# WELCOME TO THE WORLD'S ENGLISH LANGUAGE SCHOOL

Imagine the freedom to explore, work and make friends almost anywhere. That's what you gain when you learn English.

Now spoken by a quarter of the world's population, English no longer belongs to native speakers – it belongs to everybody, giving people all over the planet a way to connect and exchange ideas. More than just a language, it's a key that opens up opportunities wherever you go.

At Kaplan, we believe the best way to learn is to go on an adventure. Our immersive English courses not only

offer expert teachers and state-of-the-art learning technology – they help you discover the amazing world around you. Our schools are set in unforgettable destinations across six English-speaking countries – from the energy and drama of New York, and the grandeur and glamor of London to the golden shores of Australia. When you're surrounded by the living language, using it daily with your new friends as you enjoy life in a fascinating new country, you'll absorb English faster than you ever thought possible.

You probably already know what an advantage English can be to your professional life, but when you travel abroad to study, the benefits go much

deeper. You gain confidence and independence, a fuller understanding of other countries and cultures, and you build memories and friendships that will last a lifetime.

It's our privilege to help thousands of students each year enjoy this transformative experience. We look forward to showing you what it means to be one of them.

## THE KAPLAN DIFFERENCE

For 80 years, Kaplan has been helping students achieve their potential. We believe in the power of language education to build connections, create opportunities, and enrich lives.

**Let us help you build the future you want.**

### A NAME YOU CAN TRUST

In 1938 Stanley Kaplan established a tutoring business in the basement of his parents' New York home, helping students prepare for university admissions tests. From these humble beginnings, Kaplan, Inc. has grown to become one of the largest providers of education and training in the world. Our test preparation, transnational education, professional and corporate training programs all continue in the tradition of excellence established by Stanley Kaplan.

We now help over one million students worldwide each year to fulfil their academic, professional and personal potential.

### SOMEONE TO RELY ON

We'll be there for you every step of the way. Before your course begins, we'll send you all the information you need about your classes, living costs, and insurance. If you wish, we can arrange for one of our trusted providers to meet you when you arrive at the airport and take you straight to your accommodation. Specific staff on site are responsible for student safety and well-being, and a 24/7 emergency helpline is available to students, parents and agents.

### ADVENTURES IN ENGLISH

Imagine learning English while you kayak between wild islands, cuddle with a koala, or learn to cook a local dish. At Kaplan, classroom tuition is complemented and reinforced by the life-enhancing experience of exploring the world. Our exciting activities and excursions are not just a fun extra; they are an integral part of the learning journey. As you enjoy all the wonderful experiences your host country has to offer, you gain a deeper immersion in the language, a richer insight into local culture, and a natural focus for practice and discussion. When you've just visited Stonehenge, cycled across the Golden Gate Bridge or skied down the mountainsides of Ontario, you'll have plenty to talk about!

### IMAGINE YOURSELF HERE...

You don't have to choose between gaining a life-changing skill and taking the trip of a lifetime. Our schools are set in fascinating cities, historic university towns and beside idyllic beaches. In the USA, Canada, UK, Ireland, Australia and New Zealand, we choose the kind of destinations you've always wanted to visit. In some of the world's most iconic cities, we provide two or more schools, allowing you to build your study-adventure around your favorite landmarks or activities. For example, the views from our school on the 63<sup>rd</sup> floor of the Empire State Building are breathtaking – but if you're not a fan of heights, you can enjoy New York at ground level from the funky neighborhood of SoHo.

### MAKE YOURSELF AT HOME

Seeing the sights and making rapid progress in English are exciting – but it's important to have somewhere to relax. We offer attractive modern residences and comfortable, fully vetted homestays with local families. Carefully chosen with your convenience in mind, many of our residences include features such as en-suite bathrooms, private kitchens and free access to an on-site gym. You'll socialize with fellow students while experiencing the independence of having your own space.

In our homestays you'll enjoy all the comforts of a real home along with a deeper level of language immersion, practicing your English every day with people who live in the country.

# OUR UNIQUE APPROACH TO TEACHING

At Kaplan we believe that immersion backed up by expert teaching is the most effective way to learn English. We build a seamless learning experience integrating the power of full immersion, the best of modern teaching methods, and a sophisticated curriculum you can access wherever you are. As you discover all the wonderful experiences your host city has to offer, you'll find yourself practicing what you've learned in the classroom and absorbing new vocabulary every day.

