other fees due the institution are paid current.

Brentwood University strictly observes the Family Educational Rights and Privacy Act (FERPA) – a federal law, which protects the privacy of student education records, establishes the right of students to inspect and review their education records, and provides guidelines for the correction of inaccurate and misleading information.

As allowed by FERPA, disclosure of student records without consent is acceptable when disclosure is made to university officials of this university or other universities where the student seeks enrollment. Such officials must have legitimate educational interest – which is a need to review education records in order to fulfill professional responsibility.

Also as allowed by FERPA, Directory information may be disclosed without consent UNLESS the student has invoked his/her FERPA right to limit disclosure of that information. Directory information includes: name, address, email address, telephone number, previous educational institutions attended, major, financial information and concentration, degrees and awards, dates of attendance, participation in school activities and sports, weight and height.

Students who wish to inspect their education record, can do so by submitting a request to Academic Affairs office in writing – all requests will be honored within 15 business days of request.

As required by FERPA, students are allowed to limit disclosure of personally identifiable information contained in their education records or in the school Directory. To invoke their FERPA rights to limit disclosure, students should submit a request to Academic Affairs office in writing – all requests will be honored within 15 business days of request.

Students who feel that Brentwood University has failed to comply with the requirements of FERPA have the right to file a complaint with the US Department of Education.

MBA GRADUATE COURSE DESCRIPTIONS

BU 151101 Organization and Leadership (6 Credits)

In this course, students will study organizational effectiveness. Models and theories of leadership will be used to analyze management and organizational behavior and make recommendations for improvement. Some examples of functional and dysfunctional leadership are examined with specific sensitivity to cross-cultural differences. Team development dynamics and performance are reviewed in the context of identifying best practices to improve individual and team effectiveness in pursuing company or group objectives.

BU 151102 Innovation and Technology Leadership (6 Credits)

Technical innovation is very important for the success of any individual or business entity in our day and age. We study innovation in three spheres of a business: product, process, and organization. New information-based systems are changing the business landscape with a lightning speed. Students can gain an appreciation of the efficiencies created through the use of information systems and the use of data to analyze and improve business decisions. Operations management principles are used to develop strategies, processes and operations that take advantage of internet-based solutions.

BU 151103 Accounting and Finance (6 Credits)

Students learn to understand, develop and analyze corporate financial statements and accounting reports. Alternative costing methods are examined and used in decision making. Business strategy is designed, and financial projections are made based on the information presented in the financial statements from past performance. Sources of financing are studied, and evaluated for existing or new ventures.

BU 151104 Micro and Macro Economics (6 Credits)

Students learn basic economic concepts, and analyze individual and economy-wide decisions, using the supply and demand framework. The course also focuses on the theories of firm behavior under different market structures and studies the process of resource allocation through the “invisible hand” of the market, sometimes helped by government regulation to ensure a balance between equity and efficiency. Further, aggregate economic behavior is examined through the study of economic growth, inflation, unemployment, and money supply. A number of policy questions and issues are raised, that relate to the way these variables affect the health of the economy in the near and long terms.

BU 151105 Marketing and Entrepreneurship (6 Credits)

Students learn to conduct market analysis through the use of research, historical performance, analysis, and theory. Marketing-related decisions are made, using the study of target markets, feasibility analysis, and media mix options. Students learn to identify new entrepreneurial opportunities and develop plans for new ventures or existing business acquisitions.

BU 151106 Business Strategy (6 Credits)

Business policy and strategies are designed by the students to address changes in the business environment and the need for companies to adapt in pursuit of company success in the marketplace. Some key areas of study are the principles of leadership succession and organization growth and development. Organizational structure and strategy are important focal points for leadership in the context of global dynamics and cultural and political differences as in the global competitive landscape.

DISSERTATION

A dissertation is the product of extensive research and presents an original contribution to knowledge in a given field. It documents the candidate's ability 1) to make substantive contributions to answering a major intellectual question and 2) to communicate research results with professional competence.

In all cases, the dissertation must constitute an integrated, coherent work, whose parts are logically connected. It must have a written introductory chapter that sets forth the general theme and core questions of the dissertation research and that explains the relationship among the constituent chapters or parts. The introduction will typically include, as is appropriate to the discipline, a review of the literature relevant to the dissertation, an explanation of theories, methods, and/or procedures utilized by the author, and a summary discussion of the contribution of the dissertation project to knowledge in the field. In its final deposited form, the dissertation must constitute an achievable product, which meets the standards prescribed by the university.

The dissertation may consist (in whole or in part) of co-authored chapters and articles, but the candidate must be a major contributor to the research and writing of any such papers and must describe her/his ideas, individual efforts, and contributions to the larger work. In order to be in compliance with the university's policy on plagiarism and academic integrity,* a dissertation that incorporates co-authored work must also include in its introduction an explanation of the role of the candidate in the research and in the writing of the co-authored work.

If a dissertation includes previously published materials (authored or co-authored), the candidate must provide a full referencing of when and where individual papers have been published. Because prior publication and multiple authorship have implications with respect to

copyright, DBA candidates should discuss copyright with advisors and obtain copyright clearance from any co-authors well in advance of defending the dissertation. Written permission must be obtained in order to include articles copyrighted by others within the dissertation. It is the responsibility of the student and the student's dissertation committee to ensure that the dissertation meets all requirements regarding authorship, academic integrity, and copyright, as here outlined.
