Brothers and Sisters,

People are afraid to take a road when the destination is unclear and they have no equipment to safeguard their trip. Life is about taking a road. You need to know where you are going. You also need some helps to safeguard your trips.

Oikos University was launched to help clarify your destination so that you can take a step in your journey. It was also launched to equip you with skills and profession whereby you can use them to safeguard your travel.

Oikos University exists to provide you one of the finest education programs with Christian value and biblical inspiration available to you. We are here to help you sharpen your specific life goal and live an enriched life. You are more than welcome to learn profession and skills at our school so that you can serve the community, country and the world with your profession.

It is our utmost belief that Oikos University will serve more people than any other schools in the areas in the years to come.

May the Lord guide you and keep you as you take the step and travel the road that is full of fun and adventure! Let us serve you with the best.

Reverend Jongin Kim,
President
Oikos University

INTRODUCTION

FOUNDING PHILOSOPHY

Oikos University was established to provide one of the highest standard educations with evangelical Christian doctrine background. It endeavors to provide degree programs that meet the specific vocational needs of immigrant students in order to fill the needs of the rapidly expanding communities. It is our firm belief that upon the completion of their programs, students will be able to practice and refine their social, moral and spiritual values based on Christian heritage and enrich their life goal and serve their communities with their profession and skills.

MISSION STATEMENT

The mission of Oikos University is to educate men and women to be the leaders to serve the church, local communities, and the world by using their learned skills and professions.

VALUES

Oikos University upholds the doctrines of evangelical churches and has identified three specific core values that define our institution:

- We value evangelical mission and discipleship of all people, and focus especially on members of the Asian communities;
- We value academic excellence and professional skills within the context of Christian faith engaging individual and corporate relationship with Jesus Christ, and
- We strive to demonstrate these values throughout the church, local community and the world.

VISION

The vision of Oikos University is to educate emerging Christian leaders to transform and bless the world at every level – from the church and local community levels to the realm of world entire. The fulfillment of this vision inspires, motivates, drives and defines the work of Oikos University.

INSTITUTIONAL GOALS

INSTITUTIONAL OBJECTIVES

1. To demonstrate a comprehensive knowledge of the Bible and an understanding of Christian doctrine
2. To instill a desire for lifelong commitment to personal spiritual growth through daily Bible study and prayer.
3. To develop attitudes of service and commitment to the local church and world missions.
4. To equip students with learning skills that access knowledge for vocational success and enable students to manifest their perspectives
5. To provide students with competitive knowledge, skills and attitude for success in their profession.
6. To prepare students for Christian service and vocation in the Church and society.
7. To instill a missionary vision to world-wide outreach and increase ethical standards in personal lifestyle.

PHILOSOPHY OF STUDENT DEVELOPMENT

The philosophy of student development at Oikos is driven directly from our mission:

“The mission of Oikos University is to educate men and women to be the leaders to serve the church, local communities, and the world by using their learned skills and professions in the areas of biblical studies, music performance, Asian medicine and practical vocational nursing.”

Because we value the importance of our role to educate and disciple Christian leaders, we emphasize the development of character and conduct that reflects Christ-likeness. We know that our graduates will be serving both church and in the world. Therefore, we like to use the curriculum, chapel, student ministry, small group and student life to help them develop their profession and Chris-like character. We will require student to participate in local church service in weekly basis. Academic director will continue to work on the curriculum development to be relevant to their job market. Student director will make sure that students have enough spiritual, emotional and social support.

DOCTRINAL STATEMENT

1. The Bible

We believe that the Bible is made by the unique divine inspiration given for the faith of the believing community. It is infallibly and uniquely authoritative and free from error of any sort in all matters.

2. The Trinity

We believe in the one true and living God who is eternal, transcendent, omnipotent, personal God possessing three eternal, personal distinctions which are revealed to us as Father, Son and Holy Spirit equal in every divine perfection, yet executing distinct but harmonious offices.

3. The Father

We believe in God the Father, the first person of the Divine Trinity, perfect in holiness, wisdom, power and love. We believe in God the father, an infinite Spirit-sovereign, eternal, and unchangeable in all His attributes. He is worthy of honor, adoration, and obedience.

4. The Son

We believe that the Son is the Perfect, sinless humanity and the absolute, full deity of the Lord Jesus Christ, indissolubly united in one divine-human person since His unique incarnation by miraculous conception and virgin birth.

5. Holy Spirit

We believe that the Holy Spirit is the third person of the Triune Godhead. He has been and will continue to be active throughout eternity. He convicts, regenerates, indwells, seals all believers in Christ, and fills those who yield to Him. The Holy Spirit gives spiritual gifts to all believers; however, the manifestation of any particular gift is not required as evidence of salvation.

6. Historicity

We believe the full historicity and perspicuity of the biblical record of the primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel. We believe the realities of heaven and hell.

7. Redemption

We believe the redemptive grace of God through the substitutionary work of Jesus Christ who paid the full redemptive price for the sin of

the world, through His literal physical death, burial, and resurrection, followed by His bodily ascension into heaven.

8. Salvation

We believe the personal salvation from the eternal penalty of sin provided solely by the grace of God on the basis of the atoning death and resurrection of Christ. We believe that salvation is only appropriated by a person placing his faith in the finished work of Christ.

9. Last Things

We believe in the personal and visible return of the Lord Jesus Christ to earth and the establishment of His kingdom. We believe in the resurrection of the body, the final judgment, the eternal felicity of the righteous and the fulfillment of His purposes in the works of creation and redemption with eternal rewards and punishments.

10. Biblical Creation

We believe biblical account of creation as a historical and theological record of God's creation. And we believe that the universe with all that is in it was created by God. God's creation includes and is not limited to the existing space-time universe and all its basic systems and kinds of organisms in the six literal days of the creation week.

11. Satan

We believe the existence of a personal, malevolent being called Satan who acts as tempter and accuser, for whom the place of eternal punishment was prepared, where all who die outside of Christ shall be confined in conscious torment for eternity. He can be resisted by the believer through faith and reliance on the power of the Holy Spirit.

CAMPUS LOCATION

The class sessions are held at the campus at 7901 Oakport St. Suite 3000, Oakland, CA 94621.

In the heart of San Francisco Bay Area in California, the campus is situated in the city of Oakland.

This community has a strong business and employment infrastructure that our student body enjoys. Local stores include wholesale markets, cleaners, and convenience stores. Local restaurants include various ethnic menus as well as most fast food establishments. Oikos students have found it to their advantage to live in a community that has adapted to the employment needs of college students.

Oakland is a city with rich history that has many renovation projects and urban renewal plan. San Francisco International Airport (31 minutes) and Oakland Airport (5 minutes away) are serviced by numerous airlines. You can reach the campus both from San Francisco Airport and Oakland Airport by taking calling the school—please let us know 48 hours before you arrive; we’ll have someone pick you up. Near attractions includes UC Berkeley, Oakland Athletics, San Francisco Downtown, Golden Gate, Bay Bridge, Oakland Coliseum, and Treasure Island. If you are coming from southern California, follow I-5 north, continue on I-580 W, take I-238 N, take I-880 N to Oakland and take the Hegenberger Road Exit left at Edes Ave, left at Hegenberger Road and right at Oakport Street to the School. If you get lost, please call 510-639-7879 Monday through Friday, 9 AM to 5 PM, for directions. You may also want to google for the map by typing the following address: 7901 Oakport St. Suite 3000, Oakland, CA 94621.

CAMPUS FACILITIES

Our 8,000-square foot main campus is in 7901 Oakport St. Suite 3000, Oakland, CA 94621, in the city of Oakland known near downtown Oakland. We’re blessed with six classrooms, four offices, a concert hall sized chapel, a 25,000-volume library. The administrative area houses administrative and faculty offices, and the student lounge. The chapel is capable of approximately 100 audiences. While Oikos does not operate a dormitory or other student housing facility, we are familiar with the residence hotels, apartments, and other facilities that our students have chosen. We will be happy to help you find the house of your preferences. The library contains over

sufficient volumes as well as periodicals and multimedia resources. The catalog and many resources are available on computers located in the library.

ACADEMIC FREEDOM

We regard academic freedom as a sacred trust and God-given responsibility that encourages the scholarly pursuit of truth in each academic discipline to which God has called us. The foundation of academic freedom is the belief that God is the author of all truth. All faculty members are encouraged to seek wisdom and understanding, acquire knowledge and teach others. Therefore, faculty need not fear where their pursuit of knowledge and wisdom may lead, but rather be guided by the fear of the Lord. Academic freedom is entrusted to every full-time and part-time faculty member, and teacher at Oikos University. Academic freedom is always exercised within a context of standards or norms. Oikos University defines academic freedom within the following context of standards or norms for its faculty members:

1. God is the source of all truth. The Scriptures are the written expression of truth and the revealed will of God. There is also natural revelation. Both types of revelation contribute to our understanding of truth.

2. Academic freedom functions within Oikos University's mission statement and statement of faith. Specifically, within the mission statement, the faculty member takes the role of being a Christian leader in order to model Christian leadership to students. Academic freedom serves to make the University a leading center of Christian thought and action. Oikos University's mission educating students to "serve as Christian leaders." can be achieved only if faculty members demonstrate Christian principles of life and living in the classroom.

3. "The teacher is a citizen, a member of a learned profession and an officer of an educational institution" ("Academic Freedom and Tenure, 1940 Statement of Principles and Interpretive Comments," American Association of University Professors). What faculty say or do as private citizens outside their own area of professional competence cannot be justified on the grounds of academic freedom. The public will judge the University by the faculty's utterances. Consequently, accuracy, proper restraint and respect for the rights of others to express their opinions shall be exercised by faculty speaking in public as private citizens. These considerations are not meant to restrict the faculty's ability to make public utterances on topics outside of their discipline, but to encourage faculty to speak the truth in love in accordance with scriptural principles.

4. The University does not restrict faculty as private citizens from speaking out politically, or from addressing the wrongs in society.

Faculty members are free to hold public office so long as holding that office does not interfere with fulfillment of contractual duties.

5. Exercising academic freedom requires responsibility and propriety in the pursuit of truth, as well as complete honesty and loyalty to the University's mission statement and statement of faith.

6. Academic freedom at Oikos University is framed by the context of the University's mission statement and statement of faith and is consistent with the standards and norms stated in the academic freedom policy. Faculty members are free to pursue truth within their discipline by research, discussion and other forms of inquiry. This freedom carries a responsibility to truth, to scholarly integrity, and to one's students.

Faculty members may not use their position or classroom as a platform to demand adherence by students to a personal theological viewpoint, political preference, or social agenda. If an individual believes that a faculty member has violated the University's mission statement and/or statement of faith, he or she should confront that faculty member with the charges. If the issue is not resolved, these two individuals should meet with the academic director. At this point documentary evidence must be presented.

The academic director may dismiss the matter or refer it to the standing faculty Hearing Committee if he or she determines that there may be a violation of academic freedom. The committee conducts their hearing consistent with policies outlined in the Contract Termination policy and makes a recommendation regarding the disposition of the matter to the president. The president makes a final decision.

This statement is consistent with the recommendations of the American Association of University Professors (AAUP) in general (<http://www.aaup.org/AAUP/issued/AF/>) and with the AAUP's 1940 Statement of Principles on Academic Freedom and Tenure (<http://www.aaup.org/AAUP/pubsres/policydocs/1940statement.htm>). Note that Oakland does not intend, by adopting this policy, to institute a tenure system.

STUDENT LIFE

SPIRITUAL ENRICHMENT

In the book of Mark, Jesus said that the most important commandment is to love the Lord with all of your heart, soul, mind, and strength and to love your neighbor as yourself. Jesus was making it clear that every aspect of who we are should reflect our passion for the Lord. At Oikos, we are endeavoring to live out this commandment.

The spiritual life at Oikos can be seen everywhere you turn—in classes, in chapels, in student-led Bible studies. Prayer, worship, dialogue about God and His Word, and Christian fellowship flow through the course of each day here at Oikos.

CHAPEL SERVICES

Once each week we gather as a community for chapel. These services are dynamic times for responding to the Holy Spirit and the truth of the Word. Passionate worship marks these strong times together. Guest speakers as well as faculty members and selected students bring messages of encouragement and challenge from God's Word.

SPECIAL DAYS

The administration and faculty of the university seek to be sensitive to both the needs of the students and the direction of the Holy Spirit. Periodically, a special day of prayer and worship may be called for the purpose of spiritual reflection and renewal, with the entire school community uniting together for the day.

MINISTRY EMPHASIS

At least once annually, a special series of chapel services is planned for ministry emphasis. The speakers are men and women of God who exemplify Christian leadership in the Church and/or the world.

CHURCH SERVICES

Throughout the book of Acts we read how God visits His people when they gather together for times of prayer, praise, and worship. Our doctrine calls on us to "identify ourselves with the visible Body of Christ." We interpret this call to mean that each member of the Oikos community should participate regularly in the life of a local church.

We assemble together in local congregations to allow the Word to work in us with authority and mutual accountability. We do this so that the gifts can work in and through us by the power of the Holy Spirit. We gather as well, to fellowship among God's people, who

are the true temple of God by His Spirit. New students are required to visit several churches in the local area prior to selecting a “home church.”

We believe it is important for students to attend their home church consistently. Students who absent themselves from church services without legitimate excuse communicate that they are not in accord with the purposes of the university.

SMALL GROUPS

As part of his or her spiritual development, each student is expected to regularly participate in a small group. These groups provide an opportunity for Bible study, fellowship, and accountability. Many students meet in a small group provided through their church; others participate in various groups that meet on campus.

DEVOTIONAL LIFE

All members of the Oikos community (administrators, faculty members, staff, and students) are encouraged to maintain a rich, daily devotional life. Times alone with God in Bible study, meditation, prayer, fasting, and praise are invaluable in forming the character of Jesus and in receiving the empowerment of the Spirit. In addition to private devotions, it is not unusual for students to meet regularly with other members of the campus community for special times together in God’s presence.

PHILOSOPHY OF COMMUNITY

Oikos is a community of believers dedicated to the development of leaders in the Body of Christ. So that the Body is built up in love (cf. Ephesians 4:16) faculty, staff, and students encourage one another to be conformed to the image of Christ (cf. Romans 8:29). The primary model for relationships should be Jesus’ command to love one another (cf. John 15:12), which works itself out in full expression as the fruits of the Spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (cf. Galatians 5:22, 23). This community commits itself to live in unity, to put aside any deception or slander, and to edify one another to develop the fundamental attitudes and character necessary for leaders in the church and in the world (cf. Psalm 133; Philippians 2:1-4; Ephesians 4:1-5:21). In keeping with this commitment, Scripture compels us to voluntarily abstain from behaviors that are illegal, immoral, or unethical. (See the Code of Conduct in the Student Handbook for examples of such behaviors.)

DEPORTMENT

Because Oikos functions as a community of believers, students are to demonstrate a respectful attitude in all encounters with administrators, professors, staff personnel, campus guests, and other students. This standard applies to all areas of behavior, speech, and overall deportment. The same courtesy is to be returned to each student in the treatment he or she receives from others. Deviation

from this standard will result in a review of the incident by faculty and staff advisors and the Director of Students. Following this review, the Director of Students will make an appropriate restorative recommendation.

