IMMIGRATION DEFINITIONS

It is important that all students become familiar with the following terms as they are used frequently at LASC. It is essential that you understand these definitions and how they apply to your stay in the United States.

F-1 STUDENT VISA

LASC does not offer visa services. We will be more than happy, however, to answer any questions you might have regarding the F1 visa process. LASC is only allowed to grant documents for students admitted with F-1 visas. The F-1 visa is for students qualified to attend full time college, university, conservatory, academic high school and any institution with language-training programs in the United States. He/she should provide proof of sufficient, easily transferable funds to cover cost of living and tuition, and an application fee. The school must provide the student with a Form I-20 A-B. F -2 visas are given to spouse/children of an F -1 visa holder. For eligibility, they must possess a valid passport, show proof of sufficient funds to cover their stay, and must agree to depart the United States upon the termination of the foreign student's F-1. Once issued a visa, granted an I-20, and enrolled at our school, LASC is able to issue a "Verification of Enrollment" letter verifying your status as an F1 student enrolled at our institution.

FORM I-20 (CERTIFICATE OF VISA ELIGIBILITY FOR NONIMMIGRANT F-1 STUDENT STATUS)

Students who have been admitted to a school in the United States, require a student visa to enter the U.S. for study, and have documented their ability to finance their education, will receive a Certificate of Visa Eligibility (Form I-20 for F- 1 status) issued by the school through the internet-based Student and Exchange Visitor Information System (SEVIS). They should present this at a U.S. consulate (<http://usembassy.state.gov/>) abroad to certify eligibility to apply for an F-1 Student visa. This document, also known as a Visa Certificate, certifies eligibility to apply for an entry visa at a U.S. consulate abroad, and must be shown to a Department of Homeland Security (DHS) official at the time of entry into the U.S. in order to enter in student status. When traveling outside the U.S., those in F-1 status must carry either an initial or recertified I 20 and financial documentation if they intend to return to the U.S. to continue their studies or practical training. The I-20 and its corresponding electronic updates in SEVIS are a permanent record of one's activities as a student in the U.S. It is your responsibility to keep all I-20's issued to you throughout your student status, no matter how long you stay in the U.S. or how many times you travel abroad. The initial I-20 used when you enter the country and stamped by

the DHS is a very important immigration document. Make a copy of page 1 and page 3 to keep with your records.

SEVIS (STUDENT AND EXCHANGE VISITOR INFORMATION SYSTEM)

SEVIS is a data collection and monitoring system that creates an interface between institutions of higher education, the Department of Homeland Security (DHS), consulates and embassies abroad, and ports of entry. Schools are required to make regular electronic updates in SEVIS throughout each semester on the records of their enrolled students in F-1 status and their dependents. These updates include, but are not limited to, enrollment status, changes in address, changes in level of study, employment recommendations, and school transfers.

IMMIGRATION STATUS

This is often confused with "visa" but your immigration status, e.g., F-1, B-2, J-1, etc., is determined at the time of your entry into the U.S. by an immigration official and is noted on the Form I-94. You may have many visa stamps in your passport but, upon entry into the U.S., an immigration inspector will admit you in only one immigration status which is noted on the I-94 card (see above). Be sure the correct status is written on your I-94 card. Unlike your entry visa, your immigration status may be changed in the U.S. Refer to the U.S. Department of State web site at <http://travel.state.gov/visa/tempvisitors.html> for more information.

PASSPORT

Students in F-1 immigration status must keep their passports valid at least six months into the future at all times. You may obtain extensions of your passport through the nearest consulate or embassy of your country.

ENTRY VISA

Your entry visa is issued by a United States Consulate (<http://usembassy.state.gov/>) abroad and affixed into your passport. The only purpose of an entry visa is to apply for admission to the United States at the port of entry. The entry visa itself may expire while you are in the U.S., but your permission to stay in the U.S. remains valid. All international students requesting F-1 immigration status are required to have a valid F-1 entry visa stamp in their passport at the time of entry into the U.S. Your visa specifies the type of immigration status you will hold, the date until which you may enter the U.S., and the number of entries you may make before you must apply for a new entry visa stamp. The length of validity of each visa type is determined by an agreement between your home country and the U.S. government and is not necessarily tied to the length of your program of study. Please refer to the State Department's Visa Reciprocity information on their website for more details. **NOTE THAT AN ENTRY VISA MAY BE ISSUED UP TO 120 DAYS IN ADVANCE OF A PROGRAM'S "REPORT DATE", BUT YOU ARE NOT PERMITTED TO ENTER THE U.S. MORE THAN 30 DAYS IN AVANCE OF THE REPORT DATE IN SECTION 5 OF THE I-20.** F-1 entry visas cannot be obtained within the U.S. Application for a new stamp generally must be made in person at a U.S. consulate or embassy outside the U.S. The validity period of your visa does not determine the length of time you may remain in the U.S. after you enter. Your length of stay is determined by the expected completion date of your program as indicated on your I-20. You are admitted to the U.S. for "duration of status" in F. This is notated as "D/S" on your I-94 card. Refer to the Duration & Extension of Stay in the US section of the U.S. Department of State's website for more information.