## PASSIONATE TEACHERS

We choose educators who combine knowledge of their subject with the ability to engage and inspire. Our teachers are committed to keeping you motivated through lively, interactive lessons designed to prepare you for English in the real world, and take personal satisfaction in helping students grasp complex ideas. Small class sizes allow our teachers get to know you as an individual, and help you build a personal learning strategy that works for you.

## 360° LEARNING

We constantly update our materials to keep lessons fresh and relevant; class activities could revolve around events in the news or recent movies. We work with the latest technology to ensure your learning process is seamless and intuitive, with no awkward transitions between in-class study and home assignments. Closely integrated with your course books and lesson plans, our package of online learning materials allows you to keep making progress anytime and anywhere.

## CUTTING-EDGE FACILITIES

All our schools use state-of-the-art interactive whiteboards to bring exercises from our comprehensive K+ curriculum to life. Our multimedia labs are much more than somewhere to check your email – they're equipped with interactive online tools to help you dig deeper into what you've learned in class. Many of our schools also provide Chromebooks for student use.

“ I was very surprised by the high level of motivation by the teachers; I had never seen anything like that before. All the teachers were very caring and dedicated and always took the time to answer the student's questions and concerns. ”

Sina Dommann,  
Switzerland, Torquay

# INTRODUCING K+

Our unique blended learning system was designed by an international team of experts to harness the power of digital, text-based and interpersonal teaching methods. Our books, online resources and clubs work together to help you learn fast – in the classroom, on the move, and at home.

K+ Online helps students to practice as much as they need on their own, making their in-class and social activities more productive and enjoyable. ”

# KAPLAN'S GUARANTEED PROGRESS

We're so confident in our teaching methods that on selected English courses in the US, UK, Ireland and Canada, we'll make you a promise. Study with us for 10 weeks; attend classes and complete assignments as instructed – and you will advance at least one proficiency level. Not only that, but if you meet our requirements and don't reach that goal, we offer four weeks of extra tuition free.

## OUTSTANDING LEVEL-TO-LEVEL PROGRESS

Not all language schools are the same. We're not the only school to offer some form of guaranteed progress. But we're being very specific about what you will achieve. We're not just saying that you will know a few more words, or be a little bit more confident. We're promising a measurable and meaningful improvement: 10 weeks with us – at least one proficiency level.

## DESIGNED FOR SUCCESS

Our proficiency levels aren't made up to fit our courses: each of our six levels is aligned to the CEFR standards of learning. So when we assess your English, you'll know exactly what your grade means and how much your progress counts.

Can you only advance by one level every ten weeks? Of course not. Many of our students progress much faster. But while we can't promise you'll be one of the highest speed learners, we can guarantee that every 10 weeks, you'll see results that mean something.

## WE TEACH ENGLISH. YOU LIVE IT

When English surrounds you every day, you learn in every moment. It's the tiny things that make studying abroad so special: as you travel to school, grab a coffee with a new friend, or relax each evening, you'll be using your new vocabulary and gaining more – whether you notice it or not.

Our dedication to your learning experience doesn't end in the classroom. Our exciting tours and activities and our comfortable accommodation options are designed to help you experience a deeper, richer immersion. Whether you're waking up to breakfast with your friendly hosts, chatting over lunch with your international friends, enjoying a weekend city break or playing volleyball on a local beach, you'll be gaining confidence in English, and building memories that will last a lifetime.

# ACCOMMODATION OPTIONS

In our residence, you'll be able to enjoy some breakfast with your roommates in the communal kitchen and practice English over coffee and toast.

**8.00-8.30AM**

### GO TO SCHOOL

Our homestays can be as little as a 30-45 minute commute, and public transport will be nearby. Travel like a local! It's a true cultural experience.

All Kaplan residences are located close to school and public transport so it should be an easy trip. You may even be able to walk.

**8.30-11.45AM**

### CLASS TIME

We make sure your Kaplan classes are small and focused so you get the best chance to learn and interact with your teachers. You'll have two 90-minute English classes and a short break where you can socialize. Examine fundamental skills like reading and pronunciation.

**11.45-12.30PM**

### LUNCH TIME

You can eat at the school or explore the local restaurants and cafés. It's a good opportunity to practice your listening skills, pick up conversational tips, and learn from the English speakers around you.

**12.30-2.00PM**

### SPECIFIC SKILLS

This is your chance to learn about the subjects that really interest you. Kaplan's Specific Skills classes cover a range of topics such as current affairs, literature, film, and many more.