Each professor is responsible for maintaining a classroom environment that is conducive to learning. If a student is asked to refrain from a disruptive behavior or is asked to leave the classroom, the student should do so immediately and respectfully. Upon leaving the classroom the student should report to the Director of Students. If necessary, the Director of Students and/or faculty and staff advisors will meet with the involved people and assign additional restorative action as necessary. The Director of Students will advise the Academic Director and the President of allegations of faculty or staff misconduct.

The Director of Students will review any incident of a student threatening or harming the physical well-being of a person or property. Following this review, the Director of Students will assign a restorative action plan that could include reporting the incident to law-enforcement officials, imposing personal restrictions on the involved students, and/or recommending dismissal of the student from Oikos University.

DISCIPLINARY POLICY

The primary goal of the Oikos Disciplinary Policy is always to pursue the full restoration of the involved student. With this goal in mind, the suspension of a student from Oikos is not a desired result, but suspension may occur if a student shows an unwillingness to comply with or meet the objectives of a restorative action plan. Intermediate consequences are employed whenever possible to avoid suspension or expulsion. Each incident is reviewed on a case-by-case basis, with consideration of (1) the severity of the violation, (2) the context of the incident, (3) a history of prior misconduct, (4) the responsiveness of the accused to confrontation, and (5) the degree to which the individual displays genuine repentance.

Community members are expected to provide firsthand testimony that will bring greater clarity and understanding to the review. While painstaking efforts are taken to maintain consistency from case to case and individual to individual, confidentiality often prevents the disclosure of details that contribute to a decision, occasionally resulting in unanswered questions regarding a disciplinary outcome. Uninformed community members are asked to extend the benefit of doubt to officials, knowing that prayerful consideration has been employed in the proceedings and the subsequent outcome.

The Director of Students Affairs serves as the chief student conduct officer for the university and works with other administrators to resolve student disciplinary matters. The Student Handbook

DISCIPLINARY PROCESS

provides guidelines that are used to establish continuity for administering consequences for violating community standards.

Should a student fail to meet the standards or spirit of this handbook and it becomes necessary to impose disciplinary action, the remedies will be used:

- **Corrective Measure:** The failure of a student to meet a standard or the intent of a standard may be brought to the attention of the student by faculty, staff, or peers. The goal of a corrective measure is for the student to recognize his or her failure to meet the standard, to take immediate action to meet the standard, and to agree to comply with the standard in the future. This remedy is commonly warranted when dealing with Level 1 violations.
- **Restorative Action Plan:** A student who does not meet the standards of this handbook following the correction measure, or a student whose failure indicates a lack of biblical integrity or character will be required to meet with the Director of Students, Academic Director, and/or President. The purpose of this meeting is to develop a restorative action plan to resolve the issue and help the student grow and develop in integrity and character. Restorative action may include specific task assignments, restrictions, prohibitions, accountability meetings, and/or limited-term suspension. This remedy is commonly warranted when dealing with Level 2 violations. If the student does not agree to the restorative action plan, or if the student fails to meet the objectives and specific goals of the restorative action plan, the student progresses to the next step in the Disciplinary Policy.
- **Voluntary Withdrawal:** A student's failure to meet the objectives and specific goals specified in the restorative action plan will be reviewed by the Director of Students, Academic Director, and/or President. If the student believes that he or she could be best served by returning to his or her home church, the student may make a request to the OU administration to voluntarily withdraw from OU. This cooperative decision by the involved student and the OU administration has the goal of returning the student to the pastoral care of the local church for restoration. Consequently, the OU will discuss the matter with the student's pastor as a condition of the withdrawal. At the time of this voluntary withdrawal, the OU administration will define specific administrative requirements that must be fulfilled for the readmission of the student to OU. Documentation of this voluntary withdrawal and the requirements for readmission will be placed in the student's file.
- **Suspension:** A failure by a student to meet the objectives and specific goals specified in a restorative action plan or other corrective measure will be reviewed by the Director of Students,

Academic Director, and/or President. The administrators will consider suspending the student from OU. Suspension is the involuntary separation of a student from the OU for a specific amount of time. If suspension for one or more semesters is deemed necessary, the student will receive a failing grade (W/F) in all classes in which he or she is enrolled, and the OU administration will define specific administrative requirements that must be fulfilled for the readmission of the student to OU. Documentation of this suspension and the requirements for readmission will be placed in the student's file. During suspension the Director of Students may suspend a student's access to the Residence Hall, apartments, campus community, or may, in cooperation with the Academic Director, suspend a student's access to faculty members and the classrooms.

- **Expulsion:** If, in the opinion of the President of OU, a student's behavior or character so disqualifies him or her from Christian service that successful completion of any OU program seems unlikely, the President will direct that the student be dismissed indefinitely. Such a dismissal is called "expulsion." A student who is expelled will receive a failing grade (W/F) in all classes in which he or she is enrolled and is not encouraged to apply for readmission.
- **Appeal:** If a student has new information that might affect the decision of a particular administrator, faculty member, staff member, or any official OU committee holding disciplinary powers, the student may submit an appeal in writing, within five working days of notification of the OU's decision, or of the time that the new information came to light. The written appeal is to be submitted to the Director of Students requesting a hearing with the Disciplinary Committee. A copy of this appeal and the response from the OU administration will be placed in the student's file. Note: The written appeal should include the new information and an explanation of how the current decision might be affected.

In cases where there is no new information to be presented or the decision has resulted in the termination of student status, the student may request that his or her written appeal be forwarded to an Appeals Committee for review. The Appeals Committee is an *ad hoc* committee comprised of three individuals from the pool of OU officials unrelated to the decision. The Director of Students will serve on the committee as the OU's representative. A student representative may also serve as a member of the committee. Any adjustments to the prescribed representation will be discussed in advance of the review.

Note that the role of the Appeals Committee is not to rehear the case and render a second judgment, but to determine if the disciplinary process has been fair and reasonable, the evidence supports the

findings, and the consequences are justified by the criteria established in this handbook. The committee will either uphold the decision as sufficiently meeting the aforementioned criteria or submit recommendations to the respective director for considered implementation. The director's subsequent decision then becomes final.

GRIEVANCE POLICY

This section defines and describes the OU Grievance Policy and describes the process by which a student may seek resolution of a grievance.

A "grievance" is defined as an actual or supposed circumstance regarded as just cause for complaint or protest or a circumstance that the student believes adversely affects his or her academic career or personal wellbeing. When a student has a grievance, he or she may seek resolution to the matter. The students use an internal process first, but that is not required and they may contact the Bureau for Private Postsecondary Education (BPPE: 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, Tel (916) 574-8900 or Toll Free (888) 370-7589).

PROCEDURE

1. The student should discuss the circumstance with the individual(s) involved to seek a resolution.
2. If there is no resolution of the issue, the student may submit a letter regarding the matter to the Academic Director (if it is an academic matter) or the Director of Students (if it is a non-academic matter). The letter must be submitted within 14 calendar days of the date of the actual or supposed circumstance and must include the following information:
 - a. Student's full name;
 - b. Student's social security number;
 - c. The major the student is enrolled in;
 - d. Explanation of the grievance and supporting documents;
 - e. Student's signature.
3. Within 10 business days of receiving the student's letter, the director or other interested parties may suggest mediation as an alternative to the grievance process. If all parties agree to mediation, the Academic Director or Director of Students will schedule mediation to work out an agreement based upon the OU's Mediation Policy (see the Mediation Policy in this handbook).
4. If mediation is not chosen or it was not successful, the Academic Director or Director of Students must respond in writing to the student within 30 business days of receiving the student's letter stating his or her decision and the reason for such decision.
5. If the student is not satisfied with the director's decision, the student may submit a written appeal of this decision to the

President within 30 business days of receiving the decision. The appeal must include the materials described above and a copy of the director's response.

6. The President will review the appeal within 15 business days. If the President determines that the appeal warrants review, it will be referred to a subcommittee of the faculty (if it is an academic matter) or a subcommittee of the administrative council (if it is other than an academic matter) for a final decision.
7. The subcommittee will meet within 30 business days of the referral. They may overturn the original decision of the director only if they determine that the decision was arbitrary and capricious.
8. If the President does not believe the appeal is sufficient to warrant review, the appeal will be rejected. This decision will be final.

COMPLAINTS

Oikos University is currently approved by the California Sates through the Bureau for Private Postsecondary Education. The Bureau has a formal Policy on Complaints Against an Institution. Contact the Bureau by e-mail (bppe@ca.gov) telephone (916.574.7720) if you wish to discuss a complaint against Oikos University or to receive a copy of the complaint policy. Oikos University designated the office of Dean of Academics to instruct how to file complaints with regulatory bodies.

An individual may make an inquiry to TRACS regarding complaint procedures or about issues and concerns that could be considered complaints at which time TRACS will direct the individual to the TRACS website at www.tracs.com with instructions on downloading the packet containing the *Policies and Procedures for Complaints Against Member Institutions*, the *TRACS Complaint Information Sheet*, and the *TRACS Complaint Processing Form*. However, TRACS' response and its obligations to meet the specific timetables outlined in these procedures will begin only after the complainant submits all documents required in the *TRACS Complaint Information Sheet*.

PHILOSOPHY OF GROOMING AND ATTIRE

The philosophy of Oikos regarding grooming and attire flows directly out of our Values and Mission, namely that we are educating Christian leaders who will minister in a secular world.

Rather than take a "rules-based" approach, we choose to take an approach that reflects our desire to see emerging leaders develop personal discernment regarding their outward appearance. We believe that by requiring students to wrestle through personal appearance issues within a safe environment of discipleship and

accountability, students will learn more than by imposing a set of culturally subjective regulations.

In Psalm 40:8, David wrote, “I take joy in doing Your will, my God, for Your law is written on my heart.” The desire of Oikos is that students would develop an internal code, based on Scriptural foundations, rather than an external conformity that never reaches the heart. Real maturity is not based solely upon one’s ability to follow the directions of others, but to make righteous decisions on one’s own, regardless of the approval or condemnation of others.

This philosophy of grooming and attire is based on four Scriptural principles: the principle of modesty, the principle of the stumbling block, the principle of Christian sacrificial leadership, and the principle of Christ-centeredness.

1. The Principle of Modesty. Scripture mandates modesty, especially in women’s dress. The biblical principle is clear: modesty and decency are traits of godliness in the life of a believer. Modesty is not only reflected by clothing choices, but also by the intent with which one chooses to conduct him or herself. (cf. 1 Timothy 2:9; 1 Peter 3:3-4).

Immodest dress or behavior can be intentional, reflecting a lustfulness and/or immaturity that desire the attention of others. In some situations, however, immodesty can result from ignorance—a simple failure to have learned what is culturally or socially unacceptable in a given setting. As ministry leaders, we must be willing to graciously accept the input of peers and leaders whom God has placed in our lives.

2. The Principle of the Stumbling Block. In 1 Corinthians 10:23 we learn that “Everything is permissible, but not everything is beneficial.” As believers we have the right to choose from a wide array of styles and fashions. When it comes to grooming and attire, there are not many particular items that are specifically forbidden in Scripture. This right, however, has the potential to cause other people to stumble. Believers who may not be strong in their faith may take another’s freedom in Christ as license to sin. Nonbelievers who are watching the believer’s lifestyle and choices may be led astray. Romans 14:13 says, “Therefore let us stop passing judgment on one another. Instead, make up your mind not to put any stumbling block or obstacle in your brother’s way.” Our grooming and attire choices must be such that they do not cause anyone to be tripped up on his or her spiritual journey.

3. The Principle of Christian Sacrificial Leadership. Romans 12:1, 2 instructs us to “present our bodies [as] a living and holy sacrifice [and to] not be conformed to the world.” As believers, we are called to be living sacrifices. Further, Scripture tells us that ministry leaders are held to a higher standard than other believers. James 3:1

states, “Not many of you should presume to be teachers, my brothers, because you know that we who teach will be judged more strictly.” Our choices in grooming and attire should reflect our willingness to sacrifice our rights for the sake of others.

4. The Principle of Christ-centeredness. As believers we are called to put to death the works of the flesh and to submit to the lifelong process of becoming more and more like Christ. In 2 Corinthians 3:18 Paul writes, “And we, who with unveiled faces all reflect the Lord’s glory, are being transformed into His likeness with ever-increasing glory, which comes from the Lord, who is the Spirit.” As we make choices in grooming and attire, we must each ask, “Will this choice help others see Jesus, or is my purpose to have them focus on me?”

In a spirit of mutual accountability, all those at Oikos will submit to one another regarding grooming and attire. If someone’s appearance seems to have strayed from the scriptural foundations that apply to Christian ministry leaders, we expect others within this community to personally address this issue in a loving and gracious manner.

Please note that students are sometimes asked to wear more professional attire for such occasions as special in-class assignments, chapel participation, or graduation ceremonies. Certain churches and student ministries will require more professional attire as well.

**SERVICES AND
ACTIVITIES**

HOUSING POLICIES

The university does not operate a dormitory or other housing facility and has no responsibility to find or assist a student in finding a housing. But we will assist students in locating adequate housing near the campus around the San Francisco Bay Area, which covers the cities of San Francisco, Oakland, and San Jose. Some students find housing in a local residence hotel; others share an apartment or rent a room. There are some websites, such as Craigslist or sfkorean.com, where students have options to choose the neighborhood, price, number of bedrooms, etc. Most of the postings have images and detailed information. The housing cost varies depending on the types of housing, but the average cost is about \$1,000 for a single room, and \$2,000 for one-bedroom apartment. The university reserves the right to approve or disapprove housing on a case-by-case basis if there is concern for your academic or spiritual welfare

MEALS

The University does not operate a cafeteria. A student lounge is provided for students who wish to bring their meals from home.

CLUBS

We encourage you to form student-led clubs around common interests. Faculty and staff members are available for advice, and to help students' access university resources. Typical interests include hiking, sports, and reading and discussing particular books.

STUDENT GOVERNMENT

All registered students are members of the Student Association. The purpose of the student government is to promote Christian fellowship among students and to advance the kingdom of God and the mission of Oikos University. Activities of the Association are supported through a student fee and individual gifts. The officers of the Association—President, Secretary, and Treasurer—are elected annually by the members.

The Student Council consists of one representative from each class plus the student body president. These students serve as a “sounding board” for the administration regarding policies that affect the students. They are also responsible for planning certain student activities such as clubs and social events.

OPEN HOUSE

FIRST CLASS OF EACH SEMESTER IS OPEN. NO SPECIAL CELEBRATON

Oikos students view College-for-a-Day (C4D) each fall and spring as opportunities to enjoy and serve prospective students who visit the campus for this open house. The Student Council and Director of Students plan special activities to make guests feel welcome. We encourage you to welcome these visitors and to pray with them as they seek God's will for their life.