HOW TO OBTAIN F-1 STATUS

This information is provided to help you get to LASC in appropriate immigration status in compliance with the U.S. Department of State (DOS) and Department of Homeland Security (DHS) regulations. U.S. government regulations require you to attend the school that issued the I-20 you use to enter the U.S. in F-1 status.

CAREFULLY READ AND FOLLOW THESE PROCEDURES:

Make an appointment at a U.S. Consulate to apply for an F-1 Student Entry Visa

(http://travel.state.gov/travel/tips/embassies/embassies_1214.html) You will require the I-20 form from LASC at the time of your appointment. **DO NOT MAKE AN APPOINTMENT UNTIL** you have received the I-20 or are sure that you will have the I-20 in time for the appointment.

NOTE that the processing wait times do not include extra time that may be required for security clearances. Locate the nearest U.S. Consulate: www.usembassy.gov and follow its instructions for applying for a visa including links to required forms). Make a list of documentation required for the interview. Note procedures for paying the visa application fee and any visa issuance fees, if applicable. Check your form I-20 for completeness and correctness! Your I-20 indicates that we have created a record for you in SEVIS (Student and Exchange Visitor Information System). Your unique assigned SEVIS ID number is in the upper right corner of page.

1. Check to see that all information is correct and that your expected completion date is in the future. If you have informed us that your dependents (husband, wife, or children under the age of 21) will come with you to the U.S., each of them will receive their own "dependent" I-20 needed for applying for their F-2 visas and entering the U.S. in F-2 status. If your family name is different from your dependents, be prepared to show documents that prove your relationship.
2. Make sure your passport is valid. When you apply for a visa or enter the U.S., your passport must be valid for at least 6 months into the future. Some countries are exempt from this requirement and have their passports automatically extended for 6 months which means that you can use your passport up until the written expiration date. This rule applies to subsequent entries to the U.S. while traveling as a student. Refer to the list of countries exempt from this rule.
(<http://foia.state.gov/masterdocs/09fam/0941104x1pdf>)
3. Pay the SEVIS fee (\$350) and print the receipt. Go to the web site <http://www.fmjfee.com> and follow the instructions. You will need the I-20 available because the SEVIS number is required. Print copies of the receipt - you will need one with you for the visa interview and you should keep one for your own records. You can only access the receipt at the time of payment so be sure your printer is working before paying the fee. Refer to information posted at <http://www.ice.gov/sevis/i901/faq.htm>.
4. Complete all required Department of State application forms. DS-156 (<http://evisaforms.state.gov/>) Everyone applying for a non-immigrant visa must complete this form. COMPLETE THIS ELECTRONIC FORM ON-LINE and take a printed copy with you to the interview. DS-158: Contact Information and Work History. For all F and J applicants. DS-157: Supplemental Non-Immigrant Visa Application Form. Required for male applicants between the ages of 16 and 45.
5. Refer to step one and follow instructions for paying any visa fees required in advance of your appointment. Procedures may vary from country to country, and even post to post, within the same country. Note that application and issuance fees are often based on reciprocity between that country and the United States.
6. Bring a passport-size photo less than six months old.
7. Prepare for your interview appointment by learning what to expect.
8. You will be applying for an F-1 student visa, a non-immigrant classification. According to U.S. immigration law, "Every alien shall be presumed to be an immigrant until he establishes to the satisfaction of the consular officer, at the time of application for admission, that he is entitled to a non-immigrant status." This means you need to establish that you have no intention of staying in the U.S. permanently, but are coming here for a temporary purpose, i.e. to pursue your education. While the consular officers are aware that it may be difficult for students to demonstrate strong professional and economic ties to their home countries, you should still bear this in mind as you prepare for your interview.
9. Checklist of what to take with you to your visa interview:

- A passport valid for at least six months
 - Form I-20 (sign the form under Item 11)
 - School admission letter
 - Completed visa applications (DS-156, DS-158, and, if applicable, DS-157) Remember to complete the DS-156 electronically and take a printed copy with you. Consulates have advised that the electronic version will speed up the process.
 - A photograph in the prescribed format (see Step 7)
 - A receipt for the visa application fee
 - A receipt for the SEVIS fee. If you have not received an official receipt in the mail showing payment and you paid the fee electronically, the consulate will accept the temporary receipt you printed from your computer. If you do not have a receipt, the consulate may be able to see your payment electronically if your fee payment was processed at least 3 business days before your interview.
 - Financial evidence that shows you have sufficient funds to cover your tuition and living expenses during the period you intend to study.
 - Any information that demonstrates your intention to return to your home country after finishing your studies in the U.S. This may include proof of property, family, or other ties to your community.
10. After the visa is processed, make sure you got what you requested! Check your passport to be sure you obtained an F-1 visa, and that any dependents obtained an F-2 visa. Also, be certain that the I-20 was returned to you as you must have the original with you when you arrive in the United States. Sometimes the document is returned to you in a sealed envelope, which must be presented to the immigration inspector when you arrive.