**2.15-3.45PM**

### STUDY AFTER CLASS

You can study online with *K+ Online* and *K+ Online Extra*, either at the study center at your school, or in your homestay or residence.\* In fact they are accessible online, on the move, and all the time.

\*In the USA all lab work must be undertaken at the school.

**3.45-6.00PM**

### SOCIALIZE AND EXPLORE

No matter where you study you will always have time to enjoy the city you are in, explore the local surroundings, visit interesting sights nearby, or just go shopping. Take an afternoon trip with your classmates and try out the English you've learned in class.

**6.00-7.00PM**

### DINNER

Back at your homestay you can share a home-cooked meal with your host family and tell them all about your day – in English!

At your residence you can try your hand at cooking, swap recipes with your roommates, or head to one of the many restaurants on your doorstep.

**7.00-8.00PM**

### EVENING ACTIVITIES

There might be a social event organized by the school, or you could just be ready to take it easy and catch up with family and friends back home.

At your homestay you can relax and enjoy all the benefits of a comfortable family home for the evening.

**California Student Tuition Recovery Fund (STRF) Disclosures:** The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## APPLICATION PROCESS

### 1\_ APPLICATION:

Please send the signed application form to your Kaplan representative with the application fee and, if applicable, the courier fee. Students 18 and over (19 and over for students attending our Vancouver location) must sign the application form to say that they have read and agree with these terms and conditions. The parents or legal guardian of students under 18 (under 19 for students attending our Vancouver location) must read and also sign the application form on their behalf.

#### Contract Formation:

By signing and returning the application form the student is agreeing to enter into a binding contract with Kaplan. On Kaplan receiving the completed and signed application form and application fee, if the student's course and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract based on these terms and conditions will be formed between the student and Kaplan subject to the student meeting all immigration requirements.

Your privacy is important to us. Please note that upon entering into a contract with us, you are accepting the terms described in our privacy policy, which can be found at: [www.kaplaninternational.com/privacy](http://www.kaplaninternational.com/privacy) and for Australia [www.kaplan.edu.au/privacy-policy](http://www.kaplan.edu.au/privacy-policy).

#### • USA:

Students enrolling in a California location only: A student's Booking Confirmation is an invitation to enroll and the student's place on the program is reserved. Enrollment will occur upon your arrival to the California campus after the review of important information and the signing of an enrollment agreement. As a prospective student, you are encouraged to review our catalogue prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. A link to these documents may be found at: [www.kaplaninternational.com/privacy#toc-california-state-disclosures38](http://www.kaplaninternational.com/privacy#toc-california-state-disclosures38). Please note that by submitting an application to us for study, you are accepting the terms in our privacy policy which can be found at: [www.kaplaninternational.com/privacy](http://www.kaplaninternational.com/privacy).

#### • AUSTRALIA:

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

#### • NEW ZEALAND:

Kaplan may add your personal details (name, date of birth and residency) to the National Student Index, which is managed by the Ministry of Education. Kaplan supplies data collected on your enrollment to a number of government agencies and other organisations.

### 2\_ PAYMENT DEADLINE:

All course fees must be paid in full (unless otherwise notified) no later than 30 days before the course starts. If a booking is made less than 30 days before the course starts, the fees are immediately payable. If payment in full has not been received, you will not be allowed to start your course.

#### • USA:

In the USA, a period of enrollment may not exceed 52 weeks at any one time. The minimum length of enrollment is 2 weeks and the maximum length of enrollment may not exceed 36 months.

#### • CANADA:

In Vancouver, if your enrollment duration is more than 26 weeks (6 months), 50% of tuition fees must be paid no later than 30 days before the program starts and the remaining balance must be paid no later than once 50% of the program has been completed. Contact your Kaplan representative for more information. If the balance is not paid by the deadline, the student's course shall be terminated immediately. In Canada, the minimum length of enrollment is 2 weeks.

#### • AUSTRALIA:

For a course of 26 weeks or longer, you will be invoiced for the full fees, but you have the option of paying all of your tuition fees upfront or through a payment plan whereby 50% of tuition fees and 100% of all other fees must be paid in full no later than 30 days before the course starts, with the remainder of the tuition fees required two weeks before the start of the second study period of any individual course. This payment plan is not available for courses of less than 25 weeks, in which case you will be required to pay the full tuition fees no later than 30 days before the course starts.

