STUDENT'S RIGHT TO CANCEL

Cancellation, withdrawal, and refund policies, include an explanation that the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

CEC 94919. Institution Participating in Federal Student Financial Aid Programs

- a) An institution that participates in the federal student financial aid programs complies with this article by complying with applicable regulations of the federal student financial aid programs under Title IV of the federal Higher Education Act of 1965.
- b) The institution shall advise each student that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.
- c) The institution shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to **students who have completed 60 percent or less of the period of attendance.**

Refund Policy: After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the period of attendance has elapsed (including absences), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds. This policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure.

A registration fee of **\$75.00 is a non-refundable item.** Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below.