ARRIVAL AT A U.S. PORT OF ENTRY

Carry your ORIGINAL documents on your person or in a carry-on bag rather than packed in your luggage. You will have to present them to the immigration inspector upon your arrival, and you won't have access to your luggage until after you go through immigration inspection.

Your documents may include:

- valid, unexpired, passport (for at least six months into the future) with a valid, unexpired entry
- visa
- your I-20 visa certificate, signed by the school and by you
- original supporting financial documents, such as personal bank statements, a financial aid award or an offer letter from your department
- marriage license, school transcripts, medical records if applicable
- Immigration Inspection
- On the plane, a flight attendant will distribute the I-94 Arrival /Departure form to non-immigrants. You should complete the white form, NOT the green form that is for tourists from certain countries who are eligible for a 90-day visit without a visa.

Upon arrival, you will go first to immigration inspection. The immigration inspector will need to see the appropriate visa page in your passport and the appropriate supporting documents:

your passport with an F-1 entry visa with LASC noted on it (if it is your initial entry in F-1 status) form I-20, signed by both a Designated School Official (DSO) and you, and the I-94 form that you completed on the plane. If you are coming with your spouse and/or children, then the same attentiveness to how their admission is processed applies. Dependents of F-1 students should enter as "F-2 for D/S". Document Processing – Update of SEVIS Record In addition to processing the I-94 card, the Department of Homeland Security (DHS) will access the SEVIS student record that corresponds to your unique SEVIS ID number and update the record with information on your entry.

LASC is notified electronically of your arrival through your SEVIS record. BE PREPARED! It is to your advantage to know what to expect and to be mindful of what occurs at the port of entry. Immigration inspectors see many people in the course of a day, and mistakes can be made. Some inspectors may be less familiar with student documents than others. Having your documents processed properly at the time you arrive is extremely important. The I-94 card does not appear significant, but is the most important immigration document you will possess. It is the only document with a record of the status in which you were admitted to the United States, the date on which you entered, and at which port of entry. The I-94 is an important form. We recommend that you make two photocopies of both sides of the form; one to carry with you in your wallet, and the other to keep separately in case you need to replace it. Often, the immigration officer will staple it into your passport. Be aware that if you don't get a red immigration stamp on your I-20, it may present difficulties when applying for a Social Security number (SSN) or a NC State driver's license.

MAINTAINING LAWFUL STUDENT STATUS

Under United States immigration law, it is your personal responsibility to maintain lawful F-1 student status. By following the guidelines listed below, you should be able to maintain student status. It is your responsibility to maintain your legal status.

- Keep an unexpired passport valid for at least 6 months into the future.
- Contact your country's consulate for instructions if you need to extend your passport while in the U.S.
- Notify LASC of your address when you arrive and any time you change addresses.
- Upon your initial arrival in the U.S. to study at LASC, you must notify us of your local address in person. LASC will update your address electronically in the SEVIS record.
- Maintain full-time enrollment and normal, full-time progress toward your degree or certificate.
- You are expected to maintain registration and make academic progress. If you are enrolled at LASC for more than one academic year, you are ordinarily permitted an annual vacation period, during which time you are not required to register for courses. Only one vacation period per year is permitted and for most programs, this takes place during the summer semester.
- Obtain PRIOR authorization from LASC (if eligible) BEFORE dropping below a course of study.
- There are very limited exceptions to the enrollment requirement, so you must consult LASC in advance of any drop in course or you will be in violation of your status.
- Do not accept any employment, either on- or off-campus, without written permission from LASC and, if necessary, authorization from the Department of Homeland Security (DHS). Working without proper authorization is considered by the DHS as the most serious violation of its regulations. If you refer to your form I-94 card, you will see the statement, "Warning: a nonimmigrant who accepts unauthorized employment is subject to deportation." It is most important, therefore, that you consult with LASC before you accept an offer of employment or begin to work.
- Make timely transfers if you enroll at LASC after attending another school in the U.S

- DHS regulations specify that you must use the Visa Certificate of Eligibility (I-20) issued by the school you are attending (or plan to attend) when entering the U.S. Consequently, make sure that you use LASC's Certificate of Eligibility. You are required to report to LASC shortly after your arrival.
- Obtain extensions, as needed, of your permission to stay in the U.S. before your Certificate of Eligibility (Form I-20) expires. If you have valid academic or health reasons for requiring more time to complete your program than that which is authorized on the LASC I-20, you must request an extension through LASC. Notify LASC as soon as you know that you will need an extension and at least 30 days before the completion date noted on your I-20 in order to have enough time to obtain any necessary documents. If you require an extension because you will be starting a new program at LASC, you must apply for a new I-20 to begin a new program within 60 days of the completion of the first program.
- Once you have completed your studies that are authorized, you must leave the U.S. or change to another immigration status within the appropriate time allowed. This means that you are allowed to stay for the period of time to complete a program of study and a grace period. Those in F-1 status have a 60 day grace period in which to depart the U.S. or change to another status.
- Carry a copy of your I-94 card with you at all times. When traveling outside the Los Angeles and Orange County areas, you should bring the original I-94 card, I-20, and passport with you.
- If applicable, comply with Special Registration Procedures- Certain Foreign Nationals. Since September 11, 2002, certain non-immigrants are required to be fingerprinted and photographed at U.S. ports of entry. Special Registrants are also subject to departure procedures from ports of entry specifically designated for departure control. Currently, the published registration rule applies without exception to nationals or citizens of Iran, Iraq, Libya, Syria and Sudan. This list is subject to change at any time, and registration may be required of any non-immigrants of any nationality who are deemed by a consular officer or inspections officer to require closer monitoring. If you undergo Special Registration when you arrive, failure to comply with exit requirements has severe consequences.