### 3\_ VISA INFORMATION:

Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below. For under 18 students, completed documentation from a parent or guardian may also be required before a student visa can be issued.

#### • UK:

If your application is successful, we will provide either an offer letter for a Short-term study Visa (6 or 11 months) or a Confirmation of Acceptance of Studies (Tier 4 GSV applicants only). Tier 4 applicants must take a Secure English Language Test (SELT) to establish their level of English before they apply for their visa. Students whose level of English is lower than intermediate (CEFR B1) must apply for the Short-term study route. See the following website for further details: [www.gov.uk/government/organisations/uk-visas-and-immigration](http://www.gov.uk/government/organisations/uk-visas-and-immigration).

#### • IRELAND:

We will provide you with an invitation letter to assist you with your visa application.

#### • USA:

Our schools are authorized under Federal law to enrol non-immigrant students. After your application is received, Kaplan will request proof of funds verifying ability to pay for the entire enrollment in the US, which is required for Form I-20 Certificate of Eligibility issuance.

#### • CANADA:

Our schools have Designated Learning Institution (DLI) status with Immigration, Refugees and Citizenship Canada (IRCC). We will provide you with an invitation letter to assist you with your visa application, if applicable.

#### • AUSTRALIA:

Visa application form (Confirmation of Enrollment) may not be issued by the school until all required payments have been received and the enrollment agreement has been signed and returned. The enrollment agreement includes reference to the pre-departure and grievance procedures information and can be found on our website: [www.kaplaninternational.com](http://www.kaplaninternational.com)

#### • NEW ZEALAND:

In accordance with government regulations, visa support (Fees Receipt) is only issued by Kaplan when full payment has been received. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through Immigration New Zealand and can be viewed on their website at: [www.immigration.govt.nz](http://www.immigration.govt.nz)

#### 4\_ COURIER FEES:

If you enrol on a course in the USA less than 30 days before the course start date, a courier fee of USD75 will be charged to cover the expedition of visa documentation. If you enrol more than 30 days before the course start date, documentation will be sent by normal postal service, unless you request and pay for the courier service. In all other countries, a courier service is available on request at GBP35, EUR55, CAD80, AUD85, NZD85.

#### 5\_ TRAVEL AND MEDICAL INSURANCE:

Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your course length or course/visa type. Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive. You will not be allowed to commence a course until you have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with GNIB within 30 days of arrival.

##### • AUSTRALIA:

The Australian government requires all students on Student Visas to obtain Overseas Student Health Cover (OSHC), a compulsory health insurance plan for overseas students in Australia. This must be obtained before you apply for a Student Visa, and you can either obtain this independently or through Kaplan. OSHC must cover the whole duration of your Student Visa, and must start at least one week before the start date of your course. Additional fees will be charged if you arrive in Australia earlier, in order to cover insurance for the full visa period.

##### • NEW ZEALAND:

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at [www.moh.govt.nz](http://www.moh.govt.nz). In addition, The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz). Please note that Kaplan's recommended travel and medical insurance must be booked for a minimum of 4 weeks.

#### 6\_ HEALTH DECLARATION:

Students may report on their application form any mental or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their program, that may impact the health and well-being of any other student, host or staff member, that may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrollment, or that may require special accommodation. Kaplan reserves the right to reject an applicant or terminate a student's enrollment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

##### • USA:

Some schools require students to provide a Health Declaration and Immunization form in advance of arrival due to campus or state requirements. You will be informed in such cases.

#### 7\_ TUITION FEES:

Tuition fees include lessons, orientation meeting, use of computer room and internet at school, placement and progress testing and a Kaplan certificate on completion of the course. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees remain outstanding, or other conditions are not met.

#### 8\_ ADDITIONAL SERVICES:

Any additional services (transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation and enrollment amendments) are not included in any fees unless specifically stated on a valid invoice.

#### 9\_ TWIN ACCOMMODATION:

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

#### 10\_ UNDER 18 YEAR OLDS:

Kaplan delivers adult courses (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan- approved accommodation, book Kaplan's airport transfer service both ways (these are compulsory in Australia and New Zealand), and purchase a medical insurance policy. Please note that under 18 year olds cannot study General English in Australia and New Zealand. All students under 18 (under 19 for students attending our Vancouver location) must provide a signed Minor Authorisation form prior to arrival, and in Canada, students may need to provide a notarized Custodianship Declaration.