CHAPEL MINISTRY

Student-led worship teams are responsible for planning and leading music and other creative arts during the chapel services. If you are musically talented, you may be asked to share a vocal or instrumental special during these services. Student-led media teams oversee audio and video equipment for chapel services and special events. If you are interested in serving in one of these areas and would like to receive training, contact the Director of Students.

STUDENT MINISTRY

It isn't surprising that, at a college dedicated to training for ministry, many student activities result from students engaging in ministry. As a student at Oikos, you are required to participate in a ministry, typically through your local church. (See the Academic Information section of this catalog for details.) Student ministry is much more than a requirement—it is the heartbeat of men and women who are ready to give their lives to serving the Lord, His Church, and the world. While engaging in ministry, you will also enjoy fellowship and develop friendships that may last a lifetime.

ACADEMIC COMPUTER LAB

Whenever possible, we encourage you to bring your own computer to Oikos. If you do not have a computer, or if you are away from your computer when you need to type a paper or conduct research, you are welcome to use the resources of the Academic Computer

Lab. The Lab offers full Internet access, and word processing capabilities.

Bringing Your Own Computer

If you are considering bringing a computer to campus, we recommend the following configurations:

Recommended Windows Configuration

- Pentium IV, 2.80 GHz
- 512 MB RAM
- Windows XP or Newer version
- Microsoft Word 2007 or Newer version
- CD-RW drive
- 100-Base-T Network Card
- For laptops, 802.11g wireless network card
- 80GB hard drive

Recommended Macintosh Configuration

- Power PC G4 (800Mhz minimum), or dual-core Intel processors (2.0 GHz or higher)
- 512 MB RAM
- Mac OS X
- Microsoft Word X for Mac
- Built-in Ethernet port
- Built-in Airport Extreme (802.11g) wireless network card
- 80GB hard drive
- CD-RW drive

LAPTOP CARRY POLICY

Oikos University continues to ensure the quality of the program and make every effort to support student with technological resources. However, Oikos students are strongly encouraged to carry their own personal laptop to use it for their classes for their research, learning equipment and learning aids. Oikos University provides students with free wireless internet services to support their needs.

ADDITIONAL INFORMATION

Additional information regarding student life at Oikos is available in the Student Handbook. You will receive a copy of this handbook with your letter of acceptance. The handbook is also available from the Director of Students. Upon acceptance, you will be asked to sign a statement confirming that you have read the Student Handbook and are willing to comply with the policies it contains.

CAMPUS RESOURCES AND INFORMATION

LIBRARY

The library is located in the main building.

The University's library provides a sizable collection of academic works in Korean and in English in the disciplines of theology, music, Asian Medicine, life and physical sciences, and social

sciences. The library is open from 9 a.m. to 5 p.m. from Monday through Friday.

LIBRARY USE

Use of the library is a privilege given by the Oikos to students and spouses, faculty and staff members and spouses, alumni, pastors, and other residents of the community. Patrons who are not affiliated with Oikos may have a total of two books checked out at a time. Students are encouraged to use the library for individual research and study purposes and are expected to maintain a quiet atmosphere conducive to study at all times. There is no public-use telephone available in the library.

Any person who wishes to use his or her personal computer in the library must obtain permission from the librarian prior to doing so. Certain restrictions will apply. In order to be granted permission for such use the user should ask to see the list of rules and be willing to comply with them.

Any person whose conduct in the library or treatment of the library collection or furnishings is not in accordance with library policies will be asked to leave the facility and may be subject to disciplinary action. Library privileges may be revoked for repeated offenses.

**CHECK-OUT
PROCEDURE**

All library materials are to be checked out by the librarian at the circulation desk. The librarian will give the patron a printout of each item's due date.

**REFERENCE
COLLECTION**

The reference collection is available for in-library use during regular library hours. The reference librarian is usually available at the circulation desk during library hours.

GENERAL COLLECTION

The general collection of books is found in the main room of the library. Books are arranged according to the Dewey Decimal system.

The Dewey numbers for the books contained on each shelving unit are displayed at the end of those units.

Most of the books in the general collection may be checked out for a period of two weeks and may be renewed one time only. No person who has overdue books or unpaid fines may check out or renew materials.

A total of seven books (no more than four in any one subject area) may be checked out and held at any given time. Students may not check out materials for other students.

Some books (such as duplicate copies of reference works) are given a three-day checkout period. These restrictions are designated on the book spine.

RESERVED BOOKS

A person may request that a "hold" be placed on any checked out material so that he or she may check it out when it is returned.

The librarian maintains a list of materials placed on reserve by faculty members. Time limitations for the use of these materials are determined by the faculty member and are posted with the materials at the circulation desk. Materials on reserve may not be renewed. A

24-hour-waiting period is required before a student may recheck out the same material. There is a check out limit of one reserved book per course.

PERIODICALS

Magazines and newspapers may not be taken from the library. The current issues are on display in the circulation room and should be returned to the same location from which they were taken.

VERTICAL FILES

Non-book materials are available and are located in the vertical files in the reference room. These files cover a broad range of subjects and are arranged alphabetically. A subject index is located with them. Vertical files may be checked out for a three-day period as follows: up to ten articles per subject and a total of four subjects.

**AUDIO/VIDEO
RESOURCES**

A patron who uses videos, cassette tapes and compact discs must request at the circulation desk by call number. They are shelved behind the circulation desk. Videos, cassette tapes, and compact discs are available only at the particular site in the Library. They cannot be allowed to take out of the library. Everyone must sign in at the circulation desk before using a VCR or a cassette player at one of these audio-visual workstations. For exception, Audio/Video resources may be taken out of the Library by instructor's request for teaching. Follow the procedure used for books.

RETURNING BOOKS

All library materials should be returned by the due date assigned. A person who retains library materials past the due date or who has outstanding fines will have their checkout privilege rescinded until the material is returned and the fine is paid. A student who continues to have overdue materials may have their use of the library restricted. No student who has overdue material or an unpaid fine may take final exams.

A "book drop" is available in the library foyer to receive returned materials when the library is closed. If the student has incurred a fine, the fine may be placed in the "book drop" with the overdue item. Otherwise, all books are to be returned to the library circulation desk during regular library hours. A checked-out item may not be returned to any other school office or school staff member. Fines are charged for all checked-out library materials that are not returned by the due date according to the number of days the material is overdue. The fine is to be paid at the time the item is returned. When the material is returned, the fine stops accruing. However, if the fine is not paid when the item is returned, the student loses check-out privileges until the fine is paid. If a book is lost, it is the responsibility of the student to inform the librarian. As soon as the book is reported as lost the fine stops accruing.

LIBRARY FINES

General Collection	\$0.25 per day
Vertical file (per subject)	0.25 per day
CDs, records, cassette tapes	0.25 per day
Video tapes	1.00 per day

	Reserve Material	1.00 per day
	<p>A fine accrues to a maximum charge equal to the current cost of the item, except for the reserve books. The fine accrues until the reserve book is returned with no maximum charge. While overdue notices are typically sent to students as a courtesy, it is the student's responsibility to return materials on time and to pay the fine whether or not a notice is received.</p>	
LOST OR DAMAGED MATERIALS	<p>A patron who damages library materials will be charged for the repair of these materials. If a student sees that the material has been damaged in some way, he or she should inform the librarian prior to check-out. Students will be held responsible for replacing and processing costs for borrowed materials that are lost or not returned by the end of the semester.</p>	
PHOTOCOPIER	<p>A photocopier is located in the library. Payment of five cents per copy must be made. Users are advised to have the exact payment with them. If the photocopier is not working properly, students should not attempt to make adjustments but should ask the librarian for assistance.</p> <p>Note: It is a violation of Federal copyright laws to copy some materials. Each individual is responsible for ensuring that their copies do not infringe on the copyright holder's rights.</p>	
ACADEMIC COMPUTER LAB	<p>A computer lab is available in the library. Paper will be furnished to users within reason. Users must provide their own diskettes.</p>	
HOURS	<p>The academic computer lab will be open during library's normal hours of operation. Please note that faculty members may reserve the lab for special classes during the academic day. If you come to the lab and find a class in session, you're welcome to enter quietly and use any open workstation. You may also return later when the class is over. A list of available programs is available at the circulation desk.</p>	
USE POLICIES	<ul style="list-style-type: none"> • Use is limited to faculty and staff members, enrolled students, and spouses. • No food or drink is allowed in the room. • Music is not to be played without the use of headphones. • The lab, like the rest of the library, is a place of study— please maintain low levels of noise. • No downloading of programs, music, games, or screensavers. • The front center computer is not to be used by anyone other than a member of the faculty or staff. • When other patrons are waiting for the computer, please observe a 30-minute limit on using a computer. 	
	<p>If a faculty or library staff member indicates that computer use, noise level, or behavior is inappropriate, please comply with the first</p>	

request. Faculty and library staff members are authorized to ask someone to leave the lab, after which access to the lab would be denied for a period of time to be determined by the Academic Director. Computers are also available in the student lounge.

INTERNET USE

There is a great deal of content on the Internet that is not edifying and can become a point of real bondage. Students are strongly encouraged to establish safeguards that will protect them while using the Internet. When using your personal computer consider installing an application designed to filter Internet access, and leaving your room door open while logged on to the Internet. Those who struggle with issues related to Internet use may consider limiting their use to the Computer Lab, which is a more public environment. The strongest safeguard is to establish relationships of accountability with trusted friends and spiritual leaders. Those who violate pornography or entertainment policies while using the Internet will be subject to disciplinary action in accordance with the Student Conduct Code.

**ENGLISH LANGUAGE
PROFICIENCY**

Foreign students who are applying for classes taught in English should take a placement test and submit a proof of their English proficiency. English Language proficiency must be 75 or higher on the Test of English as a Foreign Language (TOEFL) iBT ; waived if graduated high school or completed secondary education in the U.S.

**KOREAN LANGUAGE
PROFICIENCY**

The primary language of instruction of theology is Korean and students are expected to be native speakers. Simultaneous translation is provided for all the classes taught by English-speaking faculty members. For non-native speakers, Korean language proficiency equivalent to the 12th grade level or level 4 or higher on the Test of Proficiency in Korean (TOPIK) is required.

FACULTY

JOB DESCRIPTION FOR TEACHING FACULTY

The professor, associate professor, assistant professor and instructor faculty positions include the following professional requirements: teach assigned courses; advise students; direct students' academic activities; participate in student development activities; serve on University and College committees; and participate in University, community and professional service. As the rank increases, an increasing degree of quality is expected. All activities are to be consistent with the institution's mission and purpose statements.

RESPONSIBILITIES¹

Implicit to each of the basic criteria should be evidence of an ongoing and growing spiritual vitality both personally and professionally as demonstrated by the integration of Christian principles and behavior in every aspect of the academic process as well as personal lifestyle. Faculty members report directly to the academic Director.

Teaching and Mentoring

Teaching assigned courses, developing standardized course syllabi and course materials, communicating relevant content, setting clear course outcomes and fostering student learning. Continually evaluate effectiveness of teaching style, content and student learning, making appropriate modifications to maximize instructional effectiveness. Provide students appropriate academic, spiritual and pastoral advising. Supervise students' culminating experiences to successful and timely completion.

Research, Scholarship and/or Creative Works

Although Oikos University is not a research institution, faculty members are encouraged to conduct research that advances the mission of the University, reflects commitment to a biblical worldview and expands the knowledge base in the faculty member's field of endeavor. Communicate research findings in professionally relevant media. Actively participate in professional organizations that promote scholarship. Engage in professional development activities that will enhance scholarly and professional competence.

University Administration and Community and Professional Service

Serve the University through committee assignments, recruiting activities, public relations events and other extracurricular activities. Initiate activities that enhance institutional goals and promote institutional unity. Demonstrate a willingness to be of service and to

work cooperatively with others in the University. Apply professional and personal talents to the community outside of the University.

QUALIFICATIONS

Education. Generally, an earned master's degree or its equivalent from an accredited university or evidence of outstanding accomplishments in the field related to teaching assignments. An earned doctorate is preferred.

Experience. Several years of professional experience, preferably mixing teaching and non-teaching leadership roles and experience in ministerial service.

Scholarship. Demonstrated scholarly productivity in publications and participation on scholarly programs at appropriate professional meetings.

Personal. A lifestyle consistent with the standards of Oikos University. Present a personal appearance and appropriate attire for the role of a faculty member at a Christian university.

The head librarian, associate librarian and assistant librarian faculty positions include the following professional requirements: provide accessible academic resources, interpret these collections; provide instruction in the use of research materials; conduct research; serve on library and University committees; and participate in University, community and professional service. As the rank increases, an increasing degree of quality is expected. All activities are to be consistent with the institution's mission and purpose statements. Members of the library staff report to the head librarian. The head librarian reports to the academic Director.

RESPONSIBILITIES²

Implicit to each of the basic criteria should be evidence of an ongoing and growing spiritual vitality both personally and professionally as demonstrated by the integration of Christian principles and behavior in every aspect of the academic process as well as personal lifestyle.

Professional Librarianship

Assist patrons with specific reference questions, provide guidance in the use of the collections and teach electronic resources. Develop collections and collection policies in specific disciplines and serve as a liaison to a school or manage the library support functions. Teach required research courses and workshops; and provide specialized seminars and demonstrations. Advise students and teaching faculty regarding specific research project resources.

Research, Scholarship and/or Creative Works

² Priority of responsibilities may vary depending on the gifts of the librarian and the need of the library.

**WORLDVIEW AND
HERMENEUTICS
UNDERSTANDING**

Although Oikos University is not a research institution, librarians are encouraged to conduct research and scholarly or creative activity that advances the mission of the University, reflects commitment to a biblical worldview and expands the knowledge base in librarianship. Communicate research findings in professionally relevant media. Participate actively in professional organizations that promote scholarship. Engage in professional development activities that will enhance scholarly and professional competence.

University Administration and Community and Professional Service

Serve the University body through committee assignments, public relations events and other extracurricular activities. Initiate activities that enhance institutional goals and promote institutional unity. Demonstrate a willingness to be of service and to work cooperatively with others in the University. Apply professional and personal talents in the community outside of the University.

QUALIFICATIONS

Education. A master's degree in library science (MLS) from an ALA-accredited school. A second graduate degree is recommended.

Experience. Several years of appropriate academic library experience or equivalent with demonstrated competence in reference or collection services.

Scholarship. Demonstrated scholarly productivity and/or creative activity and participation on scholarly programs at appropriate professional meetings.

Personal. A lifestyle consistent with the standards of Oikos University. Present a personal appearance and appropriate attire for the role of a faculty member at a Christian University.

PROSPECTIVE FACULTY

It is desirable that all prospective faculty members be proficient in effectively integrating their faith and learning. However, because of the nature of academic training, it is often true that while individuals may be eminently qualified in their chosen field, they are not as well qualified in terms of hermeneutics and worldview understanding. Oikos University recognizes this fact and has established a process allowing faculty members to achieve such proficiency.

