DEFINITIONS

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Salary" is as reported by graduate or graduate's employer.

- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Platt College San Diego complies with Title IV of the Federal Higher Education Act of 1965. You may cancel this contract by written notice, without any penalty or obligation, and receive a full refund of any money paid, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation occurs when you give written notice of cancellation to the Registrar at the College's address shown on the front page of this Agreement. Withdrawal is for issues beyond lack of attendance. You can do this by mail, in person, by FAX or email. The email must be the one on file with the college and include a verifiable signature. If you cancel this agreement, the notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed and postage prepaid. This notice need not take any particular form. It only needs to state that you wish to cancel this agreement by mail. If you cancel this agreement, the College will refund any money that you paid less the registration fee and less any deduction for books and supplies not returned in good condition, within 45 days after your notice is received.

DEFINITIONS

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Salary" is as reported by graduate or graduate's employer.

- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Platt College San Diego complies with Title IV of the Federal Higher Education Act of 1965. You may cancel this contract by written notice, without any penalty or obligation, and receive a full refund of any money paid, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation occurs when you give written notice of cancellation to the Registrar at the College's address shown on the front page of this Agreement. Withdrawal is for issues beyond lack of attendance. You can do this by mail, in person, by FAX or email. The email must be the one on file with the college and include a verifiable signature. If you cancel this agreement, the notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed and postage prepaid. This notice need not take any particular form. It only needs to state that you wish to cancel this agreement by mail. If you cancel this agreement, the College will refund any money that you paid less the registration fee and less any deduction for books and supplies not returned in good condition, within 45 days after your notice is received.

DEFINITIONS

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Salary" is as reported by graduate or graduate's employer.

- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Platt College San Diego complies with Title IV of the Federal Higher Education Act of 1965. You may cancel this contract by written notice, without any penalty or obligation, and receive a full refund of any money paid, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation occurs when you give written notice of cancellation to the Registrar at the College's address shown on the front page of this Agreement. Withdrawal is for issues beyond lack of attendance. You can do this by mail, in person, by FAX or email. The email must be the one on file with the college and include a verifiable signature. If you cancel this agreement, the notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed and postage prepaid. This notice need not take any particular form. It only needs to state that you wish to cancel this agreement by mail. If you cancel this agreement, the College will refund any money that you paid less the registration fee and less any deduction for books and supplies not returned in good condition, within 45 days after your notice is received.