TUITION AND FEES

Upon applying all students are required to pay a non-refundable \$150 application fee in addition to a \$100 mailing fee if applicable. A complete list of tuition and fees is on the next page. Students are also required to purchase textbooks for each class, the prices of which can be found on the next page. Total estimated charges for entire duration of program study including non-refundable fees is as follows: ESL \$12,240, EAP \$4,080 TOEFL/IELTS \$4,500, Business English \$8,160. However, it is our duty to inform you that if you are a student who has obtained a loan to pay for an educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if you have received federal student financial aid funds, you are entitled to a refund of the moneys not paid from federal student financial aid program funds.

Mandatory Cancellation, Withdrawal, and Refund Policies

(1) LASC shall advise each student that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

(2) LASC shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed one hundred fifty dollars (\$150), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. LASC considers the program start date as the day of enrollment.

(3) LASC shall have a refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. All refunds are prorated and will be calculated on a basis of days attended. The amount owed equals the daily charge for the program multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal. No refunds will be given for students who have attended over 60% of days paid.

Refund Due Dates

(1) If an applicant never attends class (no-show) or cancels the enrollment prior to the class start date, all refunds due must be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.

(2) In the event that no notice of withdrawal (written or verbal) is provided, LASC must automatically administratively withdraw a student after s/he has been absent for a maximum of 30 consecutive calendar days (excluding any scheduled breaks in the academic calendar) and complete a refund calculation, processing any refunds to or on behalf of the student.

(3) For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within forty-five (45) calendar days from the documented date of determination. The date of determination is the date the student notifies LASC of his/her intent to withdraw or the date LASC terminates the student due to the student's failure to adhere to LASC's attendance, conduct, or student progress policy.

In accordance with ACCET policy, LASC may not require written notification of withdrawal as a condition for making refunds nor charge any penalty for failure to notify the institution in writing. Students may also notify the institution by phone or in person. If a student does not notify the institution verbally or in writing, a refund must still be processed.

Case-Specific Cancellation Policies

(1) Rejection of Applicant: If an applicant is rejected for enrollment by LASC, or if a prospective student has his/her visa application rejected, a full refund of all monies paid, less non-refundable charges, will be made.

(2) Program Cancellation: If LASC cancels a program subsequent to a student's enrollment, LASC will refund all monies paid by the student.

Third Party Agents

(1) If an authorized overseas agent for recruiting students is utilized, LASC informs the student of its contractual relationship with the agent and how that relationship will affect the ability of the student to obtain a refund.

(2) If refund of tuition shall be given directly to the agent it is documented and it is the agent's responsibility to refund the student based on LASC's refund calculation.

(3) LASC is not responsible for any disputes that may arise between the two parties thereafter and trusts that the agent will treat the student equitably and fairly. LASC reserves the right to revoke its contract at anytime if it is found that the agent operates and/or communicates to prospective students in a dishonest or ethical manner.

Miscellaneous Policies

- 1. Students that have received an I-20 from LASC must enroll for a minimum of one quarter.*
- 2. LASC may not bill for a period in excess of twelve (12) month increments. Refund computations will apply to the current term at the time of withdrawal.*

SCHOOL CLOSURE, STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd Suite 225, Sacramento, CA 95834, (916) 574-8900

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

PENDING PETITION IN BANKRUPTCY, DEBT

LASC does not have a pending petition in bankruptcy, nor is operating as a debtor in possession, nor has filed a petition within the preceding five years, nor has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.)

ATTENDANCE

MINIMUM STANDARDS AND MONITORING

Consistent classroom attendance is mandatory to maintain student visa status and demonstrate a commitment to education. A minimum of 80% cumulative attendance is required. Since enrollment may include electives, main courses, and/or intensive programs, the attendance rate is calculated via the overall rate for the total hours in which a student is enrolled. Failure to meet the attendance standards may result in termination and loss of visa status. Students are expected to attend all courses. Students who have not attended class for 30 consecutive calendar days will automatically be terminated as per SEVIS requirements. Student attendance is tracked and recorded on a daily basis. Students have access to their attendance records and attendance rates at all times via their individual student log-ins on our education management system. Students can also approach their respective Student Representative at any time for information about their attendance.

