Pay attention and

Listen to the

Sayings of the wise;

Apply your heart.

To what I teach,

For it is pleasing when you

Keep them in your heart

And have all of them ready

On your lips.

Vision

***HIS University: Educating and Training
His Family Ministry Specialists.***

Our aim is to endow each student with a vision of world mission based upon a fundamental knowledge of biblical principles. We are determined to cultivate devoted leaders who will build healthy families and enhance the quality of other people's lives. With skills for developing positive human relations and cross-cultural education experience, students will be ready to efficiently deal with individual problems and family crisis.

Reflected below are characteristics descriptive of HIS University graduates:

1. Competent ***Family Ministers and Missionaries*** with an understanding that all people are created in God's image, and that His desire is that everyone belongs to His family. Graduates have a Christian worldview and concrete faith in God that makes them willing and capable in the ministry of restoring marriage and family relationships.
2. Professional ***Family Counselors*** who can efficiently cope with individual and family crisis and well trained to work within churches, schools, Christian and secular organizations.
3. Capable ***Family Educators*** with a strong biblical background who will train others in all stages of life.

Special Characteristics of HIS University

1. While Korean is the primary language of instruction, some classes are in English with a Korean translator and a few MFT classes are in English. Some textbooks are in Korean while others are in English.

Korean language proficiency is determined by a pre-enrollment oral interview. English proficiency for the MFT Program is required. A translator may be provided for students for a fee. See the Registrar's office for more information.

2. Marriage and Family Therapy graduates are prepared for the California state exam for obtaining a license as a Marriage and Family Therapist (LMFT) administered by the California State Board of Behavioral Sciences (BBS) upon graduation. While most of the MFT classes are taught in Korean, the BBS Licensing Exam is in English, thus the MFT Program has an English Proficiency requirement.
3. Students participate in experiential learning in the classroom.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:
 - A. You are not a California resident, or are not enrolled in a residency program, or
 - B. Your total charges are paid by a third party, such as an employer government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- The school closed before the course of instruction was completed.
- The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
- The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
- There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
- An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

It is important that copies are kept of the enrollment agreement, receipts, or any other information that documents the monies paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary and Vocational Education, 400 R Street, Suite 5000, Sacramento, CA95814-6200, (916)445-3427.

GENERAL INFORMATION

Accreditation Status

HIS University is a private institution approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations at this time.

Please note that state licensure is not accreditation. HIS University is engaged in the process of qualifying for accreditation with Transnational Association of Christian Colleges and Schools (TRACS). HIS University does not yet hold accreditation and does not give federal loans. The estimated time for acquiring accreditation is 2020.

Changes in the Catalog

HIS University reserves the right to revise information in the catalog as necessary, including changes in curriculum, personnel, procedures, policies, and fees. HIS is subject to all changes requested by the State of California as represented by the Bureau for Private Postsecondary Education (BPPE) or by the Federal Government. Changes will be noted as catalog addendums on the HIS website if they occur before the publishing of the next year's new catalog.

Community Agreement – See Student Manual for Details

HIS University values maintaining certain behavior standards that contribute to the atmosphere on campus, fosters fellowship with a wide range of Christians, and, in many instances, assists in strengthening our Christian testimony to our community. Hence, HIS University asks its students and employees to be supportive of this behavioral standard. HIS reserves the right to dismiss a student or staff member who, in its judgment, does not conform either to the stated regulations governing student and staff conduct or to the expressed principles, policies, and programs of the university.

Education Site

All classes and sessions will be held within school grounds in 1245 West 6th Street Corona, CA 92882. Special activities, which require other locations, will be noted 2-3 weeks prior to each session.

Facilities and Equipment

School building access is open at various hours. Please check with the office for current schedules. School equipment may not be removed or used without permission from the COO.

Grievance Procedure – See Student Manual for Details

At times, differences in interpretation of school policies occur among students, faculty, and/or administrative staff. When this happens, we urge all involved parties to communicate any problems directly to the individual(s) involved. Normally miscommunication and misunderstanding can be cleared during such "discussions" and the problem resolved. If necessary, the appropriate Departmental Director should be contacted for assistance. If an understanding is unable to be reached, Student Grievance Review Request forms are available at the Reception Office. Once completed and turned into the Departmental Director, it will be presented to the Administrative Committee (ADCOM) for review. Their final decision will be provided to the student.

HIS University Faith and Practice Statement

We believe in God the Father who sent His son, Jesus the Christ, to die for our sins so that we might have eternal life in Him. Jesus rose from the dead that we, who believe in Him, may also rise. We believe that Jesus will return. We believe that the Holy Spirit has been sent to the believer as a guarantor and teacher in the believer's new and eternal life. See theologically detailed Faith Statement at the end of this catalog.

