An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

An LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring an institution to perform a refund calculation. A LOA may be granted for Vacation, Personal, Death of a relative, Medical Emergencies, or similar emergencies.

- A. All requests for leaves of absence must be submitted in advance in writing, include the reason for the student's request, and include the student's signature.
 - a. Students must apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to Urban Barber College (UBC), the student would not have been able to request the LOA in advance
 - b. UBC may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the institution documents the reason for its decision to and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident
 - c. Medical LOA do not count as personal
- B. Students must follow the institution's policy in requesting LOA
- C. There must be a reasonable expectation that the student will return from the LOA
- D. Approval of the student's request for an LOA is in accordance with the institution's policy
- E. The institution will not assess the student any additional charges as a result of the LOA
- F. The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period.

- G. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time
- H. UBC will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.
- I. If a student does not return to Urban Barber College at the expiration of an approved LOA (or if a student takes an unapproved LOA), the withdrawal date for purposes of calculating a refund is always the student's last day of attendance.

Barbering 450, 900, 1200 actual hours

Barber Crossover 100 actual

*Transfer Students – Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that the students have had at least one evaluation by midpoint in the course.

Attendance Progress Evaluations

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation by period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below (VA benefit students are paid for approved program length only):

Course	Maximum Time Allowed
Barbering (Full Time, 35 hrs./wk) – 1500 hrs. – 43wks	64 weeks, 2250 hrs.

Barber Crossover (Part Time, 25 hrs./wk) – 200 hrs. – 8wks	12 weeks, 300 hrs.

The institution operates all programs according to a 900 clock hour academic year.

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. Students who exceed the maximum time frame may continue in the program but are subject to overage fees

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as repeated. At least two comprehensive practical skill evaluations will be conducted during the course of the study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and

practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100	Excellent
80 - 89	Very Good
70 - 79	Satisfactory
69 and BELOW	Unsatisfactory

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while on the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet minimum requirements for attendance or academic progress are placed on probation and considered to be making satisfactory academic progress while on the probation period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. VA educational benefits will be discontinued when the veteran or eligible person ceases to make satisfactory academic progress. No more than two terms (evaluations periods), quarters or semesters on warning/probation will be permitted.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a Leave of Absence will extend the student's contract period and maximum attendance percentage calculation by the same number of days of leave. Students who withdraw prior to completion of

the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Noncredit, remedial courses, incompletes and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

53. Policies and Procedures Regarding Financial Aid (Title IV)

Return of Title IV Funds

If a student (parent/guardian in the case of a student under legal age) cancels his/her contract, the cancellation date will be determined by the postmark on written notification or the date said information is delivered to the school's Financial Aid Director/Owner in person. Should any aid be disbursed prior to the start of class, all funds will be returned in full to the appropriate agency. The Financial Aid Department administers the Return to Title IV Funds Calculation (R2T4). A student withdrawal can include those students who officially or unofficially withdraw. Examples would be 1) a student who did not return from an approved or unapproved Leave of Absence, 2) those who were terminated from enrollment. 3) those who withdrew from the program and notified the school, 4) the school was notified by a second party due to circumstances beyond the student's control. All R2T4 calculations are based on the students last date of attendance as provided by the student's attendance records. The R2T4 determines the amount of aid that was earned. The R2T4 is based on the payment period. After the student has completed 60% of the payment period, no refund is due. The R2T4 is completed for all withdrawals to determine if the student is approved for a post withdrawal disbursement. The calculation for the percent of completion of the payment period is as follows: School will determine the actual date the student started the payment period and the last date of attendance and will figure the scheduled clock hours within that period of time. The number of clock hours the student was schedule to complete within that payment period is divided by the total number of clock hours in that payment period to determine percent completed. Days a student was on a Leave of Absence are not included in this calculation. Students who owe an overpayment of Pell grants as a result of withdrawal from the program, initially will retain their eligibility for Title IV funding for forty-five (45) days of the earlier of 1) date the school sends the student notification of the over award 2) the date the school was required to notify the student of overpayment. Within thirty (30) days of determining that the student's withdrawal created a repayment of all or part of the Pell Grant, the school must notify the student that she/he must repay the overpayment or make satisfactory arrangements to repay. The student will be notified of overpayment of Title IV funds and that the students eligibility for additional Title IV aid will cease if the student fails to take a positive action by the forty fifth (45th) day following notification from the school. The student will have the options of paying the overpayment in full or arranging a repayment agreement with the Department of Education. If the student fails to take action to repay during the forty-five (45) days allotted, the school will report this to NSLDS. Any student who withdraws officially or unofficially will be made aware of the possible consequences of withdrawing. For financial aid students, repayment on Federal Loans begins 6 months from their last date of attendance. Students who took a full 180 day Leave of Absence (LOA) and who did not return from the LOA will go into immediate repayment. The R2T4 does not dictate the schools refund policy and is not based on the student's education charges, only the scheduled time within the payment period in which the student drops. This policy is separate from the schools Institutional Refund Policy. All students who utilize Title IV funding will have the R2T4 calculation completed prior to calculating the Institutional Refund Policy. A student may owe funds for unpaid charges to the school to cover education charges. If the school is required to return

federal funds, the school will return Federal Aid disbursed that was credited to the student's account for the payment period in which the student withdrew. The school will refund any unearned Title IV aid due within forty-five (45) days of the date of determination, which is no later than fourteen (14) days from the last date of attendance. Title IV Refunds are allocated in the following order:

1. Unsubsidized Direct Stafford Loans
2. Subsidized Direct Stafford Loans
3. Direct PLUS Loans

4. Federal Pell Grants for which a return of funds is required If the school is allowed a post withdrawal disbursement, the school will advise the student or parent they have fourteen (14) calendar days from the date the school sent notification to accept a post withdrawal disbursement. A student who qualifies for a post withdrawal disbursement must meet the current award year requirements and time frames for late disbursements. A post withdrawal for Pell Grants of which the student is awarded will be disbursed within forty-five (45) days of the date the school determined the student withdrew. Post withdrawal loan funds a student accepts will be made within one-hundred and eighty (180) days from the date the school determined the student withdrew. If the schools Institutional Refund Calculation indicates the student still owes the school, the debt to the school must be paid in full before the release of transcripts (unless your state law indicated otherwise). The school's responsibility in regard to the Return to Title IV funds are as follows:

- To provide students with the information contained in the R2T4 Policy.
- Identifying student who have withdrawn and will be affected by the R2T4Policy.
- Return all unearned Title IV Funds in compliance with The Department of Education requirements.

The student's responsibilities in regard to the Return to Title IV funds are as follows:

- Return unearned Title IV Funds that were disbursed to the student where in the student was deemed ineligible, based on the R2T4 calculation.
- When possible, the student should notify the school in writing of official withdrawal.
- If the student cancels their decision to withdraw, the student must notify the school in writing within three business days of the date of the original withdrawal.