The academic Director determines if new faculty are proficient in the integration of faith and learning. Faculty members who are not proficient shall include in their professional development plan, a plan to achieve proficiency within a three-year period. The plan should have appropriate timelines and expectations and shall include one or more of the following activities:

1. Attend a basic course in Christian doctrine and/or hermeneutics offered by a member of the theology faculty;
2. Complete a prescribed reading list on doctrine, hermeneutics and integration;
3. Attend a lecture and discussion series offered by the University.

No later than by the end of the third year of appointment, these faculty members submit—as part of their annual performance review—documentation that demonstrates proficiency. Faculty members may demonstrate proficiency by submitting a paper of an integrative nature or developing course materials that demonstrate appropriate integrative skills and understanding. The academic Director will review these materials.

EMPLOYED FACULTY

As part of the annual performance review, it is the academic Director’s responsibility to ensure that employed faculty members continue to demonstrate—through their teaching and writing—an ability to effectively integrate their faith and practice at a level of sophistication consistent with the quality standards of Oikos University. The academic Director should periodically select examples of quality integration papers or classroom materials that should be placed in a special section of the library to be used by new and current faculty.

**FACULTY
RECRUITMENT**

Upon the approval of a new faculty position, or in the event of a vacancy on the faculty, the academic Director—or other University official who has direct administrative responsibility for that position (or in the case of administrative officers who hold faculty rank, the president)—recruits candidates to fill the new position or vacancy. Advertisements in the appropriate media may be used.

Upon receipt of an inquiry concerning employment for a position currently available, the academic Director affords all apparently qualified prospective faculty members an opportunity to submit a written resume, references and a completed Faculty Application Form.

After the academic Director reviews the application materials, he or she determines if an on-campus interview is appropriate. As part of the interview process, prospective faculty members will make a scholarly presentation. This process gives selected faculty, students, and administrators the opportunity to evaluate the candidate’s teaching and presentation skills.

The academic Director, a representative member of the faculty, and the president interview all candidates for employment. The academic

Director sends a copy of the Faculty Application Form to each interviewer before the scheduled interview.

After the interviews, the academic Director obtains a report from each interviewer and assimilates relevant information for submission to the president.

Upon the academic Director's recommendation, the president determines whether to recommend appointment to the Board of Directors in accordance with the University bylaws and the policies of the Board of Directors.

FINANCIAL INFORMATION

You receive a considerable discount in your expenses because of generous educational grants given to the university by various donors. Many churches and individuals who have a great concern for you as a future leader have already contributed to support your education.

The information provided in this section reflects Oikos's education prices for academic year 2015-2016, effective Fall Semester, 2013. These rates are subject to change without notice by action of the Board of Directors. The university reserves the right to assess new charges in relation to rising costs.

APPLICATION FEE

New students pay a small fee to cover the processing of their application.

PLACEMENT TEST FEE

If you are a new student you are required to take a series of placement tests to help determine whether you are ready for college-level subjects such as the Bible, English writing, etc. This fee covers the cost of this testing.

PAYMENT PLAN FEE

Tuition and fees are due in full at the start of each semester. You may pay by cash, check, MasterCard, or Visa. For more information on the payment schedule and deferred payment plan, please see the information on the payment schedule, later in this section.

RETURNED CHECK CHARGE

If you pay by check and your check is returned for any reason, we will charge back the amount of the check plus the returned check charge.

LATE REGISTRATION FEE

On a designated date during the second half of each semester, we conduct registration for the following semester. You need to meet with your academic advisor, and then turn in your forms to the registrar. A student who does not make his/her appointments and properly submit all paperwork (including the textbook order form) for registration will be charged a late registration fee.

EXAM RESCHEDULING FEE

All tests, including final exams, are to be taken according to the schedule given in your syllabus. In the event of extenuating circumstances, a professor may allow you to take a test early or late. If the professor permits you to reschedule the exam, you must pay the Business Office the Exam Rescheduling Fee.

ADD/DROP FEE

If, after the start of the semester, you realize that you need to drop a course or add another one, you may do so within one week of the start of the semester. (See the calendar in the front of this catalog for the exact dates.) To add or drop a course before the deadline, complete a Change of Schedule form in the registrar's office and pay the Add/Drop fee for each course added or dropped.

TRANSCRIPT FEE

Throughout your career you will occasionally need "official" copies of your transcript to be sent to employers or other colleges. Oikos will send an official transcript upon your request and upon the receipt of the payment of the then-current transcript fee.

GRADUATION FEE

Upon your graduation Oikos will provide various services including the rental of your graduation robe. This fee offsets the college's costs for graduation.

MUSIC LESSONS

If you want to study music on your own, you are free to make any arrangements you wish with a private instructor. If you intend to take the lessons for academic credit, you should contact the School of Music for a list of approved instructors. You, a Oikos professor, and the instructor will jointly negotiate your educational objectives for the semester, and will agree on how much instruction you will require in order to accomplish those objectives. Tuition and lesson fees should be paid to the University business office

LAB FEE

Students in some courses perform various laboratory experiments or require special software or equipment. This fee helps offset the cost of lab equipment and consumable items. See the syllabus to determine if a course has a lab fee.

EXTRA HANDOUTS

When a course has an unusually large number of handouts, you will be charged a small fee for the materials to offset photocopying costs.

PAYMENT SCHEDULE

This section describes the payment deadlines for tuition and fees. From time to time students are unable to settle their account on time. We've found the following checklist to be useful to students who are trying to raise money for college:

1. Make sure you are paying your tithe. God has promised to bless you if you are faithful in tithing (cf. Malachi 3:10). If you a tithe, you can ask God to bless you financially.

2. Make sure you have completed the college's financial aid application. You may qualify for a Oikos scholarship.
3. Look for any assets you may be able to sell. Some students find that they can trade in their vehicle for another, or sell unused stereo equipment, in order to raise money for college. During the spring term, check to see if you have a tax refund coming.
4. Contact friends, family, and your church. Many people are eager to help our students attend Bible College.
5. The cost of a college education should be considered an investment rather than a debt. Consider borrowing at least some of the money for college. Many banks will extend a loan secured by assets such as your vehicle. Note: Oikos accepts both MasterCard and Visa.

If you choose to apply for a deferred payment plan, make sure you have a plan to make your payments. While there are ample opportunities for off-campus employment in Oakland or the greater Bay Area, most full-time students should not plan to work more than about 20 hours a week. A student who works 20 hours a week at \$9.00 or more can expect to clear about \$2,400—enough to pay for full tuition—during the course of the semester. Note: If you are not a U.S. citizen, it is your responsibility to see what work, if any, you may legally perform while in the U.S.

Some students will find it necessary to work full-time during the summer, or over holiday breaks, in order to make their payments to the college. Many students who are willing to work 60 hours a week during the summer and 20 hours a week during the semesters find that they're able to meet all of their obligations on time, even if they do not receive help from their church, family, or friends.

UNPAID ACCOUNTS

Students who do not maintain current financial accounts with the college will be denied the privilege of classroom attendance beginning five days after the payment is due. Absences will be counted until the payment is made in full or until withdrawal is instituted.

A student whose account is not paid in full (including tuition and fees) by the end of the semester will not be allowed to reenroll in the subsequent semester.

Oikos makes exceptions to this policy only with the approval of the President. In those cases where the college elects to make an exception, the student is required to sign and comply with an approved payment agreement. If the student withdraws from the college without paying the account in full, the payment plan becomes void and the college has the right to collect the unpaid amount immediately. Should the college find it necessary to use the services of a collection agency or attorney, the former student is responsible for all court costs, reasonable collection and litigation fees, up to 100 percent of the balance due.

A student will not be allowed to participate in graduation ceremonies or receive grades, a certificate, a diploma, a degree, a transcript, or a letter of recommendation until all financial obligations have been satisfied in accordance with the college's financial policies.

TUITION REFUNDS

If you find it necessary to cancel an enrollment agreement or withdraw from the university during a period of attendance, you may be eligible for a refund of your tuition. In order to qualify for a refund, you must notify the Administration Office of your intent to withdraw. As part of the withdrawal procedure you must settle all accounts. If you do not follow the withdrawal procedure, you will receive a grade of "F" for all courses and will forfeit eligibility for any tuition refunds. Students who are dismissed or suspended from the university are not eligible for any refunds.

We will refund 100 percent of the amount paid for institutional charges, except non-refundable application fee of \$250, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

The refund policy for students who have completed 60 percent or less of the period of attendance shall be pro rata refund.

STUDENT RIGHT TO CANCEL AND REFUND

The student has the right to cancel the agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, the student also has the right to stop school at any time; and the student has the right to receive a pro rata refund if he/she has completed 60 percent or less of the scheduled days in the current payment period in the program through the last day of attendance.

Cancellation may occur when the student provides a written notice of cancellation at the following address: Oikos University, 7901 Oakport St. Suite 3000, Oakland, CA 94621. This can be done by mail or by hand delivery.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of

cancellation is received.

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid from federal student financial aid program funds.

If the student decides to cancel the agreement, any payment the student has made shall be returned within 45 days following Oikos's receipt of the cancellation notice. In order to cancel this agreement with Oikos, the student shall mail or deliver a signed and dated copy of "Leave of Absence" and "Oikos University Refund Application" to the pertinent administrative office.

The following chart is an example for pro-rata refund.

SCHOLARSHIPS AND OTHER FINANCIAL AID

As part of your application packet you will receive a scholarship application. (You can also obtain this form from the Registrar's Office.) By completing and submitting this form, you can apply for a number of scholarships provided by various friends of the college. A scholarship committee comprised of members of the administration, faculty, and staff matches the information supplied on your application with the criteria set by donors.

The following list describes some of our available scholarships.

EXAMPLE

OIKOS FACULTY/STAFF SCHOLARSHIP

Established by the faculty and staff of Oikos University for deserving students chosen by the scholarship committee.

OIKOS DIRECTORS' SCHOLARSHIP

Established by the directors of Oikos University for deserving students chosen by the scholarship committee.

PRESIDENT'S SACRIFICIAL LEADERSHIP SCHOLARSHIP

The President's Sacrificial Leadership Scholarship has been established to honor students who have exhibited or have the potential to exhibit extraordinary leadership qualities of a sacrificial nature. Sacrifice is defined as a dying to all self-interests in order that those who follow will discover in these sacrificial acts and attitude the potential to rise to new heights of achievement. This achievement will, by its very nature and source, propel the character of all involved to the highest calling they have in Christ. The fulfillment of this calling is identified in a leader who recognizes and follows a sacred vision, who is willing to consider all others before himself or herself, who focuses on the integrity of the process rather than the end result, and who remains committed without constraints even to the point of personal injury or death. Recipients of this scholarship are leaders of the highest character, compassion, and Christ-like nature.

Award: Up to a full-tuition scholarship per year to be used for tuition/books/room and board.

Scholarship Criteria: Multiple recipients are to be chosen by the Scholarship Committee and confirmed by the President of the University.

JONGIN KIM HONORARY SCHOLARSHIP

The Jongin Kim Honorary Scholarship has been established to honor students who have exhibited or have the potential to exhibit extraordinary abilities as a theologian and Christian leader.

Award: Up to full-time graduate tuition in the School of Theology per academic year.

Scholarship Criteria: Students must have a minimum GPA of 3.85. Multiple recipients are to be chosen by the Director of the School of Theology, the Scholarship Committee and confirmed by the President of the University.

PRAISE GOD KOREAN CHURCH SCHOLARSHIP

A working scholarship established by a member of Praise God Korean Church, Oakland, to assist with tuition. The student will serve the Praise God Korean Church for a semester in a capacity determined by the church council and pastor.

Scholarship Criteria: Determined by pastor and church council.

ADDITIONAL SCHOLARSHIPS

Several churches provide monetary resources to assist students in attending Oikos. We encourage you to let your home church and your home presbytery know that you have been accepted into seminary college.

GRADUATE TEACHING ASSISTANTSHIPS

INSURANCE

Graduate students in the School of Music who demonstrate exceptional musical talent and extensive professional experience may be eligible for teaching assistantships, which offer tuition assistance.

The college does not provide coverage for your medical care. You must use local doctors, clinics, and hospitals at your own expense, with payment usually required at the time of treatment. Consequently, we strongly encourage you to secure health insurance (under your parents policy, via a work policy, or privately). You may contact the Oikos receptionist for information about private plans.

You should also be aware of the benefits and limitations of your coverage. Be sure to bring pertinent policy paperwork with you (e.g. name and phone number of the company, group number, policy number, your social security number).

Likewise, your personal belongings in your residence are not covered by university insurance. We encourage you to purchase a policy to cover these items.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS (SAP)

Federal regulations (CFR 668.34) require that, in order to be eligible for assistance from Title IV student aid, all students (full-time, part-time, undergraduate, and graduate) must maintain satisfactory academic progress toward completion of their degree. All students who receive institutional, federal and state financial aid must meet the academic standards of Oikos University and the standards of satisfactory academic progress defined by federal regulations as follows. Students must:

- complete their degree within a maximum period of 150% of the published length of the academic program;
- complete 66.67% of all attempted courses; and
- maintain a cumulative GPA of 2.00 for undergraduate and 3.00 for graduate at the end of each term.

Students not meeting SAP are subject to dismissal from their program of study and are ineligible to receive financial aid, except under special circumstances. When a student's progress is evaluated as prescribed and his or her academic performance is below either of the thresholds required to maintain SAP, the student's academic progress will be projected to determine if and when it would be possible for the student to reestablish SAP.

Unsatisfactory Academic Progress

If a student's progress, measured at the end of each term, is determined to be unsatisfactory AND a projection indicates that it is possible to reestablish SAP by the end of the subsequent term, the school may place the student on Financial Aid Warning status for one term. The student will be advised of the performance necessary to reestablish SAP.

Re-establishing SAP

After financial assistance has been withdrawn, a student may re-establish satisfactory academic progress by either of the following methods at his/her expense:

- Attend subsequent semesters at Oikos University and improve hours and semester/cumulative grade point average to meet the required standards.

Students who comply with either method of re-establishing SAP should submit to the Office of Financial Aids a written request asking that their eligibility for financial aid be reinstated. A student's financial aid award may be adjusted and/or cancelled based upon federal, state, and/or university guidelines.

Financial Aid Warning

A student on Financial Aid Warning is still eligible to receive financial aid. If, at the end of the term during which the student was placed on Financial Aid Warning status, the student's academic progress is above thresholds for SAP the student is removed from Financial Aid Warning status. If, at the end of the term during which the student was placed on Financial Aid Warning status, the student's academic progress is not above SAP thresholds, the student is no longer eligible to receive financial aid and no longer eligible to remain in school. This decision is subject to appeal by the student.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

ADMISSION INFORMATION

ADMISSIONS CRITERIA

Oikos is committed to the training of men and women for Christian leadership, both lay and clerical. Because of this commitment, we seek to admit persons whose motivation, character, and aptitude are in keeping with this purpose. The application process is designed to help you and the college determine your readiness for Bible College. The admissions process is designed to help ensure that individuals who enter our program will complete it.

ADMISSION POLICY

An applicant for admission to a degree program must meet the minimum admission requirements for each program. Students with special circumstances and those who do not meet certain admission standards may be accepted on a conditional basis.