COMMUNITY AGREEMENTS

Biblically speaking, the following behavioral expectations apply to all members of the HIS University community:

1. Those acts, which are expressly forbidden in Scripture, including: premarital/extramarital sex, homosexuality, drunkenness, theft, profanity, occult practices, and dishonesty will not be practiced by members of this community.
2. Other areas the community is expected to avoid are known as “sins of the spirit” and “sins of the tongue.” These include such sins as covetousness, jealousy, pride, lust, envy, immodesty, impatience, backbiting, enmity, strife, outbursts of anger, factions, bitterness, an unforgiving spirit, slander, discrimination and prejudice (Jeremiah 9:3-9, Mark 7:20-23, Galatians 5:12-21). Although these issues are more difficult to discern, they can be destructive to the healthy functioning of the community.
3. Recognizing the Christian obligation to submit to the governing authorities (Romans 13:1, 1 Peter 2:13), individuals related to HIS University are expected to uphold the laws of the local community, the state and the nation.

In addition to those behaviors and attitudes which the Scriptures specifically praise or condemn, the HIS Board has adopted the following statement of community agreements which are a requirement for membership in the HIS community.

HIS University is a community of Christians committed to the principles of Christian living found in the Bible and holds that these biblical standards are vital to our individual and corporate relationships. Maintaining these standards contributes to the kind of atmosphere in which quality Christian and secular communities. In this light, and given the clear biblical imperative for spiritual self-discipline, the university has established these “standards of conduct” to be observed and upheld, by all members of the HIS community.

Consistent with the example and command of Jesus Christ, we believe that life within a Christian community must be lived to the glory of God, with love for God and for our neighbors. Being indwelt by the Holy Spirit, we strive to walk by the Spirit, “crucifying the flesh with its passions and desires” (Galatians 5:24). To this end, members of the HIS community are not to engage in activities which Scripture forbids. Such activities include, but are not limited to, dishonesty, thievery, fornication, adultery, homosexual practice, drunkenness and unscriptural divorce. Scripture also condemns other “deeds of the flesh” such as covetousness, jealousy, pride and lust – sins which the maturing Christian should put off, and replace with the “fruit of the Spirit”: Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control (e.g., Luke 10:27; Galatians 2:20, 5:14-24; Ephesians 2:3; 1 Corinthians 6:9-10).

As a Christian educational institution, HIS also recognized the responsibility of its board of trustees, faculty and staff to provide examples of maturing Christian character conduct to its students and the community at large. To this end, participation in certain practices has been traditionally held by the University to be inappropriate for members of the HIS community. Such practices relate to areas of personal discipline and are in keeping with the biblical admonition that Christians glorify God in their physical bodies as “the temple of the Holy Spirit” (1 Corinthians 6:19-20), and that their freedom in Christ must not cause a brother or sister in Christ to stumble (1 Corinthians 8:7-13; 10:23-33). Members of the HIS community are expected to refrain from the use of alcoholic beverages and tobacco in any form, and from gambling. Also, HIS does not allow social dancing and university-related or sponsored activities (that is, at any activities that involved any identifiable university group, is publicized on campus and/or has the appearance of being university-related, whether held on or off campus). HIS University does not presume to be a censoring agency for all activities; however, it does expect tangible evidence of maturing Christian convictions and discerning judgment.

In addition, members of the HIS community will observe Sunday as the Lord’s Day and give primary attention to worship, rest, Christian fellowship and recreation and service.

These standards apply to the student while enrolled in any of the schools or programs of the university on and off campus. In addition, these standards apply to the board members during their terms of service on the HIS University Board, and to faculty and staff during their terms of employment with HIS University. HIS therefore reserves the right to discipline or dismiss any student or employee who, in its judgment, does not conform to these conduct standards or to other expressed principles, policies, programs and expectations of the university governing employee conduct.

HIS UNIVERSITY'S FAITH STATEMENT

Inasmuch as the University is interdenominational and yet theologically conservative, a doctrinal statement is given below:

The Bible, consisting of all the books of the Old and New Testaments, is the Word of God, a supernaturally given revelation from God Himself, concerning Himself, His being, nature, character, will and purposes; and concerning man, his nature, need and duty and destiny. The Scriptures of the Old and New Testaments are without error or misstatement in their moral and spiritual teaching and record of historical facts. They are without error or defect of any kind.

There is one God, eternally existing and manifesting Himself to us in three Persons – Father, Son and Holy Spirit.