TARDINESS, LEAVE OF ABSENCE, EXCUSED ABSENCES

Students who arrive more than 5 minutes late to class will be marked tardy. Student who arrive more than 15 minutes late to class will be marked absent. Students must be present for the entire duration of class and the same conditions apply when leaving early or missing long periods within a class session. A student may be granted a leave of absence at the discretion of the Campus Manager. The request must be submitted in advance and accompanied by a valid reason. The period of non-attendance will not affect a student's attendance rate. Students facing extenuating circumstances or medical emergencies will be referred to the Campus Manager who will make a decision regarding excused absences on a case by case basis. Each leave of absence or excused absence approval must be documented in the student's file.

MAKE-UP HOURS

Since make-up classes will be implemented at the sole request of an individual student, he/she is responsible for the financial compensation for additional classes taken. Private tutoring hours can also count towards attendance make-up. All make-up classes should be equivalent to the proficiency level of the classes missed. Students are not allowed to complete independent assignments for attendance credit. Students are not allowed to take make-up classes in lieu of failing grades.

ATTENDANCE PROBATION

Students who fail to meet the overall 80 percent attendance requirement are given a series of written warning letters by their Student Representative. All warning/attendance status notices are sent to the student's email, posted on their AmpEducator accounts, and documented on the student's profile. These notices have read receipts to ensure students have received this information.

An initial attendance warning letter is issued during week 5 of the quarter to any student whose attendance rate is below the 80% minimum. If the student has not achieved an attendance rate of 80% by week 9, another warning is issued informing the student that they have until week 12 to meet minimum requirements. If by week 12 the student has still not achieved an 80% attendance rate, they are issued a written notice indicating their status as on Attendance Probation. Once a student is on attendance probation, he/she will have one quarter (12 weeks) to raise

their overall rate to 80% or higher. If this is not achieved, they will then be issued a Termination Notice informing them that their SEVIS record will be terminated. Students who fall below 50% at the conclusion of 12 weeks of enrollment may be terminated prior to being put on probation at the discretion of the Campus Manager.

ACADEMIC RAMIFICATIONS

Students not attaining a minimum attendance rate of 80% for their main course may be required to repeat the level and/or issued a learning plan that may require the student to complete extra assignments. LASC maintains waitlists for many of its popular courses and programs. Students with poor attendance may be dropped from the course(s) they are not attending so that waitlisted students can have an opportunity to participate in said course.

VACATION, LEAVE OF ABSENCE

Our vacation policy allows students to take a break without the missed days of the designated vacation period being counted as absences. To be eligible, a student must receive approval from the administration. Students completing two quarters are eligible for a one-month vacation. If a student decides not to take any time off after the completion of two consecutive quarters, he/she would be eligible to take a quarter (three months) off upon the completion of four quarters (12 months). Student must be in good academic and attendance standing and must submit, in writing, a formal notification of intent to take vacation at least a week prior to making any travel arrangements. Students are encouraged to utilize the breaks at the conclusion of each quarter for travel. Vacations during the middle of a quarter are discouraged as they disrupt students' academic progress. Students returning from a vacation/leave of absence of 3 months or more must take a placement check test before reenrolling in classes.

ACADEMICS

LASC's mission is to deliver consistent and high-quality programs to its students and it is part of policy to monitor whether students are satisfactorily progressing through the programs. All instruction takes place in English and any use of students' native language in the classroom setting is highly discouraged. LASC has set forth academic standards to which the students must perform and they must maintain that status throughout their course of study at LASC.

PLACEMENT

There is no English proficiency requirement to join our programs. All students, however, are required to take a placement test at time of enrollment to be properly placed into the correct program/level. For students whose initial placement was perhaps not an accurate assessment of their proficiency, the Head Teacher, in coordination with Student Representatives and appropriate faculty, will issue a case management to assess the situation, and a plan of action will be decided on a case by case basis. Alternatively, students could be asked to take a placement check test at any time to determine whether their current placement is accurate.

Students returning from a vacation/leave of absence of 3 months or more must take a placement check test before re-enrolling in classes. Students who fail this test will be required to repeat the last level they successfully completed/passed.

PROGRAM ADMISSION REQUIREMENTS

- ESL: no minimum requirement
- EAP: initial placement level 6; or upon completion of the ESL program; or with a case management issued by the Head Teacher/Academic Director
- TOEFL/IELTS: initial placement level 6; or upon completion of the ESL program; or initial placement level 5 upon teacher approval or with a case management
- Business English: a minimum initial level 5; or completion of ESL level 4

CHANGING PROGRAMS

Students wishing to change programs may do so at anytime as long as they meet the required pre-requisites and fill out a “notice of intent of program transfer” form with their student representative. In some cases, students switching from a single level program (i.e. TOEFL, IELTS, EAP, or Business English) to ESL may be required to retake the placement test at the discretion of the Head Teacher.