Admission to some programs may be granted to students who meet certain criteria. However, those who are admitted in this condition must complete the application process before the degree is granted. Admission standing is subject to cancellation or change if the admission credentials remain incomplete.

Oikos University does not accept Ability-to-Benefit students.

APPLICANT ASSESSMENT

Oikos evaluates an applicant's readiness in the following four areas:

SPIRITUAL READINESS

Applicants to the Program of Theology or Program of Music must give evidence of a born-again experience and a consistent lifestyle that reflects biblical character and spiritual growth. Since certain activities are not consistent with a Christian testimony, you are expected to have lived apart from specific activities for at least one year prior to the semester in which you wish to enroll.

The reference forms submitted on your behalf by Christian friends and by your pastor (or your pastor's designee) help us assess your spiritual readiness. Our intent is not to be legalistic or exclusive. Because of the rigors of ministerial training, it is essential that we see a certain degree of spiritual consistency in your life.

Oikos is a Christian college; we require that you accept the Oikos doctrinal statement. (See page 10 of this catalog for a copy of this statement.) If you accept our doctrinal statement, you are welcome to apply, even if you are a member of another denomination or an independent church.

ACADEMIC READINESS

Applicants must have sufficient educational background to enable them to perform at the college level. A high school diploma or GED (General Education Development) is required for admission.

Likewise, the University administers a Bible and theology test to all students; students who do not pass this test are required to participate in a non-credit Bible survey course and may be subject to further ability-to-benefit restrictions.

The ability-to-benefit classification and its restrictions may be applied as well to applicants whose high school grade average is below a “ C” and to older students who are returning to school after an extended period of time.

PHYSICAL READINESS

Health is an important factor in being able to maintain attendance, earn satisfactory grades, engage in ministry, sustain employment, and meet other demands of a college schedule. You must pass a physical examination administered by a licensed physician and submit proof of this examination.

Prospective students with chronic, debilitating, or infectious physical conditions must inform the Admissions Officer of their situation during the application process in order to receive appropriate guidance. The same requirement applies to prospective students with emotional disorders, psychological disorders, or learning disabilities.

FINANCIAL READINESS

Applicants will be evaluated with regard to their ability to meet the financial demands of attending Oikos.

**STATEMENT OF
NONDISCRIMINATION**

Oikos does not discriminate on the basis of disability, race, color, gender, and national or ethnic origin in the according or making available of all the rights, privileges, programs and activities generally open to students at the college. We do not discriminate on the basis of disability, race, color, gender, and national or ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other college administered programs.

In addition to this legal stance, Oikos has a biblical stance regarding cultural diversity. The ultimate, eternal community of believers, according to Revelation 5:9, will be comprised of “ every tribe, tongue, and people and nation.” The desire of the college is to enjoy this same diversity and unity of believers while training culturally sensitive ministers for effective service to the entire world.

DIVERSITY POLICY

Oikos University does not discriminate on the basis of race, age, color, nationality, ethnic origin, socioeconomic class, gender, and/or

physical and mental disabilities in the administration of its policies in education, admission, and hiring. However, the university is a private religious institution and maintains a specific religious belief in the enforcement of its administrative practices. Oikos University is committed to practicing the principles of equal opportunity and diversity based on biblical principles. The university strives to achieve and maintain a diverse community of students and its committees. Oikos University will continue to monitor the level of diversity in all the committees, subcommittees and advisory groups within the school. By encouraging community engagement in outreach, development and planning processes, Oikos University will undertake a strategic and systematic approach to involve individuals from diverse racial/ ethnic groups, ages, genders, abilities, socioeconomic classes, and interests.

INTERNATIONAL STUDENTS

Oikos is authorized under federal law to enroll non-immigrant alien students.

International students seeking admission to the college should contact the Registrar several months in advance of the beginning of each semester requesting current information about the schools admission policies. Many of the forms needed to enter the U.S. or change status are available online at

<http://www.uscis.gov/graphics/formsfee/forms/>

While the information in this section is believed to be accurate at the time of publication, you should always consult official information available online or through a U.S. Embassy or Consulate.

In order to satisfy U.S. immigration law, the student should be familiar with the following requirements

ADDRESS CHANGE

All international students are required by law to maintain an up-to-date permanent and local address with the Oikos University Registrar and to update Oikos and the U.S. Department of Homeland Security of any **address changes within 10 days.**

CHANGE OF STATUS

WITHIN THE U.S.

To apply for a change of status while in the U.S., be prepared to present the following documents.

- I-901 SEVIS Fee
- Completed I-539
- Explanation why electing to change status
- Original I-94
- Copy of spouse's I-94 if dependent on his/her visa status
- Check for \$370 made payable to U.S. Department of Homeland Security

OPTIONAL PRACTICAL TRAINING

- Copies of valid/current passport and visa pages
- Copies of passport & visa pages for spouse if dependent on spouse's visa status
- Affidavit of support, bank statement, assistantship agreement or other proof of sufficient funding.
- Original I-20
- Copies of spouse's I-20 or other if dependent on spouse's visa

OUTSIDE THE U.S.

Application is made for a new visa for the new status at a U.S. Embassy or Consulate.

If you have been in F-1 status for at least nine (9) months (two academic semesters) you are eligible for optional practical training (OPT) which is temporary employment in your *current* field of study for purposes of gaining practical experience.

You may apply for authorization for optional practical training directly related to your major area of study in the following cases:

During your annual vacation (summer) as long as you intend to register for the next semester. It is advisable to have a job offer at the time of application in this case. The job can be full or part-time.

While school is in session, provided that practical training does not exceed twenty hours a week. Must have a job offer before applying. Total number of work hours must not exceed 20hrs/wk, including on-campus jobs.

After completion of course requirements except thesis/dissertation. Again, you should have a job offer before applying.

For post completion OPT the application must be submitted **before** the completion of your program or before the ending date of your I-20, whichever comes first. The start date of the OPT must be within 60 days of your program completion.

Training Checklist:

- I-765 (Signed in blue ink)
- All I-20's
- Copies of passport and I-94 card
- \$495.00 check made payable to U.S. Department of Homeland Security
- Academic Certification/Recommendation letter from department
- Two color photos (Please follow the instructions included in the application packet)

If you meet these qualifications, you can proceed with the application for practical training authorization. Upon completion of all the forms,

the international student advisor will review your application and decide either to recommend or not recommend your application for submission to USCIS for adjudication. Application packets are available online or with the international student advisor. A new SEVIS I-20 will be issued with the recommendation of OPT. You will have to pick up your new I-20 form after processing has been completed.

FINANCIAL REQUIREMENTS

International students who are or will be in F-1 visa status are required to show proof of adequate funding for at least one year before an I-20 form can be issued. Financial requirements are calculated on the basis of tuition and fees (for two semesters), living and miscellaneous expenses (\$1,000/month). An additional \$ 4,000 will be added for accompanying spouses and each child. Students must submit the Financial Certification Form along with appropriate attachments.

The following documents are accepted as financial certification:

A current (less than six months old) bank statement or certification from other legal financial institution, along with an official letter (affidavit of support) from the sponsor. The letter should include the student's name, sponsor's name, his/her relationship to the student (parent, sister, friend, etc.), the amount of support and the time period for which it will be provided, and a stated willingness to cover the student's expenses.

Written confirmation from the sponsoring institution of a scholarship, fellowship, assistantship or other type of funding. For assistantship, a copy of the assistantship agreement signed by the department is required.

In case of personal funds, a bank statement or statement from any legal financial institution that includes the student's name, and the amount available. Please note that photocopies and statements older than six months are not acceptable.

Financial certifications have to reach the University by the posted deadline, which is usually October 15 for the Spring semester and May 15 for the Fall semester. If you have questions about the availability of assistantships, please contact the director of student. If you need further information about Oikos' s tuition and fees, please contact the Business Office.

INSURANCE

All international students and their families are required to have active health insurance during their stay in the United States. International students are not permitted to register or to continue enrollment at Oikos without demonstrating compliance with the insurance requirement. A block will be placed on your account until

requirements are met. The university is unable to make any exceptions to this rule. Insurance coverage will be checked every semester.

MAINTAINING STATUS

In order to maintain your F-1 visa status, you must:

Attend the school and degree program indicated on your I-20. Request a new form if there is any change in your degree level or major.

Carry a full course of study (9 credit hours for graduate students and 12 credit hours for undergraduate students). Exceptions can be approved **ONLY** by the International Student Advisor-Designated School Official.

Keep your I-20 form valid at all times. Check the expiration date in item #5 to make sure that it is still valid. Request a new form if any major changes occur in your situation (e.g., changes in source of funding, marital status, major, degree program).

Follow the required procedures (with the help of the Designated School Official/International Advisor) when:

- Applying for extension of stay
- Transferring to or from another school
- Applying for OPT

Refrain from off-campus employment without ICE or school authorization. Off-campus work permission is approved **ONLY** by ICE in case of an extraordinary circumstance. It is illegal to work without authorization and you are subject to deportation.

Keep your passport valid at all times.

NEW STUDENTS

REQUIRED VISA DOCUMENTATION

- \$160.00 non-refundable to U.S. Consulate
- Form DS-156, Form DS-157, Form DS-158 (available online at http://travel.state.gov/visa/frvi/forms/forms_1342.html)
- Valid Passport
- SEVIS fee
- Photographs (2-inch x 2-inch)
- SEVIS I-20 (provided by the University)
- University acceptance letter
- Sufficient funding

Students are required to report and register immediately upon arrival with the international student advisor. Please bring the following documents: passport, stamped I-20 and I-94. All students and their dependents are required to purchase medical insurance whether from your home country or from the U.S. Insurance is not included in your

tuition.

REINSTATEMENT

An F-1 student who has overstayed his/her period of stay or has otherwise failed to maintain status may be reinstated to lawful F-1 status at the discretion of the U.S. Citizenship and Immigration Services (USCIS) District Director. You should assemble the following documentation:

- Original I-94
- Copy of passport and visa
- Copy of current I-20 Form
- Transcripts
- I-539
- New I-20
- Evidence of financial support
- Check for \$370.00 made payable to “ U.S. Department of Homeland Security”
- I-901 Receipt (SEVIS Fee) if applicable
- Letter addressed to INS from the student stating the reasons for being out-of-status

Reinstatement Application should be submitted to the address given at:

<http://www.uscis.gov/graphics/fieldoffices/california/aboutus.htm#anchorMAIL>

or file electronically at

<http://www.uscis.gov/graphics/formsfee/forms/efiling.htm>

INCOME TAXES

If you have had income while in the U.S., you may need to file an income tax return. In most cases you will qualify as a NonResident Alien (NRA) and will file either a 1040NR or a 1040NR-EZ may meet your needs. You can download these forms from

<http://www.irs.gov/pub/irs-pdf/f1040nr.pdf>

or

<http://www.irs.gov/pub/irs-pdf/f1040nre.pdf>

If you have not had income, you may file a Form 8843, available at:

<http://www.irs.gov/pub/irs-pdf/f8843.pdf>

If you have worked in the U.S. and your income was subject to withholding, you may need to file Form 1042-S:

<http://www.irs.gov/pub/irs-pdf/f1042s.pdf>

The analogous California form is 540NR, available from

<http://www.ftb.ca.gov/forms/index.html>

While Oikos University cannot provide advice on taxes, we will endeavor to refer you to a qualified tax advisor if you need help filing the proper forms.

APPLICATION PROCESS

You can receive an Application Packet by writing, calling, or e-mailing our Admissions Officer, Ms. An Ock Park.

Ms. An Ock Park
Oikos University
7901 Oakport St. Suite 3000
Oakland, CA 94621
Phone: (510) 639-7879
E-mail: info@oikos.edu

If you wish, we can send your packet by e-mail. Just let us know whether you prefer a paper or an electronic copy.

New students without prior college experience are strongly advised to request admittance for a fall semester rather than a spring semester. We recommend that you begin the application process as early as possible. Before we can review your application packet, we must have all of the required documents. It has been our experience that it can take several weeks for transcripts, letters of reference, and other key documents to be sent to Oikos.

If your application package is complete by the deadline shown in the calendar at the front of this catalog, we will review your application and will respond promptly with our decision. If your package is missing a few items and the deadline is drawing near, please contact

our Admissions Officer. When possible, we will review your package and offer you provisional admission. (You will then be required to complete the package before you can begin your courses.) The application process consists of three steps. All three must be completed before admission to the college is official.

1) Complete an Application File, including:

- A completed and signed Application Form;
- A signed Philosophy of Community form;
- A completed Bible College Readiness Assessment; and
- The nonrefundable Application Fee.

Supply the Pastor's Reference Form to your pastor, along with the envelope supplied in the Application Packet. Your pastor should return this form directly to the Registrar's Office.

Supply two friends with the Reference Forms and return envelopes supplied in the Application Packet. These Reference Forms should be filled out by Christians for applicants for School of Theology, but there could be some exceptions for applicants other than Theology program. These individuals must be at least 21 years of age, and not a relative of the applicant. They should have known the applicant for at least one year. The two references should return this form directly to the Registrar's Office. Arrange for official transcripts to be submitted to the Registrar's Office from the applicant's high school and, if applicable, from all universities, colleges, or professional schools attended by the applicant. (GED may be substituted for high school diploma.)

If the applicant is still enrolled in high school, then an incomplete transcript (not showing graduation) will be sufficient. However, as soon as possible, a complete, official transcript (indicating a graduation date) is required. *Foreign transcripts must be evaluated by one of the following transcript evaluators and student must request that it then sent directly to OU:*

World Education Services (WES): www.wes.org

Global Credential Evaluators (GCE): www.gcevaluators.com

2) Letter of Acceptance

College officials will review your Application Package when it is complete. It is our goal to send you written notification within two weeks of application deadline. At any time, however, you may contact the Registrar's Office to inquire as to the status of your application.

If you receive a letter of acceptance, it will include information regarding subsequent steps.

Included with your letter of acceptance will be a copy of the Student Handbook and a form indicating that you have read the handbook and agree to comply with it. This form should be returned to the Registrar' s Office immediately.

Along with your acceptance letter you will receive a Physical Readiness Report that is to be completed by a licensed physician and returned to Registrar' s Office. The acceptance letter will also ask that you provide a recent photograph of yourself. This photo will help us to recognize you at orientation and therefore, better serve you.

Finally, you should send the tuition deposit along with Physical Readiness Report and the Student Handbook form in order to confirm your enrollment.

If the college is unable to accept you for enrollment in the upcoming semester, we will advise you regarding the steps you should take before resubmitting your application.