##### • UK AND IRELAND:

The British and Irish governments require all students under 18 to submit a Waiver form and an Authorisation of Emergency Medical Treatment form which will be provided at the time of booking. All students under 18 must have travel and medical insurance in place for the duration of their course. You are required to show proof of medical insurance and all requested signed Under 18 documents at the school when you arrive. You will not be allowed to commence a course until you have obtained satisfactory medical insurance.

## TERMS & CONDITIONS

#### 1\_ RULES AND REGULATIONS:

Students' arrangements with Kaplan are governed by the law of the country (or state/province) where the particular school attended is located.

#### 2\_ ARRIVALS AND DEPARTURES:

All accommodation is booked from the Saturday or Sunday before the course start date until the Saturday morning after the course end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Students arriving between 22:30 - 06:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation.

##### • AUSTRALIA & NEW ZEALAND:

If a student fails to show after 2 hours' of their advised arrival time, a no-show fee will be charged.

A no-show fee will need to be added to Transfer Fees for Auckland.

#### 3\_ LATE ARRIVALS, VACATIONS AND ABSENCES:

If you begin your enrollment late or are absent during your course, we will make every effort to ensure you are able to complete the full period of enrollment but this cannot always be guaranteed and no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the course unless the leave of absence has been authorized by Kaplan. Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Unapproved breaks taken at other times will be marked as periods of absence. For other courses, granting of any Session Breaks after the course has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence depending on location. In the UK, Students are entitled to 1 week's holiday for every 10 weeks that they study. For approved absences in the USA or Canada (e.g. Leave of Absence or Session Break) after you have started your course, the unused tuition weeks will be added to the end of the course.

#### **4\_ MEALS AND CLASSES MISSED:**

No refunds or substitutions will be made for meals or classes missed due to exams, excursions, internships (if applicable), first day orientation or other obligations that fall outside the normal schedule.

#### **5\_ PUBLIC HOLIDAYS:**

Classes are normally not held and most school facilities are closed on public holidays. All published course start dates fall on a Monday. If the Monday is a public holiday, the start date will fall on a Tuesday. Compensation will not be made for classes not offered on public holidays. A list of public holidays can be found on page 42.

#### **6\_ CAMPUS FACILITIES:**

Students attending a Kaplan school at a university or college campus location are advised that campus facilities (e.g. gym, cafeteria) may not be available during campus holidays. Further details are available from the Kaplan booking office.

#### **7\_ CHANGE FEES:**

A minimum of 4 weeks' notice is required for any change except in Australia and New Zealand. Australia require a minimum of 2 weeks' notice and New Zealand require a minimum of 1 weeks' notice. If you request a change of school location, course dates, accommodation or program type after your course has started, you will be charged a change fee of GBP65, EUR90, USD100, CAD100, AUD75, NZD75, which is payable at the time the request is made (excluding termination or cancellation in the USA and Canada which is dealt with under the applicable part of the relevant Cancellation and Termination clauses below). In the USA and Canada, change fees only apply to accommodation changes. Kaplan is not obliged to fulfill any change request. Academic Year or Academic Semester students cannot transfer to a different Kaplan school during term time. If changing to a location (or changing program) where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Principal / Director. You will not be charged a change fee if you extend your course, but late homestay extensions may require a re-placement fee. It is the responsibility of the student to pay for any course or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking, and will thus be subject to the standard terms & conditions governing terminations (see 'Termination Policy', except in the USA and Canada).

#### **8\_ DURATION OF LESSONS:**

All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Please note that only selected schools in Australia offer evening courses. Kaplan cannot guarantee a specific timetable.

#### **9\_ SUBSTITUTION POLICY:**

If, after the placement test taken on arrival at the school, a student is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the student in an appropriate level class, which may have fewer lessons and a different curriculum. Students who do not have the ability to follow any course on offer may be required to terminate their studies with Kaplan. We also reserve the right to cancel courses at short notice due to insufficient demand.

#### **10\_ PROGRAM CHANGES:**

Kaplan has the right to change accommodation options, course dates, course curricula, tutors, locations and programs at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the student, all fees will be refunded.

#### **11\_ PRICES:**

Kaplan may change prices due to tax increases, governmental actions, other events beyond Kaplan's control or circumstances that may affect the operations of the business. Prices are valid for courses starting in 2019.

#### **12\_ BOOKS AND LEARNING MATERIALS:**

All books and learning materials will be made available to students during their course. Some specialized courses may require the purchase of books. In Canada, New Zealand and Australia a materials fee is charged to students to cover the cost of learning items. In Vancouver, other avenues to access required materials may be available such as purchasing from an alternative source (if possible). Students will need to show proof they have procured the materials in these cases in order for the materials fee to be waived.

