About the DMV Exam

A Department of Transportation (DOT) physical examination is conducted by a licensed "medical examiner." The term includes, but is not limited to, doctors of medicine (MD), doctors of osteopathy (DO), physician assistants (PA), advanced practice nurses (APN), and doctors of chiropractic (DC).

A DOT physical exam is valid for up to 24 months. The medical examiner may also issue a medical examiner's certificate for less than 24 months when it is desirable to monitor a condition, such as high blood pressure.

Understanding The DOT Physical: Requirements Explained

The DOT Physical is one of the most important qualifications for any CDL driver. Its purpose is intended to help ensure the safety of both the CDL holder and the other drivers sharing the road with him.

The Department of Transportation requires every CDL driver to receive periodic physical examinations conducted by an approved DOT medical examiner. The DOT medical exam looks for certain pre-existing medical conditions that might impair a driver's ability to safely operate a commercial motor vehicle. A medical examiner's certificate, which is commonly known as a DOT medical card, provides proof the driver has meet the medical requirements to hold a CDL. In most states, a prospective CDL driver must hold a valid DOT medical card before a CDL learner's permit can be issued.

Conditions & Issues Covered In A CDL Physical Exam

The medical requirement guidelines we mention here are very basic. Any questions should be addressed by a medical professional familiar with your physical condition.

Basic DOT Medical Requirements

A holder of a CDL must have 20/40 correctable vision in each eye.

The key here is correctable vision and that means eye glasses or contact lenses are OK.

A CDL driver cannot be a diabetic requiring needle-injected insulin.

Diabetes controlled by diet may be permissible.

A driver's blood pressure must be 140 over 90 or less for a 24 month DOT Medical Certificate.

Additional blood pressure standards:

140-159/90-99 – 12 month certificate

160-179/100-109 – 3 month temporary certificate

Over 180/110 – DOT disqualifier

In some instances, a prescription blood pressure drug can be used to control high blood pressure.

The blood sugar level must be under 200.

The use of a narcotic or any other habit forming drugs will prevent you from passing the

DOT physical.

A current diagnosis of any cardiovascular disease or cardiac issues may require you to provide additional information from your doctor

Checklist #24 – cancellation, withdrawal and refund policies

Student's Right to Cancel

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250).

A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice to the school administrative office, 13674 E. Valley Blvd., La Puente, CA 91746 or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The institution shall issue a refund for unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Refund Policy

A pro rata refund pursuant to section 94910(c) or 94920(d) or 94927 of the code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows:

The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

No refunds are due once the student has received more than 60% of the clock hours of instruction in any given period of attendance. For purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in this institution's catalog.

If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

This institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

Grades and Standards for Student Achievement - Satisfactory Progress

Grades are awarded on a pass / fail basis. Checklists are used by instructors to record student acquisition and mastery of assorted skills. Students must achieve a “pass” rating on all quizzes and skill demonstrations.

If the student has not completed the coursework and earned a grade at the end of the course, the instructor may issue one of the following grades.

I Incomplete If the course has not been completed, the instructor may grant an I on a two-month extension of the term, at no additional tuition cost, when the student is making satisfactory progress and the instructor believes that an extension of time will permit satisfactory completion. At the end of this period, a final grade must be recorded.

W Withdraw The student may withdraw from any course before the end of the term. At the end of the term, the instructor may withdraw the student from the course and issue a W when the instructor believes the student's progress is insufficient to warrant an extension. A student who withdraws or is administratively withdrawn must retake the course and is responsible for a new tuition payment for that course of study.

Checklist #30 – attendance policies

Attendance Policy – All Programs

Students are required to attend more than 85% of the scheduled sessions throughout the entire program. When a student falls below 90% attendance they will be given a verbal warning by their instructor. When a student falls below 85% attendance they will be placed on probation for the remainder of the program. The student will be notified of their probation status and they will be required to meet with the Program Director. The instructor tracks late arrival and early departures.

Checklist #31 – probation and dismissal policies

Academic Probation and Dismissal Policies

The Chief Academic Officer may place a student on academic probation if the student is not making satisfactory academic progress as per this institution's published policy. The student's grade point average will be monitored at the end of each enrollment period as the grades are posted. Should the student's GPA fall below that required for graduation, a student may be placed on academic probation. This will result in a formal advisory, which will be sent to the student by mail, explaining the reason for the probation. If the student wishes to appeal the formal advisory, the student is to submit a written request for an administrative academic review to the school main campus:

Camino Real Career School
13674 E. Valley Blvd., La Puente, CA 91746

After the completion of the currently enrolled term, the student will have two additional terms to bring his or her grade point average up to or exceeding the minimum standard of the institution. Thereafter, the student's failure to achieve satisfactory academic progress may result in dismissal from the program. The Chief Academic Officer will offer assistance in locating a suitable tutor, should such service be requested by the student. Any student seeking a tutor is financially responsible for the cost of all such tutoring.

Checklist #32

Leaves of Absence

Should circumstances be such that a leave of absence is to be requested, a student must submit an application for a leave of absence to the main campus:

Camino Real Career School
13674 E. Valley Blvd., La Puente, CA 91746

The written notice must contain a statement of the nature of the request. At the discretion of the Chief Academic Officer, a leave may be granted for a reasonable time, as warranted by the circumstances. If a student repeatedly resorts to the use of a leave of absence, and if such applications show a pattern of delays, or should the issuance of a leave of absence be such that it would significantly interfere with the planned completion of a program of study, the Chief Academic Officer may, in his/her sole discretion, dismiss a student from the program and issue the appropriate refunds as may be required.

Checklist #33 – student rights - grievances

Student Grievance Procedures – Student Rights

Most problems or complaints that students may have with the school or its administrators can be resolved through a personal meeting with the student's instructor or a counselor. Camino Real Career School
13674 E. Valley Blvd., La Puente, CA 91746

The written complaint must contain a statement of the nature of the problem, the date the problem occurred, the names of the individuals involved, copies of documents if any, which contain information regarding the problem, evidence demonstrating that the institution's complaint procedure was properly followed, and the student's signature. The student can expect to receive a written response within ten business days. Student's rights are set forth at various places in this catalog.