3) Intent to Enroll

By returning your Physical Readiness Report, the statement regarding the Student Handbook, and your tuition deposit, you are informing the college that you intend to enroll and to register for classes in the upcoming semester. As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

AWARD OF CREDIT

Oikos University awards one unit of academic credit for each 50-minute class session per week based on the Carnegie unit. Students are supposed to complete a minimum of two hours of academic work such as preparation and home assignment outside of class for each credit. The policy on academic credits is based on generally accepted in degree-granting institutions of higher education. A semester consists of 16 weeks including final examination. Oikos University advises the students of all majors to limit their job or social commitments so that they can give their coursework adequate attention

TRANSFER OF CREDIT

Oikos welcomes the transfer of course work from accredited institutions. (Such institutions have been accredited by an agency that is, in turn, recognized by the Council for Higher Education Accreditation (CHEA).) In order to request this transfer, you should arrange for an official transcript (signed and sealed) to be mailed or faxed directly from the previous institution to Oikos' s Registrar' s Office.

Credit is evaluated on a course-for-course basis, requiring that course descriptions and credit values be comparable. Only work earned with a grade of " C" or higher is transferable; however, a grade from transfer credits do not compute into the student' s Oikos GPA.

Transfer of credit may be possible from recognized but unaccredited institutions. The same procedures and requirements as previously noted apply. In addition, Oikos takes steps to ensure that course work taken in the sending institution is comparable to course work offered by Oikos. These steps include one or more of the following:

- Demonstration of achievement by means of comprehensive examinations;
- Review of syllabi, faculty credentials, grading standards, and other relevant learning resources at the sending institution;
- Analysis of historic experience regarding the success of transfers from the sending institution; and
- Successful completion of 32 semester hours at Oikos with a cumulative GPA of at least 2.0.

If you wish to apply transfer credit to your program, the transfer should be arranged immediately upon receiving your letter of acceptance, and before registering for courses at Oikos.

Fifty percent of the semester hours in your undergraduate program must be completed at Oikos in order to qualify for graduation. Thus, a student pursuing a Bachelor of Arts degree must earn at least 60 semester hours at the college.

Oikos University has not entered into an articulation or transfer agreement with any other college or university.

Oikos University does not award credit for student's prior experiential learning.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION:

The transferability of credits you earn at Oikos University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the degree that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Oikos University to determine if your credits, or degree will transfer.

CHALLENGING A COURSE

If you believe that you already have the knowledge and skills required by one of your curriculum's required courses, you may apply in the Registrar's office to challenge the course. The Registrar will supply you with a copy of the course syllabus and, together with the

Academic Director, will identify a professor who will test your knowledge and skills. (Often this test is conducted by using the course' s final exam.) If you demonstrate to the professor' s satisfaction that you are able to meet the course objectives, the professor will recommend that the required course be dropped from your program and replaced with an alternative course that you will find more beneficial.

Note that there can be a fee for this service. You should inquire in the Business Office before beginning the challenge process.

REGISTRATION FOR NEW STUDENTS

Whenever possible, the Registrar' s Office will register new students before you arrive on campus. You will receive a copy of your registration form during New Student Orientation, and you can make changes at that time.

NEW STUDENT ORIENTATION

New Student Orientation is scheduled during the days immediately preceding the start of each semester. (See the college calendar at the front of catalog). All of these sessions are required for all new students. We will spend time acquainting you with major aspects of Oikos' s academic program and general policies and procedures. Once you have completed registration, you will buy your textbooks and pay your tuition, fees, and other charges in the Business Office.

REGISTRATION FOR RETURNING STUDENTS

All current students are expected to register for the next semester on the dates designated by the Registrar; otherwise the Business Office adds a late registration fee to the student' s account.

Registration is not complete until all necessary forms are filled out, submitted, and signed by the appropriate persons. A student who has not completed registration may not be allowed to take final exams, unless the student has notified the Registrar of his or her intent to withdraw at the end of the semester.

READMISSION

If you are a former Oikos student and you desire to be readmitted, contact the Registrar' s office to begin the process. You will be expected to pay any outstanding debt to the college in full. Depending upon how long you have been away from Oikos, and your status when you left, you may be required to provide new references or other elements of the Application Package. You may also be asked to meet with the Academic Director, the Director of Students, or other college officials.

If you are readmitted, we may ask you to attend certain portions of the New Student Orientation.

**NON-DISCRIMINATION
POLICY**

If you have been gone from Oikos for one semester or more, you will return under the curriculum and graduation requirements of the most recent catalog. This policy may also apply to students who do not maintain full-time enrollment (less than 12 semester hours per term).

Oikos University admits students of any race, color, national origin, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national origin, and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

ACADEMIC INFORMATION

Jesus commanded, “ You shall love the Lord your God with all your heart and . . . with all your mind” (Matthew 22:37). Oikos is committed both to the intellectual and spiritual development of its students. Intellectual awareness and educational improvement are fully compatible with spiritual sensitivity. The classroom experience at the college offers intellectual, spiritual, and relational encounters that work together to equip the student for a lifetime of service to God.

REGISTRATION

ENROLLMENT STATUS

To maintain full-time status, undergraduate students must register for 12 or more units, and graduate students must register for nine or more units.

LEAVE OF ABSENCE

A student may interrupt a program of study for any period of time and return to the university without applying provided the student leaves in good academic standing.

ACADEMIC STANDARDS

CLASS PARTICIPATION

Oikos places great importance upon class participation because of the nature of the material being taught, the value of in-class interaction, and the need for students to develop habits of diligence and reliability.

You should be present and punctual for all class sessions except in the case of rare extenuating circumstances. You are expected to complete your assignments before the class session, so that you are prepared to answer questions and enter into the discussion. For details of how your participation grade is computed, see the course syllabus.

ATTENDANCE POLICY

It is the policy of Oikos University that students must participate in each weekly class so that progress of program can be made. At a minimal, students must attend at least 80 percent of session in order to pass the course. In semester system, students must not be absent more than 3 out of 15 sessions. In other word, students must participate at least 12 out of 15 sessions to pass the class. In quarter system, students must not be absent more than 2 out of 10 sessions. In other word, students must participate at least 8 out of 10 sessions.

DEFINITION OF CREDIT HOUR

DEFINITION OF CREDIT HOUR

Oikos University awards academic credits based on the Carnegie unit which awards one unit of credit for each 50-minute class session per

week. For each credit in undergraduate programs, students are expected to complete a minimum of two hours of academic work (study, preparation, etc.) outside of class each week. Courses in graduate programs require three or more hours of outside work each week per credit. The policy on academic credits is based on those generally accepted in degree-granting institutions of higher education. A semester at Oikos University consists of 15 weeks excluding finals. Students in all majors are advised to limit their job and social commitments in order to give their coursework adequate attention.

MAKE-UP EXAMS

All tests, including final exams, are to be taken at regularly scheduled times. These times are typically announced in the syllabus at the start of the semester. In the event of extenuating circumstances, you should contact the professor as early as possible and ask permission to take the exam at a different time. If, in the opinion of the professor, your reason for being absent is not sufficient to merit rescheduling the exam, you will be required to take the exam at the scheduled time or receive an “ F” for the exam. If the professor agrees to offer the exam at a different time, you should contact the Business Office to pay the Exam Rescheduling Fee before taking the test. Note that the make-up test may, or may not, be identical to the one administered to other students. Whether you take the test early or late, you may not discuss it with other students until the professor tells you that all other students have taken it. Failure to obey this restriction will be considered cheating. You will forfeit the grade you received on the test and receive an “ F” in its place.

FINAL EXAMS

Final exams are given for most courses. Such a test may or may not be comprehensive. Its grade weight is determined by the professor and indicated in the syllabus. You should not request early or late finals except in cases of emergency. You must have the permission of both the Professor and the Academic Director in order to reschedule a final exam. If permission is given, you must pay the Exam Rescheduling Fee in the Business Office before taking the exam.

GRADING SYSTEM

Oikos University uses a 4.0 grading system to grade the quality of course work and to determine the grade point average. Faculty members assign letter grades based on this table:

98-100	A+	4.0	70-73	C-	1.7
94-97	A	4.0	67-69	D+	1.3
90-93	A-	3.7	64-66	D	1.0
87-89	B+	3.3	60-63	D-	0.7
84-86	B	3.0	Below 60	F	0.0
80-83	B-	2.7		I	Incomplete
77-79	C+	2.3		W	Withdraw
74-76	C	2.0			

The Registrar translates letter grades to grade points in accordance with the table shown later in this section.

A	Excellent	4.00
A-		3.70
B+		3.30
B	Good	3.00
B-		2.70
C+		2.30
C	Average	2.00
C-		1.70
D+		1.30
D	Poor	1.00
D-		0.70
F	Failure	0.00
W/F	Withdrawn/Fail	0.00
W/P	Withdrawn/Pass	No point, No GPA impact

Grade definition

A	Excellent. Superior knowledge regarding details, assumptions, implications, history; superior thinking with information relevant to application, critique, and relationship to other information.
B	Good. More than adequate knowledge regarding technical terms, distinctions, and possesses an ability to use information.
C	Average. Basic knowledge needed to function and carry on learning regarding major principles, central terms, major figures, also possesses an awareness of field or discipline. Note that a grade of C- may not be eligible for transfer and in most programs does not constitute a passing grade. Please consult and refer to the Catalog, for further information.
D	Poor. Below average grade, may not be eligible for transfer.
F	Fail

Grades are usually available within three weeks of completing a semester. They are released to the student by the Registrar’s Office along with a calculation of the student’s semester GPA and cumulative GPA.

GRADING POLICY

Individual faculty members determine the grading policy for each course. Faculty members clearly state in the course syllabus the specific criteria by which the grade will be assigned, including the relative weight of assignments, papers, examinations, attendance and other assessments. Only the faculty member has the authority to change grades.

CONTESTING A GRADE

Grades are computed in accordance with the course syllabus and in-class instructions. If you are unsure about the accuracy of a grade, you should approach the professor and respectfully request a detailed explanation of how the grade was computed. If this discussion does not result in satisfactory resolution, then you should contact the Academic Director. Please approach the matter with respectful conversation and behavior.

Any grade that is in question, including a semester grade, should be brought to the professor's attention within two weeks of you receiving the grade. Professors are given one month from the time semester grades are issued to make a change in the Registrar's Office if deemed appropriate.

THE DIRECTOR'S LIST

Full-time students who earn a grade point average of 3.5 or higher in any one semester are placed on the Director's List for that semester. Students who are on the Director's List for two consecutive semesters are awarded a certificate of recognition

ACADEMIC PROBATION AND DISMISSAL

All students must maintain an overall grade point average of at least 2.0 on course work taken at Oikos University. A student who falls below 2.0 for the first time is placed on academic probation. Continued enrollment requires the Academic Director's approval. If a student on academic probation does not raise the cumulative GPA to 2.0 after two subsequent semesters, the student will be academically dismissed.

INCOMPLETE

We discourage our professors from assigning "incomplete" as a semester grade. It may be done only under extenuating circumstances and only if the student's work was satisfactory preceding the emergency situation that prevented its completion. The professor must submit a replacement grade by the date agreed upon with the student (and in no case later than the end of the next semester) or the incomplete will automatically be changed to an "F."

REPEATING COURSES

If you earn a D, F, or W/F for a course, you may retake the course during a subsequent semester. If you earn a higher grade, then it will eliminate and replace the lower grade in your cumulative GPA. A course may be repeated only once, and no more than five courses may be repeated during a four-year program.

If you earn an F, W/P, or W/F for a required course, the course must be retaken at Oikos. These courses do not count toward the five-course limit.

AUDITING COURSES

If classroom space permits, students and their spouses may take courses on an audit basis. Credit is not given, class attendance requirements do not apply, and the student does not participate in

assignments or tests. Further, the professor is not obligated to give class or personal time to a student who is auditing. The charge for auditing a course is given in the Financial Information section of this catalog

DIRECTED STUDY

A directed study version of certain courses is available on an emergency, last-resort basis. This service is provided to assist the student whose program requirements may not be complete due to not passing or not scheduling a course during its regular semester-by-semester, year-by-year sequence. The course' s time and work requirements will be commensurate with what is typically involved in attending the class and in completing its out-of-class assignments, although certain features of the course may have to be modified to fit a directed study approach. We assess an additional tuition surcharge. The tuition and tuition surcharge must be paid in full before starting the course. An application for directed study is available in the Registrar' s Office.

SUPERVISED STUDY

If you need extra help, you may enroll in up to five hours of supervised study each week. (Some students do this to satisfy a requirement of a work-study program; others are required to participate as part of an academic restorative action plan.) Groups meet weekly for the purposes of study, under the supervision of a designated instructor. No academic credit is given.

CORRESPONDENCE COURSES

You must receive the Academic Director' s permission in advance to take a course by correspondence, if you intend to transfer the credits toward your degree program at OU. Several of the specifications stated above for Directed Study apply to this approach. Permission is not usually granted for courses that have been failed at Oikos. You must make acceptable arrangements to have your tests and exams proctored, if such courses require examinations. Local church pastors or a member of Oikos faculty or staff are generally acceptable as proctors.

No more than six hours of correspondence courses may be applied to an Associate degree; no more than 12 correspondence hours may be applied to a Bachelor' s degree. Certain courses, including most graduate courses, may not be completed by correspondence. Note that interactive online courses are not considered to be " correspondence." OU does not offer correspondence courses as part of any of its programs.

COMPLAINT RESOLUTION

When students have complaints about individual faculty members regarding a particular course requirement(s), examination(s), or grade(s), or regarding general issues such as teaching method and classroom conduct, they may bring the matter directly to the individual

faculty member. If a student is not satisfied with the faculty member's response, the student may bring the matter to the Academic Director for final decision. The Academic Director will work with the student and the faculty member for resolution of the complaint and must inform them of the decision in writing within two weeks.

HONESTY

Cheating is a violation of Christian integrity and cannot be tolerated. Examples of cheating include copying from another student's paper or test, receiving information from a student who has already taken a test, giving student information about a test, and falsifying a report. Another form of cheating is plagiarism, which involves using someone else's ideas or words without giving credit. If you quote material, you must use quotation marks and an appropriate citation. If you paraphrase material, then you must use an appropriate citation. A student found cheating will receive a "0" for the assignment or test and will be reported to the Academic Director for discipline. Such discipline may include a Restorative Action Plan (as described in the Student Handbook) or dismissal, as determined by the Academic Director. If you are aware of cheating or plagiarism, you should report it to the professor immediately.

FACULTY ASSISTANCE

The Oikos faculty is committed to helping you academically and spiritually. Professors post office hours each semester; take advantage of these times by visiting your professors, either by phone or in person.

All faculty members are also accessible by e-mail. Feel free to contact the professor by e-mail, especially if you are in an online or e-learning enhanced course.

Some faculty members will provide their home phone, cell phone, or email address in their syllabus. Please use discretion when contacting your professor outside office hours. In general, most faculty members who provide these additional contact numbers are available from 9 AM to 9 PM weekdays, and from 10 AM to 9 PM Saturdays. Most faculty members prefer to reserve Sundays as their personal time.

STUDY GROUPS

The school assigns you a faculty member to serve as an advisor. You are required to meet with your advisor each semester to review your academic plan and to register for courses for the upcoming semester. We encourage you to meet with your advisor at other times to discuss your academic, spiritual, and ministry progress

Often students receive some of the best help from other students. We encourage you to seek out other students in each class and form study groups that meet regularly to review class notes, prepare for tests, and (to the extent permitted by the syllabus) collaborate on projects. Please contact your professor if you would like help in joining a study group.