#### **13\_ RESIDENTIAL HOUSING DEPOSIT:**

A refundable housing deposit of approximately GBP250, EUR350, USD500, CAD600, NZD300-1000 or AUD250-900 may be charged on arrival to students taking residential accommodation in the UK, Ireland, USA, Canada, New Zealand and Australia. Please note, deposit fees vary by school location; students will be informed at the time of booking should additional fees apply. The deposit is returned unless there is damage, loss or extra cleaning to be paid for on the student's departure. In some cases the deposit may be non-refundable if the booking is cancelled. Additional fees may also apply in some locations (e.g. utilities, cleaning, and linen).

#### **14\_ EXPULSION/ SUSPENSION:**

Any student who commits a criminal offence, violates the student conduct code or school policy, has, in Kaplan's opinion, a poor attendance record (e.g. less than 80%, whether or not such attendance is in breach of any visa attendance requirements), is absent for 14 consecutive days without notification (USA and Canada), or fails to pay an amount he or she is directly or indirectly liable to pay Kaplan in order to undertake the course, may be expelled or suspended. No refund will be given (except for students attending our USA and Canada locations, see below) and the immigration authorities will be informed. In the USA and Canada, the student will be provided with written notice of expulsion, with a maximum of 7 calendar days to provide documentation to support reversal of the decision, if appropriate. Any refund, if applicable, will be based on the last date of attendance and will be calculated according to our termination refund policies below.

Vancouver only: If a student is expelled before 10% of the instructional hours have been provided, 70% of the remaining tuition will be refunded. If a student is expelled after 10% but before 30% of the instructional hours have been provided, 50% of the remaining tuition will be refunded. If a student is expelled after 30% of the instructional hours have been provided, there will be no refund.

Student Code of Conduct: You agree to abide by the student conduct rules and other policies while attending Kaplan. As part of Kaplan's commitment to our students' success, we seek to provide an optimal learning environment and expect students to conduct themselves in a manner that is considerate of those around them. Inappropriate conduct includes but is not limited to: (1) disruptions to the learning environment (i.e. use of profanity, harassment, mobile phone use in classrooms, etc.); (2) deliberate destruction, misuse, or theft of Kaplan property or the property of fellow classmates; (3) violence or threats of violence towards persons or property of students or Kaplan staff; (4) improper use of email or Internet access; and (5) failure to comply with local copyright or criminal laws forbidding the misappropriation, copying or alteration of copyright-protected materials.

#### **15\_ LIABILITY:**

The liability of Kaplan, its group companies, their directors, officers, employees, affiliates, agents and partners with respect to losses arising from negligence (except where such liability cannot be excluded as a matter of law), breach of contract or otherwise will be limited in all circumstances to the full amount paid to Kaplan or the relevant Kaplan group company by the relevant student for the particular program. Such companies and persons will in no circumstances have any liability for indirect or consequential losses or damages.

### • UK AND IRELAND:

In the event of a Distance Contract, students for the UK or Ireland who are EU citizens shall have the right to cancel the legally binding contract formed in accordance with paragraph 1 of these terms and conditions if the student gives notice of cancellation to Kaplan within fourteen calendar day period beginning on the day on which the booking confirmation was issued by Kaplan. If a student exercises his or her right to cancel during this fourteen day period, he or she will receive a full refund of all amounts already paid by the student less any fees charged for services already performed by Kaplan. However, if the student has already commenced studying with Kaplan during the 14 day period, he or she must pay a reasonable charge calculated by Kaplan for the period of study undertaken. To exercise the right to cancel under the EU distance contract terms, the student must inform Kaplan at 2nd floor, Warwick Building, Kensington Village, Avonmore Road, London W14 8HQ, UK of the student's decision to cancel this agreement by a clear statement (e.g. by a letter sent by post, fax or e-mail). The student may use the model cancellation form found at [www.kaplaninternational.com/terms](http://www.kaplaninternational.com/terms), but it is not obligatory. The student can also electronically fill in and submit the model cancellation form or any other clear statement on the Kaplan website [www.kaplaninternational.com](http://www.kaplaninternational.com). If the student uses this option, Kaplan will communicate to the student an acknowledgement of receipt of such a cancellation on a durable medium (e.g. by email) without delay.