Our Lord Jesus was supernaturally conceived by the power of the Holy Spirit and born of a virgin – Mary, a lineal descendant of David. He lived and taught and did mighty works and wonders and signs exactly as is recorded in the four Gospels. He was put to death by crucifixion under Pontius Pilate. God raised from the dead the body that had been nailed to the cross. The Lord Jesus after His crucifixion showed Himself to be alive to His disciples, appearing to them by the space of 40 days after his resurrection. After this, the Lord Jesus ascended into heaven, and the Father caused Him to sit at His right hand in the heavenly places, far above all rule and authority and power and dominion, and every name that is named, not only in this world, but also in the world, which is to come, and put all things in subjection under His feet, and gave Him to be Head over all things to the Church.

The Lord Jesus, before His incarnation, existed in the form of God and His own choice laid aside His divine glory and took upon himself the form of a servant and was made in the likeness of men. In His pre-existent state, He was with God and was God. He is a divine person possessed of all the attributes of Deity, and should be worshiped as God by angels and man. "In Him dwells all the fullness of the God head bodily." All the words that He spoke during His earthly life were the words of God. There is absolutely no error of any kind in them, and by the words of Jesus Christ the words of all other teachers must be tested.

The Lord Jesus became in every respect a real man, possessed of all the essential characteristics of human nature.

By His death on the cross, the Lord Jesus made a perfect atonement for sin, by which the wrath of God against sinners is appeased and a ground furnished upon which God can deal in mercy with sinners. He redeemed us from the curse of the law by becoming a curse in our place. He who Himself was absolutely without sin was made to be sin on our behalf that we might become the righteousness of God in Him. The Lord Jesus is coming again to his earth, personally, bodily, and visibly. The return of our Lord is the blessed hope of the believer, and in it God's purposes of grace toward mankind will find their consummation.

The Holy Spirit is a person, and is possessed of all the distinctively divine attributes. He is God.

Man was created in the image of God, after His likeness, but the whole human race fell in the fall of the first Adam. All men, until they accept the Lord Jesus as their personal Savior, are lost, darkened in their understanding, alienated from the life of God through the ignorance that is in them, hardened in heart, morally and spiritually dead through their trespasses and sins. They cannot see, nor enter the Kingdom of God until they are born again of the Holy Spirit.

Men are justified on the simple and single ground of the shed blood of Christ and upon the simple and single condition of faith in Him who shed the blood, and are born again by the quickening, renewing, cleansing work of the Holy Spirit, through the instrumentality of the Word of God.

All those who receive Jesus Christ as their Savior and their Lord, and who confess Him as such before their fellow men, become children of God and receive eternal life. They become heirs of God and joint-heirs with Jesus Christ. At death their spirits depart to be with Christ in conscious blessedness, and the Second coming of Christ their bodies shall be raised and transformed into the likeness of the body of His glory.

All those who persistently reject Jesus Christ in the present life shall be raised from the dead and throughout eternity exist in the state of conscious, unutterable, endless torment and anguish.

The Church consists of all those who, in this present dispensation, truly believe in Jesus Christ. It is the body and bride of Christ, which Christ loves and for which He has given Himself.

There is a personal devil, a being of great cunning and power: "The prince of the power of the air," "The prince of this world," "The god of this age." He can exert vast power only so far as God suffers him to do so. He shall ultimately be cast into the lake of fire and brimstone and shall be tormented day and night forever.

Note: This doctrinal statement, presented here as originally written, has been and continues to be the stated theological position of HIS University. Where "man" is used, referring to the human race, it includes both genders. In addition, the following explanatory notes indicate the organization's understanding and teaching position on certain points, which could be subject to various interpretations:

- The Scriptures are to be interpreted according to the conviction that the return of the Lord for His Church will be premillennial, before the Tribulation.
- The existence of the Creation is not explainable apart from the roles of God as the sovereign Creator and Sustainer of the entire natural realm. Concepts such as theistic or threshold evolution do not adequately explain creation.
- Though there may be many fillings of the Holy Spirit, there is only one baptism, which occurs at the time of regeneration. The gifts of the Spirit are given to believers according to the will of God for the purpose of building up the Church. During the foundational era of the Church (i.e., the time of Christ and the Apostles) God gave special manifestations of the overtly supernatural and miraculous gifts (e.g., tongues, healings, miracles) as "signs" that witness to the validity of those bearing new canonical revelation (c.f. 2 Cor. 12:12; Heb. 2:3-4). Beyond the foundational era, God in His sovereignty may grant any spiritual gift and work miraculously for the benefit of His Church at any time.
- The Bible is clear in its teaching on the sanctity of human life. Life begins at conception. We abhor the destruction of innocent life through abortion-on-demand.
- Confession before men is viewed as tangible fruit of salvation and not as a qualifying condition for salvation.