PEER TUTORING

Sometimes students who struggle academically can be helped best by other students. If you are not in a study group, you should consider joining. If you need more help than your study group can provide, contact your professor. Often he or she can help you locate a volunteer peer tutor who may be able to help you with difficult material.

GRADUATION

DEGREE REQUIREMENTS

To obtain a degree, students must meet the following degree requirements, in addition to the requirements specific to their program of study.

- Grade Point Average Requirement: An overall grade point average of at least 2.0 is required for a degree.
- Unit Requirement: The student must complete the total unit requirement for a degree.
- Residence Requirement: Students must also complete at least 50 percent of the total unit requirement at Oikos University.
- Christian Testimony (BA and up)
- Completion of Student Ministry Requirements: 8 semesters
- All accounts paid in full

GRADUATION PETITION

Students must file a graduation petition with a fee with the Registrar's Office one semester prior to graduation.

GRADUATION HONORS

Honors at graduation are based on overall academic achievement and Christian character and service. They are determined by the faculty. A minimum grade point average of 3.85 for *summa cum laude*, 3.65 for *magna cum laude* and 3.5 for *cum laude* is required.

COMMENCEMENT

Commencement is held at the end of Spring semester each year. All graduating students are expected to be present at commencement ceremony except in cases of emergency.

GRADUATION AND PLACEMENT SERVICES

At the current time, OU does not have formal placement services for graduating students, nor does it have a specific office to assist alumni with career development. However, we have every intention of developing this service, so that all students of OU will have the greatest opportunity to earn a living while they serve God and humanity. At the moment, the tasks of handling transcripts and dossiers for students seeking future employment will fall upon the shoulders of the Office of the Registrar. We believe also, that it is the Christian duty of every professor, faculty member, administrator, and staff member, to assist our students in finding employment, both as a means to create prosperity in the world and also to fulfill our commitment to the students whose lives and minds we are shaping

through our pedagogy. Rest assured that we will not abandon our students.

WITHDRAWAL

Unforeseen circumstances may require a student to withdraw from the college. If this seems to be your case, you should talk with the Director of Students or the Academic Director. If the situation does indeed warrant withdrawal and there are no other acceptable options, the student will be directed to the Registrar's Office to initiate the formal withdrawal process.

Withdrawal involves completing the Withdrawal Form, settling all financial accounts, and taking care of any other school business pertinent to the student. If refunds are due, they will be paid only if proper withdrawal procedures are followed.

A student who follows proper withdrawal procedures and whose reason for withdrawal is approved by the administration will receive W/P on his/her transcript for all courses the student is passing. Otherwise, W/F will be assigned. The administration will seek to work in the best interest of the student when approving or disapproving a withdrawal.

A student who is suspended or dismissed from the college for disciplinary reasons will receive W/F for each course in which he or she is enrolled.

CURRICULAR PROGRAMS

Oikos offers eight curricular programs: a four-year (Bachelor of Arts in Biblical Studies) degree; a four-year (Bachelor of Music) degree; a four-year (Bachelor of Arts in Business Administration) degree; a three-year (Master of Divinity) degree; a three-year (Master of Music) degree; a two-year (Master of Business Administration); a four-year (Master of Science in Asian Medicine) degree; a five-year (Doctor of Ministry) degree.

ACADEMIC LOAD

A full-time load is considered to be 12-16 semester hours per semester. To achieve the completion of a program within the normal time frame, you should carry an average of 16 hours each semester.

Courses typically require approximately 1.5 to 2 hours of study time outside the classroom for each hour in class. You should consider family, employment, and church and ministry responsibilities when determining your semester load.

You must have the Academic Director's permission to carry more than 16 hours in a semester. This decision depends primarily upon your grade point average (GPA), according to the following guidelines:

- 18 hours 2.70 GPA
- 19 hours 3.00 GPA
- 20 hours 3.30 GPA

A new student' s high school GPA, a returning student' s GPA or a dramatic change in life circumstances may require a reduced load of 12 hours to be taken for one or more semesters. If the Academic Director' s decision, or your own decision, causes an average semester load of less than 16 hours, you may not graduate on your original schedule. If you want to get back on schedule, you should consider taking online courses during the summer semester, taking a course during the Winter Modular, or seeking an overload later in your college career.

**COMPUTER
PROFICIENCY**

You are expected to have computer proficiency sufficient to type assignments. The Academic Computer Lab offers full Internet access, word processing capabilities, and Bible research software. You are encouraged to have your own personal computer, but the computer lab assists you if you are not able to do so.

**PROFICIENCY AND
REQUIREMENTS**

Effective communication must go hand-in-hand with sound doctrine. Consequently, we require that you demonstrate expertise in both written and spoken English. Otherwise, we require that you enroll in ETP classes during your first semester.

**CATALOG AS A
CONTRACT**

The curriculum and graduation requirements in the catalog that is current when you enroll at Oikos establish your program requirements. However, the college reserves the right to make reasonable modifications and substitutions in these requirements.

If you withdraw from the college for one semester or more and reenter at a later date, you must meet the curriculum and graduation requirements of the most recent catalog. This policy may also be applied to students who maintain enrollment but do so on a part-time basis (less than 12 hours per semester).

COURSE SEQUENCE

You are expected to take courses in their proper sequence according to the class level of the course. The college is not responsible for your graduation requirements if you do not follow this policy.

Students are not usually permitted to register for upper-division Bible courses (Bible & Theology 300- and 400-level) unless they have completed BIBL202 (Biblical Exegesis) with a passing grade. In both cases, the instructor of the upper-division course is permitted to make an exception for exceptionally well-qualified students. If you want to register for an upper-division course but you don' t satisfy these prerequisites, feel free to contact the instructor.

COURSE CODES

Each course at Oikos has a combination alphabetic and numeric identifier that indicates its curriculum category, its class level, and its credit value in semester hours. The Course Descriptions section of this catalog shows the curriculum categories. The first number of the course code reveals its class level, with 100- 300 level courses generally designed for undergraduates and 400-600 and above for graduate students. The third number of the course code reveals the credit value, such as two semester hours or three semester hours. (The second number serves only to ensure uniqueness.)

The ability to research and write at the college level is a prerequisite to upper-division (300- and 400-level) courses. Therefore all students must pass both English Composition (ENG101) and English Literature (ENG102) with a minimum grade of “ C” before beginning upper-division work. Requests for an exception must be reviewed by the English professor and faculty advisor and approved by the Academic Director.

STUDENT MINISTRY

In addition to the curricular requirements of Oikos’ program, all students are required to participate in Student Ministry. The semester-by-semester requirements are detailed in the Student Ministry Manual. This manual is provided at New Student Orientation, and is available upon request from the Director of Student Ministries.

MAINTENANCE OF RECORDS

Oikos University preserves all the educational records of all the current and previous students. It is the policy of the university to retain in the campus building all the vital student records for a minimum period of five years and all student transcripts permanently in compliance of the State of California Education Reform Act and Regulations. Should you need to have transcripts sent to future potential employers, the Office of the Registrar will assist you in handling this. All records will otherwise be kept strictly confidential, with only authorized personnel having access to them.

ADP 512 Christian Spirituality (4 units)

A church rooted in post-modernism is facing several challenges. While a society and culture try to change their clothe quickly in this flow and prepare the challenges, a church still keeps its method and way that are oriented based on modernism. People are not interested in religious matter but excited with spiritual experience. People do not want to have any information and learn any informative doctrine and biblical knowledge, but they long to know how they can be transformed and how they can change their society and this world. In this flow, a church should not leash people and put them in church' s traditional box but should touch their spirit and their daily contextual issue in which they are struggle. Therefore, any program or any philosophy of church should not focus on a program for them to be docile religious church member (We call it Religious Christianity) but focus on their own spiritual progress, joy, and transformation – we call it Christian Spirituality.

GENERAL SCIENCE

BS110 General Biology (3 units / 45 hours)

This course covers the principles of human biology, which includes basics of chemistry of life, body structure and function, reproduction and development, genetics and evolution. Additionally, the course looks into the aspects of modern biology impacting the human species such as ecology and recombinant DNA research.

Prerequisite: None

BS120 Chemistry (3 units / 45 hours)

This course covers the introductory aspects of inorganic chemistry. Topics include states of matter, atomic structure, periodic table, bonding, nomenclature, chemical reactions, chemical equations, and quantitative relationships. In addition, introduction and application of both organic and biochemistry are included. *Prerequisite: None*

BS130 Introduction to Physics (2 units / 30 hours)

This introductory course explores an elementary introduction to the basic principles of physics, their interpretation and application. Topics include vector algebra, motion, gravity, work, energy, momentum, angular momentum, conservation laws, thermodynamics, and vibrations and waves

Prerequisite: None

BS140 General Psychology & Counseling (2 units / 30 hours)

This course is designed to encompass the basics of the main theories, methods, and principles of psychology. Topics will include a brief history of psychology, critical thinking, basic research and statistics, human development, personality, psychopathology, motivation, emotions and stress, and basic principles of learning. In addition, the course will have an emphasis on counseling skills development.

Prerequisite: None

BS210 Human Anatomy (4 units / 60 hours)

This course is designed to help students understand the anatomical structure of the human body. The course will study the physical structure of human cells, tissues and organs, and is often taught alongside physiology, which covers organ and body system functions. The course will have an emphasis on the nervous system and musculoskeletal system, to help students integrate acupuncture with human anatomy. In addition, the course will also cover the structures of sensory organs, the cardiovascular system, immune system, respiratory system, digestive system, urinary system, reproductive system, endocrine system and integumentary system.

Prerequisite: None

BS350 Human Physiology (3 units / 45 hours)

The course is designed to help students develop knowledge of the anatomy and physiology of the cell and human biological control systems and the major organ systems of the human body. The course puts emphasis on the major systems of human body such as the cardiovascular, respiratory, excretory, digestive, reproductive, and immune systems, and the components of blood. Other topics include cell structure and function, movement of molecules across cell membranes, homeostatic mechanisms and cellular communication, neural control mechanisms, sensory systems, hormonal control systems, muscle physiology, and control of body movements.

Prerequisite: BS110 Biology, BS310 Human Anatomy

ASIAN MEDICINE

AM110 Asian Medicine Foundation (4 units / 60 hours)

The course is designed to provide the fundamental foundation of Asian Medicine for students to grasp the basic understanding of various Asian Medicine theories. Students are introduced to basic structures of Asian Medicine, which includes Yin and Yang, Five Elements, Qi, Essence, Blood and Body Fluid, and Zang Fu, and their dynamic interrelationships. The various theories of Asian Medicine regarding pathogenesis and etiology will be covered including Yin and Yang imbalance, Five Elements disharmony, six environmental pathogen factors, seven emotional factors, the six channel patterns, and basic Zang Fu patterns.

Prerequisite: None

AM150 & 170 Qi Gong I & II (2 units / 30 hours)

This practical course is designed to provide the basic introduction to the theories and benefits of Qi Gong. The course aims to present the empirical awareness of energy/Qi flow and pathway for students to employ and cultivate the healthy life through the daily exercise of Qi Gong.

Prerequisite: None

AM210 & 211 Asian Medicine Diagnosis I & II (6 units / 90 hours)

These two sequential courses are intended to present the fundamental skills and theories of Asian Medicine diagnosis for students to

understand and utilize the four examinations structure of inspection, inquiring, olfaction and palpation, which are the basic fundamentals of Asian Medicine diagnosis. The emphasis will be put on the complexion, pulse and tongue examination, which are the core and distinctive methods of Asian Medicine diagnosis. The course will further explore into more profound theories of pattern identification including the eight principles, Qi and Blood, six channel patterns, four stages of Wei, Qi, Ying and Xue, and San Jiao Theory.

The second part of the class also provides the basic skills in patient intake and physical examination utilizing Asian Medicine techniques.

Prerequisite: AM110 Asian Medicine Foundation

AM310 & 390 Asian Medicine Case Management I & II (4 units / 60 hours)

These two courses are designed to teach and aid students to make the better transition of their knowledge into the clinical application.

Asian Medicine Case Management I: The course is set to demonstrate the primary, secondary and specialty care responsibilities as an Asian Medicine provider from beginning to end with the cases. . The emphasis of the course is to demonstrate students on how to design the entire treatment plan that includes treatment planning from the initial visit to follow-ups, referral and collaboration with other medical field personnel, and prognosis and potential impending medical care. Furthermore, the medical codes including CPT and ICD-9 and the cases involving workers compensation/labor codes are presented to construct the familiarity among students with the medical coding structures and its benefits.

Asian Medicine Case Management II: The second course is designed to help students focus on fewer yet in-depth cases of special cares on intense situations including oncology, auto-immune disease and other life threatening illness. In addition, Students are required to give formal presentation of the case report in order to be familiar with the medical reporting and review procedure.

Prerequisite:

- *For AM310: AM211 Asian Medicine Diagnosis II & Concurrent Enrollment of HB320 Herbal Formulas I or above*
- *For AM390: HB360 Herbal Formulas III*

AM420 Nei Jing (2 units / 30 hours)

The course is designed to provide the fundamental understanding on one of the most treasured Chinese classical literatures in Asian Medicine foundation, Nei Jing. The course is aimed to demonstrate the true meaning of this classic literature, which is regarded as the backbone of the Asian Medicine, from side to side of its diagnosis and acupuncture theory. The emphasis is put on the pivotal understanding of theories in Yin and Yang, Five Elements and Zang Fu with its related pathogens, symptoms and treatment.

Prerequisite: AM211 Asian Medicine Diagnosis II

AM430 Shang Han Lun & Wen Bing (2 units / 30 hours)

Regarded as two most essential classic Chinese literatures for cold (Shang Han Lun) and heat (Wen Bing) induced diseases, this course is designed to demonstrate further understanding on the application of classic literature into clinical settings. The course focuses on the etiology, clinical manifestations, pulse, tongue and complexion signs and different stages of the each disease/syndrome as well as the appropriate herbal formulas applicable to different stages of each disease.

Prerequisite: AM211 Asian Medicine Diagnosis II, HB360 Herbal Formulas III

AM510 Asian Medicine Orthopedics (2 units / 30 hours)

The course is designed to provide the integrated aspects of musculoskeletal systems compliant with both Asian Medicine and Western Medicine. The commonly encountered musculoskeletal disease, its etiology, diagnostic methods and treatment methods will be studied in both medicinal aspects of East and West, which will facilitate the students with the necessary skills to test and evaluate Western diagnostic methods while using Asian Medicine treatment methods. Furthermore, students will learn to recognize emergency situations in orthopedics and its proper procedure including making referrals as well as providing patients with appropriate prevention and rehabilitation of orthopedic injuries.

Prerequisite: AC350 Acupuncture Techniques & Lab

AM520 Asian Medicine OB/GYN (2 units / 30 hours)

The course will cover both Western and Asian Medicine aspects on gynecological pathology, etiology and the treatment methods. Emphasis is employed to most commonly encountered gynecological complications such as menstrual syndromes and pregnancy related disorders. Students will also learn to incorporate the Western diagnostic methods such as hormonal cycles with Asian Medicine diagnosis and treatment methods as well as the contraindication during pregnancy in both East and West Medicine.