STANDARDS, MONITORING, AND COMMUNICATION OF GRADES

All students are given course grades that are a combination of the following: weekly quizzes, homework, class participation, midterm, and finals grades. Students’ grades will be based on the following:

- Quizzes: 20%
- Midterm Exam: 30%
- Final Exam: 30%
- Homework: 10%
- Participation: 10%

To successfully pass a class/level, a 80% overall grade is required. All students must maintain a cumulative GPA of 70 percent in all classes. Grades are recorded on a 100 point scale and calculated as percentages that correlate to the industry standard 4-point letter grade scale.

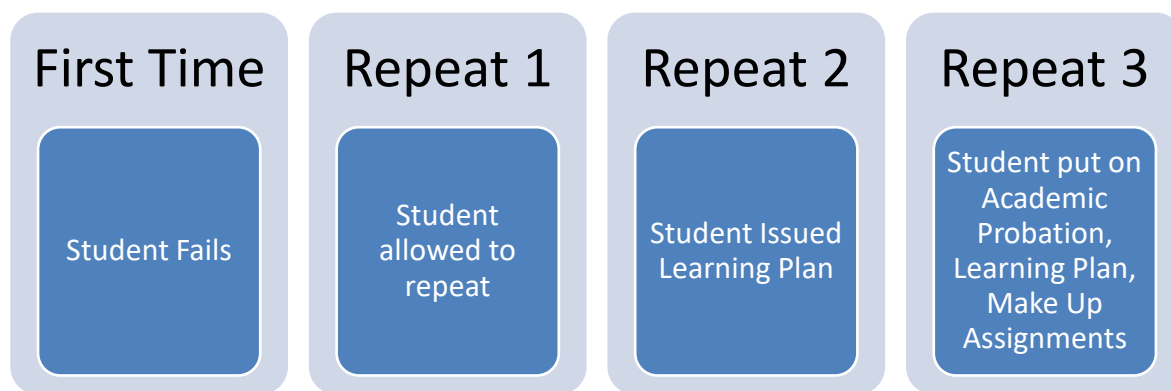

Student progress is recorded in credits—an elective course accounts for 1 credit, ESL or EAP course for two credits, and TOEFL/IELTS/Business English for four credits—these credits correspond to the clock hours of each program. All grade scores are calculated by the student’s individual teachers and input electronically via the AmpEducator system. Hard copies of all quizzes/exams are kept for one week upon administration for student review. Student

Representatives keep track of each student's status with relation to probation or dismissal and notifies both the pertinent student and the Campus Manager of any significant change.

Students have access to their academic profiles, course grades, transcripts, and overall GPA at all times via their individual student log-ins on our AmpEducator system. Students can also approach their respective Student Representative or teacher for information about their academic standing. All students who have concerns regarding their academic performance are encouraged to see the Head Teacher for academic counseling and free tutoring sessions, their individual teacher for help regarding coursework, or seek private lessons to improve his/her grades.

PROGRESSION

Any student who earns less than 80% in a core level class will have to repeat that level and will not be allowed to advance to the next level. Students who are repeating a level and fail are allowed to repeat the level a second time but must be given a learning plan by the Head Teacher which he/she will review with the student. If a student again fails, and must repeat the level a third time, the student is immediately put on Academic Probation and/or be required to complete make-up work from classes failed to raise their GPA. Upon a repeated fail, a student may be terminated or follow the Academic Probation extension or appeals process as detailed in the next section.

Students who marginally pass or marginally fail a level can request a case management from the Head Teacher to repeat the level or advance to the next level respectively. Rolling admissions students and students who have missed more than 3 weeks of a level/class due to vacation or leave of absence are allowed to repeat that level/class. Students in programs with only one proficiency level (EAP, TOEFL, IELTS, Business English) are permitted to repeat courses that have undergone curriculum changes without penalty.

Students not attaining a minimum attendance rate of 80% for their main course may be required to repeat the level. Students must maintain a minimum overall attendance rate of 80% as outlined in our attendance policy.

ACADEMIC PROBATION POLICY

Bi-quarterly student progress reports will determine whether a student is making Satisfactory Academic Progress (SAP). Administrative staff keeps track of each student's status with relation to probation or dismissal based on academic standing. Notices are given every six weeks, twice a quarter. Students whose grade point average is less than 70% at the mid-quarter are given an Academic Probation warning.

If the GPA is not raised within the next six weeks, they are placed on Academic Probation. Once a student is on academic probation, he/she will have another 6 weeks to raise their overall rate to 70% or higher. After this

probationary period if the student's new cumulative grade point average is not raised to at least 70% the student may be academically dismissed and the SEVIS record may be terminated.

The Campus Manager can give a student an extension of the probationary period. Additional extensions can be allowed based on the student's rate of academic improvement and/or effort. Such extensions are decided on a case by case basis and consider such variables as number of quarters enrolled, time of leave of absence if applicable, and student's effort.

All warning/attendance status notices are sent to the student's email, posted on their AmpEducator accounts, and documented on the student's profile. All students who fall below 70% are strongly encouraged to meet with the Head Teacher as soon as possible to establish an academic plan and seek academic guidance.

