ABOUT GETS THEOLOGICAL SEMINARY

VISION

To cultivate ministers and theological educators for global Chinese churches.

MISSION

Through the promotion of theological education, we cultivate for God's Kingdom

1. Church leaders seeking after God's will that they may serve in the Church effectively
2. Ministers who can shepherd effectively and respond to contemporary challenges.
3. Theological educators who can continue on the task of theological education and to make it more accessible, so that the Christian faith may be rooted in context and bear fruit in cultural life.

GOAL

1. To cultivate servants of God with purity of faith and thriving spiritual life.
2. To cultivate servants of God who pray earnestly and rely on the Holy Spirit with an open mind and devoted heart.
3. To cultivate servants of God with passion for mission. To achieve these, we follow a well-balanced course of spiritual development, Christian living, pursuit of knowledge, critical thinking, formation of mindset, and engagement in ministry.

CORE VALUE

1. Be passionate, loyal and committed to the vision, mission and set goal.
2. Pursue excellence in teaching, publishing and work.
3. Promote upright character in personal and institutional affairs.
4. Be amicable and humble in serving, learning and relating.

STRATEGY

1. Operating on the principle of "going" instead of "coming", we use unconventional and innovative ways to reach needy places effectively and responsively. We start teaching sites tailored to different target groups, and offer various levels of comprehensive theological training. In addition, we extend our reach of ministry through distant learning.
2. Through partnership with churches and institutions, we build a wide network of theological education.
3. Through academic research, dialogs and publishing, we attend to the needs, engage in discussion, and respond to current issues. This enriches the material content of our theological education and helps set a higher standard of quality.
4. Paying attention to the Chinese environment, we aim at cultivating future theological educators with cultural and contextual sensitivity through the advanced research programs we offer.
5. Establishing a comprehensive and advanced theological research center in Los Angeles area by providing advanced theological courses and research facilities.

STATEMENT OF FAITH

THIS WE BELIEVE:

1. The Bible, containing the Old and New Testaments, is the inspired and infallible Word of God, the necessary and complete revelation of His Will for the salvation of humankind, and is the ultimate authority for Christian faith and life.
2. There is one true and living God, eternally existing in three distinct persons: Father, Son, and Holy Spirit.
3. The triune God is the Creator, the Sustainer and Ruler of the creation, but is prior to, and distinct from all creation.
4. The first man, Adam, was created by God in His image, but fell from his original state by sinning against God, and hence incurred upon himself and all his posterity the guilt of sin, condemnation, and death; therefore, all humans are in need of salvation, but are totally incapable of saving themselves.
5. After the Fall, God, in His mercy and love, made provision for humans' redemption through the promise and giving of the Savior Jesus Christ, in whom to believe is justification and life.
6. Jesus Christ is the Son of God, sent by the Father, begotten by the Holy Spirit and born of the virgin Mary, fully divine and fully human. He lived a sinless and obedient life, suffered and died on the cross for the sins of humankind. God raised Him from the dead, exalted Him as Lord of all, and gave Him the promise of the Holy Spirit for His Church.
7. Humans are saved by grace through faith in Christ in response to the Gospel preached, or otherwise presented, in the power of the Holy Spirit, through whom sinners became children of God and heirs of eternal life. Jesus Christ is the only mediator between God and humans; through Him believers have access to the Father.
8. Believers are a new creation in Christ, and are called to walk in the Spirit, to die unto sin, and to live unto righteousness, and thereby manifest the fruit of the Spirit, conforming themselves to the image of Christ; good works are the fruit of the Christian life, and are not ways of justification.
9. God alone is the Lord of our conscience, and believers are free from the commands of human which are contrary to, or in addition to, the Scriptures in matters of faith and conduct.
10. All believers belong to Christ and are indwelt by the Holy Spirit; together they make up the Body of Christ, the Invisible Church that is holy, universal, and united. The Church submits to the Great Commission of world evangelization and the Great Commandment of loving one another.
11. All believers are a royal priesthood; laity and clergy are of equal partnership in Christian ministry.
12. In the last day, Christ will come again personally and visibly to the earth to judge the living and the dead. There will be a bodily resurrection of the dead: of believers through the Holy Spirit unto the inheritance of eternal life, and unbelievers unto condemnation; and a new heaven and new earth will be ushered in.

LIBRARY

The library of GETS Theological Seminary (GETS Library) was built on its US campus in Covina, California in May 2018. It has approximately 4,400 square feet in total and houses a main collection hall, a reference room, a special collection room, a multimedia room, a group discussion room, and personal study areas.

Currently, the GETS Library has collected over 30,000 items of books and materials in Christian and religious studies, theology, and other related subjects. As of June 2020, the library has cataloged and processed more than 25,000 items. Approximately, half of them are in English and the rest are in Chinese. The students and faculty members in the LA area have been getting access to the cataloged materials, such as books, dissertations, bound journals, and audio-visual (AV) materials by checking-out in person or holding/requesting them via email, in-person, and will have access through Koha by this Fall. It will provide online access to the GETS Library catalog through the library webpage, and other related online library services, such holding, renewing, and recommendations, etc.

In addition to book format, the GETS Library has about 60 titles of Chinese and English theological and Christian journals, magazines, newsletters, and newspapers, etc. Moreover, the Library provides 4 theological research databases including the *ATLA Religion Database with Serials*, *ATLAS Plus* (containing Chinese full-text articles), *Old Testament Abstract*, and *New Testament Abstract*. Those databases provide GETS faculty and students to access full-text journal articles, book chapters, reviews, or abstracts remotely and electronically for study and research. The Library website, currently under reconstruction, will provide links for students to access the full-text articles of those e-journals, e-magazines, e-newsletters, and many other open-sourced e-resources in Christianity, religion, theology, and the related subjects.

To support GETS's distance education, the Library will collaborate with the faculty to ensure the essential materials as well as the references are available in electronic format via Moodle platform or the library website. In order to provide more sufficient learning materials to the online students, GETS Library will continue to strengthen its e-collection through adding new open-sourced materials, subscribing to more e-journals, e-books, and acquiring various e-resources, such as comprehensive reference databases and theological and religious research databases in the future.

Partnership with Local Schools and Seminaries
