A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The University shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through your attendance at the first class session (or before the first lesson and materials are received for Distance Education courses), or the seventh day after signing this enrollment agreement, whichever is later. If you attend the first scheduled day of classes (or receive the first lesson on the date the course is scheduled to begin), the last date you have to cancel is _____.

There is no penalty or obligation from the date the student cancels their enrollment agreement. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

If the school has given a student any equipment, she/he must return the equipment within 10 days of the cancellation notice. If it is not returned within this time, SDUIS may keep an amount out of the fees paid that equals the replacement cost of the equipment. The school will refund any amount over that and the student may keep the equipment.
