School Performance Fact Sheet

Calendar Years 2021 & 2022

On-Time Completion Rates (Graduation Rates)

Includes data for the two calendar years prior to reporting.

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2021	88	63	63	63
2022	227	121	121	121

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 01/26/2021. As of 01/01/2023, two full years of data for this program will be available.

Job Placement Rates

Includes data for the two calendar years prior to reporting.

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2021	88	63	63	63	100%
2022	227	121	121	113	93.33%

You may obtain from TTCC a list of the employment positions determined to be in the field for which a student received education and training. A list of employment positions is included in the Student Catalog.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A refund, minus the initial deposit, will be issued to any student who cancels enrollment prior to the start date of their first course, and after signing the enrollment agreement. The effective date of termination for enrollment will be the date of receipt of written notice from the student to a school official.

Students who have paid in full will receive their entire balance back minus the Application and Processing Fee, and Registration Deposit. Students who have paid in full will be charged a \$250.00 Holding Fee if terminated prior to the start of the first course. TTCC will retain the Holding Fee to be applied toward future costs if that individual decides they would like to reapply within 12 months from the effective termination date.

Students on payment plans will not be charged for months preceding the termination date except for a Holding Fee of \$250.00. TTCC will retain the Holding Fee to be applied toward future costs if that individual decides they would like to reapply within 12 months from the effective termination date.

Students who received federal student financial aid funds are entitled to a refund of moneys not paid from federal student financial aid program funds. Students are required to submit a formal withdrawal letter in writing to a school official in order to access and obtain a refund.