Students who are on Academic Probation may be issued a learning plan or be required to complete make-up work from classes failed to raise their GPA. Assignments vary and include but are not limited to: online workbook exercises, publisher provided learning resources, textbook supplements, presentations/projects, research papers and essays. The Head Teacher is in charge of designating what assignments need to be completed, setting their respective due date, determining credit earned, and checking completed assignments once submitted. Students may also receive credit by attending free tutoring sessions held by the Head Teacher during weekly office hours. Students will not be charged extra for make-up assignments.

SUSPENSION/TERMINATION OF CANDIDACY AND APPEALS PROCESS

LASC reserves the right to suspend or terminate any student whose attendance, academic performance, financial standing, or personal behavior does not comply with LASC standards, regulations, and rules.

If a student wishes to appeal probation due to unsatisfactory progress, attendance, or behavior, the student may make a written appeal with substantiating documentation, if appropriate, to the Campus Manager for consideration within 10 days from the date of notification of Academic Probation. Students should receive a response within a 10 day time period. If the appeal is denied, the student may appear before the Campus Manager to personally present his/her case.

COMPLETION

Students who successfully complete their program can receive a Certificate of Completion upon request. Students enrolled in the ESL program can receive a certificate which indicates their last level of successful completion. Upon exit, a student must have achieved at least 80% attendance and have completed the period of enrollment to be designated as “completed status” in official records.

POLICY REPRODUCTION OR UNAUTHORIZED USE OF COPYRIGHTED MATERIALS

LASC’s policy on Reproduction of Copyrighted Materials is in accordance to standards stipulated by the [United States Copyright Act. According to Title 17](#) United States Code, ‘Fair Use’ Clause Provisions of Sections 106 and 106A: the fair use of a copyrighted work, including such use by reproduction in copies or phonorecords or by any other means specified by that section, for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research, is not an infringement of copyright. This policy is intended to inform teachers and others at LASC regarding the photocopy use of copyrighted materials and to prevent LASC’s potential liability for copyright infringement. This policy is set forth to all employees, staff, and students of LASC to guide in their decision respecting compliance with the law. Please inform the Campus Manager if you have any questions or concerns or require clarification about what is or is not considered a violation of copyright policy.

TEXTBOOKS

Students must obtain the required text for each class. Students must obtain the textbook by Wednesday of Week 2 of the quarter otherwise they will be marked "Absent" everyday thereof as they are not able to fully participate in class. Students who have ordered their books elsewhere (ex. Amazon) will be held to the same deadline outlined above. Rolling admissions students must obtain the book within three days of enrollment. During week 1, Teachers will make limited copies of curriculum materials within the parameters set by the Policy on Reproduction of Copyrighted Materials. No copies will be made of student workbooks, standardized tests, or test booklets.

ACADEMIC HONESTY, CLASSROOM EXPECTATIONS, STUDENT CONDUCT

As part of the new student orientation process, students are presented with the LASC Honor Code, a document which is at the heart of integrity at LASC and gives students and staff guidance on self-governance. The Honor Code affirms LASC’s commitment to high standards of conduct. The honor code contains important information regarding student conduct, classroom expectations, plagiarism, and academic honesty. All students will also receive important information regarding American classroom culture which will be helpful in explaining classroom etiquette.

CONCURRENT ENROLLMENT

Students may enroll concurrently in any of LASC’s programs as long as they stay within the guidelines determined by their visa status (if applicable) and meet the minimum admission requirements of the programs in which they would like to enroll.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at LASC is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the ESL/EAP/TOEFL/IELTS/Business English program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending LASC to determine if your certificate will transfer.

TRANSFER AGREEMENTS

LASC has established MOUS with local community colleges allowing for the conditional admission of our students without a TOEFL/IELTS score upon successful completion of our ESL program. For a full list of these colleges or for more information please contact the Head Teacher at your respective campus. LASC is a non-credit program and has not entered into transfer or articulation agreements with any colleges or universities.

CREDIT FOR PRIOR LEARNING

LASC does not accept credit from other institutions. LASC does not award credit for prior experiential learning.

PROGRAMS AND COURSES

ESL PROGRAM

Our Core ESL program is comprised of six levels and based on a six-point scale from A1 for beginners, up to C1 for advanced learners in accordance to International Standards of English Proficiency. There is no minimum proficiency requirement to enter our program. Each main level course is 12 weeks long and the entire program can be completed in 1.5 years. Students take one core course, along with two elective courses in order to provide in depth practice on certain skills. The English as a Second Language program aims to endow students with the fundamental skills necessary to become competent English speakers. Upon completing our program, students will have the linguistic capabilities necessary to succeed at the collegiate level, pursue professional opportunities, and actively participate in American society. (six levels; 216 clock hours per level; 1,296 clock hours entire program; estimated completion: 1.5 years)

ENGLISH FOR ACADEMIC PURPOSES

Designed specifically for students who wish to pursue advanced degrees, the EAP program prepares students to succeed at the Collegiate or University level. Upon completion of the program, students will have attained the essential language skills, independent learning habits, and academic culture necessary for integration into U.S. institutions of higher learning. Our courses help to develop students' note-taking, discussion, rhetoric, debate, presentation, and research skills within an academic context. By the end of this program, students will have also improved their ability to read and understand the content of written texts in academic English. Students will have gained greater reading fluency and accuracy; a deeper understanding of the content of reading passages; learned strategies for improving

