This notice need not take any particular form; it needs only to state that you wish to cancel.

WITHDRAWAL FROM COURSE: The institutional refund policy for students who have completed 60 percent or less of the course of instruction shall be a pro rata refund. After the end of the cancellation period and before the course completes, you have a right to terminate your studies at this school at any time, and you have the right to receive a refund for the part of the course or program you have paid for and did not receive (excluding unexcused absence). You have the right to withdraw from the course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation, the school will remit a refund, less any non-refundable fees, within 45 days following your withdrawal. You are obligated to pay only for educational services rendered (including unexcused absence) and for unreturned books or equipment. For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- *The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.*
- *The institution terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.*
- *The student has failed to attend class for 3 classes without prior approval.*

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance.