Prerequisite: HB360 Herbal Formulas III

AM530 Asian Medicine Pediatrics (2 units / 30 hours)

The course will presents the commonly encountered pediatric complaints with its diagnosis, herbal and acupuncture treatments, and proper pediatric Tuina massage for each specific condition of children. The emphasis will be placed on etiology and treatment methods for common pediatric complications such as developmental disorder, respiratory impediments, fever including otitis media induced and digestive problems. Furthermore, the modern pediatric disorders, such as ADHD (Attention Deficit Hyperactivity Disorder), diabetes and obesity, will be studied with its proper Asian Medicine treatment.

Prerequisite: HB360 Herbal Formulas III

AM540 Asian Medicine External Medicine (2 units / 30 hours)

The course will cover the pathology of external medicine in both Western and Asian medicine aspects and provide students with the

fundamental theories of external medicine and its treatment methods in the scope of Asian medicine. The emphasis will be placed on the etiology, pattern differentiation and treatment methods as well as its pathological relationships with internal system.

Prerequisite: HB360 Herbal Formulas III, AC350 Acupuncture Techniques & Lab

AM650 & 651 Asian Medicine Internal Medicine I & II (6 units / 90 hours)

The two subsequent courses are designed to provide students with the fundamentals of clinical Asian Medicine, which includes the etiology and pathogenesis, diagnosis principle and integrated acupuncture and herbal treatment methods according to the diagnosis. The courses will cover the pathology of internal system in both Western and Asian medicine aspects and provide students with the important and necessary Asian Medicine treatments fundamentals with the emphasis placed on the etiology, pattern differentiation and treatment methods of both acupuncture and herbal formulas.

Prerequisite: HB360 Herbal Formulas III, AC350 Acupuncture Techniques & Lab

ACUPUNCTURE

AC110 Meridian Theory (1 unit / 15 hours)

The course is designed to provide the students with fundamental understanding in meridian theory. The meridian theory, one of the major theories in Asian Medicine, includes the pathology and etiology of twelve regular meridians, Governing and Conception meridians. Furthermore, each meridian will be studied with the four aspects of the meridian; primary channel, Luo connecting channel, divergent channel and muscular channel, and its co-related pathology and symptoms will be presented to instruct students to select applicable meridian for treatment.

Prerequisite: None

AC191 Tui Na (2 units / 30 hours)

The course will cover the foundation and systems of Tuina, the traditional Chinese therapeutic massage. The various techniques of Tui Na will be instructed and demonstrated for students to employ on clinical settings.

Prerequisite: BS210 Human Anatomy

AC210 & 211 Acupuncture Points and Lab I & II (8 units / 120 hours)

These two sequential courses are designed to present the 361 acupuncture points of twelve main meridians, Governing and Conception meridians. The details of each meridian point will be covered, including its functions, indications, locations and clinical importance and applications, in order to guide students to grasp clear understanding of the fundamentals of acupuncture points and its therapeutic applications. Furthermore, the contraindications and precautions of particular points will be reviewed and basic pairings of

significant points will be analyzed. The lab will be focused on point location and needling methods.

Prerequisite: AC110 Meridian Theory

AC350 Acupuncture Techniques and Lab (4 units / 60 hours)

The course is designed to provide the comprehensive acupuncture treatment procedures and skills for students that will serve as the foundation of clinical practice. The topics will include hygienic standard such as Clean Needle Techniques, various needling techniques of tonification and sedation methods, different needle types and its usage according to the symptoms, supplementary treatment techniques such as moxa, cupping, guasha and electro stimulation, and the systematic methods of combining techniques to acupuncture treatment according to the signs and symptoms. Furthermore, the course will look into the applying methods of magnetics and beads into ear and acupuncture points. The lab will build competence for students to practically employ the techniques into clinical settings through demonstration and hands-on practice.

Prerequisite: AC211 Acupuncture Points and Lab II

AC410 Extra Points and Micro Systems & Lab (3 units / 45 hours)

The course is designed to provide students with the extra points and meridians, ear and scalp acupuncture, and Korean hand acupuncture. The first half of the course will focus on over 40 extra points and eight extraordinary channels in order to teach students with the importance of extra points and channels and its clinical applications. The second half of the course will focus on ear and scalp acupuncture and Korean hand acupuncture as well as its applications according to the signs and symptoms.

Prerequisite: AC211 Acupuncture Points and Lab II

AC510 & 511 Acupuncture Therapy I & II (4 units / 60 hours)

Designed to supplement Asian Medicine Internal Medicine, this sequential course present the essential treatment principles and methods with acupuncture points selections for various internal medicine complications. Students will learn the properties of the major points, including their traditional and empirical usages, the significance of their classification such as Yuan/Source and Luo/Connecting points, and their therapeutic effects. Moreover, students will be presented to the major groupings of the acupuncture points on the twelve main meridians, the Ren and Du Channels, and the extra point categories. The course will put emphasis on extensive review into the textbooks such as *Chinese Acupuncture and Moxibustion (CAM)* and *Acupuncture: A Comprehensive Text (Shanghai)*, as well as the classics like *Nei Jing Ling Shu*.

Prerequisite: AC211 Acupuncture Points and Lab II, AM650 Asian Medicine Internal Medicine I

HERBOLOGY

HB120, 140 & 160 Herbology I, II & III (10 units / 150 hours)

Designed to provide the students with fundamentals of Asian Medicine herbology, these three sequential courses look into general theories, preparation methods, treatment methods, categorization into temperature, taste, inflowing meridians and its indications. Over 350 single herbs are allocated into functional categories and studied with regard to unique and common characteristics. The first course in the series covers the history and development of the Chinese pharmacopoeia, herb processing and dosage. Each of the four courses covers a different set of herb categories.

Prerequisite: None

HB320, 340 & 360 Herbal Formulas I, II & III (10 units / 150 hours)

These sequential three courses of herbal formulas cover the fundamentals and therapeutic usage of major herbal formulas with the emphasis on its therapeutic functions and indications. The courses are designed to train students with adequate ability to blend herbs into appropriate formulas according to the patient's pattern of signs and symptoms. Each formula will be presented with the specific treatment principles along with information on the classical organization of ingredients. Furthermore, the modifications and contraindications will be studied as well as the specific disease of Western Medicine and adequate herbal formulas.

Prerequisite: HB160 Herbology III

HB450 Asian Medicine Dietetics (2 units / 30 hours)

Constructed upon the theory that states medicine and diet are from same source, Asian Medicine acknowledged the importance of diet in human wellbeing. The course presents the foundations of Asian Medicine Dietetics and its therapeutic functions as well as the combining of herbs into diets. The emphasis will be placed on the functional categorizations of each diet and recipes of herbal diets.

Prerequisite: HB160 Herbology III

HB470 Herb-Drug Interaction (1 unit / 15 hours)

The course is designed to provide students on the basic biomedical criteria related to adverse/toxic and beneficial interactions between natural herbs and Western Medicine drugs. The emphasis is put on the biomedical nature of herbs and its potential interaction with commonly prescribed Western Medicine drugs and nutritional supplements. Furthermore, the course looks into the pharmacological effects and characteristics of natural herbs from a biomedical perspective.

Prerequisite: HB160 Herbology III, WM510 Pharmacology

HB510 Patent Medicine (1 unit / 15 hours)

The course presents the instrumental knowledge for students to utilize the herbal pills and solutions. The emphasis is placed on categorization of major patent Asian medicines according to the signs and symptoms. Moreover, the distinctive applications of single patent to multiple symptoms as well as multiple patents applying to single diagnosis will be analyzed.

Prerequisite: HB360 Herbal Formulas III

HB610 & 611 Herbal Therapy I & II (6 units / 90 hours)

The two sequential courses are designed to review the formulas courses and to supplement the Asian Medicine Internal Medicine. The course presents the constructive knowledge for students to employ the herbal formulas and single herbs into clinical settings. The emphasis is place on identifying single herbs for principal formulas and its modification according to signs and symptoms as well as the prognosis. Different forms of herbal formulas, decoctions to powders, and its preparation methods are demonstrated and distinctive functions of single herbs will be reviewed for its clinical employments. Students are required to provide the presentation of case study including the formulas, its modification according to prognosis and dietetic recommendations at the end of each class. *Prerequisite: HB360 Herbal Formulas III, AM650 Asian Medicine Internal Medicine I*

BIOMEDICINE

WM210 Medical Terminology (2 units / 30 hours)

This course presents students to an introduction to medical terminology through an analysis of their construction including prefix, suffix, root, connecting and combining forms. The student acquires an understanding of medical meanings applicable to the structure, function, and diseases of the human body. Abbreviations and their appropriate usage are represented.

Prerequisite: None

WM240 Nutrition and Vitamins (2 units / 30 hours)

The course introduces students to a study of the basic principles of nutrition and the influence of nutrients and food choices on health promotion and disease prevention. The course also offers a detailed knowledge of the metabolism of proteins, carbohydrates, fats and macro (Carbohydrates, Fats and Proteins) and micro nutrients (Vitamins, Minerals and Amino Acids).

Prerequisite: None

WM420 / 421 Pathophysiology I & II (6 units / 90 hours)

This course is designed to offer students to learn the physiology of various human diseases and disorders in clinical settings. The course will provide the students to the basic understanding of the pathogenesis of various symptoms and diseases affecting the human body. Topics include diseases and disorders of the immune, nervous, endocrine, reproductive, hematologic, cardiovascular, lymphatic, pulmonary, urologic, digestive, musculoskeletal, and integumentary systems. Also discussed are oncology and modern epidemics.

Prerequisite:

- *For WM420: BS210 Human Anatomy, BS350 Human Physiology, WM210 Medical Terminology*
- *For WM421: WM420 Pathophysiology I*

WM510 Pharmacology (3 units / 45 hours)

The Pharmacology course is designed to help students understand the concepts of basic pharmacology and the management of drug therapy. The course looks into the examination of the body systems and the related drug therapy within each system. The topics include the basic drug groups, key similarities and differences among drugs in each group and the mechanisms of main action and secondary action. Its emphasis is placed on the mechanism of action for each group, its therapeutic use and adverse effects.

Prerequisite: WM421 Pathophysiology II

WM530 Western Physical Examination (4 units / 60 hours)

The course is designed to provide students to learn the techniques of Western clinical methods of history-taking and physical assessment. The course will put emphasis on the practical preparation to train students to be capable of executing the procedures of the Western physical examination proficiently. The topics will encompass the inclusive physical examinations of the skin, head, sense organs, chest, and abdomen. Additionally, neurologic and muscular-skeletal assessment, laboratory tests and x-rays will be reviewed for students to retain a fundamental understanding of its application and evaluation.

Prerequisite: WM421 Pathophysiology II

WM530 Laboratory Data Analysis (1 unit / 15 hours)

The course is designed to provide students to the basic understandings of Western laboratory data and how to employ those data into Asian Medicine diagnosis. The class presents various lab tests that correspond to specific system/organs and its pathology and homeostasis. The emphasis is place on understanding and acknowledging the laboratory data and its indication as well as linking the data with both Western and Asian Medicine diagnosis. The laboratory data includes X-rays, MRI, BMP (Basic Metabolic Panel) and CMP (Comprehensive Metabolic Panel), Thyroid tests and Lipid Panel.

Prerequisite: WM530 Western Physical Examination

WM610 Public Health & Epidemiology (2 units / 30 hours)

The course is designed to evaluate the relationship between the cultural / environmental concerns and public health. Study will focus on the relationship with epidemiology and population, healthcare system and socio-economics of society, and Asian medicine and its responsibility with public health and its system.

Prerequisite: Completion of 4th Semester and Passage of First Year Review Exam

WM620 / 621 Western Clinical Medicine I & II (6 units / 90 hours)

Designed as a conclusive course that systematizes and reviews the prior western medicine courses, this course is intended to teach student on the process and perspective of case managements in western medical realm. Students will be presented with an overview of selected common diseases, principally the ones that are commonly encountered in Asian Medicine clinic, observed and treated in western medicine. The focus of the course will be the etiology, pathogenesis, differential diagnosis and

first line of allopathic treatment with the emphasis on the clinical manifestations of the diseases. The topics will include infectious disease, cardiovascular, gastrointestinal, endocrine, respiratory, urinary, dermatological, psychosomatic and musculoskeletal conditions.

Prerequisite: WM421 Pathophysiology II, WM530 Physical Examination and Lab Diagnosis

WM650 Research Development (2 units / 30 hours)

The course is designed to teach students the necessary knowledge and aptitude in developing and presenting clinical research project. Students are required to present the research project in the class that is relevant to Asian Medicine.

Prerequisite: Completion of 6th Semester and Passage of Second Year Review Exam

WM670 Medical Testimonial (0.5 unit / 8 hours)

The course is designed to introduce students into the wider view of medical world in both Asian and Western Medicine. Guest speakers/practitioners will share the knowledge and values of their medical field in order to offer students the basic understanding on the relationship of Asian Medicine with other medical field. The line of profession may include a surgeon, general practitioner (M.D.), pharmacist, Registered Nurse (RN), chiropractor, gynecologist and many other medical field professions.

Prerequisite: Completion of 5th Semester

CAREER DEVELOPMENT

CD210 Practice Planning & Development (1 unit / 15 hours)

The course is designed to help students with the necessary preparations to construct a path for successful practice. The emphasis will be place on the topics include: the specialty selection and groundwork development, the legal requirements of initial setting up of practice, researching the clinic location, generating financial budget and arranging the management of practice. The students are required to submit the project of their future practice proposal at the end of the Semester.

Prerequisite: Completion of 3rd Semester

CD330 Ethics (1 unit / 15 hours)

The course provides the students with the general information on universal medical ethics obliged to primary healthcare providers. The emphasis is place on the professional responsibility and the regulating laws of Asian Medicine practice in California and U.S.

Prerequisite: Completion of 3rd Semester

CD431 Practice Marketing & Management (1 unit / 15 hours)

The course is designed to provide the students with the essential knowledge and guidelines for the business aspects of practice. The topics include: the marketing tools of practice, public relation (PR) strategies,

effective medical billings and insurance procedure and financial strategy for successful practice.

Prerequisite: Completion of 6th Semester

REVIEW & PREPARATION

RV200 First Year Review (2 units / 30 hours)

The course provides the essential review on the first four Semesters of study including Asian Medicine Foundation, Herbology, Acupuncture Points and general science subjects. The course presents the systemic review process for students to consolidate and solidify the past learnt subjects in order to guide and corroborate students with the necessary skills and knowledge for next level of study. Furthermore, the course provides the glimpse of how to prepare for the California Acupuncture License Exam (CALE) through the review exam.

Prerequisite: Completion of 2nd Semester (Students with the GPA higher than 3.5 are allowed to take the course at their 1st Semester)

RV400 Second Year Review (2 units / 30 hours)