HOUSING

LASC is a non-residential school and does not offer any dormitory facilities. LASC, does however, work with various homestay agencies to offer students housing. These agencies will help you find a friendly family to make your stay in Southern California unforgettable. These agencies help to match students and families according to requests and personalities. The home-stay is a month to month agreement with an option to extend longer if both the student and host family are in agreement. For more information, ask LASC for an application or ask your student representative for more information. LASC is not responsible to find or assist students in securing housing. There is ample housing available around all three campuses. Rent varies and tends to be more expensive in the LA and Irvine areas and can range anywhere from \$800 - \$1,500 per month for a single room. Many of these lease agreements include utilities (Internet, trash, gas, electricity). Check out websites like Trulia and Zillow for available rentals.

INFORMATION TO HELP YOUR GET AROUND

WEATHER

Southern California has a mild climate. Newcomers to Southern California enjoy its mild winters and moderate to warm year-round climate. January is the coldest month of the year, with an average temperature of 58° F. (14° C.) August is the hottest month, with an average temperature of 84° F (73° C.) You will need to bring clothing appropriate for this climate.

SHOPPING

Once you have arrived, you can decide what items will make your stay more comfortable and home-like. There are several large stores in the Los Angeles and Orange County regions where you can buy needed items at a reasonable price. Items can be purchased in person at discount stores like Walmart or Target or online on Amazon.

Craig's List is a website that lists classified ads for a wide variety of items including used furniture, electronic equipment, cars, etc. It has been a helpful source to many people. www.craigslist.org

BANKING IN THE UNITED STATES

There are many banks to choose from in Southern California. Among the largest banks with the most branches are Bank of America and Wells Fargo. In order to open an account at a U.S. bank you will need either a passport or a Social Security card.

Checking Account & ATM/Debit Card Most students end up opening a checking account when they arrive in the U.S. With this type of account, you are able to deposit and withdraw funds directly from your account. Most banks charge a nominal monthly service fee for most checking accounts. You will need to speak to a bank official to determine which type of account best fits your needs. If you write a check and don't have enough funds in your account to cover the amount of the check, you will be charged an expensive service fee for a "returned" check. You may avoid this by opening an account that has "overdrawn" protection. You can withdraw from your account either by:

- Writing a paper check for a designated amount to pay for goods or services
- Use an ATM/Debit card
- Checking
- ATM/Debit Card

With an ATM/Debit card you can make cash withdrawals from an automated teller machine (ATM). If you make a withdrawal from an ATM that is not affiliated with your bank, you will probably be charged a small fee. If you lose your ATM/Debit card, you should report it immediately to your bank. If the loss is reported to the bank within 24 hours, you will only be responsible for an amount that shall not exceed \$50 of the total amount that occurs due to fraudulent use.

TRANSPORTATION

PUBLIC TRANSPORTATION

Los Angeles and Orange Counties have limited public transportation systems. Please refer to the following links for more information:

- LA Metro – www.metro.net/
- Orange County Transportation Authority- www.octa.net/
- Metro Link – www.metrolinktrains.com

BICYCLES

If you decide to bike, please be careful! American drivers are not used to sharing the road with cyclists. Always wear a helmet and assume that the drivers of cars do not see you. Lock your bike up, as they are easy to steal. And remember that as a cyclist, you must follow the same traffic laws that cars do.

PERSONAL VEHICLE

If you decide to purchase a car while you are in the United States, there are a few things that you need to keep in mind. You must have a driver's license to drive a car. A license from your country is usually acceptable, but remember that police officers are not used to seeing them. Make sure your country has a driving agreement with the United States before you use your home-country license. You must have proof of car insurance, even if you do not have a car. If you do not have a car you will purchase a "Non-owner's policy". When you purchase a car, you must call your insurance company immediately to inform them of

the change. There are many companies in Southern California that sell car insurance. Among the most popular are Allstate, State Farm, and AAA. Check with fellow students and staff for recommendations. Make sure you are comfortable driving. Just because you passed the road portion of the driving test does not mean that you are ready for the interstates and highways. Practice in areas with less traffic first. Ask a friend to ride with you for support and advice. Make sure your car is roadworthy! Buying a car that is falling apart or in any way unsafe should be avoided at all costs!

The Campus Director is responsible for releasing this information. For more immediate access, all students can access their records including grades, attendance, billing history, transcripts, etc. via their student accounts. If requested by a DHS representative, LASC reserves the right to release F1 student documentation as legally obligated.

RETENTION OF STUDENT RECORDS

To meet Department of Homeland Security and BPPE regulations, LASC retains its student records for no less than five (5) years after the student's Last Date of Attendance (LDA). For up to five years after the student's LDA, he/she can still request access to his/her file, provided that he/she allow ten (10) business days for administrative staff to process the request.
